From the President's Desk

As the world begins to grapple with the outcomes of the various crises precipitated by Covid, I am glad to report that the students of Unity have only gone from strength to strength. As always, the late Maulana Dr. Kalbe Sadiq Saheb's presence is still deeply missed but his values continue to inform the vision of the trustees, the determination of the faculty and staff and the aspirations of the students. We are committed to his dream of making Unity an academy that produces the leaders of tomorrow in every field and most importantly creates moral and conscientious human beings who will help to fight the great crises of the 21st century: economic inequity and inequality, social injustice, climate change and the challenges posed by emerging technologies such as Artificial Intelligence amongst other things. Embarking on tackling these problems needs first and foremost a sound ethical foundation which the late Maulana often focused on. Indeed the two values which he often spoke about are humility and charity.

Prophet Mohammad (pbuh) said

أَكْثِرُوا مِنَ الصَّدَقَةِ تُرْزَقُوا

Increase your charity so that your sustenance becomes abundant.

And Imam Reza (A.S.) said

اَلتَّوَاضُعُ أَنْ تُعْطِيَ النَّاسَ مَا تُحِبُّ أَنْ تُعْطَاهُ

Humility is to give people that which you yourself would like to be given.

In a world where there is increasing inequality and many social ills stem from the arrogance of human beings, these two narration's will help you to always keep in mind those in need and also remember that we must never let our success make us arrogant or haughty.

Lastly, I would like to congratulate the entire Unity family for their continuous success in attaining new heights and I thank the parents of all students for having trusted us with their children, who will be the future ambassadors of Unity in the world.

From the Secretary's Desk

Education is the key to the development of a community, society and the country at large. Education is not only limited to how well you can read and write but whether you can communicate with and understand the world around you.
Good education not only teaches you skills but also helps you broaden your horizons, gain better perspective and teaches you to think for yourself.
Unfortunately, the overarching problems-concerning each level of education-are quality and pertinence. India bears extensive difficulties in facing the requirements of a growing and modern workforce.
Even though India has one of the world's largest number of university graduates and post graduates in various streams, we are not able to make each of them employable due to the mismatch between industry needs and school-university pipeline output.

Some of the key factors leading to this situation are listed below for our readers to deliberate and subsequently work upon to overcome them.

- Lack of quality education at school level (conceptual learning Vs prevalent rote learning).
- Inadequate soft skills and specialized skills relevant for the given job.
- The career goals are not decided on the basis of one's own interest, aptitude, competencies, and awareness about future job market trends. Students repeatedly make wrong choices towards the career path due to their own misconceptions, unawareness, peer-pressure, or parents force them to make choices.
- Students target and pursue professions that are over saturated or highly competitive in terms of employability.
- Majority of our students are fit for vocational courses but unfortunately pursuing such courses have become a social stigma even though employability outcome of such courses is very high.
- Unfortunately, instead of taking up vocational courses, majority of the students end up enrolling themselves in substandard courses from substandard institutions/universities where employability outcome is extremely poor.
- Majority of our students are not aware and focused towards public sector or government jobs. They are unaware that large number of government jobs are available after class X & XII through various competitions.
- Students are equally missing on entrepreneurship or self employability.

The government has very thoughtfully introduced the “New Education Policy -2020” to address these issues by bridging the gap between educational institutions and employability. The policy is being implemented in schools, colleges, and universities to promote employability driven quality education.
Unity College is already well aligned with the objective of the New Education Policy and is working along with teachers and parents towards the holistic development of its students. We at Unity College stand committed to giving better facilities to students in Academics, Sports, Cultural, Technical, Multi-Media, Arts, Social and Cultural Activities which would help them to discover their areas of interest. We are working to enhance the quality of employability driven education at Unity. This is inclusive of active participation of our students in sports, extracurricular and literary activities. Inculcation of Strong Character Traits, Moral Values, Personality Development, Strong Communication Skills, Computer Literacy, Creativity, and Career Guidance are well integrated in this development process.

This magazine showcases the milestones covered by the College towards grooming our students to become productive human capital for our nation.
This would not have been possible but for the sacrifices, dedication, perseverance, and well-planned concerted efforts of all the stake-holders. I pray and wish them great success ahead in this endeavour.

Thank you and kind regards

Najmul Hasan Rizvi

From the Jt. Secretary's Desk

I am overwhelmed with joy as I bear witness to the resplendent evolution that our College Magazine undergoes with the passage of each year. Like a shimmering jewel in the crown of our institution, our publication serves as a living testament to the unbounded nature of improvement. With every new edition, the magazine effortlessly surpasses its predecessor, not only in its visual splendor but also in the sheer depth and brilliance of its content. It is with a sense of admiration that I extend my heartfelt felicitations to the contributors, whose unwavering dedication and commitment have brought this magnificent edition to life.

Simultaneously, our esteemed College continues to chart an awe-inspiring trajectory on the grand canvas of progress, etching an indelible mark in the realms of academia, sports, and a myriad of other activities. This year's ISC and ICSE results have shattered all prior records, leaving us astounded. A palpable sense of awe envelops us as we witness the ever-increasing ranks of students achieving the remarkable distinction of securing an astounding 90% marks, fostering within us an unshakeable faith in a future brimming with infinite possibilities. I extend my warmest congratulations to the exceptional faculty members and the diligent students for this awe-inspiring achievement.

As we stand on the edge of the unknown, looking ahead to the future, I want to extend my sincerest wishes for the years to come. Together, as a united college community, let's embark on this limitless journey, driven by an unwavering ambition that knows no bounds. May good fortune shine upon us as we fearlessly forge ahead, reaching new heights of excellence and leaving an everlasting legacy for generations to follow.

Dr. M. Talha
Jt. Secretary

From the Principal's Desk

As the Principal of the College, I feel honoured and privileged to be a part of an educational institution where the teaching - learning strategies are in line with the NEP 2020. No doubt, the NEP brings about a revolutionary change in society by making education accessible and affordable to all, and accountable too. Its practical approach of sustainable development transforms India into a vibrant society by making education more holistic, flexible and multidisciplinary, while bringing out the unique capabilities of each student to fit in the 21st century multiple, novel avenues.

In sync with the motto of NEP “Educate Encourage Enlighten”, Unity College religiously believes in the incredible power of Education. In the words of Founder President (Late) Dr. S. Kalbe Sadiq, “Ignorance and poverty are the enemies of a community. It can be swept away by education only as it is the most promising tool for progress and power, justice and integrity.” Truly, the root of all empowerment lies in Education. The College aims to deliver high-quality and equitable education which motivates and empowers our students to be lifelong learners and productive members of the society. At Unity, Education is not just the amount of information that is put into a child's brain. Our education system is the one that caters to the individual needs of our students via a number of counselling and career guidance programmes like Rehnuma Mentorship, Allens, CSI, etc.

In the present progressive era where every moment brings in a new innovation in technology, the College adopted the latest paradigm shift to digital platforms to provide ample opportunities to students to grasp and think critically and lead the learning process that is at par with the hi-competitive erudition. Our objective is not only to facilitate the top quality education and produce successful professionals but also to stimulate the holistic growth of a child who will one day prove to be a model citizen of the Country. As we introspect on the last productive years, we find it gratifying that the academic progress of the College is marked by imbibing in its students value based education synergized with modern teaching-learning technology to produce a generation of well informed and emotionally sound generation.

The teachers at Unity are exceptionally competent and possess expertise in their individual fields, strive hard to concentrate on each and every child, monitor and mentor them, appreciate their achievement and encourage them to overcome their shortcomings. Besides, all the teachers are given equal opportunities to evolve new ways of teaching, keeping in mind the modules of National Education Policy 2020. Regular Teacher Training programmes and Orientations ensure substantial support to each student's learning experience through quality instruction and guidance that addresses each student's specific needs both academically and socially. Even the parents' contribution is roped in via orientations and seminars to ensure their active support in the education of their wards and the College activities as well.

We, the Unity Family, firmly believe that in the dictum of the Quote:

"Coming together is a beginning, staying together is progress, and working together is success."

I wish my team the best of dividends in achieving the pinnacles of success which our College reckons and aspires for.

With best wishes and God's blessings!!!

Francis Castelino

Principal

From the Editor's Desk

Dear Readers,

As the Editor of this magazine, it is my pleasure to address you all today. One of the key themes that has emerged this year is student motivation. As educators, it is our responsibility to inspire our students to pursue their passions, explore new ideas, and strive for excellence in all areas of their lives. Motivation is not something that can be taught, but it can be fostered by creating a supportive environment that encourages creativity and a love of learning. I am proud of the efforts that our students have made this year to motivate themselves and their peers, and I encourage them to continue to challenge themselves in the pursuit of their dreams.

Another important theme this year has been the appreciation of student work. We have seen some truly exceptional work from our students, in all areas of the curriculum. From outstanding academic achievements to impressive artistic endevours, our students have demonstrated their dedication and commitment to their studies. I urge all members of our community to take the time to acknowledge and celebrate these achievements, as they are a testament to the hard work and talent of our students.

Inspiring creativity is another theme that has been at the forefront of our school community this year. Creativity is essential for innovation, problem-solving, and personal growth. It is our responsibility as educators to create an environment that fosters creativity and encourages students to explore their passions. This year, we have seen some truly remarkable creative projects from our students, from innovative scientific experiments to stunning artistic creations. I am inspired by the creativity of our students and I look forward to seeing what they will achieve in the future.

In conclusion, I want to express my gratitude to the management, staff, parents, and students for their contributions to our school community this year. Together, we have created a supportive and nurturing environment that fosters learning, creativity, and personal growth. I urge all members of our community to continue to strive for excellence in all areas of their lives, and to remember the importance of education in our faith and in our society. We have much to celebrate, and much to learn from our experiences.

May Allah bless us all with success and guide us towards the path of righteousness.

UNITY COLLEGE TAKES THE FOOTBALL FIELD BY STORM

Zonal CISCE Football Tournament

Unity College's U – 14 and U – 19 Football teams showcased their skills at the CISCE Zonal Football Tournament at La Martiniere Boys College in Lucknow.

The U – 14 team dominated their opponents, winning the first match 6-0 against Spring Dale College Lucknow and defeating La Martiniere College 3-0 to clinch the tournament championship.

The U – 19 team also delivered impressive performances, defeating CMS Rajajipuram 5-0 and Colvin Taluqdar College 5-1 to reach the finals. Despite a valiant effort in the final match against La Martiniere Boys, the team lost in the penalty shootout, earning the well-deserved Runners Up Trophy.

Regional CISCE Football Tournament

Unity College had a successful run at the Regional CISCE Football Tournament, with Lucknow – B U–19 winning the finals and the Lucknow – B U-14 placing as runners up at Agra.

The U-19 team played remarkably as it moved into the finals, defeating Ghaziabad, Nainital & Uttarakhand. In the final match against Lucknow Zone-B, the team scored an impressive 6-0 victory, clinching the winning trophy.

The U-14 team, Lucknow B, started the league with a promising performance, winning their initial matches with clean sheets against Meerut and Kanpur North & Nainital. However, in the final match between Lucknow Zone-B and Allahabad, the team lost by 2-1, despite putting up a great show of attacks and counter-attacks to claim the Runners Up Trophy.

Late Subhash Mishra Super Sports Cup

A two-day football event, played in memory of TOI journalist, Late Subhash Mishra, witnessed eight teams battle it out for the coveted title. Unity College succumbed 2 – 3 to their rivals, Cantonment Sporting for the finals, grabbing the second spot in the tournament.

BYJU'S Lucknow Cup 7-A Side Under-14 Boys Football Tournament

Unity College were crowned the winners of the BYJU'S Lucknow Cup 7-A Side Under-14 Boys Football Tournament 2023. The tournament, was organised by the District Football Association, at La Martiniere College Polo Ground.

The team, led by captain Zainul Imam, remained unbeaten throughout the tournament and defeated Sarvajanik Vidhyalay, Haidergarh in the finals 3-2 via a penalty shootout. Abu Sufiyan and Ali Nadeem were awarded Best Goalkeeper and Best Defender, respectively.

The College performance was cheered and applauded aloud by one and all. The echoes of the commendable victories were heard in the morning assembly as the beaming sportspersons were honoured and acknowledged by Principal Mr. Francis Castelino. He blessed the aspiring sports stars for brighter accolades in future.

III OFFICER NILOFER JAFRI PAYS HOMAGE TO KARGIL SHAHEED, MAJOR RITESH SHARMA

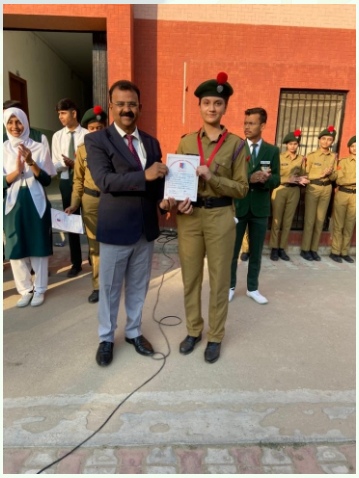

On 4th April 2022, Unity Teacher and III Officer Nilofer Jafri, along with 12 NCC Cadets from Unity College, paid homage to Kargil Shaheed Major Ritesh Sharma by offering a wreath at his home in Indira Nagar, Lucknow. They met his family and paid their respects to his sacrifice for the nation. The ceremony was an emotional one and left the young cadets feeling inspired and proud of their country's heroes.

UNITY SHINING @ CATC, LUCKNOW

Unity College sent 18 cadets to attend the CATC at AMC Centre in Lucknow from 10th to 17th November 2022. The Cadets' participation in various activities and competitions was outstanding, resulting in several accolades for themselves and their College. Cadet Insha Haider won the 1st prize in the Junior Wing Debate Competition, while Khizran Zehra secured the top prize in the Basketball match. Moreover, they were also acknowledged as the Most Disciplined Cadets, with their turnout being the best among all. The CATC was an enriching experience for the future stalwarts of the country. The College Principal, Mr. Francis Castelino, praised the cadets for their great success and commended the efforts of ANO III Officer, Ms. Nilofer Jafri. The success of the Unity College Cadets at the CATC is a testament to the hard work and dedication of the students and the faculty. It also highlights the importance of discipline, perseverance, and teamwork, which are essential qualities for success in all walks of life.

WORLD HEALTH DAY

The Primary Section celebrated World Health Day on 7th April, 2022 by organizing various innovative health activities to create awareness among students about the importance of good health and encourage them to adopt a healthy lifestyle. Class I students participated in a lively head-shoulders-knees-and-toes activity accompanied by music, while class II students were asked a series of introductory questions related to health and were educated about its significance. Under the guidance of their teachers, class I and class II students practiced Yoga Asanas and meditation to promote physical and mental well-being.

Class III and class IV students were informed about the benefits of cultivating healthy eating habits, while class V students were taught different stretches and exercises along with various calming Yoga Asanas by their teachers. It helped them unwind and feel more relaxed.

WORLD HERITAGE DAY

World Heritage Day, which is observed on 18th April, was celebrated by the Primary Section. The teachers put up an array of informative and entertaining presentations to raise awareness among students about preserving our heritage sites.

Students were apprised of the true meaning of heritage, its importance and preservation. It was followed by a host of activities conducted class wise. Class I students thoroughly enjoyed a 'Pictorial Quiz' and participated whole heartedly. Students of class II had to show a photograph of themselves at any heritage site and share their fond memories of the visit with the class.

In class III, a 'Collage Making' session was organized to depict different cultures and heritage of the States of India. Class IV displayed 3D models with a lot of zeal on the topic 'Wonders out of Waste'. Last but not the least, class V gave expression to their thoughts through drawings, paintings and elocutions.

Students enjoyed these activities thoroughly and were familiarized with the rich cultural heritage we have as Indians. Everyone present took an oath to make every possible effort to protect, promote and preserve all kinds of national heritage.

EARTH DAY

Earth Day was observed by Primary students on 22nd April, 2022, with an assortment of fun and informative activities. Prior to the event, the students participated in several conservation-related exercises to learn about the significance of Earth Day. Class I students were taken on a nature walk within the College premises to gain insight about the environment. They also participated in a cleanliness drive to promote the importance of keeping our surroundings clean.

Meanwhile, class II students turned plastic bottles into planters and used them to plant a variety of saplings. In line with the spirit of Earth Day, class III students made seed jars, a tangible action that demonstrated their commitment to environmental preservation. Class IV students actively took part in the activity "Reduce, Reuse, and Recycle." Each student utilized eco-friendly materials, such as old t-shirts to create useful, reusable tote bags.

In addition, class V students crafted stunning bird feeders using waste materials to provide food and water to birds during the sweltering summer months. Overall, these activities instilled in the students a profound understanding that natural resources are finite and must be used judiciously.

LABOUR DAY

"All labour that uplifts humanity has dignity. They should be undertaken with painstaking excellence."

- Martin Luther King Jr.

To celebrate this dignity and achievement of painstaking endeavours, the International Workers' Day was observed at the College on 1st May. The Primary Section organised a medley of activities for the students to salute the efforts of the labour force. The activity was designed to forge a better understanding of the labour community among our students, who must learn to respect and appreciate their efforts.

Class I students brought chocolates, chips and other snack items as a token of respect for the menial staff while class II students wrote thank you letters to the dedicated workers whom they admire the most. Class III students made beautifully decorated healthy food hampers for the support staff out of old boxes with a variety of food items inside them. Class IV showed appreciation for the community helpers by presenting the College peons and helpers with beautiful hand-made paper bouquets while class V students offered beautiful hand-made 'Thank You' cards to the helping staff enthusiastically. The helper employees of the school were overwhelmed by this act of thankfulness. Overall, it was a fruitful day which taught our little ones to be thankful to everyone.

HARMONY: RE - UNION MEET 2022

"Nobody is bothered about an institution more than its alumni."

-N. R. Narayana

Unity College organized its annual alumni meet, "Harmony: Re-Union Meet 2022", on May 7th. The event was a reunion for all the former students who were filled with fond memories and gratitude for their teachers and the institution. The prime agenda was to establish a connection between them and current students for the Mentorship Program "Rehnuma." The event commenced with a divine rendition by Maryam Zehra from the 2019 batch, followed by the College Principal, Mr. Francis Castelino, extending a warm welcome to all the guests. He saluted the Founder President, Late Dr. S. Kalbe Sadiq, who began the mission of providing education to all. He expressed pride at the College's 23 year history and called the occasion a forum for the teachers, alumni and students to exchange experiences and take the institution to greater heights.

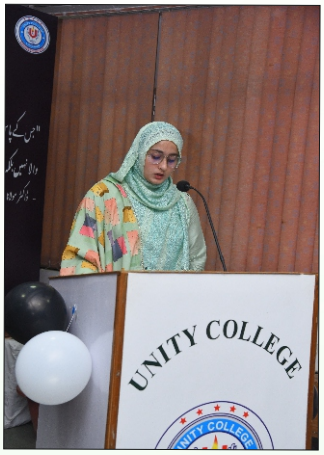

Jt. Secretary Dr. M. Talha expressed great enthusiasm as he revealed that the College has successfully recruited a substantial number of its accomplished alumni as part of its esteemed faculty. With a sense of pride, Dr. Talha went on to explain that Harmony is more than just a club, but a well-crafted forum designed to foster strong ties and unite alumni with their beloved institution, much like a closely-knit family. In his words, the College serves as a catalyst for growth, while the alumni family contributes to the continuity and prosperity of the institution.

Dr. S. Kalbe Sibtain Noorie, Manager, Unity College II Shift, spoke about the remarkable contributions of TMT, an organization inducted under the selfless leadership and philanthropic vision of Janab. One of the standout initiatives of TMT has been its scholarship program, which has provided educational opportunities to thousands of deserving individuals. These beneficiaries have gone on to achieve great success and have established themselves in various parts of the world. This year, TMT continued to demonstrate its unwavering commitment to community service by distributing essential items such as ration to 6000 families during the holy month of Ramadan. Furthermore, the organization provides regular medical and other aid to those in need, in addition to monthly rations for 1500 families. Dr. Noorie also recounted Janab's wise words, that the community needs schools and colleges, not mosques and Imambaras. He called on the alumni to raise the standard of their knowledge and skills to make a meaningful difference in their communities.

Teacher Mr. Hasan Mehdi, who also serves as the President of Harmony, took the opportunity to share the association's aims and objectives. He emphasized the importance of guiding and mentoring the College's junior students towards a bright and successful future. In order to achieve this, he encouraged the alumni from each batch to get involved by interacting with the current students and offering valuable counsel.

Vice Principal Mr. Sachindra Bharti then went on to provide further details about the "Rehnuma" Mentorship Programme. He expressed his gratitude towards Mr. Mohd Ahmad, an alumnus of the College and a renowned Scientist and Engineer at the Indian Space Research Organisation (ISRO), who initiated the program. Mr. Ahmad was honoured to take the lead in the initiative, which aims to offer guidance and mentorship to the College students. Mr. Bharti also recognized the immense contribution of College Counsellor, Ms. Nisar Fatima Rizvi in the successful execution of the programme. Ms. Rizvi, who has maintained contact with students from the past two decades, has rightly been called the backbone of the initiative. Teacher Ms. Fauzia Abbas, the Secretary of Harmony, read out a message from Mr. Ahmad regarding the Rehnuma Mentorship Programme.

Former Vice Principal Ms. T. Z. Naqvi imparted a poignant message that the only truly meaningful work one can undertake is that which benefits others. Her stirring words were accompanied by a beautiful poem, which she composed in 2005 for the Farewell Party. The verses of the poem, entitled "Ab Jago Pyare Bacho, Kaar-e-Jahan Mubarak….. Manzil Ko Jab Bhi Choomon, Hamko Bhi Yaad Rakhna," coincidentally, holds true with the objectives of the Rehnuma Mentorship Program.

Ms. Nisar Fatima's soulful rendition of a Ghazal infused the event with a captivating aura, exquisitely complementing the poignant tone of the gathering. As the ceremony came to a close, a heartwarming ice-breaking session ensued, where each alumni member took to the stage to introduce themselves and pay homage to Janab and his unwavering commitment to education. The alumni expressed their sincere gratitude to their teachers for their relentless dedication and expertise in nurturing their personalities.

The event, which was imbued with a sense of nostalgia and a shared desire to contribute towards Janab's mission, was brought to a close by Ms. Masroor Fatima - Vice President, Harmony - with a vote of thanks that encapsulated the essence of the gathering. The delightful lunch served added to the already fervent and ever-lasting memories of the occasion.

MOTHER'S DAY

Mother's Day is a cherished occasion that celebrates the unbreakable bond between mothers and their children. It is a day that recognizes the incomparable essence of motherhood and the immeasurable love and affection that comes with it.

To honour this beautiful relationship, the Primary Section organized a special celebration for Mother's Day on May 9th, 2022. The students of class I conveyed their gratitude to their mothers by penning heartfelt 'Thank You' notes, while class II students creatively decorated handkerchiefs with glitter and stars, crafting personalized gifts for their beloved mothers. The students of class III expressed their love by crafting beautiful cards for their mothers, and class IV students went the extra mile by writing 'letters of love' and adorning them with envelopes containing short, poignant messages. Finally, the students of class V conveyed their emotions by writing heart-warming letters to their mothers. The day was brimming with joy and filled with treasured memories for each and every child. The event was a resounding success and left an indelible mark on the innocent hearts of the children.

VACCINATION CAMP @ UNITY

Keeping in mind the evolving situation of the Covid19 Pandemic, Unity College arranged a Vaccination Camp for children between the age group of 12 to 14 years on three different days- 12th January, 12th April and 16th May, 2022 following the UP Government order and guidelines. The Camp was set up in association with Sewa Sadan, Husainabad, Lucknow. Dr. Andleeb and her team of trained nurses administered the vaccination successfully to the young students of classes VI-IX.

Principal Mr. Francis Castelino motivated the students to get the shots in the Campus only, so that they may stay safe and protected against the Covid 19 infection at vaccination centres. However, 100 % vaccination is necessary to ensure the health and safety of individuals, family and the society at large.

AMRIT YOGA WEEK

"Yoga means addition- addition of energy, strength and beauty to body, mind and soul."

-Amit Ray

The Amrit Yoga Week - 'Yoga for Humanity' commenced on 14th June and culminated with a small celebration of the 8th International Yoga Day on 21st June . Its prime objective was to raise awareness about yoga and its benefits, and also to create an overall healthy environment all across the world.

More than 90 students from the Morning and II Shift participated in the Yoga training program conducted by the dedicated and committed instructor, Mr. Ravi Singh. The sessions commenced early in the morning and included various yoga moves and exercises to enhance physical fitness, mental alertness, and emotional balance.

The event began with divine renditions from the Quran, the Gita, and the Bible, followed by the mellifluous Tarana 'Unity College Mera Chaman' of II Shift. The students then presented a wide range of Asanas step by step, accompanied by soothing background music, which enthralled everyone present. The performance received a standing ovation, and the students were honoured and applauded with a Certificate of Participation, while their instructor, Mr. Ravi Singh was conferred with a Cash Gift.

The event was graced by the presence of esteemed guests such as Mr. Shahid Manzar Abbas Rizvi - IAS Officer as the Chief Guest and Mr. A. K. Saxena- General Secretary, UP Non-Olympic Association as the Guest of Honour. Mr. G.P. Tripathi- Jt. Secretary and Mr. Yogendra Choudhary - Zonal Secretary of UP Non-Olympic Association, Mr. Raza Husain- Amicus Public School, and Mr. Anwar Husain, Legal Advisor were also present on the occasion. Principal Mr. Francis Castelino formally welcomed the esteemed guests.

Mr. Shahid Abbas Manzar Abbas, while addressing the gathering, emphasized that Yoga is a holistic approach to healthy and peaceful living. He stated that people have become health-conscious, especially after the pandemic, and are seeking ways to boost their immunity. More and more people are turning to Yoga as it is a union of the Creator and the creature, promoting not only mental and physical health but also spiritualism.

In conclusion, College Secretary Mr. Najmul Hasan Rizvi highlighted the significance of Yoga Day and motivated the students to continue practicing Yoga Asanas, even if they do it alone at home. The program of health and harmony concluded with the National Anthem, leaving a positive impact on everyone present.

INVESTITURE CEREMONY

"Leaders are not born; but they are made!"

The Investiture Ceremony for the academic session 2022-23 was an event that was steeped in tradition and brimming with significance. The ceremony was held on 8th July for the Senior Office Bearers and on 13th July for the Juniors. It is a pivotal event in the school calendar as it marks the official induction of the student leadership team. It is a momentous occasion where the student leaders are entrusted with responsibilities and duties that shape them into capable and responsible individuals. The ceremony is not just about conferring titles and badges, but also about instilling values of discipline, dedication and integrity.

The selection process for the College Cabinet was rigorous and thorough. The school ensured that the most deserving candidates were chosen to lead the student body.

The ceremony was presided over by Principal Mr. Francis Castelino, who administered the oath of office to the newly appointed leaders.In his address to the newly invested Cabinet, Mr. Castelino reminded them of their duty towards the greater glory of God, the country and countrymen and to work with unified zeal for the betterment of the institution. He urged the office bearers to lead by example, be disciplined, dedicated, well-mannered, and supportive, and to inspire their fellow students.

Head Boy S. Tauseef Hasan of XII C and Head Girl Qaima Zehra of XII A expressed their gratitude for the trust and confidence that the College had placed in them. In their address to their fellow students, they emphasized the importance of discipline as the core of success.

The investiture ceremony was conducted with a high degree of earnestness and passion, reflecting the College's commitment to shaping responsible citizens who would carry out their duties with integrity, faith and excellence. The event concluded with the National Anthem, marking the closure of the function.

STUDENT DELEGATION AT UNITY

A Student Exchange Programme was hosted to hail the Student Delegation from Gandhiji School, Pondicherry and Apna School, Kanpur. The delegation of class X students and teachers was formally welcomed by Principal Mr. Francis Castelino.

The guests were abreast of the College activities and achievements via a PPT. Ms. Shabana Ahmad- Principal, II Shift briefed with the screen display of the proud academic journey, which was followed by a small ice-breaker activity.

Ms. Ezabella from Belgium, a social activist shared that both the schools accommodate poverty stricken children of labourers under the aegis of Mala India Foundation and Asha Trust. The College Secretary, Mr. Najmul Hasan Rizvi, emphasized the conceptual as well as employment-driven education. The goodwill meet concluded with a sumptuous lunch and a College tour.

PAPER AND CLOTH BAG DISTRIBUTION BY UNEP MEMBERS

July 12th is celebrated as 'World Paper Bag Day' every year, highlighting the importance of using paper bags as a more environmentally friendly alternative to plastic bags. In an effort to promote the use of paper bags and raise awareness about the harmful effects of plastic bags on the environment, students participated in a UNEP activity by making cloth and paper bags.

On July 14th, 2022, the students along with teachers Ms. Huma Rizvi, Ms. Fizza Mehdi, and Ms. Eva Abbas, distributed these bags to various shops in the nearby areas. The aim of this initiative was to encourage shopkeepers, particularly those selling fruits and vegetables, to reduce the use of plastic bags and instead use biodegradable reusable, and recyclable paper bags.

During the distribution, the shopkeepers were educated about the negative impact of plastic bags on the environment and were informed about the benefits of using paper bags. They were also made aware that paper bags can withstand more pressure than plastic bags and pose less of a suffocation risk to young children and animals.The shopkeepers showed great interest in the initiative, expressing their willingness to reduce their use of plastic bags and switch to paper and cloth bags instead.

It is important to remember that our survival as a species is inextricably linked to the health of our planet. By regularly using and reusing paper bags, we can avoid contributing to environmental damage and contribute to the preservation of our planet. This initiative serves as a vital aid in our collective efforts to save the Earth for human existence.

UNITY TOUCHING THE ZENITH @ ICSE & ISC RESULTS 2022

The College once again achieved outstanding results in the ICSE and ISC 2022 exams, reaching new heights of excellence. The college maintained its tradition of delivering top-quality education, and this year's results have exceeded all previous records. Despite facing a challenging year with a pandemic-driven shift to online and offline paradigms, as well as the introduction of MCQs and the Semester System, Unity College produced a remarkable outcome.

In the ICSE exam, Unity College achieved a phenomenal 100% pass rate, with not a single student failing in any subject. A total of 126 students sat for the exam, with 34 scoring above 90%, 39 obtaining above 80%, and the rest achieving between 63% and 79%. Secretary Mr. Najmul Hasan Rizvi, Jt. Secretary Dr. M. Talha,Principal Mr. Francis Castelino, Vice Principal Mr. Sachindra Bharti and Headmistress Ms. Kainaat Mansoor congratulated the successful students, as well as their teachers and parents. The students were ecstatic about their outstanding performance in the exams and celebrated their success with enthusiasm.

A two-day Felicitation Programme was held on 18th and 26th July to recognize and applaud the successful students of ICSE and ISC 2022. The event commenced with a divine rendition, followed by the garlanding of the toppers and the meritorious students who scored above 90%. The parents, along with their children, were honoured. Mr. Francis Castelino praised the successful learners, their teachers, and parents, expressing his pride in the vision of Founder President Padma Bhushan (late) Dr. S. Kalbe Sadiq -"Excellence in Education".

Mr. Najmul Hasan Rizvi urged the successful students to persist in their pursuit of excellence and aim to reach new heights of success. Dr. M. Talha, the College Jt. Secretary, commended the college's results, which continue to surpass previous years' outcomes. Encouraging the other students who scored lower grades, Dr. Talha emphasized that success requires hard work and determination, and with perseverance, they can achieve their goals.

UNITY CELEBRATES KARGIL DIWAS

On the 26th of July every year, India commemorates Kargil Diwas, a day dedicated to the brave soldiers who made the ultimate sacrifice while reclaiming the lofty peaks of Ladakh from intruders in 1999. This year, as always, the day was celebrated with great enthusiasm and pride as we remembered the heroic efforts of our soldiers.

The Primary section celebrated the day with a series of activities aimed at instilling patriotism in students and honouring the brave sons of India who fought to defend their motherland. The youngest class, class I, used their exceptional craft skills to create tri-colour paper soldiers, recreating the historic day of 26th July 1999 when our soldiers triumphed over the enemy. Class II decorated candles and lit them in memory of the martyrs, while class III designed a variety of tricolour badges, representing the diverse cultures and backgrounds of our soldiers who come together to fight and win for a single cause.

The highlight of the day was the wreath-making activity conducted by classes IV and V. The students were informed about the supreme sacrifices made by the soldiers at the Kargil war, and the unwavering support of their families who left no stone unturned to unfurl the Tiranga atop Tiger Hill. The students pledged to stand for the nation at all times, and the eventful day culminated with the laying of wreaths in honour of the martyrs.

The presentations made by the young students were informative and enlightening, and Headmistress Ms. Kainaat Mansoor acknowledged the efforts of the teachers and students, urging them to continue working towards safeguarding the interests of the nation

GULDASTA-E-SUKHAN

The Annual Urdu Literary Programme 'Guldasta-e-Sukhan' was celebrated on July 28, 2022, with a noble aim of promoting the appreciation and awareness of Urdu among young learners and to honour the beauty and versatility of the language. Mr. Francis Castelino, the College Principal, extended a warm welcome to the guests and also shared the remarkable results of the 2022 Board Examinations.

The esteemed guests for the occasion included Dr. Sabiha Anwar, Retd. Principal of Karamat Degree College in Lucknow, and Prof. Qamar Jahan, Ex HOD (Hindi) from BHU, Ms. Tabassum Kidwai - Ex Principal, Talim Gahe Niswan College, and the esteemed Managing Committee Members-Prof. Anees Ashfaq, Prof. Sabira Habib and Dr. Kalbe Sibtain Noorie.

Dr. Sabiha Anwar commended the meticulous performances and praised the committed teachers for training the students so well. Prof. Ashfaq appreciated the program for its flawlessness, excellence, and incredible performances. Jt. Secretary Dr. M. Talha quoted Mr. Bahuguna, former Chief Minister of UP, stating, "The language that children speak will never die," and exhorted mothers to keep Urdu alive by communicating with their children.

The Cultural Event presented a delightful bouquet of Drama, Ghazal, Nazm, and Qawwali. The soulful Tilawat-e-Quran commenced the eye-catching performance. The literary extravaganza began with the Secondary Section's remarkable play 'Shajar-e-Ulfat,' depicting contemporary conflict due to the generation gap and deteriorating family values.

The Primary and Pre-Primary students presented a mesmerizing action song, 'Sab Hind ke Waasi Hai,' that highlighted the grand spectrum of Indian culture, promoting unity in diversity and brotherhood among citizens, leaving the audience impressed and appreciative.

The finale was the melodious Qawwali based on the enlightening poetry 'Shikwa Jawab-e-Shikwa' by Allama Iqbal, which remarkably portrayed unity, equity and brotherhood in Islam, regardless of social status, sect or community. The Secondary and Senior Secondary students rocked the stage, leaving the audience thrilled with their jaw-dropping performance.

The engaging fillers, including Ghazals by Mirza Ghalib and Khumar Barabankvi, enthralled the audience throughout the program, ensuring that there was never a dull moment. The curtain was drawn with a vote of thanks by Secretary Mr. Najmul Hasan Rizvi, who advised the students to cherish and learn other languages while preserving their mother tongue, which holds the key to the invaluable literary treasure of the country.

75th AZADI KA AMRIT MAHOTSAV

The Nation celebrated and commemorated 75 years of freedom amidst enthusiastic exhiliration led by the Government Campaign 'Har Ghar Tiranga'. The aim to deepen our connection with the National Flag was just one of the many initiatives taken as a part of 'Azadi ka Amrit Mahotsav', the year-long festive celebration of India's 75 years of Independence.

On 15th August the students and faculty of the College with its sister institutions - Unity College II Shift, Unity Industrial Training Centre and Unity Veda Animation College congregated to celebrate the Independence Day. The ceremony was graced by the presence of Chief Guest Mr. Aftab Ahmad Khan, a retired IPS officer from CRPF, Mr. Khan hoisted the National flag, followed by his proud salute while the patriotic notes of the National Anthem echoed in the premises. He addressed the gathering, emphasizing the need for citizens to prioritize the nation's interests above their own. Secretary Mr. Najmul Hasan Rizvi urged students to strive for excellence in character, education, and career, with the ultimate goal of becoming responsible citizens who can serve the country effectively.

The presentations by the College students conveyed a deep sense of love and service towards the nation. Fatima Alam delivered a speech in English paying tribute to the valiant freedom fighters whose sacrifices brought independence to India, while emphasizing the need to sustain unity in diversity. The choir group recited Rabindra Nath Tagore's famous poem 'Where the Mind is Without Fear' with great passion, highlighting the importance of fearless minds that stand for dignity, self-expression, and freedom from social injustice, illiteracy, corruption, and intolerance.

Wara Fatima of the II Shift presented a Urdu speech that inspired her fellow students to strive for excellence in education while embodying the values of loyalty and patriotism. She concluded with the words 'Wafadari Watan se Ho, Yahi Islam Kehta Hai, Hamare Dil Ke Har Goshe Mein Hindustan Rehta Hai'. A poignant skit portrayed the life of Indian soldiers, reminding the audience of the sacrifices made by those who defend the nation.

Jt. Secretary Dr. M. Talha emphasized the need for good education as a means to safeguard the country's hard-earned freedom and its constitution. Managing Committee Member and Administrator of Unity ITI, Mr. Syed Karrar Asghar Zaidi, quoting Gandhiji, spoke of the challenges that India still faces, including illiteracy, backwardness and the caste system. He stressed the importance of freedom of mind and freedom from ignorance.

Principal Mr. Francis Castelino proposed a vote of thanks to all the dignitaries present at the occasion and in his message to the students, urged them to imbibe the spirit of the country's freedom fighters and fight for their rights, education, and what is right, to make India a world leader.

The ceremony also coincided with Van Mahotsav, and dignitaries planted saplings on the premises to promote a green and clean environment.

The event ended with a Tiranga Yatra in which students, NCC cadets, teachers, and office staff marched to the Clock Tower and back, generating a patriotic fervour that resonated with passers-by who joined in with loud

expressions of 'Hindustan Zindabad' and 'Vande Mataram.'

Keeping the spirit of Amrit Mahotsav alive, students of the Primary Section portrayed their artistic skills by designing Creative Badges, Bookmarks, T-Shirts, Wall Hangings and Informative Independence Day Guides. The Pre-Primary Section too pitched in the frolic of the 76th Independence Day and exchanged Handmade Greeting Cards and made Tri-Colour Paper Butterflies and National Flags. The last day of the Azadi Ka Amrit Mahotsav witnessed another chain of activities. The Senior Secondary students pepped up the festivity with a scintillating special assembly, conducted by the College Cabinet. The scintillating assembly commenced with divine renditions, proceeded to informative speeches and quiz based on National heroes and significant events during the freedom struggle. The year long celebration was culminated on the high note 'Jai Hind'.

UNLEASHING CREATIVITY

An Inter-House Painting and Collage Making Competition was conducted with an aim to foster creative expressions in students on 16th August, 2022. Each House fielded four participants from the Secondary and Sr. Secondary Sections. The theme for Collage Making was 'Vision for Free India' while for Painting, 'Unsung Heroes of Freedom Struggle', wherein the young artists created their masterpieces with great enthusiasm and vigour.

The Judges for the Competition – Ms. Waseem Fatima, Ms. Farida Rahat and Ms. Upasana Rastogi were overwhelmed seeing the artistic skills of students as they paid tribute to the indomitable spirit of our valiant martyrs and unsung heroes of the freedom struggle.

Iqbal House emerged victorious in both the competitions. In Collage Making, Sir Syed House bagged the II position followed by Tagore House at III place, while in Painting, Tagore and Sir Syed House stood II and III respectively.

Indeed, the Competition was a showcase of art exploding from every piece of work.

WAR OF WORDS

"It is better to debate a question without settling it than to settle a question without debating it."
- Joseph Joubert

The College hosted its Inter-House English Debate Competition on 27th August 2022, giving students an opportunity to showcase their oratory skills while sharpening their critical thinking abilities. Divided into two categories, the Junior Section comprising classes IV to VIII debated the topic 'Teachers are better for learning than the Internet', while the Seniors, classes IX to XII, discussed the contemporary issue of 'Is Artificial Intelligence Dangerous?'

The event was marked by a lively and intense Rebuttal Round, where speakers responded to questions confidently and effectively. The exchange of ideas and perspectives made for a dynamic and engaging session, ultimately contributing to a better understanding of the topics for all participants.

Jt. Secretary Dr. M. Talha praised the oratory skills and logical arguments presented by the participants. Judges Ms. Shabana Ahmed - Principal, II Shift and Ms. Sidra Jamal - Psychology Teacher, also appreciated the confidence, reliability and conviction with which the debaters presented their ideas and arguments.

In the Junior Section, Mantasha Zehra of Sir Syed House was awarded the Best Speaker 'For', followed by Anam Zehra of Tagore House as Runner Up. S. Wali Haider of Tagore House received the Best Speaker 'Against', with Safia Naqvi of Sir Syed as the Runner Up. The Best Speaker award went to S. Wali Haider, with Sir Syed House declared as the Champion House.

In the Senior Section, Sania Zehra of Sir Syed House was awarded the Best Speaker 'For', followed by Batool Uzma of Iqbal House as Runner Up. Batool Fatima of Sir Syed House clinched the Best Speaker 'Against', with Azzaman Abbas of Gandhi House as the Runner Up. Batool Fatima was awarded the Best Speaker award, with Sir Syed House again declared as the Champion House.

The event concluded on a positive note, with Principal Mr. Francis Castelino expressing his appreciation for the efforts put in by the students and teachers, and emphasizing the importance of continued engagement and debate in the era of Artificial Intelligence and Machine Learning.

In summary, the Inter-House English Debate Competition provided an excellent opportunity for students to develop critical thinking and public speaking skills while engaging in thoughtful and productive dialogue on important issues. The participants displayed impressive oratory skills, confidence and conviction, leaving a lasting impression on all who attended the event.

BUDDING ORATORS TAKE THE STAGE BY STORM

"Speech is power: Speech is to persuade, to convert, to compel."
-Ralph Waldo Emerson

These words of Ralph Waldo Emerson have always rung true, and they were evident in full force at Primary Section's Annual Recitation and Declamation Competition. The event aimed to boost the confidence of students, instill love for literature, and foster recital and oratory skills.

The competition commenced with a wave of euphonious poetry that swept the audience away to the world of poetic imagination. The Judges were left stunned by the impeccable performances and the colourfully crafted devices that were used as props. The students of classes I and II enthralled the audience with their melodious renditions of varied topics such as 'Three Magic Words,' 'Spring Time,' 'Being Clean,' 'Children of the World,' 'Little Red,' and 'Mum.'

College Vice Principal Mr. Sachindra Bharti & Headmistress Ms. Kainaat Mansoor, congratulated the teachers and students for putting up a spectacular show.

The second leg of the event was the Declamation Competition for the students of classes III to V. The poised orators articulated content from the motivational and inspirational speeches of well-known personalities. The students of class III delivered the famous speech of Charlie Chaplin, which brought home the fact that there is no dearth of opportunities and there is room for everyone. They also spoke the words of Ishita Katyal, who made a point that now is the time to live one's dream, and enlightened everyone on how to break free from toxic habits and change oneself.

Class IV students presented speeches of Winston Churchill, stressing the importance of being ever ready to rise up to the occasion, and Mrs. Indira Gandhi, throwing light on the importance of women's education. Spirited speakers of IV-C talked about Incredible India in the words of Sara Demkow. Class V students mesmerized the audience by putting forth the idea of gender equality through the speech of Sushmita Sen. They also gave power-packed performances declaiming the speeches of Oprah Winfrey, convincing people to reach out and be a better version of oneself, and Jack Ma, imploring young people to take risks in life and never lose hope.

The animated speakers galvanized the senses of the gathering by giving superb performances. The young participants were immaculate at oration and astonished everyone.

Jt.Secretary Dr. M. Talha heaped praises on students and teachers for slogging so hard to reach that level. He appreciated the teachers for their dedication and sincerity. Secretary Mr. Najmul Hasan Rizvi, took a trip down memory lane and reminisced for not getting such a platform back then. Principal Mr. Francis Castelino felt it was a flawless presentation put up by the students and extolled the section for putting up the show.

UNITY EXHILARATES @ HINDI DIWAS

The celebration of Hindi Diwas was a vibrant and enthusiastic event that aimed to instill love and appreciation for the Hindi language. Held on September 14th, the day when Hindi was adopted as the official language of India in 1949, the Hindi Department organized a special assembly. The program began with a morning greeting in Hindi, followed by an oath-taking ceremony that emphasized loyalty to oneself, family, and the nation. Melodious hymns were sung and an eloquent speech about the significance of the language was delivered.

An Inter-House Quiz was held for juniors and seniors, with questions ranging from the origin of the language to its literary delights. The choir enthralled the audience with their articulate and confident singing, and the program concluded with the patriotic notes of the National Anthem. Vice Principal Mr. Sachindra Bharti recited a shloka about the qualities of a sincere student, and Principal Mr. Francis Castelino showered praise on the Hindi Department teachers and students for their fantastic show. He urged the students to use Hindi in their daily lives without hesitation and to respect their national language as a stepping stone to national unity and integration.

The Primary Section of the College showcased their love and reverence for the mother tongue through a flawless amalgamation of artistry, linguistic ability and adulation for Hindi. The winsome curation of Hindi vowels using playdough by class I students and the exotic necklace of Hindi consonants created by class II students were noteworthy. Class III students authored a Hindi dictionary, and the content showcased their in-depth knowledge of the language and rich vocabulary. The Hindi poetry presented by class IV students dressed as characters with props and elocuting poems like 'Jhansi ki Rani', 'Laalchi Bandar', 'Chetak ki Veerta' was the toast of the day. The orators of class V put forth their views on the topic 'Khelo me Bhaag Lena Samay ko Barbaad Karna Hai' in fluent and articulate Hindi, leaving the audience euphoric.

The Hindi Department continued to spread awareness and the need to promote the language through the Annual Hindi Programme held on November 5. The program aimed to showcase students' participation and fabulous performances in spreading awareness about the importance of Hindi. The Chief Guest for the occasion was Mr. Surya Kumar Pandey, a renowned poet and author, while Mr. Wajahat Rizvi, retired Director of Information, UP, was the Guest of Honour.

The cultural programme began with the soulful divine renditions of the Quran, the Bhagavad Gita, and the Bible. The Pre-Primary students performed a warm Welcome Song, and the Primary students kept the audience rolling in laughter with their hilarious delivery of comic poems in the 'Hasya Kavi Sammelan.' The students of class VI to VIII presented a didactic skit 'Panch Parmeshwar' by Munshi Premchand, emphasizing that justice should be above one's interest. The Secondary and Senior Secondary students presented a mellifluous song, 'Kitna Mushkil Hai,' expressing their feelings about the freedom they want in their lives to fulfill their dreams. Chief Guest Mr. Surya Kumar Pandey praised the Founder President, (Late) Dr. S. Kalbe Sadiq's vision and accomplishments and acknowledged the meticulous performances of the children. Guest of Honour Mr. Wajahat Rizvi complimented the hard work of the students and emphasized the importance of team effort in the success of the program.

MS. NISAR FATIMA RIZVI HONOURED WITH AMP'S NATIONAL AWARD FOR EXCELLENCE IN EDUCATION 2022

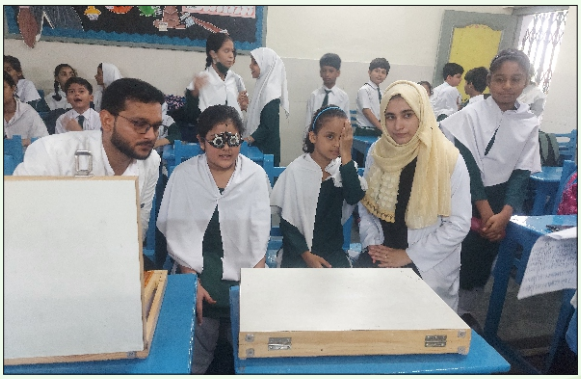

Unity cheered as Ms. Nisar Fatima Rizvi, a dedicated teacher of Sociology, was conferred with the National Award for Excellence in Education 2022, powered by AMP at its 6th Award Ceremony. She was one of the 100 awardees who was felicitated with this Award on Teacher's Day i.e., 5th September, 2022.

Principal Mr. Francis Castelino warmly congratulated Ms. Rizvi and honoured her with the Certificate of Excellence in Education and blessings of a brighter future.

ERA UNIVERSITY DISTRIBUTES FREE SPECTACLES FOR VISION DEFICIENCY AT UNITY

On 17th September, 2022, Era University finalised its eye screening drive by distributing free spectacles to the students having deficiency in vision with the prime objective to detect the problem at the early stage as well as to begin treatment to check further distortion of the most necessary organ of the body. Prior to this deed of gift, the entire team of doctors from the Department of Optometry under the able guidance of Vice Chancellor Dr. (Prof) Farzana Bano conducted the gargantuan task of vision screening of all the students (class I to XII) from 19th to 25th July, 2022.

It is a common practice among school going kids that their problems of weak vision keep latent because either they are not aware of it or their parents are ignorant. Hence, not only did the team examine the students' vision but also provided them spectacles to deal with the problem promptly.

Principal Mr. Francis Castelino expressed gratitude and also appreciated the sincere services of Era University to ensure the health of the students - a practical approach to "Health is Wealth."

DIL KI SUNO, KUCH KARO - UNITY TEAMS UP WITH GOONJ

In a world where poverty and inequality continue to be pervasive, it's heartening to see organizations stepping up to make a difference. Goonj, a Delhi-based non-governmental organization, is one such group that is committed to driving sustainable development for underprivileged communities by creating useful items from waste materials. Recently, Unity College, joined hands with Goonj to create a resource for the rural masses, thus taking a big step towards driving positive change in society.

At the heart of this initiative lies Unity College's deep sense of empathy and commitment towards shaping its students into responsible citizens who are aware of their values of humanity, empathy, and morality, and to promote the importance of giving and charity.

The project began with a collection drive that saw students from grades I to XII donating unused household and personal items. In addition to this, the students were also encouraged to create basic educational resources for disadvantaged schools across rural India. The students and teachers worked together, pooling their efforts to collect and distribute charitable products to those who need them the most. In the end, a significant contribution was made to the Goonj Collection Centre at Krishna Nagar Metro Station.

HONOURING THE MENTORS AND EDUCATORS

Teachers and educators are not just mere instructors, but they are the architects of shaping destinies and inspiring generations. They are the true icons of knowledge and wisdom, whose efforts deserve to be acknowledged and celebrated. Thus, on October 7th, 2022, the students and management of the College came together to celebrate Teachers' Day with great enthusiasm and joy, though it was delayed due to the mourning month of Muharram.

Principal Mr. Francis Castelino, extended a warm welcome to the teachers and all the esteemed dignitaries who graced the occasion - Secretary Mr. Najmul Hasan Rizvi, Manager II Shift Dr. S. Kalbe Sibtain Noorie, Principal II Shift Ms. Shabana Ahmed and Administrative Officer Mr. Farman Kazmi.

The celebration commenced with invoking blessings from the Almighty through soothing Quranic verses followed by a welcome song by the choir group lent a blissful opening to the celebration. It was followed by a cultural feast incorporating prayers, songs and speeches. Many fun-filled activities and games like 'Blow the Balloon,' 'Fold and Tie,' and 'Blindfold Scribbling' were also arranged for the teachers.

The teachers waited in anticipation for the announcement of Ms. Unity and Mr. Unity. Ms. Meena Naqvi was crowned as Ms. Unity, while Mr. Ishan Derick Singh was declared as Mr. Unity. Secretary Mr. Najmul Hasan Rizvi appreciated the contribution of teachers in molding our society. He put forth the idea that behind every successful person, there is a devoted teacher. Dr. S. Kalbe Sibtain Noorie lauded the teachers for making Unity College achieve great heights.

Post the program, the honorable guests distributed gifts to the entire teaching and non-teaching staff as a token of gratitude and appreciation. The program culminated with the vote of thanks by Vice Principal Mr. Sachindra Bharti, followed by a special lunch for all staff members.

MUSHTAQ NAQVI MEMORIAL INTER-SCHOOL DEBATE

Debating not only sharpens communication skills and opinions but also enables students to understand the world around them. It also contributes to a better and peaceful world through intercultural understanding and respect.

The Mushtaq Naqvi Memorial Inter-School Debate held at the College on October 29, 2022, was a momentous occasion that provided an excellent platform for young students to showcase their debating skills and exchange their opinions on a significant topic. The event was sponsored by Mr. Shahab Hussain, who lovingly dedicated the event to his revered Uncle Mushtaq Naqvi Saheb, an acclaimed literary figure, to keep his literary legacy alive and inspire the students to participate actively in such creative platforms.

The inauguration of the event was graced by Dr. Mala Mehra, Principal Hoerner College, who highlighted that debating is not just about fighting but an exchange of diverse ideas and opinions in a cordial environment. Sr. Venita Joseph, Principal St. Clare's Convent School, emphasized the importance of being a good human being in the ever-evolving process of education. The event was also attended by esteemed guests, Secretary Mr. Najmul Hasan Rizvi and Manager II Shift Dr. S. Kalbe Sibtain Noorie who added to the prestige of the event.

The competition had 12 teams from the prestigious schools of the city, including St. Francis, St. Clare's Convent School, Colvin Taluqdars' College, City Montessori School Chowk, City Montessori School Rajajipuram I, Lucknow Public Collegiate Jopling Road, Emma Thompson, Hoerner College, St. Fidelis College, St. Teresa's Day School and College, Stella Maris School and Unity College.

The session commenced with blessings from the Almighty, and the topic of the debate was 'THE INDIAN EDUCATION SYSTEM NEEDS A CHANGE.' The debate witnessed a wide spectrum of contrasting views, thoughts, and perspectives that enriched the knowledge and understanding of the Indian Education System's banes & boons. The need for a restructured education system was emphasized, and the Rebuttal Round was particularly captivating, with participants defending their arguments vehemently.

The judging panel for the event comprised of esteemed personalities, including Mr. Girish Chandra - Sr. English Teacher & Cricket Commentator, Ms. Naheed Varma - Sr. Journalist and Counsellor at ICS, and Mr. Ivan Massey - Sr. English Teacher. They appreciated the participants for their brilliant show and stressed the importance of participation in such events.

The winners of the competition were announced, with Vatsal Gupta from St. Fidelis College and Butool Fatima from Unity College winning the awards for Best Speaker (For) and Best Speaker (Against), respectively. Tooba Ahmad from St. Teresa's Day School and College and Suhana Kapoor from City Montessori School Rajajipuram I were awarded I Runner Up (For) and I Runner Up (Against), respectively. Mujtaba Ali Khan from City Montessori School Chowk and Aditi Srivastav from St. Teresa's Day School and College won the awards for II Runner Up (For) and II Runner Up (Against), respectively. The Best Team award was won by Vatsal Gupta and Tooba Siddqui from St. Fidelis College, and they were conferred with the coveted trophy. The winners received cash vouchers as a token of appreciation.

Secretary Mr. Najmul Hasan Rizvi, in his vote of thanks, emphasized the need for building effective communication skills among students. The event was an enthralling experience for the speakers as well as the audience, and it highlighted the importance of intercultural understanding and respect through the exchange of diverse opinions and perspectives.

FOUNDER'S MEMORIAL DAY

On 24th November, 2002, the College, held a special ceremony to commemorate its Founder's Memorial Day. The event was held to honor the memory of late Dr. S. Kalbe Sadiq, a visionary and philanthropist who passed away two years back and was posthumously awarded the Padma Bhushan, one of India's highest civilian honors.

A distinguished group of guests, including Chief Guest Dr. Asad Abbas-a leading neurologist in Lucknow, Mr. Jagdish Gandhi- the founder of City Montessori School, Mr. Ashik Abbas- a software engineer from the US, and Mr. Aftab Ahmad Khan- a retired IPS officer from the CRPF. Members of the Managing Committee - Prof Anees Ashfaq, Prof. Sabira Habeeb, and Janab's family graced the occasion to pay their respects to the Hakeem-e-Ummat.

The ceremony began with a moving recitation of the holy scriptures- the Quran, the Bhagavad Gita, and the Bible, setting a solemn and reflective tone for the event. Students from the morning and evening shifts of the College then put on captivating performances, including skits, songs, and nazms, all dedicated to Janab's life and legacy.

Following these performances, several alumni of Unity College, including Dr. Zain Mehdi, Dr. Mohammad Talha Siddiqui, Dr. Ghizal Fatima, and Ms. Ashi Asif, shared poignant audio clips, recalling their fond memories of Janab and the impact he had on their lives. These heartfelt testimonials were a testament to Janab's enduring legacy and the profound influence he had on those around him.

Dr. Kalbe Sibtain Noorie, Janab's son and Manager of the College's II shift, spoke passionately about his father's mission to provide modern education to all and urged all TMT beneficiaries to continue his altruistic work. The Chief Guest, Dr. Asad Abbas, praised Janab's achievements and highlighted his virtues and qualities, which continue to inspire others to this day.

The Founder's Memorial Day concluded with a formal vote of thanks by the Secretary, Mr. Najmul Hasan Rizvi. He encouraged everyone to uphold Janab's legacy by continuing his work to serve humanity and promote education and brotherhood. The event was a fitting tribute to a remarkable man whose dedication to education and service has left an indelible mark on Unity College and the wider community.

FOUNDER'S WEEK

The College held a week-long commemoration to honor the legacy of their Founder President, Padma Bhushan Awardee (Late) Dr. S. Kalbe Sadiq Saheb on his second Death Anniversary, which took place on November 24. Dr. Sadiq was the visionary who laid the foundation stone of the College and 'Unity College II Shift' program which provides free education to underprivileged children for the betterment of the society. His tireless efforts and remarkable achievements in the field of education, social welfare and economic empowerment for the disadvantaged communities contribute to his rich legacy.

The College organized the Founder's Week from November 21st to 27th, 2022, to inspire the younger generation to follow in Dr. Sadiq's footsteps. The commemoration week featured a range of social activities, and outdoor activities coordinated by Vice Principal- Mr. Sachindra Bharti, Headmistress- Ms. Kainaat Mansoor and Counsellor- Ms. Nisar Fatima.

The students and teachers generously contributed and donated essential provisions such as food, clothing, blankets, and stationery, which were distributed to the beneficiaries at Leelavati Munshi Orphanage and Old Age Home. The social string continued to sensitization sessions for slum dwellers at Haider Canal, Campbell Road, meetings with the sick and desperate at KGMU & ERA hospitals, a grand commemoration event honouring the legacy of Dr. Sadiq, and a visit to the Chowk Police Station as a mark of respect and support to the dutiful stalwarts of the society.

The commemoration week concluded with a self-cleanliness drive in the College, where the wholehearted participation of the students and teachers was commendable. Principal- Mr. Francis Castelino expressed his appreciation for the noble works offered in the loving memory of Dr. Sadiq, to whom the College owes its every blissful achievement.

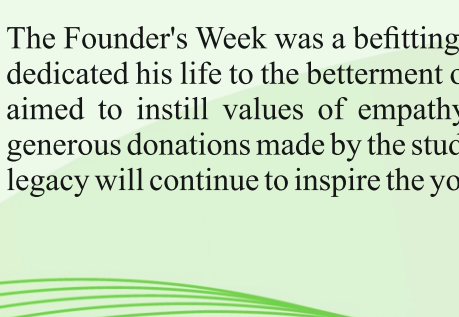

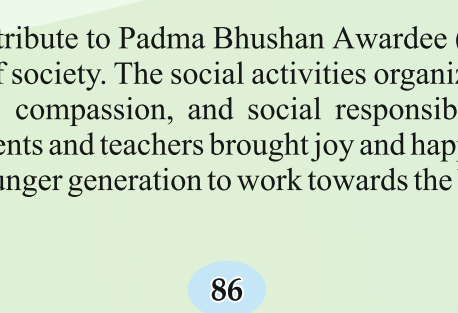

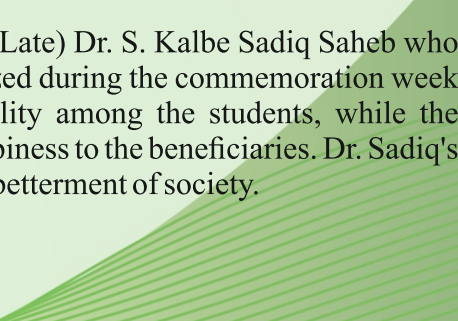

The Founder's Week was a befitting tribute to Padma Bhushan Awardee (Late) Dr. S. Kalbe Sadiq Saheb who dedicated his life to the betterment of society. The social activities organized during the commemoration week aimed to instill values of empathy, compassion, and social responsibility among the students, while the generous donations made by the students and teachers brought joy and happiness to the beneficiaries. Dr. Sadiq's legacy will continue to inspire the younger generation to work towards the betterment of society.

CHILDREN'S DAY

The College recently celebrated Children's Day with a special function that aimed to highlight the importance of nurturing, educating, and grooming the cherubs of today who will become the citizens of tomorrow. The event began with a meticulously planned special assembly conducted by the teachers on November 14th, 2022. The function featured a variety of activities and speeches aimed at sensitizing the students to the significant reminiscences from the life of India's first Prime Minister, Pt. Jawaharlal Nehru, as well as motivating them to extend a helping hand to the less fortunate members of society.

The assembly began with a beautiful Tilawat, followed by a Hadith of Prophet Muhammad (S.A.W.), and a pledge to be loyal citizens and noble human beings. The students were then treated to a medley of children's choicest songs, which sparked an exhilarating wave of enthusiasm among them. The assembly also featured humorous riddles and quizzes, which kept the children amused and happy. The Thought for the Day, '... MILES TO GO BEFORE I SLEEP,' urged the students to set firm goals and study sincerely to become valuable human beings. The assembly concluded with patriotic notes of the National Anthem, which left the students feeling proud and inspired.

Following the assembly, the students celebrated Children's Day with immense joy and splendor. The day began with warm wishes and greetings from the teachers, followed by a variety of fun-filled activities to keep the children entertained. The teachers organized various games, including musical chairs, amusing quizzes, passing the parcel, truth and dare, and other activities that the students thoroughly enjoyed. The day also featured motivational talks by the teachers, as well as a number of songs and dance performances that delighted and entertained the students.

The students were overwhelmed with gratitude when they received gifts as a token of love from the teachers. They thanked the teachers for their love and efforts, which made their day even more special. Principal Mr. Francis Castelino blessed the students with warm wishes and advised them to be attentive, disciplined, listen to their elders and teachers, and to follow their advice to be successful in every sphere of life.

UNITY SHOWCASING SPORTING SPIRIT

The College, after a three-year hiatus, once again celebrated its Annual Sports Day on December 3, 2022. The festivities commenced with a lively and energetic sporting spirit emanating from the festively decorated grounds. The day was marked by a series of thrilling sporting events, showcasing the vibrant performances and winning vibrancy of the participants.

The event kicked off with the arrival of the esteemed Chief Guest, Dr. Sanjay Saraswat, Director of the Sports Authority of India. The guest list included distinguished personalities such as Mr. Danish Mujtaba, Ex-Captain of the Indian Hockey Team, Mr. Ajay Deep Singh IAS (Retd.), President of the UP Non-Olympic Association, Mr. A. Principal, Mr. Francis Castelino, extended a warm welcome to all the guests and paid tribute to the Founder President of the College, Padma Bhushan Dr. S. Kalbe Sadiq Saheb. He highlighted that the College not only excels in education but also in extracurricular activities and sports.

Dr. Saraswat emphasized that sports is an excellent way to unify hearts, minds, and deeds. It boosts our mental faculties along with our physical strength. He suggested that the College should join a Fitness App to motivate everyone towards sports.

The Sports Day began with soulful renditions from the Quran, the Bhagwad Geeta and the Bible, sparking off a unifying and harmonious atmosphere. The College Tarana, a mellifluous tune that evokes school spirit, was sung by the students. The Sports Captain (Boy), Mohd. Zayd Siddiqui, and Sports Captain (Girl), Sania Zehra, lit the torch of sportsmanship. Dr. Saraswat declared the Meet open by releasing a bunch of myriad colored balloons that soared majestically high in the sky, symbolizing the zeal, energy, and healthy competition of the event.

The highlight of the day was the spectacular MARCH-PAST, which witnessed the dedicated battalion of NCC Cadets join the College Contingent. The field and track events and Inter-House relay races for Senior and Junior boys sparked loud cheers. The same set of events were conducted for the girls a day prior to the meet, showcasing their energy, speed, and agility. The winners were felicitated with prizes.

The most fascinating moments involved the mass participation of students in a mesmerizing panorama of colour, music, and action. The Pre-Primary section stole the show with their pristine and cherubic charm as they performed the lively drill 'School Chalo.' Class I and II rocked the field with energy, cheerfulness, and vitality with their pom-pom performance 'Love You Zindagi.' Class III and IV enthralled the spectators with their melodious Dandiya 'Zumba.' Class V presented a meticulous drill of 'Robotics' that was at par excellence with the background music, thrilling steps, and scintillating moves. The girls from class VI to VIII put up a fan drill 'Tri-Colour Melodies' synchronized with the serene notes of 'Jai Ho & Saare Jahan se Achha.' The boys showcased 'Yoga for Strength and Peace' with their mesmerizing formations and music that swayed the onlookers. Class IX and XI students exhibited brute strength, sheer endurance, and excellent team coordination through their pyramids and breath-taking fire ring jumps. The National Anthem marked the splendorous retreat of the d

UNITY EXPLORES THE ZOOLOGICAL GARDEN

The College took its ISC students of Biology and Biotechnology streams on an educational tour to the Zoological Garden, Lucknow on 5th November, 2022. The tour was a great way to observe animals and feel a connection with the wildlife. Accompanied by the subject teachers- Ms. Huma Rizvi and Ms. Eva Abbas, the students saw a variety of animals, birds and plants and were fascinated to witness the beauty of nature.

During their visit, they first came across a giraffe. They were briefed about its long neck which is an example of Darwin's 'Survival of the fittest'. Then they saw other animals and birds like White Tiger, Deer, Lion-Tailed Macaque, Ostrich, Blue Yellow Macaw, Indian Rat Snake, Crocodile, etc. They also learned about their adaptations and behaviour.

Besides Zoology, they also took a field lesson in Botany. In the Aarogya Vatika, they saw many medicinal plants such as Persian Silk, Silk Cotton tree, etc. and learned about their medicinal properties. The Fish House was the next venue to observe the various species of fishes such as Goldfish, Silver Dollar, Tiger Barb and many others. They also went to the Butterfly Park to explore the beautiful world of butterflies- Common Rose, Lime Butterfly, Common Jay, Tailed Jay, etc. They learned about the process of pollination by birds and insects. At the water conservation plant, they got a life lesson in conserving our natural resources.

Lastly, they visited the Museum and were entranced to see the ancient coins, instruments, tools, guns, household items, paintings, etc. The most enrapturing sight was that of the 3000 years old Egyptian Mummy. Overall, it was a well spent day which encompassed the curriculum amidst the real world with wonderful memories.

CREATIVE WRITING COMPETITION

The College organised a Creative Writing Contest on 17th December with an aim to provide students a platform to learn the art of expressing their ideas and views in different ways, besides honing their literary talent and boosting their confidence.

Students of classes VI to IX and XI registered earnest participation in the Competition. Each class had an option of five topics ranging from charity, morals, social media, cyber bullying, robot friend, space tour to nation building. They put a creative splash on their thoughts and feelings in a lucid manner, and produced their masterpieces. It was a delight to go through their original articles, stories and poems.

CHRISTMAS FIESTA AT UNITY COLLEGE

The College radiated the true spirit of Christmas with a vibrant and jubilant celebration that left everyone beaming with good will and cheerfulness. The event was held on the 24th of December, 2022, following the Parent- Teacher Meet, and was attended by several eminent dignitaries of the College, including Mr. Najmul Hasan Rizvi- the College Secretary, Mr. Francis Castelino- the Principal, Mr. Sachindra Bharti- the Vice Principal, and Ms. Kainaat Mansoor- the Headmistress.

The Principal was the guest of honour, and he was invited to cut the cake to mark the beginning of the festivities. Ms. Safeena Rizvi presented him with a beautiful bouquet of flowers, and Ms. Kainaat Mansoor extended her heartfelt greetings to him with a thoughtful Christmas card. The Principal then addressed the gathering, wishing them all a merry Christmas and shared his thoughts on the importance of keeping traditions alive in building unity.

The event provided an opportunity for the faculty members to come together and bask in the holiday mirth and merriment, enjoying each other's company and sharing joyous moments. The attendees were treated to refreshments, which added to the festive atmosphere of the occasion. The programme concluded on a high note, with the Principal, Vice-Principal and Headmistress wishing everyone a happy winter vacation and extending warm greetings for Christmas and the New Year.

REMINISCING OUR GLORIOUS PAST @ 74th REPUBLIC DAY CELEBRATIONS

The College celebrated the 74th Republic Day with great enthusiasm and reverence to commemorate the sacrifices of our leaders, cherish our glorious past, revive our golden heritage and take pride in our robust democracy.

The ceremony commenced with the hoisting of the tricolour flag by the distinguished Chief Guest, Mr. Syed Ameer Ahmad Zaidi- Retd – Asst. Principal Mr. Francis Castelino, extended a warm welcome to the esteemed guests. The students from Unity College and the II Shift were brimming with pride as they celebrated the national spirit of unity and brotherhood. A vibrant and lively cultural programme was presented by the students, which included a medley of patriotic songs that reverberated with the spirit of the nation.

The occasion also paid homage to the Father of Indian Constitution, Dr. B. R. Ambedkar, who spearheaded the task of drafting the Constitution of India. A beautifully presented skit on the life and struggles of this great Constitution maker was showcased by the talented students of Secondary and Sr. Secondary Sections.

The speeches delivered by Afifa Khan and Azzaman Abbas of Unity College and Kisa Fatima and Saba Fatima of the II Shift, added fervour to the spirit of patriotism.

The Chief Guest, Mr. Syed Ameer Ahmad Zaidi, interacted with the children and shared unique facts about the framing of the Constitution, encouraging the younger generation to break free from their fears and inhibitions, and be the pioneers of social change to build a better, stronger India.

The momentous ceremony concluded with the College Secretary, Mr. Najmul Hasan Rizvi, proposing the vote of thanks. He urged the students to abide by the Constitution in letter and spirit, and to not follow the herd mentality but to follow the rules for the welfare of the nation. The 74th Republic Day celebrations at the College, were a fitting tribute to the country's rich cultural heritage and the spirit of patriotism that lives on in our hearts.

AWARDS, ACKNOWLEDGEMENTS & ACCOLADES

Felicitation is a source of inspiration for all and a great motivator for those who are being felicitated. Recognizing achievements not only encourages the recipient to strive for greater heights, but it also sets a benchmark for others to follow. Unity College has always valued the appreciation and acknowledgement of success since its inception. Padma Bhushan Awardee (Late) Dr. S. Kalbe Sadiq, our Founder President, was a strong advocate of recognizing his students' achievements, whether in academics or sports. In line with his vision of "Excellence in Education", the College held a Felicitation Ceremony to award medals and scholarships to its top-performing students and recognize its dedicated teaching and non-teaching staff.

This year's ceremony was particularly significant as the results surpassed those of previous years, with an average of 82.23% in ICSE and 79.60% in ISC. The event was graced by esteemed guests, including the Guest of Honour, Mr. Sudhanshu Mani- (Retd.) GM, Indian Railways, Dr. Riyaz Mehdi from ERA Medical College, Mr. Aftab Ahmad Khan - IPS, IG (Retd.) CRPF, Prof. Zafar Zaidi from Amity University, Mr. Mohd Shoeb- Secretary AMU Old Boys Association, College Secretary Mr. Najmul Hasan Rizvi, Jt. Secretary Dr. M. Talha, Manager-II Shift Dr. S. Kalbe Sibtain Noorie and Principal-II Shift Ms. Shabana Ahmed.

At the event, Principal Mr. Francis Castelino warmly welcomed the guests and recognized the outstanding achievers, resource persons, and parents. Mr. S. Mani appreciated the College's efforts to provide free and quality education to underprivileged students, citing Unity College as a torchbearer of knowledge and enlightenment.

The ceremony kicked off with soulful renditions from the Quran, the Geeta, and the Bible to acknowledge, appreciate, and honor the ICSE and ISC toppers of Science, Commerce, and Humanities streams with awards and scholarships.

The meritorious students of the UP Board of Unity College II Shift were also felicitated. The exceptional performers who scored above 90% were awarded gold medals, while those who scored above 80% received silver medals. The Board Toppers were also honored with a range of special awards and scholarships, including the Late Babu Mahabir Prasad Gold Medal, the Late Syed Hidayat Husain Memorial Gold Medal and Scholarship, the Late Mukhtar Husain Memorial Scholarship, and the Unity College Scholarship. The Mohini Saxena Scholarship was given to the best students in Pre-Primary, Primary, Secondary, and Senior Secondary sections.

The Toppers from both shifts were celebrated for their achievements, and their teachers were honored for their selfless efforts and guidance, which contributed immensely to the students' remarkable success. The best teachers from every section, the office staff and the best support staff were also recognized and awarded.

College Secretary Mr. Najmul Hasan Rizvi inspired the students to never be complacent and proud of their present success, but instead, take it as the first step towards their goals. He further emphasized that excellence has no limits, and the only key factors are perseverance, consistency, dedication, and hard work.

The grand celebration of academic excellence culminated on a proud note of exultation and smiles. Unity College's commitment to excellence and its unwavering dedication to recognizing its students' achievements are indeed praiseworthy.

HAPPY FAREWELL!

The College hosted a grand and unforgettable farewell ceremony for the students of class XII batch of 2022-23 on 30th January, 2023. The event was organized with great enthusiasm and passion by the students of class XI, who worked together in perfect unison to bid a lively and joyful farewell to their beloved seniors.

The ceremony commenced with the rendition of the Qur'anic verses, setting the tone for the rest of the program. Secretary Mr. Najmul Hasan Rizvi delivered a heartfelt welcome address, expressing his sincere desire to see all the students reach great heights of success in their lives. He also presented the seniors with mementos, hoping that they would cherish them and always remember their time at College.

A medley of beautiful solo and group farewell songs highlighted the years of camaraderie shared by the students.

A title-giving ceremony added to the joyous atmosphere of the celebration. The most interesting part was the Question Round, which was judged by the esteemed English Teacher, Mr. Rajesh Pandey. The students participated in various fun-filled games like 'Water Challenge', 'Cups and Balloons' and 'Test your Memory', which resulted in a spate of giggling and laughter. The winners of the games were felicitated by the Vice Principal, Mr. Sachindra Bharti and the Administrative Officer, Mr. Farman Kazmi.

The highlight of the day was the skit presented by the talented class XI boys and girls, which beautifully highlighted the precious moments of school life that can never be relived once gone. A heart-touching shayari by Innama Fatima of class XI B won everybody's hearts. The ambience was filled with nostalgia as Mohd. Sadiq and Azzaman Abbas presented a power point presentation that led the students down a pathway of cherished memories and reminiscences of their school life.

Principal Mr. Francis Castelino commended the class XII students for their smooth handling of responsibilities and setting a remarkable example for their juniors to follow. He gave them valuable advice on how to balance the expectations of their family and society with their own aspirations. He concluded by wishing them happiness and success in all their future endeavours and inspiring them to leave an indelible mark on society and make the College proud.

The ceremony concluded with a vote of thanks by Vice Principal Mr. Sachindra Bharti, wishing all the students success in their upcoming ventures. The hosts impressed everyone by showcasing their vast repository of skills. The students, teachers, and school management bid their beloved students a warm goodbye and wished them good luck for their future. They expressed their joy at having spent a wonderful time with all and hoped that the students would keep in touch and always remember their alma mater, Unity College, with fondness and respect.

THE ANNUAL FÊTE

The Fête, an eagerly anticipated annual event in the College calendar, is a day filled with excitement, joy, entertainment and delectable refreshments. On the 2nd of February, 2023, the trendy event was exuberantly organised by both morning and evening shift students and staff.

The event was graced by a distinguished group of guests, including Dr. Sarah Musavi, a certified Health Coach, Medical & Health writer from Canada, Mr. Ashik Abbas, a food researcher & nutritionist, Secretary Mr. Najmul Hasan Rizvi, Jt. Secretary Dr. M. Talha, and Manager II Shift Dr. S. Kalbe Sibtain Noorie. The festivities began with the release of myriad coloured balloons to signify the start of the day-long celebration.

The College was transformed into a vibrant and colourful wonderland, with festively adorned stalls featuring delicious snacks, food items, fun games, and rides. The efficient management of the event was a testament to exemplary teamwork and planning of the teachers and office staff, under the guidance of Principal Mr. Francis Castelino. Rhythmic musical beats and promotional announcements added to the festive atmosphere of the occasion.

The Fête kicked off with a flurry of activity, keeping the teachers busy throughout the day. Some students were also seen lending a helping hand to the teachers in setting up the stalls. Children, accompanied by their family members, were delighted beyond words to visit the different stalls and purchase their favourite food items or participate in fun games. The College campus was transformed into a bustling market for the day, with the visitors in high spirits and enjoying the holiday mood.

The College dignitaries also visited the stalls, eager to sample the culinary skills of the educators. As the College always places a premium on humanitarian values, a portion of the proceeds from the event were to be used for social welfare.

The day culminated with not only a substantial return but also a joyful note, with memories of the event that will be cherished for a long time to come. The Fête was a resounding success, reflecting the College's commitment to creating a vibrant, stimulating environment that fosters both academic and personal growth among its students.

TRIP TO AN ORGANIC FARM

"Our bodies are our gardens - our wills are our gardeners." - William Shakespeare

The College organized an educational trip to an Organic Farm located in Chunoti, Unnao on 11th February, 2023, with a view to enlightening students about the benefits of consuming organic food - free from harmful chemicals and fertilizers, and packed with nutritional value, which is ecofriendly too. The trip was led by Dr. Sarah Musavi, a certified health coach, medical and health writer from Canada, and Mr. Ashik Abbas, a food researcher, and nutritionist, accompanied by College Secretary Mr. Najmul Hasan Rizvi, Counsellor Ms. Nisar Fatima, teachers Ms. Fizza Mehdi, Ms. Eva Abbas and Ms. Ila Shadid along with 3 senior students.

The farm owner, Mr. Nisar Husain, an expert in organic farming, gave the visitors a comprehensive tour of the farm, showcasing various crops, organic decomposers, compost materials, fertilizers of organic origin, and an array of medicinal plants like Prickly Chaff Flower, Onion Seeds, Castor Bean Plant, Black Nightshade, to name a few. He passionately spoke about the importance of organic farming and the significance of producing food free from chemicals and fertilizers, thereby maintaining a healthy ecosystem.

They concluded the trip with a relishing meal, prepared from the organic produce of the farm. Mr. Rizvi the host of the organic farm, lauded the students and teachers' efforts and encouraged them to return to the Blessings of Nature, emphasizing the importance of healthy food choices.

URDU LITERARY ACTIVITIES

In our fast-paced and globalized world, being proficient in multiple languages is essential for effective communication and engagement with diverse cultures. The significance of literary activities, in particular, cannot be understated as they broaden a child's horizons and introduce them to the wondrous world of literature.

On the 16th of February, 2023, students from classes VI to IX participated in a series of Urdu competitions. The day commenced with the Storytelling Competition, where students showcased their creativity by expressing their views on assigned topics and crafting imaginative stories using hand gestures to enhance their performances.

The day's events continued with an engaging Urdu Script Reading Competition, which focused on students' pronunciation and listening skills. Participants demonstrated their ability to read the given script with clear articulation, proper accentuation, and voice modulation. Finally, the Urdu Recitation Competition brought the curtains down on a day filled with creativity and eloquence. The students' exceptional speaking skills were on full display, as they skillfully demonstrated rhythm and cadence in their recitations.

In the morning assembly, the results of all three competitions were announced by Principal, Mr. Francis Castelino. Iqbal House emerged as the victors, securing the I position, followed by Gandhi House and Sir Syed House in II and III place, respectively.

INTER-HOUSE HINDI STORYTELLING COMPETITION

Storytelling brings language learning alive and creates a participatory and immersive experience that allows young learners to enjoy hearing the language in an entertaining way. An Inter-House Hindi Story Telling Competition was held for classes VI- VIII on 16th February 2023. The students performed brilliantly with excitement in the air as they narrated their favourite stories on the topics 'Jab Mujhe Shabashi Mili' and 'Kaash Maine Dimag Se Nahi, Dil Se Faisla Liya Hota'. They weaved an enchanting web with perfect voice modulation and expressions that reiterated the fact that you may forget the facts but you never forget a story.

The results were declared House wise in the morning assembly by Principal Mr. Francis Castelino. Tagore House stood I whereas the II place was shared by Sir Syed House and Iqbal House. The III position was secured by Gandhi House.

All the children earnestly participated, and their initiative and their efforts were appreciated by everyone.

SCIENCE DAY

"The Science of today is the technology of tomorrow.'"- Dr. C. V. Raman

The College celebrated Science Day in honour of the Nobel Laureate Dr. C. V. Raman and his groundbreaking discovery, the Raman Effect. The event was marked by a special assembly that aimed to raise awareness about the crucial role of Science in our daily lives, including the creation of new knowledge, enhancing education, and addressing global challenges.

To kick off the assembly, the enthusiastic students of class IX-A presented a short but lively program. Kabeer Abbas Zaidi delivered an informative speech that highlighted the significance of Science as the greatest gift to mankind. He spoke passionately about the transformative impact of Science on society and its immense potential to drive progress and innovation.

The students then put on a captivating skit written by Insha Haider. The act was a humorous and engaging debate among the three major branches of Science: Chemistry, Physics, and Biology. The skit aimed to showcase the unique strengths of each field while highlighting their interdependence on one another. It ended with a message that science is a collective effort and all three subjects need to work together to create something remarkable.

Principal Mr. Francis Castelino applauded the efforts of the students and the Science Department for putting up a fabulous show. He emphasized the importance of Science education in nurturing the next generation of innovators and problem-solvers, who will play a critical role in shaping our future.

CULTIVATING THE SPROUTS OF BENEVOLENCE

The Humanities students of XI & XII from Unity College, Lucknow gathered for an act of charity in the loving memory of Janab, Dr Kalbe Sadiq by donating old woollen clothes to the people on 31st December, 2022 at Kudia Ghat, Lucknow. College Counsellor Ms. Nisar Fatima coordinated the event.

UNITY APPEARING FOR MATH OLYMPIAD

Indeed, Mathematics provides an effective way of building mental discipline and encourages logical reasoning and mental rigor. In addition, mathematical knowledge plays a crucial role in understanding the contents of other school subjects such as Science, Social Studies, and even Music and Art. To propagate the same thought, the College conducts the Math Olympiad every year with an aim to foster an interest in Math and improve the Mathematical skills of participants besides nurturing a healthy competitive spirit among the participants.

The present year witnessed the gargantuan contest encompassing almost the whole college. The first two categories- Pre-Primary and Primary sections held the Olympiad on 19th December, 2022. A significant level of students' participation, with a total of 930 candidates from both sections, took part in the competition.

The top three positions were awarded in each category, recognizing the exceptional abilities of the participants.

Results:

I Position: 22 students

II Position: 10 students

III Position: 19 students

The next two categories - classes VI to VII and classes IX & XI wrote the test on 8th April, 2022. A good number of 512 students vied for the gold, silver and bronze medals.

Results:

I Position: 9 students

II Position: 8 students

III Position: 11 students

All the winners of the Math Olympiad were duly acknowledged and appreciated for their exceptional achievements. They were conferred with medals, prizes and certificates, recognizing their dedication, hard work, and outstanding performance in the Olympiad.

The enthusiasm and interest displayed by the participants was indicative of their dedication towards Mathematics and their eagerness to showcase their knowledge and problem-solving abilities.

THEOLOGY

UNITY SHINING @ DEEN AUR HUM, LUCKNOW

Unity College, with its focus on holistic education, has always encouraged its students to develop their spiritual selves alongside their academic pursuits. This approach has paid off once again, with S. Wali Haider, a student of VII-B, winning the prize for scoring above 80% in the Religious Course 'Deen Aur Hum' - Level 1. His outstanding achievement was recognized at the Prize Distribution Function held at Golden Palace, Akbari Gate, Lucknow, where he also delivered an eloquent speech expressing his views about the Course. The College Secretary, Mr. Najmul Hasan Rizvi, was also present on the occasion to show his support.

The Religious Course 'Deen Aur Hum' was held during the holy month of Ramzan, with classes conducted at five centres across Lucknow. A good number of children attended the classes with enthusiasm, and S. Wali Haider stood out with his impressive results and speech.

Principal Mr. Francis Castelino expressed his joy and pride at S. Wali Haider's achievement, commending him for his keen interest in religious knowledge alongside his academic pursuits.

MUHARRAM-SPECIAL ASSEMBLIES

Muharram, the first month of the Islamic calendar, holds a significant place in the hearts of Muslims around the world. The occasion is a sombre reminder of the calamities that befell Imam Hussain (AS) and his family, and how their unwavering courage in the face of oppression serves as a powerful inspiration for all of us.

From the youngest to the oldest, everyone present was reminded of the virtues of truth over falsehood, loyalty over treachery and justice over injustice.The event served as a reset button for many of us, a reminder that we

should strive to emulate the example of those who fought for justice and righteousness in the face of adversity. Muharram is more than a mourning event; it is a time for reflection and renewal.

The Theology Department of the College initiated the program as an opportunity to pay condolences to the martyrs of Karbala. The event was a moving melange of orations, odes, eulogies, and couplets, all presented in adulation of the valour and courage of the warriors who sacrificed everything for the cause of truth and justice.

In his closing remarks, Principal Mr. Francis Castelino urged the students and all attendees to follow the teachings of Imam Hussain (AS) and to strive for a world where tolerance and understanding reign supreme. He expressed his concern over the rising tide of intolerance in society, and emphasized that the only way to combat it is to tread the path of Imam Hussain (AS), which involves doing good even to one's adversaries. He also praised the students and teachers for their efforts in making the event a memorable one.

ASHRA-E-MAJLIS

On the sacred occasion of Ashra-e-Majlis, a group of former students from the College's 2020 batch demonstrated their devotion to Imam Hussain (AS) and the martyrs of Karbala by setting up a magnificent sabeel of water, juice and tea at Jhau Lal Imambargah on 4th September, 2022. Their noble gesture aimed to serve the devotees and passers-by who were in attendance.

The sabeel, a symbol of selflessness and generosity, was a grand and heartwarming sight. The former students' efforts in setting it up and ensuring its smooth operation were nothing short of admiration.

Principal Mr. Francis Castelino, was quick to recognize and applaud the group's dedication and sincerity.

This exemplary act of service and devotion serves as a testament to the values and teachings instilled in students during their time at Unity College.

FESTIVE ASSEMBLY @UNITY

The College held a resplendent and informative assembly on 7th March to enlighten the students about the importance of Shab-e-Barat and Holi. The day was made even more special as the festivals coincided and carried messages of forgiveness and triumph over evil. The assembly began with soulful renditions followed by a pledge to be loyal citizens of India and sincere students. Maulana Arshad Husain, the Theology teacher, enlightened the students on the significance of Shab-e-Barat as a night to seek forgiveness from God, and the advent of Imam-e-Zamana, who is believed to purify the world of all evil. The students then rendered a mellifluous Qaseeda in Persian to honour the glory of Imam-e-Zamana.

Principal Mr. Francis Castelino spoke on the positive effects of festivals, emphasizing the values of brotherhood and tolerance they bring to our lives. The occasion also celebrated the birth anniversary of Hazrat Hujjat ibn Hasan al-Askari (A.S.), the Twelfth Holy Imam, Al-Mahdi. The jubilant event was made even more festive with a delicious cake treat for the students and a short Q&A session was conducted to discuss ways of being a helper of Imam Mahdi (ATFS). Salwaats were recited in reverence, and the occasion culminated with prayers for the early re-appearance of the Imam.

The day concluded with salutations to the Imam of our times, warm greetings and an aura of positive vibes. The joyous celebration left a lasting impact on the students, imbuing them with values of love, brotherhood and tolerance.

UNITY AT SEMINAR CUM WORKSHOP OF SERP, KGMU

On 15th October, 2022, the Science students of classes XI and XII attended the Seminar cum Workshop of Science and Engineering Research Board (SERP) organised by KGMU on the birth anniversary of the Missile Man, Dr. APJ Abdul Kalam. A team of six participants from class XI B and XII B was escorted by Teacher Ms. Huma Rizvi.

The Seminar commenced with a welcome address by Dr. Gyanendra Kumar Sonkar- Principal Investigator of KGMU. Dr. Abbas Ali Mahdi- Professor and Head of the

Biochemistry Department, KGMU, addressed the students and talked about interferon, insulin, etc. Then Dr. Meeta Ghosh- the former Professor of Lucknow University, stressed on building passion and motivation, while Dr. Sabra Habib- former Professor of the same University, advised not to force students for studies.

Dr. Thuppil Venkatesh, 'Lead Man of India' and an Advisor from WHO, shared his words of wisdom that Science is in everything: Philosophy, Art or Humanity.

In the afternoon session, students explored the usage of different tools and instruments like RT- PCR kit, GC- MS, GPLC, Gel Electrophoresis, ELISA, NanoDrop, Centrifuge, etc.

Certificates of participation were given to all students at the end of the enriching workshop.

WEBINAR ON BREAST CANCER AWARENESS

Every October is marked as the Breast Cancer Awareness Month. A national campaign is carried on to raise awareness for this cause. Breast cancer is the most commonly diagnosed cancer in women and the second leading cause of death among women. A special webinar – 'Breast Cancer Awareness' was organised by Headmistress Ms. Kainaat Mansoor for the teachers of Unity College on 7th October, 2022 at 4 p.m. The session was conducted by the well-known Oncologist, Dr. Alok Gupta.

Dr. Alok Gupta is the Director of Medical and Haemato Oncology at Medanta Lucknow. He practices solid tumour oncology and hematolymphoid Oncology. His area of expertise is the diagnosis and medical management of Cancer, including the use of chemotherapy, targeted therapy, immunotherapy and hormonal therapy. He has been actively involved in training, education and has been a thesis guide of medical oncology to residents and clinical research students.

The webinar began with a comparative study of the survival rates of the breast cancer patients in India and the West. Dr. Alok said that women in India feel hesitant to talk about the symptoms pertaining to breast cancer owing to societal pressures or lack of awareness. Timely diagnosis is crucial in the effective treatment of the disease. Various myths associated with Cancer, especially in India were discussed. Information about the common symptoms and the possible line of treatment available in the leading hospitals of India was also provided. He also said that medical research has improved the treatment options for breast cancer tremendously. People can reduce their risk of Cancer by incorporating healthy food in their diet, keeping their weight under control, following a fitness regime and avoiding fatty food, smoking and alcohol.

He wrapped up the session with the message that the mortality rate of the disease can definitely be reduced by timely awareness of the symptoms and medical treatment. A stitch in time saves nine.

His talk was then followed by an interactive Question & Answer session and the attendees actively tuned in to resolve their queries.

The webinar had a great impact on the participants and it helped them to get rid of several myths. It was a highly insightful session that gave the attendees in-depth knowledge and awareness on Breast Cancer.

TEACHERS' ORIENTATION PROGRAMMES

TEACHER DEVELOPMENT BY MACMILLAN EDUCATION

'Teachers are the guides but at times they too need guidance.'

On 29th June, 2022, Macmillan Education organized an Interactive Development Session for teachers at the College, conducted by renowned educationist and Counsellor Mr. Ivan Robert Luther, just before the reopening of the College in July. Principal Mr. Francis Castelino gave a warm welcome to kick off the programme, where Mr. Luther stressed on the importance of teachers' contribution to a student's achievement in the classroom. He highlighted that a teacher's improvement in skills brings improvement in students and urged teachers to come out of the 'I am right' domain and reach out to the learners.

To help teachers improve their skills, Mr. Luther suggested innovative ways such as recording their lessons and watching them for self-introspection or inviting a genuine colleague to observe the lesson and provide feedback. He also discussed conflict resolution techniques.

The second session of the day was the Staff Meeting, where College Secretary Mr. Najmul Hasan Rizvi stressed on the need for counselling and mentorship for degree holders who lack skills to earn a living. He emphasized employability-driven education, career counselling and personality development programmes for students starting from class VI. The Teachers' Development programme concluded with a vote of thanks by Vice Principal Mr. Sachindra Bharti.

On 30th June, Vice Principal Mr. Sachindra Bharti took the morning session of the 'Teacher's Orientation,' where he showcased a comprehensive PPT to emphasize the need for quality education that can impact children's minds and give optimum results. He urged teachers to aim to impart knowledge instead of merely preparing students for exams and to lower the gap between high and low performers.

Later, the teachers attended a Webinar on POCSO, facilitated by Mrs. Mrinalini Nehra, coordinated by Mrs. Roy. Mrs. Nehra highlighted the role of teachers as parents and discussed the importance of taking immediate action in case of any sexual abuse or harassment of children. She emphasized that schools must conduct awareness sessions for children about good and bad touch. The session concluded with a thought-provoking poetry by Mrs. Nehra: 'Sant mahapurush may bhi chhipa kahi chor'.

Lastly, the staff meeting with Principal Mr. Francis Castelino reminded teachers to follow the Code of Conduct in everyday life and exhorted everyone to be responsible, dedicated, and wise. The programme was an informative and enlightening experience for the teachers, guiding them to be better guides for their students.

WORKSHOP -'BALANCE BETWEEN WORK PLACE AND HOME'

On the 21st of May 2022, the College organized an enlightening online session for their teaching faculty on the topic 'How to Make Balance between Workplace and Home'. The workshop was facilitated by Dr. Sarah Musavi, a Certified Health Coach, medical professional, and health writer from Canada, who helped the teachers learn how to balance their work-life and home-life effectively. Before the session, the teachers filled in a Google form that provided insights into their engagements and dream place.

Dr. Musavi started the session by emphasising that we are essentially made of energy. She shed light on how our thoughts influence our words and actions, as electrical signals travel from the brain to the gut. The gut-brain access connects us to our body through electrical signals, and the positivity of our neuro system can boost the health of our gut. She gave examples of gardening and healthy eating habits to explain the chain process of good feelings on health, words, and environment.

Dr. Musavi highlighted the importance of teachers' language in creating a conducive learning environment. She encouraged teachers to choose their environment by imagining a beautiful place they would want to be in. Meditation, she added, is an excellent tool that increases happiness and reduces stress levels. She advised teachers to develop a positive mindset by responding creatively to misbehaving students instead of reacting negatively.

Furthermore, Dr. Musavi recommended the adoption of a buddy system, which would enable teachers to form a friendly group of three or four colleagues to discuss their classroom issues and find solutions to manage classroom situations daily. She added that this buddy system would promote a positive work environment and help teachers balance their work and home life effectively.

In conclusion, Vice Principal Mr. Sachindra Bharti suggested that teachers should adopt one-on-one mentorship for students who refuse to attend classes. Overall, the session proved to be a tremendous success, as teachers left with a new found sense of motivation and direction, which would undoubtedly reflect positively on their students.

THE PHONETIC BUZZ

To achieve the goal of 'Excellence in Education', the College frequently conducts training sessions that encourage a shift from rote memorization to a more hands-on approach to learning. These sessions keep teachers up-to-date with the latest methodologies and trends in education, ensuring that their students receive the best possible education.

On 26th November, 2022, the Fitzroy Training Programme was held under the guidance of Headmistress Ms. Kainaat Mansoor for English teachers in the Pre-Primary and Primary sections. Principal Mr. Francis Castelino welcomed Mr. Abhishek Goel, Co-Founder of SAAR Publications, who conducted the training session, and commended the efforts of the teachers to improve their Phonic Skills.

Mr. Abhishek, in his session, explained the need for phonics in a subtle way, starting from the basics of English letters, their names, and sounds. He also addressed the complexities beginners face while reading English. The correct usage of digraphs, blends, special words, and not so special words were also discussed.

Mr. Abhishek stated that complete knowledge of all phonograms, sounds, letters, and word roots can make English reading a child's play. To make the session more interactive, several activities were conducted, and the teachers actively participated in all of them.

The cheerful faces of the teachers at the end of the session reflected its fruitfulness. This training has equipped them with the necessary skills to refine themselves, which is essential for the robust future of the College.

Speaking on the occasion, Headmistress Ms. Kainaat Mansoor expressed her gratitude to Mr. Abhishek for his presence and urged teachers to use all the tools effectively in class.

TRAINING WITH A DIFFERENCE

Teaching and learning sessions are vital for the continual development of teaching staff in any educational institution. To this end, the ASEEMA CHARITABLE TRUST conducted a comprehensive training module on the Montessori Philosophy of Education for the teachers of the Pre-Primary Section. The program, held from 19th to 24th January, 2023, aimed to enhance the overall productivity and effectiveness of the educational instruction. The session was attended by teachers from both the Morning and II Shift, as well as several teachers from associated Unity Education Programme (UEP) schools across the state.

ASEEMA is a reputable NGO from Mumbai that aims to provide quality education to underprivileged children. The organization has been working towards this goal for the past 25 years, starting with 18 students and now helping over 2000 students across India. The trainers, Ms. Geeta Subedar and Ms. Reshma Mulla, expertly guided the teachers on how to nurture their inherent abilities while adopting a confident, positive, energetic, patient, and cheerful approach to resolve their problems with ease.

The primary objectives of the session were to enhance the teaching-learning process using various teaching aids and mechanisms, making the learning process easy, interesting, and innovative, and to enhance the participation and learning curve of the students. The session started with an intriguing 'Ice Breaking Activity,'

wherein the teachers were asked to draw pictures and define the meanings of their names through them. Throughout the course of the module the teachers took part in various activities that would help them create a bond with the students as well as assist the holistic development of the students, both physical and mental.

Not only were the sessions interactive, innovative, and informative but the insights they provided into the teacher - student relationship, was also spiritually enlightening experience.

TEACHERS' WELLNESS PROGRAMME

"Physical fitness is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity." – John F. Kennedy

The relevance of this statement is more pertinent now than ever before, as health issues have become a common concern among people of all ages. Whether young or old, physical and mental well-being directly impacts one's productivity and progress. It is a well-known fact that quality education is impossible to achieve if the environment is not supportive and teachers are unhealthy, despite their competence.

With this in mind, Unity invited Dr. Sarah Musavi, a Certified Health Coach, medical professional and health writer from Canada, to boost the physical and mental fitness of the teaching staff, thereby promoting a healthy and happy school environment.

In her address to the teachers, Dr. Musavi acknowledged that the College began its educational journey by providing literacy to the backward communities and has since evolved to provide quality education, preparing students for their future. It is a widely accepted truth that teachers play a vital role in shaping society, and unique teachers are those who transform challenges into opportunities. Therefore, Dr. Musavi emphasized that the traits of quality teachers should also include being healthy. Health, she said, is not a destination but a multidimensional snapshot of our mind, which is reflected in our words, actions, and choices for Sleep, Thoughts, Eating, and Movement (STEM). To maintain optimal health, one must take preventive measures for a Healthy Gut, Eating, Relationship, and Movement (GERM).

Dr. Musavi pointed out that indicators of ill health include digestion issues, a protruded belly, aggression, and depression. To combat these, she suggested that teachers adopt organic vegetation and home-cooked food, while saying no to hybrid chicken dishes. If teachers are healthy, they can inspire students to practice healthy habits. Dr. Musavi looks forward to strengthening this generation so that we can have an energetic adult population in the next ten years.

The programme ran from 6th to 11th February, 2023, for the teachers of both the morning and evening shifts. On the first day, a general address was delivered on the significance of teacher and students' wellness. This was followed by group meetings of five to six teachers each, in which they discussed their stress, health, and workplace issues with Dr. Musavi, She offered innovative ways to turn issues into stimuli for a better living. Furthermore, she continued to provide guidance on health and positivity among teachers through mail until 17th February.

The last day was dedicated to doing organic farming. Dr. Musavi escorted Ms. Fizza Mehdi, Ms. Eva Abbas, and Ms. Ila Shahid, along with some students, to an organic farm in the city, with the aim of starting an organic garden on the College campus.

Dr. Musavi continued to counsel teachers individually on issues such as 'no time,' 'limited money,' 'negative thoughts,' 'fatigue,' 'pain,' 'chronic conditions,' 'excess weight,' 'phone addiction,' and 'classroom management.'

The sessions proved to be an eye-opener, providing a positive stimulus. The teachers were seen to be actively thinking and discussing their own health and the health of their students, thereby promoting a healthy and happy school environment.

COUNSELLING PROGRAMMES

Unity has a strong commitment to shaping its students into accomplished, fulfilled and prosperous members of society. To achieve this goal, it arranges regular counselling sessions to help students assess their strengths and interests and stay up-to-date on the latest trends in various career paths. The objective of these sessions is to equip the students with the necessary skills and knowledge to succeed in their chosen careers, a career that aligns with their individuality and allows them to make their mark in the professional world.

The I and the II position holders of ICSE 2022, Siddiq Husain Mussana and Sadiq Husain got the privilege of expert guidance at the threshold of ISC to set their future course. They had a one to one talk with Mr. Raza. He talked about various courses and degrees available in the present competitive arena of work fields. They were also apprised of the Universities and Institutions in and out of India.

The Academic Meet was a success to ensure the hi-fliers may soar high in the free sky.

UNDERSTANDING THE BASICS OF GST BY MS. SALIM

Today's competitive world calls for an awareness of the available choices which aids in making informed career choices. In the wake of it, a Career Counselling Session on GST was organised for Commerce students of XI and XII grades for both the shifts - Morning and Evening.

Resource Person Ms. Salim explained the importance of GST to the students and told them how its awareness can land them with good job opportunities. Students got to know that unlike other taxes GST is levied at every stage of the supply chain.

The closure took place with an interactive session which elicited the students to participate enthusiastically.

MOTIVATIONAL REVAMP BY MR. R. ABBAS

In the continued string of motivational sessions, Mr. Roshan Abbas- Soft Skills Trainer, was warmly welcomed to address the senior students of class XI and XII on 5th November, 2022.

Revolving around the pivotal objective 'Making Effective Students', Mr. Abbas began his words of wisdom with special emphasis on being educated and not being only literate. He emphasized the importance of time management, mental stability, decision making and keeping aware of the world around to boost their potential to face the challenges of life at large. The process should include careful listening, memorising, contemplating, implementing and lastly information sharing. In the end, he urged them to keep themselves encouraged by reading motivational quotes and appreciating the accomplishments of each other.

CIVIL SERVICES PREPARATION @ LUCKNOW IAS ACADEMY

A workshop on 'Kicking off Civil Services Preparation' was organised by the Lucknow IAS Academy for class XII students of both the morning and evening shifts on 21st December, 2022. The aim was to support the interested students who possess the zeal, caliber and commitment to focus on the strenuous civil services preparation.

Prior to the session, a written assessment was conducted to evaluate the knowledge, understanding and skills of the students as per the UPSC standards. The session was attended by class XII students of the morning and evening shift. The event was coordinated by teacher Mr. Suhail Raza.

The resource persons Ms. Kopal Trivedi and Prof. Avinash Kumar discussed the UPSC examination and its stages - Prelims, Mains and Interview. They said that every IAS aspirant should avail the opportunity to realise their dreams. Right guidance and mentoring is crucial to the successful preparation of the examination. The aspirants should possess an inclination, patience, perseverance and resolute focus. The UPSC aspirants may approach the LIAS coaching which offers a three year long program from scratch to advanced UPSC preparation.

CAREER COUNSELLING OF COMMERCE STUDENTS

A couple of interactive sessions of Career Counselling were organised for the students of the Commerce stream on 26th August and 29th August respectively.

The first counselling session was conducted by Ms. Samara Rizvi (CS) and Mr. Ravi from the Institute of Company Secretaries (ICSI). Students were enthralled to learn about the endless career opportunities they could opt for after pursuing the Company Secretary (CS) course. They were also informed about the registration process, course details, examination pattern and availability of institutes for training.

The second session focussed on how to pursue a career as a Chartered Accountant - CA. The distinguished professionals CA Mr. Divesh Aggarwal and Mr. Manish from the Institute of Chartered Accountants of India (ICAD) addressed the students. Along with them two Alumni also graced the dais and shared their experience. Mr. Divesh apprised the students of the course duration, fee, salary packages, internships, and its prospects abroad. The sessions privileged the students with a sure assistance in finding the right resources that would enable them to further focus on their career as a Company Secretary or as a Chartered Accountant.

SESSION ON NEP'20 AND LIBERAL ARTS BY MS. UMA NARAIN

On 31st January, 2023, an awareness session for class XI students aimed at informing them about NEP 2020 was conducted by Ms. Uma Narain, a consultant from the School of Liberal Arts at NMIMS University, Mumbai and Era University. NEP 2020 is an all-inclusive policy that guarantees no child is denied access to quality education.

Ms. Narain emphasized the importance of critical thinking and a multidisciplinary approach to education for a child's holistic development. She also highlighted Era University's diverse career options, such as research and innovation, film-making, journalism, psychology, advertising, content writing, multimedia, and social service (NGO). The University offers scholarships to deserving students and internships with partner corporates.

Ms. Narain believes that the rise of 5G, Artificial Intelligence, and Data Analytics will transform our way of life and work. She predicts that half of the current jobs will vanish, while a new set of job profiles will emerge, which are difficult to envision today. Therefore, educationists must prepare students for a volatile, uncertain, complex, and ambiguous (VUCA) world.

This informative session left a lasting impression on the students.

College Secretary Mr. Najmul Hasan Rizvi frequently encouraged students to develop their potential and pursue achievable goals, emphasizing the importance of adopting positive behaviours to become a person of significance. Meanwhile, Principal Mr. Francis Castelino advised parents to fully commit to their responsibility for their children's education. Vice Principal Mr. Sachindra Bharti also played a crucial role in motivating students to be disciplined, sincere and determined in their academic pursuits. Counsellor Ms. Nisar Fatima, who meticulously coordinated all the sessions, provided valuable counsel to parents, encouraging them to be friendly with their children and keep a watchful eye on their children's progress.

PRE-PRIMARY ACTIVITIES

We are thrilled to showcase the various fun and educational activities that our little learners have been participating in over the past few months. At our College, we prioritize providing a nurturing and stimulating learning environment that encourages children to explore, learn and grow. In this edition, you will find updates on our students' classroom activities. Our students have been busy engaging in creative and interactive learning experiences that promote their holistic development.

CELEBRATING RAMADAN

The celebration of Ramadan is an important event in the Islamic calendar, and the Pre-Primary Section took the initiative to educate their young students about its significance. On 6th April 2022, various activities were organized to instil discipline, renew faith, and inspire creativity among the little learners. LN students expressed their creativity by making tiny Dua hands with their handprints, while UN students used cardboard and other craft items to create beautiful miniature mosques. The PREP students crafted elegant Dua books with prayers written on them. The students' incredible talents left their teachers and In charges amazed and impressed. These activities not only helped the students understand the essence of Ramadan but also helped them develop their artistic skills, enhancing their cognitive and emotional development. We promote an inclusive learning environment that celebrates diversity and fosters love for learning among young students.

SPLASH OF CREATIVITY

An engaging water-based event for the kids was organised on 13th April 2022. The little ones of LN enjoyed making beautiful 'Splash Paintings' using cotton balls, while the students of UN had a blast with the 'Spray Painting' session, using old brushes. The PREP students showcased their creativity by making adorable 'Blow Colour Monsters.' The outdoor water activities included Water Plate Balancing, Passing the Water Bowl, and Water Balloon Catching, among others, which took place in the children's park. The event was a resounding success and the students had a wonderful time while engaging in various water-based activities. These activities promoted creativity and imagination as well as encouraged the kids to explore new possibilities while enjoying the beauty of nature.

EARTH DAY

The celebration of Earth Day on 22nd April, 2022 was filled with educational and fun activities. Students were taught about the significance of Earth Day through a variety of conservation-related activities. LN students created a representation of Mother Earth using balloon printing, while UN students made theirs with finger impressions. Class PREP students participated in a Cotton Dabbing activity, where they wrote colourful slogans and pledged to contribute actively to the conservation of the Earth.

The activity aimed to promote environmental education and instil a sense of responsibility towards the environment in the young minds of the students. It was a fun-filled and informative celebration of the planet we call home.

DIGNITY OF LABOUR

The Tiny-tots celebrated International Workers' Day on 1st May, 2022, with a series of activities to acknowledge the hard work of the labour force. The aim of the activities was to instil respect and appreciation for the worker's community in the students. Class PREP children made 'Thank You' cards through Origami to express their gratitude to the support staff. Meanwhile, UN students created hand-painted firemen to pay respect to community helpers and LN students painted tiny bricks on a wall.

These activities not only allowed students to express their gratitude but also encouraged them to think about the dignity of labour and the importance of showing appreciation towards those who work hard every day.

EID MILAN

Eid Milan was celebrated on 23rd May, 2022 with great enthusiasm. The celebration aimed to educate the students about the values and significance of Eid. Teachers explained to the students that Eid is a time to share happiness and the importance of the festival in the Islamic culture. To make the celebration more enjoyable, classes LN, UN and PREP were involved in an 'Eid card-making activity' where they learnt to make Eid cards, moon, and paper purses to gift to their family and friends. The students greeted each other with 'Eid Mubarak' and brought dry snacks for their teachers and friends as a token of love and respect. The festival brought students closer to traditional beliefs, thereby promoting religious tolerance and understanding of different faiths in their young minds. The teachers and children had a wonderful time celebrating Eid with great enthusiasm and joy.

MOTHER'S DAY

Mother's Day is a day to celebrate the love and bond between a mother and a child and the little children did just that on 9th May, 2022. The teachers organized several activities to emphasize the importance of mothers in children's lives, and the young ones of classes PREP, UN, and LN made beautiful paper bouquets, cards and hearts for their mothers through paper tearing activities.

The children's creativity and love for their mothers was evident in their artwork, which brought joy and smiles to everyone's faces. The activities were designed to help the children appreciate and cherish their mothers and understand the unconditional love and care they provide. It was a heart-warming celebration that highlighted the special bond between mothers and their children.

EID AL-ADHA

Eid Al-Adha is more than just a day of food and money-sharing; it's a day of surrendering differences and promoting brotherhood, love, respect, and harmony. To instil these values in the young minds, a special assembly was organised on 12th July to celebrate Eid with enthusiasm and gaiety. Students performed the

traditions and customs of the day, exchanged greetings of 'Eid Mubarak,' and participated in a variety of activities that aimed to educate them about the religious significance, history, stories, legends, associated traditions and customs of the festival. Classes LN, UN, and PREP were involved in making lambs using cotton balls, poster colours, ice cream sticks, white sheets, cotton and paper plates. This Eid celebration helped promote tolerance and understanding of faiths and was a wonderful and informative day for the children to enjoy and learn.

CELEBRATING KARGIL DIWAS

Kargil Diwas is a day of pride for every Indian, as it celebrates the heroism and bravery of our soldiers who fought to reclaim the high peaks of Ladakh against the intruders. This year, on 26th July, tribute was paid to the fallen martyrs with a series of patriotic activities that were conducted by the students. The objective of the activities was to imbibe a sense of patriotism among students and encourage them to honour the brave sons of the country. The students of LN made tri-colour badges to express their love for the nation, while UN created craft soldiers of the likes of Lt. Manoj Pandey, Capt. Vikram Batra, and Capt. Anuj Nayyar. The young Unitians of PREP crafted soldier hats, which they wore with pride, symbolising the responsibility and pride that comes with the uniform of a soldier. Through these activities, the College aimed to teach the students about the sacrifices made by our soldiers and to imbibe in them a sense of duty towards the nation.

HYGIENE DAY

"One who maintains cleanliness keeps away diseases"

Hygiene is an essential factor in maintaining good health and this is practiced by encouraging students to participate in activities that promote healthy habits. Hygiene Day was celebrated where young learners engaged in a variety of activities aimed at fostering the importance of cleanliness. The UN students created eye-catching drawings that emphasized the need for regular hand washing, while class PREP made craft paper-teeth to highlight the importance of oral hygiene.

The students also segregated healthy and unhealthy food items and pasted them on cut-outs, demonstrating the importance of healthy eating. The teachers encouraged the students to follow a strict cleanliness regime to stay healthy. By organizing such events, the College is committed to the holistic development of its students and recognizes the importance of inculcating good hygiene habits from an early age.

EID-E-GHADEER

On 19th August, the students celebrated Eid-e-Ghadeer at school starting with the assembly explaining the event of Al-Ghadeer.

Students dressed up in colourful attires, lifted up the ambience with the melodious tunes of the Qaseedas, congratulating Ameer ul Momineen (AS) and celebrating the Wilayat of Imam Ali (AS) with Takbeer and Salutations.

Teachers gave a brief history on Al-Ghadeer, explaining its importance and duties of children to take the message home in regards to Ghadeer. The participants reminded the children to read history and to take lessons from it, especially in relation to the Wilayat of Imam Ali (AS) and his role in Islam.

Certain hands-on activities of the children were as follows:-

The students of LN did Stencil Tracing Activity, where they used poster colours and stencils.

The students of UN did Gift Making Activity, where they used colourful sheets and empty matchboxes.

The students of PREP made bookmarks with a quote of their choice.

On this auspicious occasion of Ghadeer, teachers and students of the College congratulated all their colleagues and well-wishers on the historical declaration of the Wilayat of Imam Ali Ibn Abi Talib (AS), and sent salutations of Eid-e-Ghadeer to the Imam of our time, Al Hujjah Al Mahdi (ATFS), may Allah (SWT) hasten his reappearance.

FIRST AID DAY

"Immediate First Aid can make a real difference."

A hands-on programme on First Aid was conducted for students on 27th August. The teachers began by explaining the meaning, aims and priorities of First Aid measures and elaborated on different emergency situations such as electric shock, bleeding, and snakebite. The visual teaching application helped the students understand the concept better and realize the importance of being vigilant in case of emergencies. In the DIY activity segment, the students got a chance to do hands-on activities such as bandaging a cut, learning about different medical equipment in a doctor's kit and creating their own doctor's kit containing basic medical supplies. The students found the session enriching and fruitful and they were enthusiastic about putting into practice what they had learned and spreading the knowledge to their family and friends. The programme aimed to equip students with essential skills and knowledge to respond calmly and quickly during emergencies and to promote a culture of safety and well-being.

RAKSHA BANDHAN

"Brothers and sisters are as close as hands and feet."

Raksha Bandhan is a festival that commemorates the strong bond between siblings and showcases the richness of Indian culture. It celebrates the idea of universal brotherhood and is an important part of the Indian tradition. A joyous and lively celebration of Raksha Bandhan was organised in the Section. LN students made colourful Rakhis with smiling faces, spreading happiness and joy on this auspicious day. Meanwhile, UN students created beautiful sun-shaped Rakhis that embodied positivity, energy and power.

The young craftsmen of PREP used glitter sheets and ribbons to make stunning Rakhis that were a testament to their creative abilities. The event was an enlightening experience for the students as they learned about the historical and cultural significance of Raksha Bandhan from their teachers. Headmistress Ms. Kainaat Mansoor praised the students for their excellent work, which was evident from their beautiful creations. The festival not only strengthened the bond between siblings but also fostered a spirit of brotherhood among all.

MUHARRAM

"Death with dignity is better than a life of humiliation"

Muharram is a sacred month for Muslims around the world as it commemorates the martyrdom of Imam Hussain (AS) and his family in the Battle of Karbala. Imam Hussain (AS) may have been slain in the Battle of Karbala, but his message of kindness, justice, and equality still lives on among people who love him. Students imbibed this message through a meaningful and engaging event on 9th September, 2022. The teachers organised a series of activities that would help the students understand the significance of Muharram and appreciate the teachings of Imam Hussain (AS).

The students of PREP made Trash Bins to spread awareness about the 'Clean Juloos' and encourage pupils to take responsibility for cleaning up after a procession in their area. The students of UN crafted drinking glasses as a symbol of the courage and sacrifice made by Imam Hussain (AS) and to honour the tradition of giving water to those who are unjustly deprived of it. Lastly, the students of LN were asked to colour dresses black, a colour worn during the month of Muharram to mourn the martyrdom of Imam Hussain Ibn Ali (AS).

In addition to these activities, the teachers also imparted important life lessons to the students i.e. to be righteous, kind, brave, and firm in their determination, even in the face of adversity. These values embody the teachings of Imam Hussain (AS) and are still relevant today.

The event was a great success, with the students learning and experiencing the importance of Muharram. The teachers emphasized that the month of Muharram will always be a time of deep reflection for Muslims across the world. They prayed to Allah to bless everybody with health, wealth, peace and happiness throughout the year.

PEACE DAY

"Peace cannot be kept by force, it can only be achieved by understanding".

These are the profound words of the celebrated scientist, Albert Einstein. This year, we celebrated the International Peace Day on 21st September, 2022, with fervour and enthusiasm.

The event was spearheaded by the students of PREP, who hosted the program during the general assembly. The program began with a warm welcome extended to all present, after which the students took the stage to enthral and enlighten the audience. They presented a series of slogans along with placards that conveyed powerful messages of peace and unity.

The next segment of the program was a group poem titled 'Hug O' War' by the acclaimed poet, Shel Silverstein. This poem, with its message of peaceful coexistence, thrilled the audience and left them spellbound. Following this, the students shared their thoughts on 'How to be a Peacemaker', which were thought-provoking and deeply fascinated the audience.

Principal, Mr. Francis Castelino, concluded the assembly by urging the students to imbibe the values of love, harmony, non-violence and to become instruments of peace. He highlighted that peace means a world of

happiness and harmony, without any bias and inspired the students to resolve to become better persons so that our country radiates peace.

As a part of this endeavour, Peace Day Celebration was also celebrated through a variety of hands-on activities for the children in Pre-Primary, which they thoroughly enjoyed. The students of PREP made a dove with their hand impressions, which symbolizes peace. In another activity, students from UN and LN were directed to make the symbol of peace with paints, ice cream sticks, and paper plates.

The importance of celebrating Peace Day was explained to the children during the classes, where they came up with innocent suggestions to maintain peace around them. The children were also reminded that peace is not just the absence of conflict but the presence of harmony, love and understanding.

GANDHI JAYANTI

Gandhi Jayanti is observed by the entire nation to commemorate the birth anniversary of the Father of our Nation, Mahatma Gandhi. Our students too celebrated Bapu's 153rd birth anniversary this year with zeal, enthusiasm and patriotic feeling on 1st October, 2022.

The teachers commenced the programme with a brief introduction of Bapu and his role in achieving freedom for India through a short story, 'Gandhi Ji ke Bandar teen' which symbolise the three golden principles namely 'See no evil, hear no evil and speak no evil'.

Certain hands on activities like making spectacles, making charkha and Swachh Bharat paper mop activity were conducted by the LN, UN & PREP respectively.

DUSSEHRA- TRIUMPH OF GOOD OVER EVIL

Dussehra, one of the most important Hindu festivals, is celebrated with great fervour and enthusiasm across the length and breadth of our diverse country. This auspicious occasion marks the triumph of good over evil and serves as a crucial life lesson that every child must learn.

In keeping with the festive spirit, the occasion of Dussehra was celebrated on 3rd October, 2022. The celebrations were brimming with joy and cheer, as the little ones actively participated in various activities that showcased the essence of the festival.

One such activity was a craft session where the young students, under the guidance of their teachers, created their own versions of the ten-headed demon king 'Ravana.'

The event proved to be a valuable learning experience for all involved, as it instilled in the young ones the values of courage, bravery and righteousness that are at the heart of this festival and also helped them gain a deeper understanding of the rich heritage and culture of our country.

RECITATION COMPETITION

"Poetry is simply the most beautiful, impressive, and widely effective mode of saying things."

Keeping this sentiment in mind, an Inter-class Poetry Recitation Competition was held on the 20th of October, 2022, providing an opportunity and platform for the young students to express their feelings and emotions through the art of poetry.

The competition witnessed enthusiastic participation from the students, who were eager to showcase their talent and confidence. The young poets recited a variety of poems on different themes, leaving no stone unturned to win for their respective classes. Their performances were marked on parameters such as confidence, voice modulation, memorization, overall presentation and creative use of props.

The students' confidence and zeal were apparent in their pleasing performances, which were a treat to watch. It was heart-warming to see the little ones all decked up with appropriate props, reciting their poems with all their heart. The stage exposure provided an opportunity for the young ones to gain confidence and showcase their public speaking skills.

Jt. Secretary- Dr. M Talha, Principal- Mr. Francis Castelino, Vice Principal- Mr. Sachindra Bharti, Headmistress- Ms. Kainaat Mansoor and all the teachers present appreciated and applauded the performances of the participants. The competition was a testament to the young students' dedication and hard work, and their efforts were recognized and celebrated.

In the end, PREP-C, UN-A, LN-A, and LN-B emerged as the deserving winners of the Competition.

UNITY LIGHTS UP WITH DIWALI CELEBRATIONS

The festival of Diwali brings with it an atmosphere of joy and festivity, marked by the illumination of homes with candles and earthen lamps, the fragrance of mouth-watering sweets and the warmth of family and friends. On the 26th of October, 2022, the tiny-tots joined in the celebrations with their usual enthusiasm, painting a picture of the perfect Diwali celebration.

The program began with an enlightening session on the significance of the festival, aimed at educating the students about our culture and traditions. To further instil the spirit of Diwali, a series of activities were organized for the young learners. The LN students participated in a 'Cracker Making' activity, while the UN students made beautiful 'Diyas' to light up their homes. The Prep students, on the other hand, engaged in 'Clay Diya Painting and Decoration' activity, aimed at improving their concentration, observation, and nurturing their creative and kinesthetic skills.

CHILDREN'S DAY

The little munchkins of the College celebrated Children's Day with immense joy and splendour to mark the birth anniversary of Pt. Jawahar Lal Nehru, the first Prime Minister of India.

The focus of the activity was making the day enjoyable for the children. The day started off with warm wishes and greetings by the teachers, followed by a variety of fun-filled activities to keep them entertained. The teachers made the day special by involving them in various games like musical chairs, amusing quizzes, passing the parcel, truth and dare, etc. This was followed by a motivational talk by the teachers. A number of dance performances and melodious songs delighted and entertained the students. Gifts were distributed among the children as a token of love. The students were overwhelmed with gratitude and thanked the teachers for their love and efforts.

Jt. Secretary- Dr. M. Talha, Principal- Mr. Francis Castelino, Vice Principal- Mr. Sachindra Bharti and Headmistress- Ms. Kainaat Mansoor and all the teachers appreciated and applauded the performances of the participants.

TRANSPORT DAY

'Row, Row, Row Your Boat….' and 'Wheels on the Bus…'

Does that ring any bells?

Irrespective of the generation you belong to, these rhymes have an everlasting effect and can translate into teachable moments.

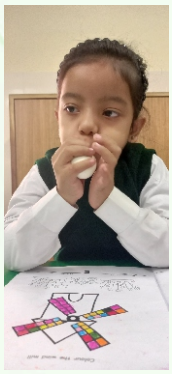

The young children of the section did an incredible job of introducing the concept of transportation to the little ones through an engaging Transport Day activity held on 21st December, 2022.

The activity was an enjoyable learning experience for the children, who were seen thoroughly enjoying themselves. The UN students were ecstatic about creating a train with matchboxes, while the LN students were eager to participate in an activity that involved understanding traffic light signals.

The activity was a fantastic opportunity for the children to engage in a fun and creative learning process, which is sure to help them remember the lessons learnt for a long time to come.

JINGLE BELLS!!

The spirit of Christmas radiated through the halls of the College on 23rd December, 2022, as the little kids celebrated the festival with great joy and enthusiasm. The teachers imparted the essence of the festival to the students, enlightening them about the spiritual significance of the birth of Jesus Christ.

The LN, UN, and PREP students were then treated to a range of activities that sparked their creativity and festive spirit. The students of LN were thrilled to create a variety of masks, while the UN students revelled in making jolly Santa faces. PREP students enthusiastically made bells to ring in the festive season.

Filled with joy, the students later visited the residence of the Principal, Mr. Francis Castelino, and were thrilled to see the dazzling Christmas decorations. They were overjoyed to meet the Principal and taste the delicious Christmas cake that was distributed to them.

The celebrations came to an end with these engaging activities, and the students left with the message of love, peace, and harmony in their hearts.

PREP GRADUATION- AN EXCITING MILESTONE

Prep Graduation is a significant milestone in the journey of Pre-Primary students towards knowledge and education. The Graduation Day was celebrated on 21st March 2023 with great enthusiasm.

The event was graced by several dignitaries, including Chief Guest Mr. Nazre Asgar Naqvi, a sportsman, presently working as a Sr. Advisor in Business Development at the Ontario Power Generation, Toronto, Canada, College Secretary- Mr. Najmul Hasan Rizvi, and Manager II Shift- Dr. Kalbe Sibtain Noorie. The College Principal- Mr. Francis Castelino, extended a warm welcome to the honourable Chief Guest.

The ceremony began with a soulful recitation of the Holy Scriptures, followed by the distribution of the graduate diplomas to the tiny tots of Prep-A. They looked elegant in their "Graduate Attire" and were felicitated by Dr. Kalbe Sibtain Noorie. The UN students' breath-taking and vibrant performance left everyone spellbound. Next in line were the Prep-B graduates who were conferred with their convocation certificates by the Chief Guest and College Secretary, followed by a flawless presentation by the Prep students highlighting the negative impact of constant parental pressure on children's mind-set and attitudes.

The College Principal, Vice Principal, and Headmistress conferred graduation certificates to the students of Prep-C, followed by felicitating the 1st position holders in the Math Olympiad.

Huriya Zehra of Prep C expressed gratitude to all the teachers.

In his address, the Chief Guest, Mr. Nazre Asgar Naqvi, congratulated the graduates on their achievements and the teachers for their dedication and hard work. He also urged everyone to carry forward Late Dr. Kalbe Sadiq's legacy of modern education and his mission.

The program concluded with a formal vote of thanks by the College Secretary, who congratulated the students and parents on their first step on the ladder of success and wished them well for their new journey of formal education.

HOW TO MAKE GOOD FRIENDS?

Making friends can be fun and not too hard! It's important to connect with people who like us, help us, and understand us. But remember, not everyone who looks rich or good-looking will be a good friend.

So how do we make friends? Well, we need to be kind, helpful, and honest. If we are mean and rude, nobody will want to talk to us. Being polite, nice, and loyal are important qualities to have if we want to make friends. Remember the saying, "You are known by the friends you keep," so it's smart to choose our friends wisely.

Don't worry if you don't have a lot of friends right away. Just be yourself, be friendly, and show interest in others. You'll soon find people who enjoy spending time with you and become great friends!

THINGS THAT WOULD MAKE MY NEIGHBOURHOOD BETTER

To make our neighborhood better, we can:

- Be kind and avoid saying mean things or comparing ourselves to others.
- Stop making fun of people and try to understand how they feel.
- Keep our neighborhood clean by picking up trash and litter.
- Plant more trees to make our neighborhood look beautiful and green.
- Be kind to animals that live on the streets and not tease or hurt them.
- Share leftover food from parties and weddings instead of throwing it away.
- Park our cars in the right place, not in front of someone's house, to avoid problems during emergencies.
- Use the proper bins to dispose of our garbage instead of throwing it on the streets.

By following these steps, we can make our neighborhood a happier and friendlier place to live in.

IMPORTANCE OF TIME

Time is really important because once it's gone, we can't get it back. We shouldn't waste our time on social media or just looking at things on the internet without any purpose. Time is even more valuable than money. We can buy toys and treats with money, but we can't buy more time. Instead, we should spend time with our family and friends and do things that are fun and helpful. We can read books, learn new things, and make cool stuff with our hands. It's better to use our time wisely and do things that make us happy instead of feeling sad later because we wasted it.

MY ROBOT FRIEND

Our world has achieved tremendous development in the last ten decades. Men have dived into oceans, travelled into space, landed on the moon and Mars, climbed Mt Everest and other high peaks. Apart from this, they have engaged in research and experiments, inventions and discoveries by which they have given us so many useful gadgets and electronic devices such as fridge, television, microwave, washing machine, dishwasher, computer, mobile etc. Earlier the mode of communication was only through letters or landline phones but now we have smartphones and internet which have made the world a very small place. Now, scientists have also started making robots.

A lot of logic and mathematical calculations are used to make a robot. Robots are computerised machines designed in many forms to carry out highly specialized functions mostly in offices, factories and even at our homes.

Robots are very helpful for us. I was fascinated by stories of robots from my childhood, so my uncle who is a scientist in Japan presented me one when he visited us last year. The name of my robot friend is Lily 1698. It looks like a small mechanical doll and has a place near the switch board where it is plugged in and stationed. It can do amazing number of tasks and activities and helps me in my work. It listens to my commands and repeats them before doing the task. It can read a book to me, it also helps me with my homework, do household cleaning and can also lift heavy objects for cleaning the floor. It is a special friend of mine. It plays games with me too such as Ludo, Chess, Bingo, Scrabble etc. Our favourite game is spelling word. Lily mostly wins as I am still a small girl playing against a robot. But I am trying to improve my vocabulary to challenge Lily and defeat it one day. Like we need food for energy, she also needs to be charged daily. Lily is my best friend and I really love it.

WHAT MAKES YOUR SCHOOL SPECIAL FOR YOU?

Education is the most powerful weapon which you can use to change your life.

We go to school not just for education, but also for personal growth, guidance and socialising.

Every child loves his school. My school was founded by Late Dr S Kalbe Sadiq Sahib who wanted education to spread in each and every house of the community. He dedicated his whole life to make this school a centre of excellence in education. Any visitor who visits our school gets highly impressed by the big and beautiful building, laboratories and the green playground. My teachers are yet another reason why I love Unity College. They are dedicated and sincere and treat us all like their own children. They want us to become good citizens of the country. All the teachers have different styles of teaching and way of dealing with the students. "Great teachers emanate out of knowledge, passion and compassion." according to Dr APJ Abdul Kalam. I am also proud of my school for another reason that here we are given ample opportunities to participate in various co-curricular and extra- curricular activities like quiz, debate, recitation, declamation, drawing and painting, collage making, science exhibition and also Sports and games. As it is a co-educational institution, girls and boys get equal opportunities to develop their skills. No matter how old I grow, I shall continue to love Unity College.

THOSE WHO LEFT US

Wings that flew to the Heaven of Wonders,
The touch that was like Peace during Thunder-
Where did they go, we are not sure,
We miss their care and love so pure.
Beauty of kindness was seen in their hearts,
But their death made us all fall apart.
Yes, life goes on with each passing day,
And we forget those who made us happy and gay.
But the moment we remember them, our heart wrenches,
We regret what we had lost, seeing their empty benches.

FRIENDSHIP - AN EVERLASTING BOND

Friendship is like having a special connection with someone who thinks and feels the same way as you do. A good friend is someone you can trust and share your secrets and thoughts with. True friendship gets stronger as time goes by and becomes a really strong bond. It's like a precious gift from God that is super valuable and pure. Real friendship brings a lot of happiness that nobody can take away from you. It's a mix of love and closeness. Friendship is actually the oldest and most important relationship between people. It's about being there for each other in tough times and standing by each other like a strong rock. Even if friends aren't talking or spending time together, their friendship stays in their hearts forever.

MY FLYING SUPERPOWER

If I get the superpower to fly in the sky for a day, I will first go round the world to find people who are in trouble. I will first of all try to help the people who need a doctor after an accident. I will rush them to the hospital without wasting time. I will keep my identity a secret that no one gets to know about me.
It is said that we must help others without showing off. I also want to use my superpower to end fights between men. I won't allow people to be unjust and unkind to others. I will use my power to make the world a good and peaceful place. I will also help my mother in household work so she can take rest for at least one day. I will also visit my father at his office to make his job easy. This will bring a smile on my face.

MY DREAM WORLD

"A person is the product of his dreams. So make sure to dream big and try to live your dreams"
– Maya Angelou

The first thing that may come to our mind when I talk about 'My Dream World' is an imaginative world where all our wishes come true; we become successful, rich and have expensive cars and a bungalow of our own. But my dream world is way different.

In this world of hatred, gluttony, pride, greed, envy, etc., people have forgotten who they are and for what purpose God has made them. Day by day, the people in this world are becoming selfish, cruel, money-minded and greedy. But what is the cause of these woes?

Well, the greed for wealth and power is the chief cause of woes.

So, my dream world is a world where people live in peace, love and harmony. I want a world where people live without fear of bondage where there is no discrimination on the basis of skin colour, religion, disability, etc. I want a world where no crime is committed, where people can live without fear. There are several NGO's and organizations whose aim is to maintain world peace and harmony. United Nations has become the foremost forum to address current issues of the world.

I want to be the cause for the change in this world, I want to be the dream and hope of those who are suffering.

This is the dream world that I want, a world of peace and harmony which would only come true if we unite together. We are the ones who can infuse peace and harmony in society.

HOW TO KEEP FRIENDS IN YOUR LIFE?

Friends have an important contribution in our life. A true and good friend is recognized only when he is a participant in our happiness and sorrow. It is very important to have friends in life. The world is incomplete without a friend. A good friend is one who stops us from evil and leads us towards good. A good friend is always happy in the progress and success of his friend and is sad in his trouble. Friends support us a lot. There is a big difference between making friends and maintaining friendship with them for the whole life.

A good friendship depends upon our good behaviour. Many a times, it happens that friendship breaks due to misunderstanding. Many a times it also breaks due to lack of honesty and transparency. True and good friends are very difficult to find in the world, so we should never let our friends go away from us. We should always support our friends in their bad times. If they are in some difficulty, we should always try to take them out of their difficulties. We should always treat our friends with love and care. By doing this, our friends get attached to us emotionally. If we consider their problems as ours, they would also do the same which helps in establishing a strong friendship which lasts a lifetime.

IT CAME AS A BLESSING IN DISGUISE

It was Monday morning, meaning a tiring week was waiting ahead. Zinnia woke up late. She quickly did her morning routine and was off to the 'Royal Estate' building where she worked as an accountant. She stopped by at the coffee shop and held her favourite mug of Cappuccino. She was hurrying towards her office building, when she heard a loud barking sound coming closer and closer towards her. She turned back and was terrified to see a bulldog growling menacingly at her. It was like a nightmare to her as she was phobic of dogs. She started to sprint at her greatest speed. Her coffee also spilled onto her. She thought the day couldn't be worst. She stopped running for a moment to catch her breath when she realized that the dog had caught up to her and now had a strong grip on her purse. She tried to lunge forward and release it from the dog's grip. To her horror, the dog was much stronger than she had imagined. Suddenly the dog started to run in the opposite direction. Zinnia kept being dragged by the great force with which the dog was pulling her bag. Then a loud screech was heard followed by a bigger black limousine which was not far away from where she was. Her life flashed in front of her eyes. She couldn't believe her sight. The whole scene was surreal. She lay there frozen for a few minutes until the noise of the crowd surrounding the car crash made her come back to her senses. She let out a deep breath which she was holding without even knowing it. She was stunned by the realization that her biggest fear of dogs had saved her life that day. To her, it came as a blessing in disguise.

THE WORLD OF ADVERTISEMENTS

Ads and their influence, so deep and so sly
On our minds and our lives, they have a sly eye
They paint a glossy picture, of beauty and success
It's hard to resist, for it looks so blessed
The materialistic things, that ads try to sell
Can make us all feel, helpless and unwell
We are bombarded with images, of what we are supposed to be
And our fragile minds can't help, but to agree
We long for all the things that we can't afford
Which leaves us wanting, for more and more
The advertisements we see create, an unhealthy need
For more than we need, it's an unquenchable greed
This isn't how it should be, it's all a fallacy
Life isn't about possessions, it's so much more, you see!
So let's be aware of, what we believe
And think more deeply, to make our minds free

THINGS THAT MAKE ME HAPPY

The word 'happiness' displays the image of a smiling or a laughing face in front of us. We all are in search of happiness. The means of finding happiness in this world is different for every person.

Personally, there are three things that make me happy --- my family, love and good friends. First of all, my family makes me feel special and happy. My family is a safe harbour where I can be myself. It is not necessary for me to explain myself to my family members because only they truly know who I am and what I like and dislike. I can be sure that even if someone lies to me or hurts me, my family will support me. For instance, when I buy a toy for my brother, I feel happy.When I see my family healthy and smiling, my heart is filled with joy. In addition, I am happy when I loved by my family and when they care about me.

Love also makes me happy. This beautiful feeling is really hard to describe and explain. I can surely say that love is a wonderful feeling that I will always want everyone to experience and share with others. Moreover, love helps us to discover a lot of new things.

Finally, my friends are also an essential part of my life. One cannot do without friends, we must have some friends to make life easier. Lucky are those who get true friendship in life. True friends stay by you through thick and thin. They are responsible for teaching us a lot of unforgettable lessons. Some are even life changing so we much cherish our friendship bond. Moreover, true friendship also results in good memories. We can share everything with them without the fear of being judged. Through friends, we learn about loyalty and reliability.

MY FAVOURITE SEASON

My favourite season is summer. In summers I enjoy the whole day long. Every day I relish ice cream. We go for morning walks in summers. I also read comic books in the shade of the mango tree. I also play hide and seek with my cousins in summer at my village. I also get my favourite fruit mango in this season. Another juicy fruit watermelon can be enjoyed in summers. I love the summer season.

I HAVE DONE NO WRONG!

I could see the stormy clouds gathering as the people of my village stalked around the church. They were all fuming with rage. Their faces turned red with anger. I could see the women whispering to each other and I knew what they were talking about. They were sharing some information that they had perceived about the situation. And I knew that all of them were fools who believed in anything they had been told. And I also felt like a fool because I thought they were good people. The village that once was known for kindness and generosity had turned into a place where good people were punished for doing the right thing. Oh! What had my village become!

I wish I could go back in time and be a child once again. I hated to see how the people had changed. I hated to see how my dearest friends had turned against me, and the worst was to see that my grandparents had lost faith in me. I could see disappointment in their eyes.

The only people who seemed to care about me were my two little sisters. They were looking at me with tears in their eyes. I had failed to be a good sister for them. After our parents' death, I had sworn never to let tears come to their eyes. If only my parents were alive today! I knew that they would have stood by my side till the end. I knew they would have comforted me. I wished I could have them back.

I still didn't understand what wrong I had done. All I did was try to do the right thing. Now, the only thing that mattered to me was- what would happen to my sisters? I was the only one left in this world who truly cared for them. They were too young.

Now I can see the people protesting and shouting "Burn the Witch!". I am not a witch. I just tried to do the right thing. But they don't seem to understand because they are filled with anger. Among the crowd someone shouts, "But she is only 15. Please show some mercy!" I don't know what is going to happen next. Will I live to see another day?

MY PORTICO

It's a cold and wintry day, and I find myself cozied up on my favorite white couch in the portico of our house. With a captivating novel in my hand, I enjoy the lovely view from the window that opens into the garden. Our portico has four chairs and a small circular table at its center, blending seamlessly with the garden.

The garden is truly the highlight of our home, providing a sense of tranquility and peace. Since our house is spacious and we're not a large family, many areas don't get much use. However, the garden is always bustling with activity. We often have breakfast set up on the portico table in the morning, allowing us to relish the beauty of the garden as we start our day. And when I struggle to concentrate on my studies, I find solace in the portico. I take my books and notebooks there, sitting amidst the refreshing breeze, which helps me focus better.

The garden and portico hold a special place in my heart. Even the window in my room opens up to the garden, and I rarely close it, except at night to keep the mosquitoes out.

Excitement fills the air as Christmas approaches, followed by my upcoming birthday. The entire family gathers in the portico, hatching plans for a surprise party. Little do they know, I'm not asleep but wide awake. Seated on the couch, I try to listen in on their discussions, eager to uncover the surprises they have in store for me. However, I can't help but giggle mischievously, as I've already caught wind of their plans. He! He! I might just foil their surprises, adding an extra touch of fun to the celebration.

MY AIM DRIVEN BY MEMORIES

Memories are like a special power that helps us remember things from the past. They can bring back facts, events, and impressions that we have experienced before. Sometimes memories can be tricky and we can't remember everything. We can only recall about 20% of our past, which is not a lot. But I am grateful for the memories I do have.

When I think about my childhood, it feels like a hazy fog. I remember moments like my first day of school and getting my first good grade in middle school. These memories are important to me because they make up who I am. If I were to lose my memories, it would feel like losing a part of myself. I believe that my purpose in life is to fight against this loss of memory, like a superhero battling a villain.

Speaking of superheroes, my idol is my Grandpa. He was a brave and honorable man who served in the Indian Army. He fought for our country's freedom and also for my freedom to be myself. My Grandpa created a loving and accepting environment for my family. My Grandpa raised my father in a liberal atmosphere, who in turn raised me well. He was always proud of my achievements and brought a smile to my face when I needed it most. I never experienced anger or disappointment from him. My Grandpa was a true man, free of prejudices or malicious thoughts. He was a true hero in every way.

One visit to my Grandpa stands out in my memory. It was during the winter break, and I was excited to spend time with him. I was looking forward to hearing his stories and feeling the warmth of his presence. But things were different this time. My Grandpa had been attacked by a villain called the Alzheimer's disease. It stole his smile, his warmth, and his memories. I couldn't help but feel sad, but I kept my sadness inside.

This experience transformed me into a fighter, like Batman. I realized that I wanted to dedicate my life to the field of Medicine and Neuroscience. I want to use my talents and knowledge to help others, especially those affected by Alzheimer's and other memory-related diseases. I want to defeat the villain that took so much from me and others. My aim is to fight against Alzheimer's and make a difference in the lives of those who face this battle.

STRESS AND YOUTH

Stress is something that many young people, especially teenagers, experience these days. There are a lot of reasons for this, like feeling pressure from friends, high expectations from parents, and changes happening in our bodies. Sometimes, this stress can lead us to do things that are not good for us, like using drugs, drinking alcohol, or smoking cigarettes. Stress can really affect our mental health in a bad way. It can make us feel lonely, depressed, and even make us think about hurting ourselves. Stress also makes us anxious, shaky, lose confidence, and feel scared. It can really mess up our lives.

These days, we are so into our phones that we don't spend enough time with our family and friends. We also don't talk about our problems with our parents. This can make things worse. Stress can really ruin our future if we let it control us. It can affect our schoolwork and even our country's economy because we are the future of our nation. Stress can make us behave badly with our parents and teachers, and it can make us less productive.

It's important for us to take care of ourselves and not let stress take over our lives. We should try to stay happy and healthy. If we feel stressed, we should talk to someone we trust, like a friend, family member, or teacher. They can help us find ways to manage our stress and feel better. Remember, we are not alone, and there are people who care about us and want to help us through tough times.

ROLE OF YOUTH IN NATION BUILDING

'A better youth is equal to a better nation.'

Youth plays a vital role in building a nation. If a youth of a nation is well educated, the nation's future is in safe hands. Youth can contribute in creating a better and a prosperous nation. If the nation's youth go astray, the future of a country falls in danger. I feel that a better tomorrow can be carved only if the nation's youth is given quality education. Providing holistic and good education should be the prime duty of the government. It would be beneficial for our nation if we could educate youth at low cost because they are the future doctors, scientists, engineers, leaders etc. We can match the footsteps of other developed nations if we have well-educated youth. Empowering youth is the key to a successful future. Unfortunately, the addictive social media platforms like Facebook, Instagram and Snapchat waste their valuable time as they get involved in making short videos for entertainment. However, it's never too late to realise that Indian youth can help our country reach its zenith by empowering themselves and using their intelligence and creativity constructively. To conclude, we can say that if we want a secure tomorrow, Indian youth should focus on utilising their potential to the fullest in order to create a better India.

CYBER CRIMES- A REALITY CHECK

In today's world, which has been made smaller by technology, new age problems have come up. Various people are indulging in cyber-crimes which include hacking and online frauds. People who are unaware of the technical aspects of the social media platforms, accidentally share their personal information or sometimes fall in trap of luring offers or advertisements.

Cyber bullying is one of the most frequently reported cyber-crimes these days. It aims at spreading lies about someone, sending hurtful messages or posting embarrassing photos or videos of someone on social media.

Hacking is another commonly practised crime which involves use of computers to steal someone's data or introduce malwares or viruses to alter information.

Apart from these, there are various other crimes like online harassment, cyber trafficking, cyber terrorism etc. which can destroy the lives of people. Cybercrimes should be dealt in all seriousness. We, as students need to take the initiative and bring an awareness in the society to curb these crimes.

Simple measures like keeping strong passwords, using up to date antivirus software, avoiding sharing personal data and information, not clicking on untrusted websites and reporting the serious matter on time can save us from a big loss. Being aware is the key to protect ourselves from a huge regret later.

WE ARE THE NATION BUILDERS

The future starts, with the youth today.
Let's stand together and pave the way,
To build a future, of hope and peace,
Where people work and never cease.

We need vision and fire in our hearts,
To fight against, all societal shards,
That hold us back, from reaching our goals.
We are the ones, who can build fire from coal.

We can begin, from the level below,
And show the world, what we can bestow.
Our ideas, innovations and contributions,
Will shape the nation, for generations.

Let's make sure that, our voices are heard,
And ideas shared, for a better world.
Let's think big, and strive for it too,
Build a better tomorrow, for me and you.

IMPACT OF INTERNET

Everything in this world has its own pros and cons. The same is with the internet. On one hand, internet is one of the largest sector and contributor to the economy. It has a great impact on everybody's life, be it a child or an elderly person. If internet is used in a careful and appropriate manner, then it is the most powerful tool one can have.

On the other hand, its powers can easily destroy the lives of people by overpowering their emotions and influencing their mind-set in a negative way. It can also act as a source of distraction for the youngsters, killing their valuable time and consuming their energy. Continuous use of internet poses a great deal of health issues to the users which include poor eyesight, inappropriate sitting posture, lethargy, shirking of work etc. Children spend their time in playing games, exchanging photos or videos, using social media or making TikTok videos.

Internet should be used in moderation. We should not let it dominate our lives. Spending quality time with our family and friends can make our lives less dependable on the internet. Playing outdoor games instead of video games can improve our physical health to a great extent. Internet is a great servant but a bad master. So, we should not allow it to override our thinking or our lives and make the optimum use of it so as to take its maximum advantage without letting it exploit us.

SCHOOL MEMORIES

I'll miss you all!!
For hours together every day we stayed,
Helped each other in all possible ways,
My heart smiles as I recall these memories.

I'll miss you all!!
Together the mischiefs we carried out,
And keeping secrets when the teacher shouted,
Sharing the truth of fight and fall.

I'll miss you all!!
The supporting attitude during examination,
Being united for scolding or appreciation,
Those memories are as firm as China's Great Wall.

I'II miss you all!!
Sharing boring moments in each dull class,
With exasperation, dull visages we used to pass,
Such things in my mind will scroll.

I'll miss you all!!
Prompting answers in random viva session,
Using hands, books and even the expressions,
Teachers reprimanding us all.

I'll miss you all!!
Playing truant and making excuses,
For mass bunk, nobody refuses,
Changes in plan, discussions at all.

I'll miss you all!!
Whatever I have learnt, I did it here,
For tough subjects, till fighting my fear,
Will miss the classes, ground and central hall.

I'll miss you all!!
The journey of fifteen years was incredible,
Every single person and memory is lovable-
Teachers, Buddies and the School.

BETTER NOW OR NEVER

'Try to invest your energy in shaping a better tomorrow instead of regretting your past decisions'- This is a fact which motivates us to do everything which can shape our future. Our future depends upon our present situation and the deeds we perform. We have two options to choose from- either we can enjoy our life and waste our time or we can do hard work to achieve our goals. So, it is better to make a smart choice right now than to regret later in life. We need to think not only about ourselves but also about our country. We need to strive to contribute towards the development of our country and it can be made possible, only if we grab the given opportunity at the right time. We have witnessed so many changes in the past decade which include advancement in technologies, invention of different gadgets and formation of different strategies.

I want to work hard and focus on my career and become an ICWA. It's a dream which I want to fulfil and also motivate others around me to achieve their target. I had dreamt about it right from my childhood. I want to achieve a lot in my life so that I can provide free education to the needy just like our mentor Late Dr. Kalbe Sadiq Saheb. In order to achieve my dream, I have to work very hard and be successful in my career and raise the status of all the deprived people around me.

MY BIGGEST SUPPORT- MY MOTHER

In this world
When I received 'darkness',
She gave me 'light'.
When I was numb with 'fear',
She gave me 'strength'.
When I faced 'frustration',
She gave me 'hope'.
When I felt a sense of 'loneliness',
She poured her 'compassion'.
When I faced 'problems',
She provided me with the 'solution'.
When I felt 'destroyed',
She made me 'recover'.
When I received hatred,
She healed it with a heart full of love.
My mother is my biggest support, she makes me smile through all my pain,
She guides me and loves me without any personal gain.

A BITTER, SWEET EXPERIENCE I HAD ON SOCIAL MEDIA

Social Media is such a platform where we can express our feelings, ideas, thoughts and creativity and whatever we come up with. The friendly mobile phone was instrumental in developing my passion for sky photography. Six months of hard work on it changed my status from an amateur to a professional. Encouraged by my parents, I began to post my pictures on Instagram and much to my surprise and joy I gained 200 plus followers and thousands of likes. My work was being recognized and appreciated on the internet. I was on cloud nine and tried to improve myself each day.

One summer morning, I woke up to find my account hacked. I was devastated having lost all my likes, followers and above all, my precious work. I tried my best to recover the account but it was all in vain. I remembered my grandmother's advice-

"Never lose hope or give up."

I decided to move on and pick up from where I had started. I could not give up my crazy obsession of clicking pictures of the sky, so I created a new account and started posting all over again. Soon I noticed that I regained all my followers and many more.

My perseverance paid off and turned my bitter experience to a sweet one.

THE BASKETBALL CUP

My room was full of everything a basketball enthusiast could ever want. I brushed my teeth, took a quick shower, wore my basketball jersey and my amazing brand-new Air Jordans. I took my bag and moved out to the basketball court. I had practised hard for fifteen years, just to realise my dream of winning the Basketball Cup which is as precious as a diamond ring is for a lady.

And the day finally dawned. I woke up with full confidence, ready to blaze the world. So I quickly freshened up and wore my lucky Jordan shoes. It was 7a.m. and my team players had arrived. I was the Team Captain. The stadium was teemed with spectators, cheering for our team India.

It was a nerve-racking match. We were playing against World Champions, England. We played very well and the score was 57-58. We just needed 3 points to win this championship. A few seconds more and the time would be up. With a throbbing heart but a fiery determination, I threw the ball towards the basket and closed my eyes, only to open them when I heard the cheering of my team 'Bravo, we have won the match.'

I couldn't control my tears. I had trained for so many years, dreaming of this glorious moment. I stood on the victory- stand with my team. They handed me the Basketball Cup. We lifted it together high in exultation and jubilation amidst loud roars of cheers.Just then I heard my alarm ringing, still tangled in the webs of my fantasy.

STRINGS WHICH HOLD US

A mother was flying a kite so that her son could learn how to fly a kite. Her son was watching her carefully. After sometime the son said, "Mom, because of the string, the kite is not able to go any higher or further." Hearing this, the mother smiled and broke the string. The kite went higher for a while but then swirled down the ground. Seeing this, the child became dejected and felt sad. The mother then explained to him, " Just as you thought that the string is holding down the kite, similarly, in our life also, after reaching a certain level, we feel that there are things which are not letting us grow any further like- family, friends, society and culture. We feel we want to be free from these strings which we believe are binding us from going higher. But remember that our family, friends and culture are the very foundations that help us stay stable at the heights. If we try to break away from these links, our situation will be similar to that of the kite and eventually we will fall down soon. Life is beautiful so stay connected to your roots."

HUMANITY

Humanity encompasses many virtues yet it contains a lot of gravity. All of us here on earth are humans but humanity resides only within pure souls. The word is often confused with charity and courtesy. Humanity is not always about feeding the poor or sympathizing with the handicapped. It also lies in the act of forgiveness, when you bow down with humility. It is expressed when, for the sake of the happiness of others, you compromise a bit with your own. It is manifested when you refuse to take revenge, when you have the kindness to let go. When you console a heart that has lost all hopes, when you pat the shoulders that carry the weight of unacceptance in the society, it is humanity that gives you the solace and offers companionship. Comprehending someone's distress through their eyes, feeling the joy expressed by their laughter, giving love to the unloved are all expressions of humanity. Let us try to be courageous enough to be a little more humane.

MY LIFE IN 2050

If I live till 2050,
I would be forty three,
Running after thieves,
Who pinch and flee.

I would become a policeman,
Breaking criminals' knees,
But I would be exhausted,
For working till late three.

I would reach home to see,
My wife waiting on the balcony,
With a smile on her face,
Saying, 'At last you are free'.

There might be flying cars,
And more advanced technology,
But I am pretty sure,
There would be fewer and fewer trees.

There would be tall buildings,
With minimum story three,
But what beauty it would be,
Without any greenery.

DON'T CARE; BE FAIR

What if society becomes judgemental?
Tries to break your confidence,
Bends your self-esteem,
You rise above all as invulnerable.

Let them gossip about you,
Let them laugh at you,
But you be you, and
Show what you are?

Show that you can do,
Even if they don't want you to,
Make them feel sorry not you,
And let silence be your biggest tool.

They say you mind your own business,
They say you need some confidence,
They say you don't have kindness,
They say you have a lot of coldness.

Disengage them with your smile,
Rise above all cries,
These are just the ways of society,
Don't let it cause you anxiety.

मेरी प्यारी माँ

माँ एक ऐसी हस्ती है, जो हमें जन्म देती है। हमे चलना सिखाती है और बुराई से लड़ना सिखाती है। माँ हमारे दिल की बात को जान लेतीं है। हमें क्या अच्छा लगता है, वह उसे पता रहता है। माँ की बराबरी कोई नहीं कर सकता है। वह अपने दर्द को हमसे छिपाती है और दूसरों के दर्द को समझती है, सबको सहारा देती है। मेरी माँ भी इसी स्वभाव की है। मेरी माँ का नाम फ़रहाना नक़वी है। वह बहुत साहसी महिला हैं। वह हर बुराई का सामना करती है। वह कभी भी किसी मुश्किल से घबराती नहीं है। वह सुबह पाँच बजे उठती हैं और सबके बाद सोती है। वह पूरे घर का ध्यान रखती हैं। उनकी कोई बराबरी नहीं कर सकता। वह मुझे डाँटती हैं, मगर मुझसे प्यार भी करती हैं। माँ हमारी हर छोटी-बड़ी ग़लती को माफ़ कर देती हैं। वह हमें सही रास्ते पर चलना सिखाती हैं। हमारी हर ज़रूरतों को पूरा करने की कोशिश करती हैं। मुझे ख़ुद पर गर्व है कि मैं एक ऐसी माँ की बेटी हूँ जो अपने बच्चों के लिए ख़ुद को कुर्बान कर सकती है। मैं अपनी माँ से बहुत प्यारी करती हूँ।

मेरा देश भारत

मैं भारत देश की रहने वाली हूँ। मेरा भारत एकमात्र ऐसा देश है जहाँ पर सारे धर्म के लोग रहते हैं। भारत पहले गुलाम देश था। 15 अगस्त 1947 में अंग्रेज़ों से आज़ाद हुआ। जिसकी आज़ादी के लिए न जाने कितने लोगों ने अपनी जानें कुर्बान कर दी। कितने बच्चे अनाथ हुये। भारत को इंडिया या हिन्दुस्तान के नाम से भी जाना जाता है। मेरे देश की जनसंख्या लगभग 1 अरब 40 करोड़ है। यहाँ अनेक भाषाओं और बोलियों को बोलने वाले लोग रहते हैं। मेरा देश धर्म निपरेक्ष देश है। सारे जहाँ से अच्छा भारत देश हमारा। मुझे अपने देश से बहुत प्यार है।

जीवन में विश्वास मिला

इतनी लम्बी होती हैं कुछ रातें
सो-सो कर आँखें जागती हैं।
आशा-निराशा गम की सारी बातें,
एक-एक कर उठती हैं,
न पीड़ा उसकी जो नहीं मिला,
एक हूक सी दिल में उठती है।
जो मिलता है उसमें कसकन,
सारी रात डुबोती है,
नींद नहीं आती रातों में,
ह्रदय में स्पंदन सा होता है।
मन कहीं गया फिर आया,
सुनहरे -सपनों का रूप बना,
कहूँ कैसे कि अन्त नहीं जीवन का,
सुधि दीप जला अन्तर्मन का।
पल भर में टूटा, पल भर में,
जीवन में विश्वास मिला,
तुमसे मिलकर निराशा में भी,
आशा का संसार मिला।

मेला

आज मेरे स्कूल में मेला है। मैं अपने माता-पिता के साथ आया हूँ। यहाँ तरह-तरह के पकवान और खेल हैं। मैं अपने क्लास टीचर के स्टॉल पर पहले आया। वहाँ तरह-तरह के सामान थे। फिर खाने के बाद हमने अनेक खेल जैसे- पिंग-पों, बास्केट बॉल, गन-शॉट आदि खेले। इतना खेलने के बाद फिर भूख लगी तो हम लोगों ने कुछ खाया, फिर हमारी नज़र हॉन्टेड हाऊस पे पड़ी वो बड़ा डरावना था। थोड़ी देर रहने के बाद हम वापस घर चले आए।

"मज़हब नहीं सिखाता आपस में बैर रखना।"

अच्छाई हमेशा अच्छाई रहती है। उसका मूल स्वरूप, स्वभाव कभी विकृत नहीं हुआ करता। उस पर किसी एक व्यक्ति या धर्म-जाति का अधिकार भी नहीं हुआ करता। अपने मूल स्वरूप में मज़हब भी एक अच्छाई का ही नाम है। मज़हब, धर्म, फ़िरक़ा, संप्रदाय और पंथ आदि सभी भाववाचक संज्ञायें एक ही पवित्र भाव और अर्थ को प्रकट करती हैं। सभी का व्यापक अर्थ उच्च मानवीय आदर्शों और आस्थाओं से अनुप्राणित होकर विभिन्न नामों वाले एक ही ईश्वर को हाज़िर-नाज़िर मान सत्कर्म करना और समग्र रूप से अच्छा बनना है। ऐसे कर्म कि जिनके करने से सारी मानवता ही नहीं, प्राणी मात्र और जड़ पदार्थों का भी कल्याण हो सकें। इस मूल विचार से हटकर संकीर्ण-संकुचित हो जाने वाला भाव मज़हब -धर्म आदि कुछ न होकर महज़ शैतान हुआ करता है। मज़हब की बुनियादी अवधारणा शायद यही है। मज़हब, धर्म, फ़िरक़ा, संप्रदाय और पंथ वह नहीं होता जो मात्र वाह्य आचार ही सिखाता हो और इस प्रकार एक मनुष्य को दूसरे से दूर ले जाता हो। मज़हब और धर्म कच्चे धागे की डोर भी नहीं होती जो किसी के स्पर्श मात्र से टूटकर बिखर जाए या किसी वस्तु का धुआँ मात्र लगाने से ही अपवित्र होने की सनसनी पैदा कर दे। मज़हब और धर्म तो अपने आप में इतने पवित्र, महान और शक्तिशाली हुआ करते हैं कि उनका स्पर्श पाकर अपवित्र भी पवित्र बन जाया करते हैं। मज़हब-धर्म ईंट-गारे के बने हुए भवन भी नहीं है कि जिनकी क्षति उदात्त मानवीय भावनाओं की क्षति हो और चारों तरफ़ इसको लेकर बवाला खड़ा किया जाए। धर्म-मज़हब आदि इस प्रकार की स्थूलताओं, वाहय आचारों से ऊपर हुआ करते हैं। ऊपर रहने वाले धर्म-मज़हब ही जीवित रहकर अपने अनुयायियों के लिये प्रेरणा स्रोत भी बने रहते हैं अन्यथा अपनी ही भीतरी दुर्बलताओं से नष्ट हो जाया करते हैं और अपने अनुयायियों के नाश का कारण भी बना करते हैं।

हर समझदार व्यक्ति ने धर्म-मज़हब की वास्तविक मर्यादा को समझ-बूझकर प्रेम और भाईचारे का ही संदेश दिया है। भारत के स्वतंत्रता -संग्राम के दिनों में इस तथ्य को पहचानकर ही स्वर्गीय अल्लामा इक़बाल ने अपनी काव्यमयी वाणी से यह उचित संदेश दिया था।

"मज़हब नहीं सिखाता आपस में बैर रखना।
हिंदी हैं, हम वतन हैं, हिंदोस्ताँ हमारा।"

आज भी इस सूक्ति को सत्य-संभावित मानकर इसके अनुसार आचरण करके ही देश-जाति में शांति सुरक्षा स्थापित की जा सकती है।

शिक्षक–छात्र का सम्बन्ध

मानव–समाज में शिक्षा प्रदान करना और शिक्षा ग्रहण करना दोनों ही महत्वपूर्ण कार्य माने जाते हैं। ज्ञान के अभाव में मनुष्य को पशु समान माना जाता है और बिना गुरू के ज्ञान प्राप्त नहीं होता। ज्ञान अथवा शिक्षा प्रदान करने और ग्रहण करने के लिए ही गुरू–शिष्य का सम्बन्ध बना है।

गुरू–शिष्य अथवा शिक्षक–छात्र का सम्बन्ध इसीलिए अधिक महत्वपूर्ण हो जाता है क्योंकि इस संबंध के उपरान्त ही पशु समान मनुष्य के ज्ञानी बनने की प्रक्रिया आरम्भ होती है। प्राचीन काल में शिक्षा ग्रहण करने के लिए छात्र गुरूकुल अथवा आश्रमों में जाया करते थे। उस काल में गुरू–शिष्य का सम्बन्ध बहुत महत्वपूर्ण हुआ करता था। शिक्षा प्रदान करने वाले गुरू को भगवान तुल्य माना जाता था। अपने शिष्यों के प्रति गुरू का व्यवहार भी पिता तुल्य हुआ करता था। गुरू अपनी सन्तान की भाँति शिष्यों के भविष्य के प्रति चिंतित रहते थे और उन्हें शिक्षित करने के लिए प्रयत्न किया करते थे। एक पिता के समान गुरू गलती करने पर शिष्यों को सख़्त सज़ा भी देते थे ताकि शिष्य उसे दोहराने का प्रयत्न न कर सकें। उस काल में शिष्य भी गुरू द्वारा दी गयी सज़ा को सहर्ष स्वीकार कर लिया करते थे। गुरू पर विश्वास होता था परन्तु गुरूकुल परम्परा समाप्त होने के साथ गुरू–शिष्य के सम्बन्धों में गिरावट आने लगी। आश्रमों के स्थान पर विद्यालय, महाविद्यालय बनने लगे। छात्रों के लिए शिक्षा ग्रहण करना पूर्ववत् जीवन की आवश्यकता बना रहा। परन्तु शिक्षकों के लिए विद्यालय में जाना मात्र नौकरी करना रह गया। लेकिन समस्त शिक्षकों के लिए ऐसा नहीं कहा जा सकता।

अब शिक्षक–छात्र के सम्बन्ध व्यावसायिक हो गए हैं। शिक्षक मानने लगे हैं कि छात्रों को पढ़ाना उनकी विवशता है क्योंकि इसी कार्य के लिए उन्हें वेतन मिलता है। शिक्षा प्रदान करना वास्तव में उनकी रोज़ी–रोटी है। दूसरी ओर छात्रों के मन–मस्तिष्क में भी यह बात बैठ गयी कि शिक्षा प्रदान करके शिक्षक उन पर कोई उपकार नहीं करते। शिक्षा ग्रहण करने के लिए उन्हें शुल्क देना पड़ता है और उसी से शिक्षक वेतन प्राप्त करते हैं। इस नयी विचारधारा का सम्बन्धों पर प्रतिकूल प्रभाव पड़ा और शिक्षक–छात्र सम्बन्ध की गरिमा बिखरने लगी। शिक्षकों का छात्रों के प्रति पिता तुल्य व्यवहार नहीं रहा और छात्रों के हृदय में शिक्षक के प्रति आदर का भाव घटने लगा। ऐसी स्थिति में छात्रों की गलती पर शिक्षकों के सख़्त व्यवहार का विरोध किया जाने लगा, शिक्षकों द्वारा छात्रों को सज़ा देना तो स्वप्न की बात हो गयी है। हमारे देश में स्वतंत्रता से पूर्व शिक्षक–छात्र के सम्बन्धों में आदर एवं प्रेम विद्यमान था। तब विद्यालयों एवं महाविद्यालयों का वातावरण दूषित नहीं हुआ था।

शिक्षक–छात्र के सम्बन्धों में हुए पतन का दुष्परिणाम नयी पीढ़ी को भी भुगतना पड़ रहा है। आज के छात्र साक्षर अवश्य बनते हैं, उनके पास प्रमाण पत्र भी होते हैं परन्तु वास्तविक योग्यता कम छात्रों में ही पाई जाती है। नई पीढ़ी को शिक्षित, सभ्य बनाने के लिए शिक्षक–छात्र के सम्बन्धों को गरिमा प्रदान करने की विशेष आवश्यकता हे।

जंगल में इंटरनेट आया

हरे –भरे जंगल में चारों ओर एक ही चर्चा थी, जगंल में इटंरनेट आया है।

सब इसी बारे में बात कर रहे थे। आधे से ज़्यादा जानवरों को यह पता नहीं था कि इंटरनेट कौन से नए जानवर का नाम है।

बहुत से सवाल थे उनके मन में, कैसा दिखता होगा यह इन्टरनेट? उसकी पूँछ होगी या नहीं? अरे नहीं भाई यह जानवर का नाम नहीं है।

तो फिर क्या है?

यह एक चिड़िया का नाम है।

ओह, अच्छा –अच्छा चिड़िया होती है यह।

इस तरह की बातें पूरे जंगल में हो रहीं थीं। शाम को राजा शेर ने सभी जानवरों को गुफ़ा के सामने बुलाया, सभी जानवर इकट्ठा हो गए, तभी शेर राजा एक अजीब सी चीज़ के साथ बाहर निकले। ये क्या है? फिर फुसफुसाहट होने लगी। तब शेर ने कहा –दोस्तों, यह है कम्प्यूटर। इन्टरनेट का प्रयोग करने के लिए हमारे पास कम्प्यूटर होना बहुत ज़रूरी है। शेर ने कहा इन्टरनेट से हम दूर–दूर रहने वाले अपने दोस्तों और रिश्तेदारों से घर बैठ कर बात कर सकते हैं। उन्हें हम पत्र भेजने के लिए ई–मेल का प्रयोग कर सकते हैं। लेकिन कोई था जो इस सबसे खुश नहीं था, वह था– कबूतर ख़बरी। इतने सालों से वह ही पत्र दूर–दूर जंगलों तक पहुँचाता था। उसे लगा कि अब उसकी कोई ज़रूरत नहीं है। वह बहुत उदास था। शेर ने कहा देखो ख़बरी, तुमने सबकी बहुत सेवा की है लेकिन जंगल की तरक्की के लिये कम्प्यूटर को जंगल में लाना ज़रूरी है। कबूतर उदास मन से अपने घर लौट गया।

जंगल में धीरे–धीरे सभी ने कम्प्यूटर सीखना शुरू कर दिया। सब जानवर ई–मेल भेजने लगे थे इसलिए ख़बरी के लिये ज़्यादा काम नहीं होता था। पूरा जंगल कम्प्यूटर पर निर्भर हो गया था।

एक दिन बहुत तेज़ बारिश हुई, तेज़ हवा चली और बहुत सारे पेड़ टूट गए।

तभी एक दुर्घटना हुई, हिरन का बच्चा दौड़ रहा था। वह एक पेड़ से टकराया और उसके सिर पर गहरी चोट लगी।

जंगल के डॉक्टर उल्लू जी किसी का इलाज करने दूसरे जंगल गए हुए थे, समस्या यह थी कि उनको कैसे बुलाया जाए? ई–मेल नहीं किया जा सकता क्योंकि सारी व्यवस्था टूटी हुई थी। हिरन के माता–पिता रोते हुए राजा शेर के पास पहुँचे। राजा भी असहाय थे, करे तो क्या करें?

तब ख़बरी ने कहा कि मैं डॉक्टर को बुलाकर लाऊँगा तो ख़बरी उड़ा और कुछ देर बाद डॉक्टर उल्लू जी वहाँ पहुंच गए।

ख़बरी के कारण ही हिरन के बच्चे की जान बच गयी। अब ख़बरी की बारी थी सबको समझाने की। वह बोला– मैं मानता हूँ जगल का विकास ज़रूरी है लेकिन हमें अपने पुराने तरीकों को भी नहीं भूलना चाहिए।

हम टी.वी. में समाचार सुनते हैं लेकिन अख़बार में समाचार पढ़ने का मज़ा ही कुछ और है, ऐसे ही कम्प्यूटर का प्रयोग करें लेकिन हमें उस पर पूरी तरह निर्भर नहीं होना चाहिए।

जल प्रकृति की अनमोल देन

जब आसमान से धरती को देखा– वह
नीला ग्रह कहलाया क्योंकि पानी ने इसको
यह रंग दिया था। यह नीला ग्रह ही हमारे सौर परिवार में
एकमात्र ग्रह है जहां
जीवन है, जो मानव जीवन को परिभाषित करता है। वास्तव में जल और जन को एक–दूसरे से अलग नहीं किया जा सकता शायद इसलिए जल को कुदरत की अनमोल देन माना जाता है।

आमतौर पर लोगों का सोचना है कि इस धरती पर पानी का असीमित भण्डार है, जो कभी खत्म नहीं हो सकता। बहुत कम लोगों को पता है कि धरती पर पानी सीमित है। दुनिया में जितनी आबादी इस समय है उससे कई गुना आबादी की प्यास बुझाने लायक मीठा पानी इस धरती पर मौजूद है लेकिन बढ़ते हुए प्रदूषण, बंजर होती भूमि, वर्षा के असमान वितरण जैसी कई समस्याओं ने कई देशों में पानी की कमी पैदा कर दी है। पिछले 70 वर्षों में वैश्विक आबादी तीन गुनी बढ़ी है, उससे पानी का प्रयोग बढ़कर 6 गुना तक पहुंच गया है। विश्व भर में हर वर्ष
आदमी के पल्ले मुश्किल से 9 हज़ार घन किलोलीटर पानी पड़ता है।

पानी की कमी के अनेक कारण है। सबसे बड़ा कारण तो यही दिखाई पड़ता है कि बहुत सी जगह प्राकृतिक तौर पर सूखे इलाके हैं और वर्षा का कोई भरोसा नहीं होता और उसमें घट–बढ़ भी बहुत होती है। मानव की आदतों से भी पानी की कमी होती है। जंगल काटे जाने या ज़रूरत से ज़्यादा जानवरों द्वारा चराई कराने की वजह से पर्यावरण का ह्रास होता है और मिट्टी में पानी बांध रखने की क्षमता नहीं रह जाती।

आज आवश्यकता इस बात की है कि जल संरक्षण की परम्परागत तकनीकों को पुनर्जीवित किया जाए। पानी तक सबकी पहुंच हो, इसके लिए कानूनों में संशोधन एवम् सुधार किए जायें। लोगों को पानी बचाने की सीख देने के साथ–साथ घरेलू उपकरणों को सुधार कर उनकी दक्षता बढ़ाई जाए। यह अध्ययन विदेशी सलाहकारों द्वारा नहीं अपितु यहां के विशेषज्ञों, कर्मचारियों तथा आम जनता के
प्रतिनिधियों की सहभागिता से होना चाहिए।

अच्छे और बुरे लोग

अक्सर हम कई बार ऐसे लोगों के बीच आ जाते हैं जहाँ हम अच्छे और बुरे लोगों में फर्क़ नहीं समझ पाते हैं। यह जीवन की सबसे बड़ी विडम्बना है। ऐसे में कुछ बुरे लोग हमें भी अपने जैसा बनाने की कोशिश में रहते हैं और ऐसा करके उन्हें काफ़ी आनंद भी मिलता है।

ऐसे लोग न तो खुद आगे बढ़ते हैं और न किसी को आगे बढ़ने देते हैं। अब अच्छे लोग की क्या विशेषता है, यह जान लेते हैं। अच्छे लोग आपको आगे बढ़ने की सलाह देने के साथ-साथ आपकी प्रेरणा के स्रोत भी बनते हैं। कई लोग अपने जीवन स्तर में काफ़ी सुधार कर चुके हैं क्योंकि उनके साथ कुछ गतिविधियाँ थी जो उन्हें कुछ अच्छे लोगों से सीखने को मिली। प्रायः कई लोग उन लोगों के बीच बैठना पसंद करते हैं जो सिर्फ़ उनकी झूठी तारीफ़ करते हैं। लेकिन आप बस एक बार उनसे अपने लिए मदद की उम्मीद करके देखिएगा। आप खुद समझ जाएंगे कि वह हमारे हितैषी है या नहीं।

"नीम कड़वा ज़रूर होता है, पर ज़्यादातर बीमारियों में नीम हकीम है।"

कुछ लोग नीम की तरह होते हैं लेकिन वही आपके सच्चे हितैषी भी होते हैं। अब मैं बुरे लोगों की बात करूँ तो वह नकारात्मक पहलुओं को तुरंत पकड़ते हैं और जब हम उनके साथ रहना शुरू करते हैं तो हमारे अन्दर भी वही नकारात्मक भाव पनपने लगते हैं। हमारी सोच भी उन्हीं के जैसी होने लगती है क्योंकि एक दूसरें में घुलने-मिलने के लिए हमें भी उनके जैसा ही बनना पड़ जाता है। यह मानव की प्रकृति है कि वो नकारात्मकता की ओर जल्दी ही आकर्षित हो जाता है। इसका प्रभाव उन्हें तब दिखाई पड़ता है जब कोई उनकी आशाओं को धूमिल कर उनसे आगे निकल जाता है।

भारतीय समाज में नारी का स्थान

प्राचीन काल में हमारे समाज में नारी का महत्व नर से कहीं बढ़कर होता था। किसी समय में तो नारी का स्थान नर से इतना अधिक बढ़ गया था कि पिता के नाम के स्थान पर माता का ही नाम प्रधान होकर परिचय का सूत्र बन गया था। धर्म सृष्टा मनु ने नारी को श्रद्धामयी और पूजनीय मानते हुए उसके महत्व को इस प्रकार से प्रदर्षित किया है–

''यत्रनार्यस्तु पूज्यन्ते, रमन्ते तत्र देवताः।''

अर्थात् जहाँ नारी की पूजा–प्रतिष्ठा होती है, वहाँ देवता रमण करते हैं अर्थात् निवास करते हैं।

धीरे–धीरे समय के पटाक्षेप के कारण नारी की दशा में कुछ अभूतपूर्व परिवर्तन हुए। पुरूष ने अपने परिवार के भरण–पोषण का उत्तरदायित्व संभाल लिया तो घर के अंदर के सभी कार्यों का बोझ नारी ने उठाना शुरू कर दिया। समय के बदलाव के साथ नारी की दशा में अब बहुत परिवर्तन आ गया है। यों तो नारी को प्राचीनकाल से लेकर अब तक भार्या के रूप में अधिक पहचान रही है। इसके लिए उसे गृहस्थी के मुख्य कार्यो को करने के लिए विवश किया गया– जैसे भोजन बनाना, बाल–बच्चों की देखभाल करना, पति की सेवा करना आदि।

शिक्षा के प्रचार–प्रसार के फलस्वरूप अब नारी की वह दुर्दशा नहीं है जो कुछ अंधविश्वासों, रूढ़िवादी विचारधारा या अज्ञानता के फलस्वरूप हो गई थी। नारी के प्रति अब श्रद्धा और विश्वास की पूरी भावना व्यक्त की जाने लगी है। कविवर जयशंकर प्रसाद ने अपनी महाकाव्यकृति 'कामायनी' में लिखा है–

''नारी! तुम केवल श्रद्धा हो,
विश्वास रजत नग, पग तल में।
पीयुष स्रोत सी बहा करो,
जीवन के सुंदर समतल में।।''

नारी आज समाज में प्रतिष्ठित और सम्मानित हो रही है। वह अब घर की लक्ष्मी ही नहीं रह गयी है अपितु घर से बाहर समाज का दायित्व निर्वाह करने के लिये आगे बढ़ आयी है। वह घर की चार दीवारी से अपने कदम को बढ़ाती हुई समाज की विकलांग दशा को सुधारने के लिए कार्यरत हो रही है। इस प्रकार से नारी का स्थान आज हमारे समाज में पहले से कहीं अधिक गरिमामयी और प्रतिष्ठित स्तर पर है।

हमारी दोस्ती

दोस्ती एक अनमोल रिश्ता है। यह रिश्ता किसी भी अंजान व्यक्ति के साथ हो जाता है। दोस्ती अमीर या ग़रीब देख कर नहीं की जाती है, यह तो बस हो जाती है। हर व्यक्ति को अपने सुख–दुख बाँटने के लिए कोई चाहिए होता है और वह किसी दोस्त से बेहतर कोई नहीं होता। जिसके पास सच्चा मित्र होता है वह बहुत भाग्यशाली होता है। सच्चा दोस्त हमारी संवेदनाओं को समझता है और उनसे उबारने में हमारी मदद करता है। यह रिश्ता ऐसा है जो बिना किसी मतलब के निभाया जाता है। कई बार हमारी दोस्ती हमारे आत्म सम्मान के कारण टूट जाती है और हम एक सच्चा दोस्त खो देते हैं। हमें अपने अह्म को दोस्त से बड़ा नहीं समझना चाहिए। दोस्ती भगवान का बहुत सुंदर उपहार है। मैं बहुत भाग्यशाली हूँ। मुझे भी सच्चे मित्र मिले जो मेरा हर सुख–दुख में साथ देते हैं।

पढ़ाई का महत्व

पढ़ाई का आज के जीवन में बहुत महत्व है। इसके सिर्फ़ फायदे ही फायदे हैं। पढ़ाई से ज्ञान मिलता है जो इन्सान को अंधकार से प्रकाश की ओर ले जाता हैं। शिक्षा का महत्व युगों-युगों से चला आ रहा है। पहले लोग किसी महापुरूष के पास जाकर शिक्षा लिया करते थे फिर गुरूकुल भी बने जहाँ वेद - पुराण का ज्ञान दिया जाने लगा। अंग्रेज़ों के आने से पहले ऐसे ही शिक्षा दी जाती थी। उनके आने के बाद शिक्षा का रूप बदल गया। शिक्षा के लिए स्कूल बनाए गए। जहाँ सिर्फ़ पढ़ाई पर ध्यान दिया जाता था, दूसरी बातों का ज्ञान यहाँ नहीं मिलता था। शिक्षा के क्षेत्र में और तरक्की हुई और सरकारी स्कूल के अलावा प्राइवेट स्कूल भी बनने लगे। बड़े-बड़े कॉलेजों का निर्माण हुआ। अलग-अलग क्षेत्र की शिक्षा के लिए अलग-अलग कॉलेज बन गए। वर्तमान में शिक्षा को व्यावसायपरक बनाने पर अधिक बल दिया जा रहा है।

श्रृंगार हो या वस्त्र,
सच्ची सुन्दरता स्वयं के अच्छा होने से आती है।

एक दिन वह ढल जायेगा।
दमकती त्वचा एक दिन झुर्रीदार हो जायेगी,

भर गया मेरा घर-आँगन।
ऐसा लग रहा है जैसे,
मन की लड़ियाँ खिल गयीं महक से,
ऐसे झूम के सावन आया,
लेके फूलों का त्यौहार।
धूप से प्यारे उज्जवल तन को,
बूँदों नें दी ऐसी अँगड़ाई,
पुलक गया मेरा तन-मन,
जैसे मैं हूँ एक पुरवाई।
यह संसार है कितना सुंदर
पर लोग नहीं करते उसका आदर,
यही है एक निवेदन सबसे,
न करो प्रकृति का तुम शोषण।

धर्म एकता का माध्यम है।

धर्म किसी भी समाज में संगठन का पर्याय होता है।
संगठन की उत्पत्ति ही एकता की भावना से होती है।
धर्म आपसी सद्भाव एवं एकता का प्रतीक है।
किसी धर्म विशेष को मानने वाले लोग एक ही प्रकार की जीवन पद्धति का पालन करते हैं।
धर्म या मज़हब अपने अनुयायियों को एकता के सूत्र में पिरोकर रखने का कार्य भी करता है।
मूलतः सभी धर्मों का प्रादुर्भाव लोगों में एकता की भावना को बढ़ाने के लिए ही हुआ है।
आदर्श आचार संहिता अर्थात् धर्म का उद्देश्य मनुष्य को सही तरीके से जीवन जीने के लिए प्रेरित करना है।
महात्मा गांधी के अनुसार हम सभी में अपने ही धर्म की तरह दूसरों के धर्मों के प्रति भी सहज सम्मान का भाव होना चाहिए।

والدین

والدین خداکا دیا ہوا قیمتی تحفہ ہیں۔ والدین ہمیں صحیح راستہ پر چلنے کی ہدایت کرتے ہیں ۔وہ دن رات ہمارے لئے محنت کرتے ہیں۔

والدین کی عزّت کرنا ہمارافریضہ ہے۔ ماں باپ کی دعاؤں سے ہم اپنی منزل حاصل کر سکتے ہیں۔

جو لوگ اپنے والدین کی عزّت نہیں کرتے، تباہی ان کا مقدّر بن جاتی ہے۔ والدین کاسایہ تیز دھوپ میں سائے کی طرح ہے۔

گرمی کی چھٹّی

مجھے گرمی کی چھٹّیاں بہت پسند ہیں۔کیونکہ ان دنوں ہم سب اپنی نانی کے گھر جاتے ہیں۔

وہاں میرے نانا،نانی ،خالہ اور ماموہیں۔سب مجھے بہت پیار کرتے ہیں۔

اور میں بھی ان سے بہت پیار کرتی ہوں۔

میری خالہ میرے ساتھ خوب کھیلتی ہیں۔اور ہم سب بہت مستی کرتے ہیں۔

مجھے گرمی نہیں بلکہ گرمی کی چھٹیاں پسند ہیں۔

بزرگوں کی باتیں

۱۔ گھر کے مقابلے میں دروازہ چھوٹا ہوتا ہے ، دروازے کے مقابلے میں تالا چھوٹا ہوتا ہے اور تالے کے مقابلے میں چابی چھوٹی ہوتی ہے لیکن وہ چھوٹی سی چابی پورے گھر کو کھول سکتی ہے۔ اسی طرح ایک پائیدار اور اچھّی سوچ بڑے سے بڑے مسائل حل کر سکتی ہے۔

۲۔ گھڑی میں تین سوئیاں ہوتی ہیں جن میں ایک سوئی سیکنڈ والی سوئی کے نام سے مشہور ہے یہ سیکنڈ والی سوئی اپنا وجود تو رکھتی ہے پر اس کا ذکر نہیں کیا جاتا۔سب یہی کہتے ہیں دس بج کر پندرہ منٹ ہوگئے کسی نے یہ نہیں کہا کہ دس بج کر پندرہ منٹ اور چار سیکنڈ ہوئے ہیں۔جب کہ یہ سیکنڈ والی سوئی دونوں سے زیادہ محنت ومشقّت کرتی ہے اور ان دونوں کو بھی آگے بڑھنے میں مدد کرتی ہے ہماری زندگی میں بھی بہت سے لوگ اسی سیکنڈ والی سوئی کے مانند ہوتے ہیں جن کا ذکر تو کہیں نہیں ہوتا لیکن ہمارے آگے بڑھنے میں ان کا کردار ضرور ہوتا ہے ۔

امن و امان کی اک کائنات لکھو تم
ہر معصوم کی اک نئی حیات لکھو تم

دل میں نہ رکھو تم اپنے نفرت
اگر تم میں ہو ذرا بھی غیرت

پابندیِ وقت

وقت کسی کا انتظار نہیں کرتا۔ گھڑی کی سوئیاں کبھی نہیں رکتی۔ جو وقت سے فائدہ اٹھا لیتا ہے۔ وقت اس کے کام آجاتا ہے ۔ جو وقت کی قدر نہیں کرتا وقت اسے کوسوں پیچھے چھوڑ کر آگے نکل جاتا ہے۔ ہمیں چاہئے کہ وقت ضائع نہ کریں۔ ہر کام مقرّرہ وقت پر کرنے کی عادت اختیار کریں اور کبھی آج کا کام کل پر نہ ڈالیں۔

نظامِ کائنات بھی ہمیں پابندیِ وقت کا درس دیتا ہے۔ ہر موسم اپنے مقرّرہ وقت پر بدلتا ہے۔ دن رات مقرّرہ وقت کے پابند ہوتے ہیں، چاند اور سورج اپنے وقت پر اور مقرّرہ نظام کے تحت طلوع اور غروب ہوتے ہیں۔ انسان اشرف المخلوقات ہے۔ وہ اگر پابندیِ وقت کا عادی نہیں ہوتا تو یہ اس کی ناسمجھی اور نااہلی کے سوا کچھ بھی نہیں ہے۔ طالبِ علم اگر اسکول نہ جائے تو تعلیم حاصل نہیں کر سکتا۔ کسان اگر وقت پر فصل نہ بوئے، وقت پر پانی نہ دے اور وقت پر نہ کاٹے تو کچھ بھی حاصل نہیں کر سکتا۔ اللہ تعالیٰ نے بھی ہمیں وقت کی پابندی کا حکم دیا ہے۔ نماز ہمیں پابندیِ وقت کا درس دیتی ہے۔ روزہ بھی وقت کا پابند بناتا ہے۔ چنانچہ ضروری ہے کہ لاپرواہ ہو کر وقت کو ضائع نہ کیا جائے ایسا کرنے سے نہ عزّت رہتی ہے، نہ دولت اور نہ صحت ۔

دولت مند

ایک شخص امیر بننا چاہتا تھا، کروڑوں کا مالک۔ ایک دن وہ بنجمن فرینکلن کے پاس پہنچ گیا۔ وہ بولا "معلومات کے حصول میں لگی محنت، سود سمیت واپس ملتی ہے۔" وہ شخص مطمئن نہ ہوا۔ افریقہ چلا گیا۔ نیلسن منڈیلا لوگوں سے خطاب کر رہے تھے۔ "پیسے سے کامیابی نہیں ملتی آزادی ہی اصل دولت ہے"۔ ساتھ ہی وال اٹریٹ والا وارن بفے کھڑا تھا۔ مسکرا کر کہنے لگا "اسٹاک ایکسچینج میں پیسہ لگاؤ۔ امیر ہو جاؤ گے" اس شخص کا سر گھومنے لگا۔ وہ وہیں بینچ پر بیٹھ گیا اور آنکھیں موند لیں۔ خواب میں ایک بزرگ نظر آئے نورانی چہرہ، اسے دیکھ کر مسکرائے اور ایک کاغذ دیا۔ جس پر رسول خدا کی حدیث لکھی ہوئی تھی۔ "بانٹنا شروع کر دو۔ غنی ہو جاؤ گے۔"

وقت کی قدر

اگر ہم نے اپنا وقت کھو دیا ہے تو ہم نے سب کچھ کھو دیا ہے زیادہ تر لوگ اپنے پیسے کو وقت سے زیادہ اہمیت دیتے ہیں۔ تاہم یہ سچ ہے کہ وقت جتنی قیمتی کوئی چیز نہیں ہے۔ یہ وقت ہے جو ہمیں پیسہ، خوشی اور خوشحالی دیتا ہے تاہم اس دنیا میں کوئی بھی چیز وقت نہیں دے سکتی۔ وقت صرف استعمال کیا جا سکتا ہے۔ کوئی اسے کبھی خرید یا بیچ نہیں سکتا۔

کامیابی کا راز

ایک بار ایک آدمی سقراط کے پاس گیا اور اس سے پوچھا کہ مجھے کامیابی کا راز بتائیں۔ سقراط نے اس سے کہا میرے ساتھ ندی کے کنارے چلو۔ دونوں جب ندی کے کنارے پہنچے تو سقراط نے اسے بولا کہ میرے ساتھ اس ندی میں اتر جاؤ۔ وہ شخص تھوڑا ہچکچایا لیکن اس کے ساتھ ندی میں چلتا گیا۔ جب وہ اتنا آگے بڑھ گئے کہ ندی کا پانی ان کی گردن تک پہنچنے لگا تو سقراط نے اسے رکنے کا اشارہ کیا۔ وہ آدمی جیسے ہی رکا سقراط نے اسے جکڑ لیا اور پوری طاقت کے ساتھ اس کو پانی میں غوطہ دیا۔ وہ آدمی خود کو چھڑانے کی کوشش کرنے لگا۔ سقراط ایک قویٰ انسان تھا اس نے تھوڑا زور لگایا اور وہ آدمی پانی میں ڈوبا رہا۔ جب تھوڑا وقت گزر گیا اور وہ آدمی نیلا پڑنے لگا تو سقراط نے اسے کھینچ کر پانی سے باہر نکال لیا۔ اس نے باہر نکلتے ہی بہت لمبی اور گہری سانس لی اور خود کو سنبھالنے لگا۔ جب وہ تھوڑا سنبھل گیا تو سقراط نے اس سے پوچھا کہ جب تم پانی کے اندر تھے تو تمہیں سب سے زیادہ شدّت سے کیا چیز چاہئے تھی؟ وہ شخص بولا کہ "ہوا، مجھے ہوا چاہئے تھی۔" سقراط نے کہا تمہیں اتنی شدّت سے ہوا چاہئے تھی تو تمہیں وہ مل گئی۔

انسان کی کامیابی کا راز سقراط کے مطابق اس کو پانے کی اتنی شدید تمنّا ہے کہ آپ کو لگے کہ اس کے بغیر آپ جی نہیں سکتے۔ جب آپ پورے دل سے کچھ بھی لینا چاہتے ہیں تو آپ اس کو لے کر ہی دم لیتے ہیں۔ اپنے اندر پختہ ارادہ پیدا کریں اور پہچاننے کی کوشش کریں کہ آپ کو کیا چیز خوشی دیتی ہے۔ پھر اس کے پیچھے پڑ جائیں اور چاہے جتنی بھی ناکامیاں دیکھنی پڑیں اس کا تعقب کرنا مت چھوڑیں۔

بارش

رحمت خدا کی عرش پر جلوہ نما ہوئی　　آمادہ اپنا حسن دکھانے کو گھٹا ہوئی
یہ دیکھ کر زمیں کی خوشی بھی سوا ہوئی　　ٹھنڈی ہوا چلی کہ بہشتی فضا ہوئی
خوشبو گلوں کی ساتھ میں لے کر چلی ہوا
گویا کہ جبرئیل نے پر سے جھلی ہوا

بادل کی ان دہاڑوں کی ہیں ہر طرف صدا　　سن کر صدا یہ کانپ اٹھا دل زمین کا
ایسی ہوا چلی کہ ہر ایک پیڑ جھک گیا　　گردوں سے سیف کھنچنے کی آنے لگی صدا
حملہ ہوا زمین پہ اس آسمان سے
بجلی کی تیغ عرش پہ نکلی میان سے

بے صبر ہو کے ابر وہ برسے زمین پر　　بے جان پھول جھوم اٹھے پانی سے ہو کے تر
پڑھنے لگے وہ حمد و ثنا جھوم جھوم کر　　روشن کیا زمین کو بوندیں گری جدھر
ایسی چمک کو پانے کو موتی ترستے ہیں
پانی نہیں یہ عرش سے تارے برستے ہیں

بارش میں آج حسنِ گلستاں کی کیجیے بات　　گل نے نہا کے عرض کی اعلیٰ خدا کی ذات
پھولوں سے کائنات کے ہے حسن کو ثبات　　برسات کی یہ بوندیں ہیں پھولوں کے زیورات
بوندیں ہیں جیسے چاند لگے ہیں گلاب کو
بلبل فدا ہے دیکھ کے گل کے شباب کو

بارش کے وقت رد نہیں ہوتی دعا حضور　　گر سچ ہے یہ تو مانگوں گا میں بھی دعا ضرور
سن لے دعا ایانؔ کی اے خالق و غیور　　آجائے شاعری کا ذرا مجھ کو بھی شعور
شعرائے اہلِ بیت میں ہو جائے میرا نام
مرنے کے بعد بھی میرا زندہ رہے کلام

حوصلہ افزائی کامیابی کی کنجی ہوتی ہے

دنیا میں شاید ہی کوئی ایسا ہو جسے اپنی تعریف سن کر خوشی نہ ہوتی ہو۔ ہر انسان سراہا جانا پسند کرتا ہے۔ جن کاموں کی ستائش کی جاتی ہے اور لوگوں کے ذریعہ حوصلہ افزائی کی جاتی ہے اس کام میں اس کی دلچسپی اور بڑھ جاتی ہے۔ وہ مزید بہتر کارکردگی انجام دینے کی کوشش کرتا ہے۔ بچّوں کی چھوٹی چھوٹی کامیابیوں پر حوصلہ افزائی ضرور کرنی چاہیئے۔ مثلاً کوئی چھوٹا موٹا تحفہ دیں۔ ان کی کسی پسندیدہ جگہ پر لے کر جائیں۔ کچھ کر نہیں سکتے تو کم از کم کندھے پر شاباشی والی تھپکی ہی دی جائے۔

ہمارے آس پاس ایسے کئی لوگ موجود ہوتے ہیں جنھیں ہمارے سہارے کی ضرورت ہوتی ہے۔ ایک پیار بھری حوصلہ افزائی کی تھپکی کی ضرورت ہوتی ہے۔ انھیں یہ احساس دلانا ضروری ہوتا ہے کہ کوئی ہے ان کے پیچھے جو انھیں آگے بڑھتا ہوا دیکھنا چاہتا ہے۔ یہ کوئی ہر کوئی بن سکتا ہے۔ کسی کو کامیاب و کامران بنانے کے لئے کچھ الفاظ چاہے سہارے کے، محبّت کے، حوصلہ کے، یقین دلانے کے۔ الغرض ایک دوسرے کو سہارا دینے والے بنیں۔ تعاون کرنے والے بنیں۔ دوسروں کی حوصلہ افزائی کریں۔

نکمّا تیس مار خاں

کسی شہر میں ایک آدمی رہتا تھا وہ بہت ہی نکمّا تھا کوئی بھی کام نہیں کرتا تھا۔اس کی بیوی اس سے بہت تنگ آچکی تھی،وہ اسے ہر وقت یہی تلقین کرتی رہتی تھی کہ جاؤ کوئی کام کرو۔مگر وہ بات ٹال دیتا۔ایک دن اس کی بیوی نے اس سے کہا کہ جاؤ کہیں بھی کام ڈھونڈو۔اس آدمی نے کہا، مجھے تیس پراٹھے بناکر دو تو پھر میں کام ڈھونڈھنے جاؤں گا۔اس کی بیوی بھی اس سے بہت تنگ تھی۔اس نے اسے تیس پراٹھے بناکر دے دیئے۔جب وہ پراٹھے بنانے بیٹھی تو رات کا وقت تھا اس نے پراٹھوں میں نمک کے بجائے چوہے مارنے والی دوائی ڈال دی اور ان پراٹھوں کو ایک خوبصورت لال رنگ کی پوٹلی میں باندھ کر اسے دے دیا ۔وہ آدمی یہ تیس پراٹھے لے کر گھر سے نکل پڑا۔

چلتے چلتے اس کا گزر ایک جنگل سے ہوا۔اس جنگل میں تیس خطرناک ڈاکو رہتے تھے۔ان ڈاکوؤں سے بادشاہ اور سارے شہر کے لوگ پریشان آچکے تھے۔ان ڈاکوؤں نے جب اس آدمی کے ہاتھ میں وہ لال رنگ کی پوٹلی دیکھی تو وہ سمجھے کہ پوٹلی میں اشرفیاں وغیرہ ہیں انھوں نے تیس مار خاں سے وہ پوٹلی چھین لی اور اسے کھولنے لگے۔تیس مارخاں ڈر کے مارے ایک درخت کے پیچھے چھپ گیا۔ڈاکوؤں نے جب پوٹلی میں پراٹھے دیکھے تو ان سب نے ایک ایک پراٹھا کھا لیا، کچھ ہی دیر میں وہ سب وہیں ڈھیر ہوگئے۔تیس مارخاں درخت کے پیچھے سے یہ سارا منظر دیکھ رہا تھا،وہ آیا اور ڈاکوؤں کی تلوار اٹھاکر ان تیس ڈاکوؤں کے ناک کان کاٹ کر پراٹھوں والی پوٹلی میں باندھ کر گھر آگیا۔جب وہ گھر آیا تو اس کی بیوی بہت ناراض ہوئی کہ یہ ناک کان ہمارے کس کام کے ہیں۔لیکن اس نے کہا بس انھیں سنبھال کر رکھ دو۔جب ڈاکوؤں کو مرے کافی دن ہوگئے تو ان کی تلاش شروع ہوئی۔پھر کسی نے بادشاہ کو جاکر یہ اطلاع دی کہ ڈاکو مرگئے ہیں۔بادشاہ نے اعلان کروا دیا کہ جو شخص میرے پاس ڈاکوؤں کے مرنے کا صحیح ثبوت لیکر آئے گا میں اسے بہت سا انعام دوں گا۔بہت سے لوگوں نے جھوٹے ثبوت پیش کئے پر بادشاہ کو یقین نہ آیا۔ہوتے ہوتے یہ بات تیس مارخاں تک پہنچ گئی۔وہ ان تیس ڈاکوؤں کے ناک کان لے کر بادشاہ کے دربار میں حاضر ہوا اور اپنا ثبوت پیش کیا۔اس کا ثبوت ٹھیک تھا۔ بادشاہ نے تیس مارخاں کو بہت سے انعام سے نوازا۔اب وہ امیر بن چکا تھا، وہ اور اس کی بیوی ہنسی خوشی رہنے لگے ۔

INTERFAITH TALK @ UNITY

Unity College most graciously welcomed Rev. Fr. Donald De Souza - Parish Priest of St. Joseph's Cathedral Church, Lucknow and Manager of the two prestigious city schools St. Francis College and Cathedral Sr. Sec. School for an Interfaith Talk on December 21, 2021. The 'Interfaith Talk' has been in a series of enlightening discourse scheduled by the College with the prime objective to enlighten the students about the importance of interfaith and religious harmony.

Principal Francis Castelino warmly welcomed Rev. Fr. De Souza. He said the hallmark of every religion is peace and motivated the students to study other religions too in order to live in peace and harmony.

Rev Fr De Souza shared some reflections of the teachings of Jesus Christ. He said that both the followers of Islam and Christianity hold Jesus with high regard even though they stay on different foundations. He reflected upon the birth of Jesus in Bethlehem and the cry of the angels, "Glory to God in the highest; Peace to all people of goodwill." He said that we all know the world today needs peace and harmony. There is so much turmoil all around us; constant fear of war among nations, skirmishes between nations or within a nation. In such an atmosphere, the whole being of Christmas becomes very relevant for it is a message of Peace, Joy, Love and Brotherhood. We all are called upon to practice the same in our daily life. Peace and harmony are symmetry connected. We live in harmony when we start connecting with our friends, family, partners and neighbours. We must focus on dealing with disharmony with a generous, compassionate and humanitarian approach for the welfare of people within a community and at large. He concluded with Christmas greetings and wished the young citizens to become the messengers of peace.

College Jt Secretary M Tal-ri ha gave a vote of thanks. He p said though every religion nd speaks for peace, there is a dis- wi somance between what we say a and what we do. History stands ns witness that religious peoples are not always peace loving. Many men like Hitler and Sad T dam Hussain were very reli- l gious, still they had been very igi cruel to humanity. ad

PARENT OR A POWER PARENT!

While a parent steps back for their children to learn and grow, Power parents step into their children's lives. They are present and involved, they're on top of the nature versus nurture debate, and are conscious that while their children will grow naturally, only through nurture will they grow extraordinarily.

In short, Power parents have a clear roadmap not for what their children will do, what they will become, but of the role they must play in order for their children to achieve not only success, but their destiny!

The path to power parenting is simple, it has but a single mantra - Do not CLAP for your children! Their success lies in their originality, creativity and ingenuity.

COMPARISON : Comparison is the death of ingenuity. Constant comparison of children achieves nothing but a poor shadow of what they were compared to. I'm reminded of something Adam Gilchrist was once asked, of whether Mahendra Singh Dhoni would become the next Gilchrist, Adam smiled and said that he wouldn't become the next Gilchrist, but the first Dhoni. Value your child's originality and creativity. Nurture it and help them to become the best version of themselves, not a Xerox of someone or something you Admire.

LABELLING : Children are like clay, they become what you mould them into. Albert Einstein flunked in German, his mother tongue! If he were to be labelled for just that as the most stupid man on earth. Physics as we know, would not exist. Stop labelling your children for their shortcomings! Dive into their minds and find out their talent, their theory of Relativity, help them discover how they will relate themselves into this world. If on the other hand you label them consistently and constantly, they will become restricted to that label and ultimately be buried under the burden of a false truth that will become their identity.

ASPIRATIONS : Your child is not a medium to fulfill your unfulfilled aspirations and desires. While it's important to make sure that they don't make the mistakes you made in your life, it is to be understood that your children are their own person, they have their own purpose. Hold them close to you but set them free, free to dream, to aspire. Nurture them, guide them and inspire them to fulfill their own glorious purpose.

PERSPECTIVE : Bridge the gap, talk to your children and see the world through their eyes. Your child belongs to a new generation, sees a different variation of the world than what you had 20 years ago. Do not go into parenting your child with the blinders of your perspective.

My dear parents, these children are all unique, different from you, and from each other. Put them on the back for who they are but do not CLAP for them.

VACCINATION CAMP

DPS SHAHEEDPATH

The unwavering desire to stand by it's students and the want to create a safe environment for them was exhibited once again by the management of DPS Shaheedpath. On January 12, a Vaccination Camp for children between 15 to 18 years of age was set up in association with Anant Sheel Welfare Foundation. This enabled hassle free vaccination for the youngsters.

14, 2022 within the premises of the school. It was open for everyone who's above the age of 15 years. We believe in extending our support to all government programmes which are for the benefit of the society at large and are actively supporting the government's initiative in it's fight against Corona. In the vaccination camp all protective measures and protocols related to Covid-19 were abided by diligently. Principal, Kamla Joshi, strongly believes that by developing a collective immunity by getting more and more people vaccinated, we will be able to save the society from the coming danger of corona in future, that's why we took this initiative.

CENTRAL ACADEMY AASHIANA

The vaccination drive for children aged between 15-18 years has begun in the country. This drive comes amid a renewed surge in Covid cases in the country and the onset of the highly transmissible Omicron variant, would boost the morale of students and their parents. Corona virus can only be defeated through widespread support of the society, therefore, people should get themselves vaccinated with both doses of Covid vaccine without any hesitation for their and their family's protection. CENTRAL ACADEMY, AASHIANA being cognizant of the direst need of the hour, extended its support by organizing a Free Vaccination Camp, on January

UNITY COLLEGE

On the chilly cold morning of January 13, the Unity Staff stood on duty to kickstart the Covid-19 Vaccination Camp for the beneficiaries in the age group of 15 to 18 years in the college premises. In compliance with the UP Government's order, the camp was organised in association with Sewa Sadan, Thakurganj with an aim to effect preventive measures against COVID 19 and Omicron and to restrain the deadly virus from spreading among the young children. Dr Andaleeb Rizvi and her team from the Health Department administered the vaccination of Covaxin for the students, but there was a choice be-

tween Covaxin and Covishield for the college staff. Prior to the voluntary vaccination, the students were asked to submit the consent letters duly signed by their parents. Different time slots for classes IX to XII were assigned. The safety drive continued from 8:30 to 2:30 p.m. in separate rooms for girls and boys. Principal Francis motivated the students for the vaccination. He said all the students should get vaccinated for the safety of themselves, family and the society at large. It will mitigate the severity and prevent complications of COVID among children. He also proposed a vote of thanks to the UP Govt. for the good initiative to ensure vaccination of the future citizens of the Country.

MERITORIOUS BOARD STUDENTS @ UNITY

A two day Felicitation Programme on July 18 and 26, was set to honour and applaud the successful students of ICSE and ISC 2022 at Unity College. This year, the students registered the best of all previous years' board results, leaving the previous records far behind, and that also despite all odds and roller coaster shifts of online and offline paradigms, even the induction of MCQs and Semester System. In ICSE, the College has registered stupendous results of 100%, with none failing in any of the subjects. In total 126 students wrote the exam. 34 students scored 90% plus, 39 students obtained 80% plus, while the rest registered between 63% and 79%. What is commendable is the average % of 82.23. The highest marks in Computer Application, Commercial Studies and Urdu are 100%. The overall result witnessed a close contest. The topper of the College, Syed Siddiq Husain Musanna scored 98.40%, while the second place holder, Mohammad Sadiq registered 98.20%. The third place is shared by Talba Basit and Fatima Naqvi scoring 95.80%.

In ISCE, again, it has reported a 100% pass percentage with average marks of 79.60%. In total 127 students wrote the exam: 18 students scored 90% plus, 50 students obtained 80% plus, while the rest registered between 57% and 79%. The topper of the College, Afifa Fatima scored 95.50%, while the second place was shared by Attruba Fatima and Mohammad Sadiq scoring 93.75%. Sadiq Agha bagged the third place with 93.50%.

Principal Francis Castelino congratulated the successful learners, their teachers and parents. He was overwhelmed to acknowledge the vision of College Founder Padam Bhushan recipient late Dr S Kalbe Sadiq, that is 'Excellence in Education'. College Secretary Najmul Hasan Rizvi exhorted the meritorious students that they should be persistent in their journey of excellence, aiming to touch the heights of success. College Joint Secretary M Taiha appreciated the result that is ever registering higher and better than the previous years'. Also present on the occasion on July 18, was distinguished Guest Maulana Ehtisham ul Hasan. Dr Kalbe Sibtain Noori, Manager-Unity College II Shift, highlighted Janab's Will of 'No Favouritism at the Time of Admission' and 'Honesty in all Affairs'. The Felicitation Ceremony culminated with vote of thanks by Vice Principal Sachindra Bharti. The curtains were drawn with sweet refreshments that sweetened the spirit of the shining learners, proud teachers and parents.

UNITY WINS REGIONAL CISCE FOOTBALL TOURNAMENT

The sporting aura at Unity College got luminated as the Senior Lucknow Soccer Team U-19 supported by the College won the finals of the Regional CISCE Football Tournament, while the Junior Lucknow Soccer Team U-14 was placed Runners Up at Agra.

The Unity College Lucknow BU-19 made a scintillating entry by registering the lead of one goal 4-3 in the penalty shootout against Ghaziabad in the league. The next leg the team forged ahead into the Semi-Final by defeating the Nainital Team 1-0. With elevated spirit and zeal, the team went on to script victory in the Semi-Final against Uttarakhand 1-0. The final match with Lucknow Zone-B was also commendable. The team didn't let its opponents make a single goal, giving a finishing defeat by 6-0. The Lucknow-B team lifted the winning trophy after a keen contest. Unity College (Lucknow B) U-14 entered the league with a promising performance as it joined the rival teams to a zero score in all the initial matches. The first match against Meerut concluded in a 2-0 win. The second rival of Kanpur North too faced a thrashing defeat at zero against 5 goals. The winning team with sparring enthusiasm put up a great show in the Semi-Final against Nainital, and maintaining the string of fabulous victories, the team once again moved to victory by 2-0. The final match was full of fury and excitement as the rival teams of Lucknow Zone-B and Allahabad put up a great show of brilliant attacks and counter-attacks. The match got tense for the College as the team couldn't seal the victory and lost the trophy in the tie-breaks by 2-1. Principal Francis Castelino appreciated the laudable show put up by the budding team and felicitated them with the trophy, medals, and certificates.

UNITY COLLEGE @ WEBINAR 'AMRITUTSAV', PRITHVI INNOVATIONS

On the glorious occasion of the 75th anniversary of Independence Day Prithvi Innovations organized a webinar 'Amritutsav' with a great objective to achieve freedom from unhealthy and unsafe environment and illiteracy via 75 online awareness sessions on POSH & POSCO acts in 75 institutions. The teaching Faculty of Unity College attended the webinar on 15th August to join in the enthusiastic as well as innovative journey of Sustainable or Green Education, Sustainable Lifestyle, Sustainable Consumption & Production, Green Celebrations, Sustainable Livelihoods and Green Advocacy & Research. The purpose of this webinar was to celebrate freedom in its true sense and to strive to be free from unhealthy and unsafe environments, illiteracy, hunger and unemployment.

The panel was shared by the Prithvi team: Anuradha Gupta- Founder cum General Secretary, Rashmi Chaturvedi- Vice President and Saumin Ali- a part of the HR Department and a Social Worker. Prithvi Innovations is a non-profit organization established in 2001 by Anuradha Gupta, one of the most prominent educationists and social workers from Lucknow, working towards bringing about a real change in the environment around us. The session began with a patriotic song, remembering our forefathers who gave us the freedom we enjoy today. Anuradha Gupta welcomed the guests and participants of the webinar and briefed the audience about her mission. She emphasized on finding a balance with our five elements or Panchtatva- Earth, Air, Sky, Water & Fire as well as with our families and our communities at the global level which is the need of the hour. She went on to explain the dire need and utmost importance of waste management, building a safe environment for women and having a greener Earth. To give way to her goals and missions, Prithvi Innovations has joined hands with more than 75 organizations and together they aim at planting Harishankari, Triveni and Panchvati (combination of trees like Bargad, Peepal, Bel, Amla, Sita, Ashok and Pakariya which multiply the properties and advantages if planted together) at 75 different places which would help in making our Earth a better place to live in and breathe.

She also apprised the participants of how important it is in the present world to make people acutely aware of how to build a safe and secure environment for people at workplaces and at schools. For bringing this objective to life, they have been working in compliance with the POSH (Prevention of Sexual Harassment) and POCSO (Protection of Children from Sexual Offences) acts of the Indian government. The webinar provided teachers with a lot of food for thought and was very successful in bringing to light the issues that are becoming serious challenges for the education sector, society and the environment at large.

UNITY MAKES A MARK AT THE 7TH MARTIN CUP

The exhilarating Inter-School Football Tournament 'The 7th Martin Cup-2022' was organized by La Martiniere College, Lucknow at the Polo Ground. Unity made a scintillating entry by defeating the rivals 3-0 in the very first match with CMS, Aliganj on August 11, 2022. The next day, keeping the team Siddarth Global School again at the loss 2-0, the College forged ahead with great enthusiasm and elevated confidence. In the same series of exciting victories, Unity Team crushed DPS, Eldeco 4-2, and Mont Fort College 3-0 on August 14 and16, respectively. With the string of meticulous performances, the Unity Team entered the Semi-Final with AMC, Army Medical Corp on August 17. Within a few seconds, excitement spread out among the spectators as attacks and counterattacks were offered by both the opponents at every moment. The match got quite intense as nobody scored till 90 mins. But the tie-break match was fatally concluded in the Penalty Shootout. The College lost to the rivals with 0-3. Principal Francis Castelino encouraged the players for their laudable performance and felicitated them with certificates and blessings.

BUDDING ORATORS TAKE THE STAGE BY STORM

Speech is power: Speech is to persuade, to convert, to compel. Ralph Waldo Emerson

With an impetus to boost confidence, instill a love for literature, and hardcore recital and oratory skills in students, the Primary section of Unity College organised the Annual Recitation and Declamation Competition. The enthusiasm and aura of the chocked-up venue resembled annual festivities. The enthusiastic audience cheered for the performances alike. First, the waves of euphonious poetry swept the throng to the world of poetic imagination. The Judges were left stunned by the impeccable performances and the colourful crafted devices that were used as props.

Classes I and II enthralled the audience with their melodious renditions. Varied topics were chosen by class I for presentations. Class 1 ABC gave performances on 'Three Magic Words', 'Spring Time', and 'Rising Cities' respectively. Another set of gala performances was by class II. They displayed an assortment of themes which were 'Children of the World', 'Little Bird' and 'Mum'. At the end of the first part, Co-ordinator Vice Principal Sachin Bharti congratulated the teachers and students for putting up a spectacular show after a considerable lapse of two years due to the pandemic. The second leg of the event was the Declamation competition for the students of classes III to V. The poised orators articulated contrast from the motivational and informational speeches of well known personalities.

Class III delivered the fabulous speech of Charlie Chaplin which left us with the fact that there is no dearth of opportunities for the writers room for exercise. Section B spoke the words of Nisha Rawat by making a powerful note in the form of one line poems. The class IV students articulated their views in the words of Sara Devkaw. The phenomenal orators of class V-A mesmerised the audiences by putting forth the ideas of gender equality through the speech of Sushmita Sen. Class V-B gave powerful performances declaiming the speech of Oprah Windrey and also trying to reach out to people to be a better version of themselves. Class V-C inspired young people to take risks in life and never lose hope by presenting the speech of Jack Ma. The animated speakers galvanised the senses of the gathering by giving superb performances. The young participants were immaculate at erection and astonished everyone present.

College Joint Secretary Dr M Talha speaking on the occasion heaped praises on students and teachers for standing so hard to reach this level. He appreciated the teachers for their dedication and sincerity. College Secretary Mr. Najmul Hasan Rizvi took a flip down memory lane and reminisced about not getting such a platform back then. He declared that the College took nothing less than any of the top leading schools in Lucknow. College Principal Francis Castelino, felt it was a fine presentation put up by the students as he watched them without batting an eyelid. It established the Section for putting up the show.

CAREER IN COMMERCE AT UNITY

Career Counselling is a domain that focuses on helping students find the right path for themselves. In keeping with this academic practice, Unity College holds counselling sessions on a regular basis with the aim to furnish the students with proper guidance and to help them choose a career path that is in tune with their skills and job expectations. The College organised a Career Counselling session for Commerce students from classes IX to XII. The point of focus was on how to pursue a career as a Chartered Accountant - CA. The distinguished professionals CA Divesh Aggarwal and Manish from the Institute of Chartered Accountants of India (ICAD) addressed the students. Along with them two Alumni also graced the dais and shared their experiences. Mohd Naeem of the 2016 batch who completed his course this year only and Arpit Srivastava of the 2019 batch cleared CA Inter with the III position in Lucknow.

Divesh Aggarwal abreast the students with the nuances of a career in Commerce comprehensively and discussed the details of the syllabus of the Foundation, Inter, and Final courses. In conclusion, students participated enthusiastically in the interactive session. Divesh answered their queries regarding course duration, fees, salary packages, internships, and its prospects abroad. Vice Principal Sachindra Bharti motivated the students to be determined, sincere, and persevere in their approach to brighten their prospects. College Secretary Najmul Hasan Rizvi also inspired the students to hone their potential and pursue their realistic goals, not tailor-made professions. The session privileged the students with sure assistance in finding the right resources that would enable them to further focus on their careers as Chartered Accountants.

HONOURING THE EDUCATORS AT UNITY

Celebrates

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

Teachers and educators not only create geniuses but also shape destinies and inspires generations. They are the real icons of knowledge and wisdom. Thus, to acknowledge and celebrate the year's efforts of the dedicated teachers, the students and the management of Unity College celebrated Teachers' Day with great gusto and gaiety on October 7, 2022 in Central Hall. The grand celebration was delayed due to the mourning month Moharram.

The celebration commenced with invoking blessings from the Almighty through soothing Quranic verses. The esteemed dignitaries to grace the occasion were College Secretary Najmul Hasan Rizvi, Manager, Unity College II Shift - Dr S Kalbe Sibtain Noorie, Principal, Unity College II Shift - Shabana Ahmad and Administrative Officer - Farman Kazmi. College Principal Francis Castelino extended a cordial welcome to all the special invitees along with the teachers.

The welcome song by the choir group lent a blissful opening to the celebration. This was followed by scintillating performances by the students to denote their love, respect, acknowledgement and recognition of the hard work put in by the teachers towards their development. The short and sweet cultural feast incorporated prayers, songs and speeches. Misba Nasa of class XII B gave a gratitude speech and thanked the teachers and staff for their unconditional love and support with which they have guided them and helped them become better versions of themselves. Many fun-filled activities and games like 'Blow the Balloon', 'Fold and Tie' and 'Blindfold Scribbling' were also arranged for the teachers.

The teachers waited in anticipation for the announcement of Ms Unity and Mr Unity Meena was crowned as Ms Unity and Ishan Derick Singh was declared as Mr Unity. College Secretary, Najmul Hasan Rizvi, appreciated the contribution of teachers in moulding our society. He put forth the idea that behind every successful person, there is a devoted teacher who carves out a great personality out of the raw children.

Dr S Kalbe Sibtain Noorie lauded the teachers for making Unity College achieve greater heights. He felt fortunate to have such dedicated and diligent teachers who have been working selflessly to accomplish the vision of Founder President Late Dr S Kalbe Sadiq. After the entire formal program, the honourable guests gave away gifts to the entire teaching and non-teaching staff as a token of gratitude and appreciation. The programme culminated with a vote of thanks by Vice Principal, Sachindra Bharti. Taking the celebration, a notch further, a special lunch for all staff members was organized by the management. The teachers were overwhelmed by the thoughtful gesture of the management and students and felt appreciated with a deep sense of ecstasy.

HINDI CULTURAL PROGRAMME AT UNITY COLLEGE

Unity College organised the Hindi Annual Programme on November 5, 2022 with an aim of spreading awareness and the need for promoting our National Language, 'Hindi'. The students participated in the programme with full fervour and excitement. The programme commenced with the rendition of a Quranic verse by Farris Abrar followed by the recitation of a Shlok by Anamta Mirza and also the heart-touching verses from the Holy Bible quoted by Adeeb Fatima. The Chief Guest for the occasion, Surya Kumar Pandey, a renowned poet and author and the Guest of Honour, Wajahat Rizvi, retired Director of Information, UP were heartily welcomed by the Principal, Francis Castelino through his welcome speech. The programme commenced with a warm Welcome Song by the beautiful Pre-Primary students. The Primary students spread happiness and filled everyone's hearts with joy with their comic poems in the 'Hasya Kavi Sammelan'. The young Unitians of class VI to VIII presented a valuable skit 'Panch Parmesh war' by Munshi Premchand which presented the idea of putting justice above one's own interest. Followed by the skit, the children of Secondary and Senior Secondary presented a song, 'Kitna Mushkil Hai' through which they expressed their feelings about the freedom they want in their lives to fulfill their dreams. The Guest of Honour, Wajahat Rizvi, praised the hard work and congratulated the students who came forward and give such a great performance.

BUDDING ORATORS TAKE THE STAGE BY STORM

Speech is power: Speech is to persuade, to convert, to compel.
-Ralph Waldo Emerson

With an impetus to boost confidence, instill a love for literature, and harbour recital and oratory skills in students, the Primary section of Unity College organised the Annual Recitation and Declamation Competition. The ambiance and aura of the chocked-up venue resembled annual festivities. The enthusiastic audience cheered for the performances alike. First, the waves of euphonious poetry swept the throng to the world of poetic imagination. The Judges were left stunned by the impeccable performances and the colourful crafted devices that were used as props.

Classes I and II enthralled the audience with their melodious renditions. Varied topics were chosen by class I for presentations. Class I ABC gave performances on 'Three Magic Words', 'Spring Time', and 'Being Clean' respectively. Another set of gala performances was by class II. They displayed an assortment of themes which were 'Children of the World', 'Little Red' and 'Mum.' At the end of the first part, College Vice Principal Sachin Bharti congratulated the teachers and students for putting up a spectacular show after a considerable time gap of two years due to the pandemic. The second leg of the event was the Declamation Competition for the students of classes III to V. The poised orators articulated content from the motivational and inspirational speeches of well-known personalities.

Class III A delivered the famous speech of Charlie Chaplin which brings home the fact that there is no dearth of opportunities and there is room for everyone. Section B spoke the words of Ishita Katyal marking a point that now is the time to live one's dream. The third section of the same class enlightened everyone on how to break free from toxic habits

and change oneself. Class IV A presented the speech of Winston Churchill and made up a point to be ever ready to rise to the occasion. Section B threw light on the importance of women's education through the speech of Indira Gandhi. Spirited speakers of IV C talked about our incredible India in the words of Sara Demkow. The phenomenal orators of class V-A mesmerised the audience by putting forth the idea of gender equality through the speech of Sushmita Sen. Class V-B gave power-packed performances declaiming the speech of Oprah Winfrey and convincing to reach out to people to be a better version of themselves. Class V-C implored young people to take risks in life and never lose hope by presenting the speech of Jack Ma. The animated speakers galvanised the senses of the gathering by giving superb performances. The young participants were immaculate at oration and astonished everyone present.

College Joint Secretary Dr M Talha speaking on the occasion heaped praises on students and teachers for along going so hard to reach this level. He appreciated the teachers for their dedication and sincerity. College Secretar Luc Najmul Hasan Rizvi took a trip down memory lane and reminisced about not getting such a platform back then. He declared that the College itself nothing less than any of the leading schools in Lucknow College Principal Francis Castelino, felt it was a flawless presentation put up by the students as he watched them, without batting an eyelid. He extolled the Section for putting up the show.

CAREER IN COMMERCE AT UNITY

Career Counselling is a domain that focuses on helping students find the right path for themselves. In keeping with this academic practice, Unity College holds counselling sessions on a regular basis with the aim to furnish the students with proper guidance and to help them choose a career path that is in tune with their skills and job expectations. The College organised a Career Counselling session for Commerce students from classes IX to XII. The point of focus was on how to pursue a career as a Chartered Accountant - CA. The distinguished professionals CA Divesh Aggarwal and Manish from the Institute of Chartered Accountants of India (ICAI) addressed the students. Along with them two Alumni also graced the dais and shared their experiences. Mohd Naeem of the 2016 batch who completed his course this year only and Arpit Srivastava of the 2019 batch cleared CA Inter with the III position in Lucknow.

Divesh Aggarwal abreast the students with the nuances of a career in Commerce comprehensively and discussed the details of the syllabus of the Foundation, Inter, and Final courses. In conclusion, students participated enthusiastically in the interactive session. Divesh answered their queries regarding course duration, fees, salary packages, internships, and its prospects abroad. Vice Principal Sachindra Bharti motivated the students to be determined, sincere, and persevere in their approach to brighten their prospects. College Secretary Najmul Hasan Rizvi also inspired the students to hone their potential and pursue their realistic goals, not tailor-made professions. The session privileged the students with sure assistance in finding the right resources that would enable them to further focus on their careers as Chartered Accountants.

HONOURING THE EDUCATORS AT UNITY

Celebrates

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

Teachers and educators not only create geniuses but also shape destinies and inspires generations. They are the real icons of knowledge and wisdom. Thus, to acknowledge and celebrate the year's efforts of the dedicated teachers, the students and the management of Unity College celebrated Teachers' Day with great gusto and gaiety on October 7, 2022 in Central Hall. The grand celebration was delayed due to the mourning month Moharrum.

The celebration commenced with invoking blessings from the Almighty through soothing Quranic verses. The esteemed dignitaries to grace the occasion were College Secretary Najmul Hasan Rizvi, Manager, Unity College II Shift - Dr S Kalbe Sibtain Noorie, Principal, Unity College II Shift -Shabana Ahmad and Administrative Officer - Farman Kazmi. College Principal Francis Castelino extended a cordial welcome to all the special invitees along with the teachers.

The welcome song by the choir group lent a blissful opening to the celebration. This was followed by scintillating performances by the students to denote their love, respect, acknowledgement and recognition of the hard work put in by the teachers towards their development. The short and sweet cultural feast incorporated prayers, songs and speeches. Misha Nasr of class XII B gave a gratitude speech and thanked the teachers and staff for their unconditional love and support with which they have guided them and helped them become better versions of themselves. Many fun-filled activities and games like 'Blow the Balloon', 'Fold and Tie' and 'Blind-fold Scribbling' were also arranged for the teachers.

The teachers waited in anticipation for the announcement of Ms Unity and Mr Unity. Meena was crowned as Ms Unity and Ishan Derick Singh was declared as Mr Unity. College Secretary, Najmul Hasan Rizvi, appreciated the contribution of teachers in moulding our society. He put forth the idea that behind every successful person, there is a devoted teacher who carves out a great personality out of the raw children.

Dr S Kalbe Sibtain Noorie lauded the teachers for making Unity College achieve greater heights. He felt fortunate to have such dedicated and diligent teachers who have been working selflessly to accomplish the vision of Founder President Late Dr S Kalbe Sadiq. After the entire formal program, the honourable guests gave away gifts to the entire teaching and non-teaching staff as a token of gratitude and appreciation. The program me culminated with a vote of thanks by Vice Principal, Sachindra Bharti. Taking the celebration, a notch further, a special lunch for all staff members was organized by the management. SPECIAL ASSEMBLY @UNITY COLLEGE

The exemplary services of the College Founder and President, Late Dr Syed Kalbe Sadiq to society were acknowledged by the Government of India which announced his name among the prestigious Padma Bhushan awardees, on the eve of Republic Day, this year. The award was received by his son Dr Kalbe Sibtain Noori at a glittering ceremony at the Rashtrapati Bhawan, New Delhi.

A short but impressive Special Assembly was organised on Wednesday, November 17, 2021 at the College Ground, where the Medal and Citation were put up on display before the College students to share and celebrate the proud moment of the College. The program began with the recitation of holy verses from the Quran, Gita and the Bible, followed by a mellifluous rendition of the College Tarana by the choir group of the College. Senior students Cimon Zaidi and Zaid Siddiqui then offered a wreath of flowers in front of Dr Sadiq's portrait, where the medal was displayed. The College Principal Francis Castelino welcomed the guests, members of Dr Sadiq's family, members of the Management and students to celebrate the award conferred on Late Dr Kalbe Sadiq by the government.

Speaking on the occasion the College Secretary Najmul Hasan Rizvi told the students that they were the ones who deserve the Medal as they are striving to fulfil the dream and vision of the College Founder. He inspired them to achieve even greater heights. The program ended with College Dua and the National Anthem sung by the choir group.

काम का सम्मान

लखनऊ की तीन शख्सियतों को पद्मश्री व पद्म विभषण

कल्बे सादिक ने महिलाओं के हक और शिक्षा के लिए आवाज बुलंद की

आज पूरी दुनिया में महिलाओं के हक के लिए आंदोलन हो रहे हैं। डॉ. कल्बे सादिक ने शिक्षा को बेटियों की बेहतरी के लिए एकमात्र मुफीद जरिया बताया। लखनऊ में यूनिटी कॉलेज की स्थापना डॉ. कल्बे सादिक (मरणोपरांत पद्मभूषण से सम्मानित) करके उन्होंने तालीम को लेकर अपनी कोशिशों को जमीन पर उतारा। यह स्कूल सभी वर्ग व धर्म के बच्चों के लिए खोला गया।

इसी विद्यालय के एक हिस्से में उन्होंने ऐसी व्यवस्था की, जहां वंचित तबके के बच्चे निशुल्क शिक्षा हासिल करते हैं। दो बेटियों की तालीम के हिमायती, महिला हक के पैरोकार और रूढ़ियों के सख्त खिलाफ एक सख्तमिजाज और एक संसारस्त थे। उनकी बातों के वैज्ञानिक और तार्किक आधार होते थे। अलीगढ़ में मदीनतुल उलूम एजुकेशनल सोसाइटी की बनाई।

OBITUARY

IN THE LOVING MEMORY OF MR. HASAN JAWWAD

It was very sad that our beloved Librarian Mr. Hasan Jawwad left for his heavenly abode, leaving a void that cannot be filled. His devoted service of around twelve years is a testimony of his unwavering dedication, passion for knowledge, and commitment to shaping young minds. He will forever be remembered by all who had the privilege of knowing him. He was an exceptional individual who fostered a love for literature and created an inclusive environment for students. As a mentor and friend, he instilled values of empathy and curiosity, leaving an indelible mark on the lives of many. His legacy will endure through the inspiration he provided, and he will be deeply missed but forever remembered.

May his soul rest in eternal peace!

BUDDING TALENT GONE TOO SOON

Sania Zehra, a student of Unity College passed away on 7th December, 2022 after a brief illness. She was studying in class IX and was just 15 years old. She was a quiet, disciplined, responsible and an enthusiastic learner. Her zest to learn and rise in life led her to join NCC. She actively participated in the camps as well. She was incredibly hard working and devoted to studies. Her good attitude and likable personality made her lovable among teachers and students. She will continue to live in our memories forever.

The entire Unity Federation deeply mourns her untimely death.

May her soul rest in eternal peace!
