From the Secretary

Year 2023-24 was another challenging year for us at Unity. But, by the grace of the Almighty, we teamed up to cope with the circumstances and challenges and navigated ahead towards our targeted objective.

This year we faced an irreparable loss of our beloved Raja Saheb (aka respected Suleiman miyan), he was our President, Mentor and Guide. Subsequently respected Rasheed Rizvi Saheb also left us for his heavenly abode. Rasheed Saheb was a dedicated senior member and supervised the accounts section of Unity as the Treasurer.

Although it is a formidable task to capture one's personality, contributions, and aura in writing, we have endeavoured to pay a befitting homage to Raja Saheb by elucidating his unique qualities, in the obituary section of this magazine. He was an institution, a personality who embodied royalty, culture, heritage, knowledge, literature, eloquence in multiple languages, and sagacity, all wrapped in the inherent qualities of humility, grace, and empathy.

Respected Rasheed Saheb, another gem within the Unity fraternity, was lost to destiny. He exemplified thorough professionalism and unwavering dedication in discharging his responsibilities. His humility, high-quality work ethics, and judicious approach earned him respect from all.

Let us join in prayers for their noble souls to rest in peace. May the All Merciful continue to guide Unity College as an agent of social change, drawing out the best in our students to serve their families, society, and nation in today's highly competitive world.

We firmly believe that education is fundamental to a nation's growth. A well-educated population contributes to a strong and prosperous nation. Education is not merely about acquiring knowledge; it is a catalyst for positive change. An essential tool in improving our knowledge and wisdom are books. Books play a very important role in promoting education, uplifting society, empowering individuals, and building a better future for all. Books are more than mere words on paper; they are gateways to knowledge, wisdom, inspiration, entertainment, and joy. This year's theme of the magazine's cover page reflects the power of books in helping the students to achieve boundless heights with dignity and grace. Hence, a humble request to our students, teachers and parents is to get into the habit of reading books to excel in their career and life.

As the academic year draws to a close, the College is witnessing a change in leadership. After a remarkable and seamless tenure of 20 years, our beloved

Mr Najmul Hasan Rizvi
Secretary

Principal, Mr Francis Castelino, will pass the sceptre to Mr Deepak Mervyn Mathews, our new Principal designate. Mr Castelino worked diligently and elevated the College to its present heights, for which the College community remains deeply indebted to him. We join in prayers and wish Mr Castelino a long, healthy, and meaningful life ahead. A heartfelt thank you, Mr Castelino, for everything you have done during your tenure.

I also take this opportunity to extend a warm welcome to Mr Mathews, inviting him to join the Unity family. May he work diligently, with professionalism and dedication, to elevate the College to the next level of excellence. On behalf of the College Management, we assure parents, teachers, and students of unwavering support across all dimensions to enhance the quality of education and achieve our targeted heights of excellence.

I extend heartfelt compliments to the College Editorial Team for publishing yet another informative and interesting edition of our College Magazine, showcasing the College's progress.

Kind regards and best wishes,

Najmul Hasan Rizvi

From the Jt Secretary

Dear Students, Staff and Parents,

As the College Jt Secretary, it is both an honour and a privilege to address you through the pages of our esteemed College magazine. In the course of my duties, I have had the incredible opportunity to witness firsthand the boundless talent, dedication, and passion that permeate every corner of our College community.

To our students, I offer my deepest admiration for your unwavering commitment to excellence in all endeavours. Your thirst for knowledge, coupled with your willingness to explore new horizons, serves as a beacon of inspiration to us all. Remember, in every challenge lies an opportunity for growth, and in every setback lies a lesson to be learned. Your resilience in the face of challenges and your determination to succeed are qualities that will undoubtedly carry you far in life. Keep striving, keep believing, and never underestimate the power of your dreams.

To our esteemed faculty and staff, I extend my heartfelt gratitude for your tireless efforts in shaping the minds and hearts of our students. Your guidance, mentorship, and unwavering support are invaluable assets that contribute immeasurably to the growth and development of our students.

As we come together to celebrate the myriad achievements and milestones of the past year, let us also take a moment to reflect on the journey that lies ahead. May we continue to embrace new opportunities, overcome obstacles with grace and resilience, and strive for excellence in all that we do.

Lastly, together, let us continue to uphold the values of integrity, excellence, and unity that define us as a College.

With warmest regards,

Dr M Talha

Dr M Talha
Jt Secretary

From the Outgoing Principal

Dear Esteemed Members of the School Community,

As I compose these final thoughts as your Principal, my heart is filled with appreciation, reminiscence, and a deep sense of achievement. It has been an extraordinary journey guiding this esteemed institution and nurturing young minds over the past two decades.

It has been a true privilege to contribute to the mission of this institution, dedicated to academic excellence and nurturing first-generation learners into individuals of significance. Nestled amidst the tranquil beauty of a verdant campus adjacent to a historic mosque, this institution stands as a beacon of modern education, fostering compassionate, conscientious members of society.

I am profoundly grateful to the revered individuals who have departed from us. I am deeply indebted to our Founder President, Late Dr S Kalbe Sadiq Saheb, and the Former Secretary, Late Brigadier Yawar Husain, for entrusting me with the opportunity to serve.

I also extend my sincerest thanks to the Former President, Late Mohammad Amir Muhammad Khan, Raja of Mahmudabad, for his encouragement and support. Additionally, I am grateful to the Former Administrative Officer, Mr Sajjad Naqi, for his invaluable assistance and direction. My heartfelt appreciation goes to the Secretary Mr Najmul Hasan Rizvi, and the Jt Secretary Dr M Talha, for their guidance and support. Vice Principal Mr Sachindra Bharti, Headmistress Ms Kainaat Mansoor, and Counsellor Ms Nisar Fatima Rizvi, deserve recognition for their relentless support and contributions.

To the faculty, I offer my deepest appreciation for their commitment and efforts in shaping future leaders. I also wish to thank the administrative and support staff for their cooperation and contributions.

My dear students, you are the heartbeat of this institution. Your aspiration for knowledge, creativity,

Mr Francis Castelino
Principal

and resilience inspire us all. As you stand at the threshold of new beginnings, let the wisdom cultivated here guide you towards a brilliant future, for you are the architects of a world yet to be discovered.

As I bid farewell, I am filled with optimism for the future of our beloved institution. With capable leaders and a committed community, I am certain that the great legacy of Sadiq Saheb will endure for generations to come.

In closing, I extend my deepest gratitude to each of you for granting me the honour of serving as your Principal. It has been a privilege beyond measure. May your journeys be adorned with triumphs, opportunities, and happiness. Farewell, with fondness and hope.

With warmest regards,

Francis Castelino

From the Incoming Principal

"Happy are those who honour Him, for He blesses them with uncountable blessings."

As the new Principal of Unity College, I am deeply honoured to join this esteemed educational institution. Stepping into this role fills me with immense gratitude and excitement. I consider myself fortunate to be part of a college where every contributor is a learner, and each day offers countless opportunities to discover, explore, create, and innovate.

Our journey towards excellence is best encapsulated in the wisdom, "Great things are done by a series of small things brought together." I express my heartfelt thanks to the management for entrusting me with this opportunity. To be a part of Unity College's legacy, which has been built by the dedication and hard work of so many, is a matter of great pride and responsibility.

In my tenure as Principal, I am committed to elevating the College to new heights. My focus will be on fostering a learning environment that not only meets but exceeds the standards of excellence in all fields. This ambitious goal is attainable through the unwavering support and cooperation of our diligent Sectional Heads and our exceptional Staff. Together, we will strive to make Unity College a beacon of educational excellence and innovation.

The motto of our institution, "***Excellence in Education***," is not just a statement but a guiding principle. Education has the profound power to change the world, creating a new era of togetherness and harmony where hatred finds no place. In alignment with this motto, I am committed to leading our College community with vision and dedication, ensuring that we collectively achieve greatness.

"Work hard until the lamp light of your study table becomes the spotlight of the stage."

This inspiring quote underscores our commitment to hard work and perseverance. As the new Captain of this ship, I will lead our crew with enthusiasm and determination, guiding the College to its rightful place of prominence in the educational landscape. I look forward to the exciting journey ahead and to remarkable achievements we will accomplish together.

Deepak M Mathews

**Mr Deepak Mervyn
Mathews**
New Principal

From the Vice-Principal

“Education is a noble cause and greatest of all services that possibly can be rendered by a man on this earth to almighty god is the education of children.”

Life is a journey and it is all about learning..... At Unity College, from grade Lower Nursery to class XII, it is indeed a preparation for a child to combat the challenges that the real world would pose. We try to nurture the character and mental attitude of our children, instill basic principles of life in them and inculcate their individual capabilities to the fullest.

Unity College bestows holistic education, immense learning experiences and other academic quests through the most innovative and progressive ways. The students of our school are making their mark not only in academics but also in the field of sports and other co-curricular activities. Our endeavour is to maintain a perfect harmony between the school curriculum and the extra-curricular activities. We truly believe that our education should now move from knowledge to skills and wisdom, from competition to co-operation, from division to unity and finally from ‘*how to earn a livelihood*’ to ‘*how to live*’.

We aim at making our students capable enough to be self-directed and self-motivated individuals who can confront the challenges of life without wavering. Our children are not only taught to fly high in the open sky of tremendous opportunities but also to stay attached to their roots. Our college has now earned a brand name for itself, which is known far and wide for its quality education and grooming of young minds.

The essence of Unity College also lies in its inclusiveness. We strive to render a common learning platform where the students of all age groups, regardless of any challenges, are warmly welcomed and conscientiously supported to learn, contribute and participate in all aspects of life at school. The mentors at Unity are competent, efficacious and informed communicators with a broad spectrum of interests. They are not mere instructors but learned and devoted Gurus that our students see in them role models with character, excellence and commitment. As success lies outside the comfort zone, let us all work hard and achieve our goals.

From the Editor

Dear Readers,

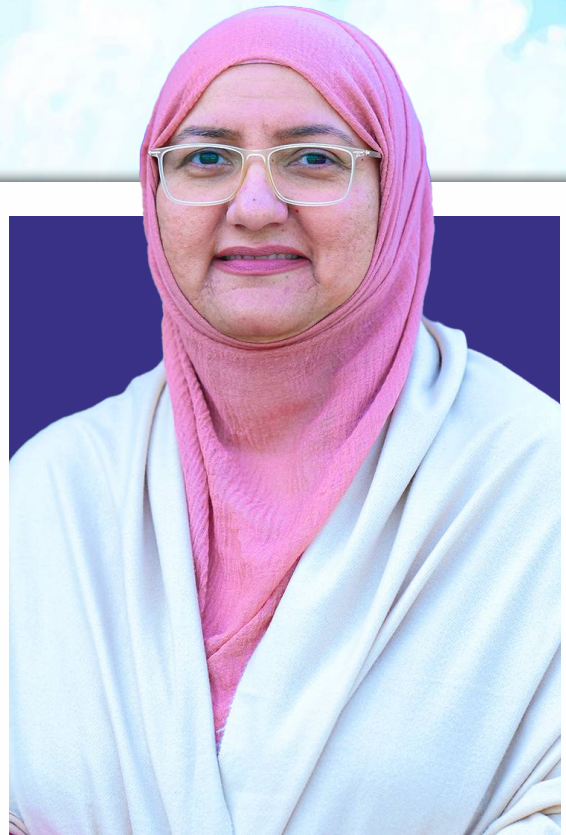

As we near the end of another fruitful academic year, it is with great pleasure and a hint of nostalgia that I reflect on the magnificent journey we have embarked upon together. Our school magazine stands not only as a testament to our collective efforts but also as a vibrant canvas that beautifully encapsulates the creativity and talent within our community.

First and foremost, I extend my heartfelt appreciation to each and every student who contributed their artwork, poetry and prose to this year's edition. Your creativity knows no bounds, and your dedication to your craft is truly inspiring. Your unique perspectives and voices have enriched the pages of our magazine and have made it a true reflection of the diverse talents within our school.

None of this would have been possible without the unwavering support of our esteemed management and dedicated staff members. Your encouragement and guidance have provided the nurturing environment necessary for our students to flourish creatively. Your contributions, both seen and unseen, are deeply valued and appreciated.

To the editorial team, I extend my sincerest thanks for your tireless efforts and unwavering commitment to excellence. Your dedication to the magazine's vision, from the initial planning stages to the final layout, has been nothing short of extraordinary. It is your collaborative spirit and passion for storytelling that have brought this publication to life.

As we celebrate the achievements and creativity of our community, we also take a moment to remember some remarkable individuals who have left an indelible mark on our hearts and minds. Though they may no longer be with us, their legacy lives on through their great work and the memories they have

Ms Kainaat Mansoor

left behind. Their absence is deeply felt, and they will be dearly missed.

In closing, let us cherish the memories we have created together, celebrate the talents that make our community unique, and honour the legacy of those who have touched our lives. May the spirit of creativity continue to thrive within our school, inspiring future generations to reach new heights of artistic expression.

With warm regards,

Editor

OBITUARY

Mohammad Amir Muhammad Khan Raja of Mahmudabad

Returned to Allah's mercy on October 4, 2023, aged 80.

Mohammad Amir Muhammad Khan, affectionately known as Suleiman, Raja of Mahmudabad, returned to his Creator on October 4, 2023, at the age of 80. Raja Saheb was a man of profound intellect and deep compassion, known for his love of poetry, philosophy, and his unwavering commitment to justice.

Educated at La Martiniere College in Lucknow and later at Cambridge, he was a scholar with a doctorate in stellar oscillation. Despite the political upheavals and personal losses he faced, he remained dedicated to his heritage and his homeland, India.

Throughout his life, Raja Saheb maintained his family's rich heritage and legacy, all while embodying the values of integrity, kindness, and resilience. His love for education, his intellectual pursuits, and his deep faith were the hallmarks of a life lived with purpose and dignity.

Raja Saheb also served as the President of the Managing Committee at Unity College and President of Tauheedul Muslimeen Trust (TMT), where he demonstrated his deep interest in the education of the underprivileged section of our society. His commitment to nurturing young minds and fostering a spirit of learning will be remembered and cherished by all who had the privilege of knowing him.

He leaves behind a legacy of grace and determination, having touched the lives of many with his exemplary humbleness, etiquettes, wisdom and generosity. His life and guidance shall always be a source of inspiration for all of us. May his soul rest in peace.

Inna lillahi wa inna ilayhi raji'un (Indeed, to Allah we belong and to Him we shall return).

In Loving Memory

**Mohammad Amir
Muhammad Khan
Raja of Mahmudabad**

30 Nov 1943 - 4 Oct 2023

In Loving Memory

**Mr Syed
Rasheed Husain**

4 Jan 1948 - 20 Feb 2024

Mr Syed Rasheed Husain left us for his onward journey to the Creator on February 20, 2024, at the age of 76. Born on January 4, 1948, Mr Husain's life was characterised by his unwavering dedication to community service and education.

Mr Husain joined the Tauheedul Muslimeen Trust (TMT) as a Member in 2011. His commitment and leadership were further recognised in 2018 when he was appointed Assistant Secretary of TMT following the passing of Muzaffar Husain Kazmi Saheb. His contributions to TMT were invaluable, marked by his steadfast support and organisational skills.

In addition to his work with TMT, Mr Husain served as the Treasurer of Unity College from 2016, where his fiscal prudence and integrity helped guide the institution through significant growth and development.

Mr Husain's legacy is one of service, integrity, and dedication. He will be deeply missed by his family, friends, colleagues, and all who had the privilege of knowing him.

May his soul rest in peace.

Inna lillahi wa inna ilayhi raji'un (Indeed, to Allah we belong and to Him we shall return).

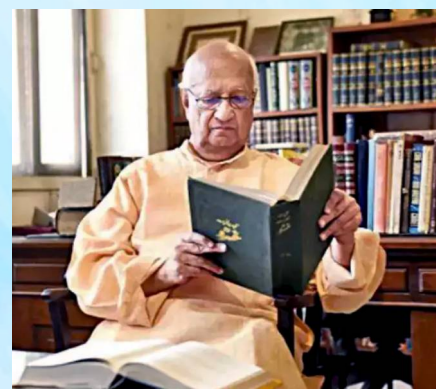

In the annals of our College's cherished history, we find a chapter adorned with the legacy of a luminary whose brilliance illuminated not just our institution but the very essence of Awadh's scholarly heritage. With profound gratitude, the College pays homage to its esteemed former President, Raja Mohammad Amir Muhammad Khan of Mahmudabad (also revered as 'Raja Saheb'), who passed away on October 4, 2023, at the age of 80.

Raja Saheb was a scholar of unparalleled brilliance, steadfast leadership, and boundless compassion. He was blessed with the 'four wealths': the wealth of dunya (worldly possessions), husn akhlaq (exemplary moral conduct), ilm (knowledge), and iman (faith).

Born into the illustrious lineage of Mahmudabad, Raja Saheb's life began amidst the rich cultural heritage of his ancestral town and family. His distinguished family had played pivotal roles in shaping prestigious educational institutions such as the University of Lucknow and Aligarh Muslim University, reflecting a family legacy of intellect and enlightenment that he carried forward with immense dedication.

He received his early education in Iraq, which fostered a deep connection to his spiritual roots and laid the foundation for his exemplary character and intellectual curiosity.

Raja Saheb honed his skills at La Martiniere College in Lucknow before venturing to the prestigious University of Cambridge, where he completed his Mathematical Tripos. His journey continued at the Institute of Astronomy in Trieste, Italy, and later at Imperial College London, where he pursued research in Mathematical Physics. Beyond his scientific achievements, Raja Saheb was equally well-versed in history, theology, politics, philosophy, literature, and languages like English, Persian, Urdu, Hindi, and Awadhi, which allowed him to connect with people from various backgrounds and foster a spirit of inclusivity.

He assumed the responsibility of managing numerous charitable and public Waqfs established by his family. Additionally, he served as the esteemed President of our parent organisation Tauheedul Muslimeen Trust and held key positions at other institutions dedicated to providing educational opportunities for both privileged and underprivileged communities.

Raja Saheb was gifted with the ability to glean invaluable insights from diverse situations, which resonated with all who interacted with him, leaving them enriched by his unique perspective. His brilliance extended even to storytelling, captivating audiences with his wit, wisdom, genuine warmth, eloquent narratives, and insightful observations. His vast knowledge and diverse interests fuelled his conversations, making him a sought-after companion.

Raja Mahmudabad's life embodied the spirit of resilience and courage that defines true statesmanship. Despite facing obstacles and scepticism regarding his patriotism, Raja Mahmudabad remained steadfast in his devotion to his homeland.

Beyond his academic and political endeavours, Raja Saheb was deeply committed to the community and cultural heritage, transcending caste and religious barriers. He actively participated in mourning rituals during Muharram, providing solace and faith through Marsiya recitations. He diligently maintained centuries-old Muharram traditions at the Qila of Mahmudabad, which, under his stewardship, became a unique centre for traditional expressions of Soz, Salams, Nauhas, and Marsiyas, welcoming people of all faiths, including visitors from Iran and other Middle Eastern countries.

As the final curtain falls on the life of our beloved Raja Saheb, Unity College bids a heartfelt farewell to a leader and a mentor who leaves behind a legacy that will forever illuminate the halls of our institution. His dedication to knowledge, his commitment to our community, and his infectious spirit of inclusivity will continue to inspire generations of students and faculty alike.

A CEREMONY OF SUCCESS AND HONOUR

The two-day Annual Award Ceremony in 2023 was a grand celebration of academic and co-curricular achievements. The Secondary and Senior Secondary categories were honoured on April 28, while the Pre Primary and Primary students were appreciated on May 1. The event commenced with soulful renditions, setting the tone for the proceedings. Principal Mr Francis Castelino extended a warm welcome to the esteemed guests, followed by the felicitation of outstanding students across various domains.

On the first day, Secretary Mr Najmul Hasan Rizvi presided over the event. The second day was graced by Chief Guest Brigadier Syed Ahmad Ali, a

decorated veteran known for his service during Operation Vijay in the Kargil War.

Brigadier Ahmad Ali paid tribute to the College founder Late Dr Syed Kalbe Sadiq, commending the management and staff for preserving his legacy. He emphasised the values of hard work and sacrifice, urging students to strive for excellence through education and perseverance.

The celebratory atmosphere soared with the choir's mellifluous rendition of the College Tarana. The ceremony acknowledged the achievers in academics, discipline, sports, writing, grooming, and perfect attendance, with each recipient stepping onto the stage with elation.

Mr Rizvi conveyed a thoughtful message to parents, advocating for a holistic approach to their wards' growth, emphasising physical, mental, and spiritual health. He stressed that only those who strive for excellence can truly succeed in life, urging them to be prepared for sacrifices and reminding them that success results from hard work and perseverance.

Vice Principal Mr Sachindra Bharti delivered the vote of thanks. He urged students to focus on self-

improvement over comparison, fostering healthy competition. Headmistress Ms Kainaat Mansoor praised the achievers, urging them to stay focused and committed for future success.

The ceremony culminated with the National Anthem, fostering a collective sense of pride and accomplishment, highlighting dedication to academic brilliance and character development.

ELOCUTION: A LITERARY FEAST

An English Elocution Competition on May 19, 2023, served as a literary treat for students in classes VI to VIII. The aim was to enhance their public speaking skills and conquer stage fright. The participants showcased impressive recitation skills, captivating the audience with a diverse range of poems such as 'The Spider and the Fly,' 'Stopping by the Woods on a Snowy Evening,' 'The Two Friends,' 'The Charge of the Light Brigade,' 'O Captain! My Captain!' 'Television,' and many others.

The competition was judged by English teachers Ms Sarah Abbas and Ms Farheen Fatima Naqvi, witnessing enthusiastic participation and commendable performances.

Principal Mr Francis Castelino praised the students' efforts, while Vice Principal Mr Sachindra Bharti announced and congratulated the winners across different classes.

YOGA FOR HEALTH AND HARMONY

Yoga, an ancient practice, is celebrated globally on June 21, promoting health, cultural understanding, and unity. At Unity College, both the Morning and Evening Shifts engaged in a week-long celebration culminating in a final event called 'Yoga Day'.

The Yoga Day was graced by a host of esteemed guests, including Chief Guest Mr Bhanu Pratap Singh, Retd Director General of Police, and Special Guest Ms Mumtaz Khan, Junior Hockey Champion. Vice Principal Mr Sachindra Bharti warmly welcomed the dignitaries with mementos and fragrant bouquets. The rising star of the Indian Hockey team, Ms Mumtaz Khan, was honoured with a token of love, while Instructor Mr Ravi Singh was

awarded a cash prize for his contributions.

Mr Bhanu Pratap Singh emphasised the power of love to unite people, surpassing differences. He also noted that yoga fosters good health and companionship.

Ms Khan urged everyone, especially girls, to break through the limits of poverty, persevere, trust parents, and seek new chances to succeed.

Mr Rizvi echoed the Chief Guest's advice, urging students to embrace humility, compassion, and connections. He stressed regular yoga practice for its holistic benefits without the need for formal premises or equipment.

The programme commenced with divine renditions from the Quran, Gita, and Bible, echoing the theme of unity: one earth, one family, one future. Students wowed the audience with skilled performances of yogic asanas like Singh, Hal, Sukh, Baal, Vriksh, and Natraj, earning enthusiastic applause. The captivating sight of students practicing breathing exercises, meditation, and postures was complemented by soothing background music.

All participants were presented with Participation Certificates as a token of appreciation.

In conclusion, Principal Ms Shabana Ahmad of Unity College II Shift highlighted that yoga should not be confined to one day but should be an ongoing journey for personal growth and self-awareness. It connects individuals with their inner selves, promoting mindfulness, inner peace, and harmony.

EXPRESSIONS UNLEASHED AT ENGLISH CREATIVE WRITING COMPETITION

The College has consistently served as a nurturing ground for aspiring writers, fostering their talents through various platforms. On July 15, 2023, the Primary Section organised an Inter-House English Creative Writing Competition. Students from classes I to V wholeheartedly participated, showcasing remarkable zeal and enthusiasm. The event received an astounding response, with young minds eloquently articulating their thoughts on diverse topics.

Among the popular topics chosen by the students were: 'Why should we use magic words?', 'Should

youngsters upload pictures on social networking sites?', 'Imagine you are a superhero; What powers would you have and how would you use them to help others?', 'Do you think schools should give homework? Why or why not?', 'Last night, you travelled into space; what did you see?' and many more.

The competition was a resounding success, fostering creativity and encouraging the students to articulate their ideas effectively.

EXCITEMENT SOARS AT INTER HOUSE COMMERCE QUIZ

An Inter-House Commerce Quiz was organised on July 15, 2023, providing a platform for our adept students to showcase their business acumen. The event commenced with Principal Mr Francis Castelino extending his best wishes to all the enthusiastic participants, encouraging them to actively engage in diverse curricular activities to display their talents.

In a bustling arena of intellect and excitement, the Quiz unfolded, spanning five riveting rounds—General, Buzzer, Rapid Fire, Riddle, and Visual.

The competition covered a wide range of subjects, including finance, marketing, entrepreneurship and business ethics. The participants showcased their expertise, answering challenging questions posed by the Quizmasters Mr Kazim Imam and Ms Ghazala Jafri, with precision and confidence. The competition among the four Houses created an atmosphere charged with vigour and enthusiasm.

Not merely participants, but eager spectators, were

offered the chance to win prizes by testing their knowledge. Principal Mr Francis Castelino and Vice Principal Mr Sachindra Bharti commended the Commerce Department for orchestrating such an impeccable event, which motivated the students to explore business and finance.

Mr Castelino declared the results and honoured the winners with coveted trophies, while also presenting participation certificates to all participants.

EMPOWERING LEADERS

The Investiture Ceremony marked the beginning of a new era of leadership, igniting in students the aspiration to follow the esteemed paths of their predecessors and contribute to the growth and advancement of the College. The newly appointed Cabinet Members of the Senior and Junior Sections assumed their roles on July 12 and 17, respectively. An aura of enthusiasm enveloped the ceremony, uniting the school community to witness the handover of duties and authority.

The ceremony commenced with the stirring recitation of Quranic verses, evoking a profound sense of reverence and establishing a dignified ambience for both occasions.

Principal Mr Francis Castelino administered the oath to the newly appointed Cabinet Members of the Senior Section, reaffirming their dedication to championing the advancement of the College through the values of integrity, accountability, and empathy. Each selected student received a badge of honour from the House In Charges and House Teachers. Syed

Azzaman Abbas, the Head Boy, and Afifa Khan, the Head Girl, expressed heartfelt gratitude for the honour of shouldering such prestigious responsibilities.

Amidst great pride and dignity, the Junior Investiture Ceremony unfolded. Vice Principal Mr Sachindra Bharti administered the oath to the Primary Section students, who pledged unwavering allegiance to the College ethos. He inspired the young leaders to carry out their responsibilities with diligence and sincerity. The Junior House Captains were honoured with their badges by Vice Principal Mr Bharti, Headmistress Ms Kainaat Mansoor, and Section In Charge Ms Tazeen Rizvi. Similarly, the Junior Vice Captains received honours from the House Mistresses and House Teachers, while the Cleanliness Prefects were awarded the badges by their respective class teachers.

Ms Kainaat Mansoor motivated students to follow guidelines and prioritise discipline.

The momentous ceremony concluded with the National Anthem, echoing a sense of unity and pride.

DECLAMATION CONTEST

The much-awaited Inter-Section Declamation Contest took place on July 22, 2023 with the aim of nurturing the art of public speaking and bolstering the confidence of its students. The event provided an engaging and exciting platform for participants to showcase their oratory prowess and eloquence.

The opening of the contest was gracefully led by anchors Zargham Haider and Qudsiya Fatima, who warmly welcomed the esteemed Principal Mr Francis Castelino, Vice Principal Mr Sachindra Bharti and the distinguished Judges, Ms Sarah Abbas and Ms Fatima Naseem.

The arena of powerful words witnessed an exhilarating display of talent from Secondary students spanning classes VI to X. Each participant

passionately delivered renowned speeches with clarity, emotion and persuasiveness. From the stirring words of great leaders that sparked revolutions to poignant pleas championing human rights, the audience was spellbound, reliving moments from historical figures like Patrick Henry, Sojourner Truth, Charlie Chaplin, Kiran Bedi, Sushmita Sen, and many others.

Participants were meticulously judged on gestures, emotions, intonation, memory, and overall presentation, reflecting the dedication and hard work they invested.

After much anticipation, the well-deserved winners were announced and celebrated, receiving certificates for their exceptional performances.

UNLEASHING CREATIVITY @ ALL INDIA SWACHH BHARAT ART COMPETITION

The College students embarked on a civic journey, pouring out their creativity through stunning artworks and thought-provoking novel ideas at the All India Swachh Bharat Art Competition on the eve of Independence Day. The event was organised by the National Education and Human Resource Development Organisation, Mumbai, and the National Economic Growth Times with the aim to cultivate creative awareness about the Swachh Bharat Abhiyaan.

Classes LN to X participated enthusiastically in multiple categories, including Colouring, Drawing & Painting, Handwriting, Essay Writing, and Collage Making. The diverse interpretations of the theme led

to a vibrant array of artistic and literary expressions, fostering a creative community and sparking meaningful conversations about Swachh Bharat.

The school winner would be honoured with the prestigious 'Swachh Bharat Art Excellence Award' medal and would advance to compete at State and National levels. Additionally, every participant will receive a participation certificate and a complimentary drawing tutorial.

The event ended in a poise to echo Mahatma Gandhi's vision of a Clean India, perpetuating PM Narendra Modi's campaign among academia and society, contributing to a lasting cultural impact.

INDEPENDENCE DAY FESTIVITIES

'Liberty, when it begins to take root, is a plant of rapid growth.' - *George Washington*

Amidst a vibrant atmosphere, Unity College Fraternity united on the morning of August 15, 2023, to celebrate Independence Day. The campus bloomed with tricolour decorations and echoed with patriotic tunes, welcoming sister institutions - Unity College II Shift, Unity Technical Training Center, and Unity Veda College.

In a dignified ceremony, Secretary Mr Najmul Hasan Rizvi accompanied by esteemed Principals and faculty, hoisted the National Flag, precisely at 9:15 a.m., standing as one and singing the National Anthem in harmony with the people of Lucknow.

Addressing the gathering, Mr Rizvi fervently urged the students to embrace the hard-earned freedom as a catalyst for national progress. He stressed the importance of equality, equity and justice for all citizens, calling upon them to contribute to the nation's growth.

Captivating performances by Morning and Evening Shift students unfolded, blending profound speeches in English and Hindi. The recitation of national poetry ignited patriotism, echoing India's journey to

freedom. The captivating skit 'Wings of Will' by the First Shift celebrated women's empowerment, while the melodious performance 'Bharat Hamari Shaan' by the Second Shift resonated with melodious patriotism, weaving a tapestry of India's struggle for freedom.

In closing, Principal Mr Castelino encouraged students to be responsible citizens, fostering tolerance, brotherhood, and peace.

Alongside the celebrations, the College embraced Van Mahotsav, dedicating efforts to a 'Green and Clean India'. Distinguished guests joined in planting saplings, embodying eco-friendly ideals.

The Independence Day celebration left an indelible mark on students, igniting their fervour to serve the nation, fostering a sense of pride and responsibility towards India's future.

In a seamless continuation of the celebrations, the Pre-Primary and Primary Sections engaged in activities of creativity, appreciating freedom and patriotism on August 16.

The day featured hands-on activities tailored for each grade. LN students left their colourful handprints as a patriotic mark. Meanwhile, UN learners crafted hot air balloons, and PREP students made butterflies in the tricolour, symbolising aspirations and cultural diversity. Class I created Tiranga bookmarks, while class II explored the flag's symbolism using rice and pulses. Class III showcased their artistry with India's map in a collage. Class IV students adorned their classrooms with tricolour decorations, while class V honed culinary skills making tricolour sandwiches. Each grade contributed to the celebration, emphasising unity and teamwork. The event concluded with sharing treats, symbolising dedication to the nation.

The celebrations resonated with patriotism, leaving a profound impact on everyone involved.

DYNAMIC COLLAGE CONTEST

On August 19, 2023, the Central Hall of the College buzzed with an amazing show of creativity by Secondary and Senior Secondary students in the form of the Inter-House Collage Making Contest, which highlighted student collaboration and artistic talent. Four junior and senior members from each House keenly fought it out. The Senior category created a striking picture of 'India in 2047,' while the Junior category curated the topic of 'Single Use Plastic.' The entries utilised a variety of medium, including magazines, newspapers, fabric, coloured paper, and craft supplies. The Juniors of Iqbal House and Senior students of Gandhi House were acknowledged

winners for their creativity and thought-provoking messages by judges Ms Neha Prajapati and Ms Bushra Shadab. The winning collages were then displayed in the Hall to be appreciated and recognised.

ORATORY EXCELLENCE @ PRIMARY STUDENTS

The junior students in the Primary Section demonstrated excellence in their oratory skills on August 23, 2023. The event featured two segments, with classes I and II participating in Recitation Competition and classes III to V in Declamation.

In the Recitation Competition, students showcased remarkable skills reciting poems like 'Sweet Treat Dreams' and 'My Parents' with captivating gestures and props. Judges, Pre-Primary teachers Ms Ashita Joseph Cutting and Ms Shazia Anjum, praised their exceptional proficiency.

The Declamation Competition saw students from classes III to V delivering speeches inspired by figures like Dr APJ Abdul Kalam, Pandit Nehru and Mother Teresa. Their performances, judged by Secondary English teachers, Ms Fatima Naseem and Ms Seema Kazmi, were characterised by excellent body language and eloquence.

The event, attended by Principal Mr Francis Castelino, Vice Principal Mr Sachindra Bharti, and Headmistress Ms Kainaat Mansoor, received accolades. The Headmistress praised the diversity of speeches, while Vice Principal was awe-struck by the performances. Principal Mr Castelino commended

the use of props and acknowledged the challenge in selecting the best ones, highlighting the students' par excellence performance.

A presentation of selected poems and speeches from the same was repeated before distinguished guests, including Mr Amir Taqi, CEO of The Main Stay Foundation, and Mr Jawwad Bahr al Uloom, Head of Risk Management of The Main Stay Foundation on August 24, 2023.

Mr Amir Taqi commended the students for their outstanding performances, urging them to believe in their capabilities as the key to achieving goals.

THREE CHEERS FOR CHANDRAYAAN III SUCCESS

On August 26, 2023, the College proudly commemorated India's monumental achievement, 'We are on the Moon!' The students united to mark this remarkable milestone.

The day commenced with a special assembly by the tiny tots of Pre-Primary showcasing the rocket launch. The teachers gave them details about Chandrayaan-3.

The seniors conducted a separate assembly. Speeches by Primary and Secondary students reverberated with the theme 'Chandrayaan-3: India's Achievement and Inspiration for Future Space Explorations,' emphasising the significance of the achievement and its impact on future generations.

Students from the Primary Section delved into the moon's mysteries through Collage-Making and Drawing activities. For students in classes I and II, lively drawings of 'Chandrayaan-3 and other Space Rockets' were the highlight. Meanwhile, students in classes III to V embarked on a creative journey, creating collages that showcased India's lunar adventures.

The Secondary Section then conducted a knowledge-rich quiz on ISRO and Chandrayaan-3, engaging participants in dynamic learning. The momentous event provided them with an enriching experience regarding Space Science and motivated them to dream big.

RAKSHA BANDHAN CELEBRATION

Raksha Bandhan was celebrated with great zeal and enthusiasm on August 30, 2023.

The day commenced with a special assembly conducted by the Primary Section in which a riveting short skit was presented by the young students, vividly portraying the profound significance of the

festival. The spirited performances of the students effectively conveyed the essence of the festival, emphasising the special bond of love and protection between siblings. Principal Mr Francis Castelino commended the students for their heartfelt performances and underscored the warm message of mutual care between siblings.

MUSHTAQ NAQVI MEMORIAL INTER-SCHOOL DEBATE COMPETITION AT UNITY COLLEGE

The Mushtaq Naqvi Inter-School Debate Competition, an Annual College event, was a remarkable showcase of intellectual prowess as students from various Lucknow schools congregated to discuss the stimulating topic, 'Artificial Intelligence is replacing Human Intelligence.' This event, held on September 2, aimed to honour the literary legacy of esteemed Late Mushtaq Naqvi Saheb. The competition as always, was generously sponsored by Mr Shahab Hussain in memory of his revered uncle, Late Mr Mushtaq Naqvi.

The event was graced by the presence of Mr Javeed Ahmad, Ex-DGP, UP, as the Chief Guest, along with College Secretary Mr Najmul Hasan Rizvi and Jt Secretary Dr M Talha. The proceedings began with a warm welcome from Principal Mr Francis Castelino to the distinguished gathering.

Ten esteemed schools from the city participated in this event, including St Francis, Hoerner College, Colvin Taluqdars' College, CMS Rajajipuram Campus-I, Montfort Inter College, St Fidelis College, Gurukul Academy, St Teresa's Day School and College, Rajkumar Academy, and Unity College.

The session provided a platform for a diverse range of viewpoints, thoughts, and perspectives, deepening the understanding of the potential and challenges of human intelligence in the age of AI. While emphasising the crucial necessity for balancing progress and ethical concerns, it was highlighted that AI becomes a catalyst for positive transformation while safeguarding human interests.

The Rebuttal Round was particularly captivating, with participants convincingly defending their arguments.

TEACHERS' DAY

On September 5, a heart-warming celebration unfolded, dedicated to honouring all the teaching and non-teaching staff members. The event began with sacred recitals and a cordial address by Principal Mr Francis Castelino.

Educators Mr Monis Naqvi and Ms Farheen Asrar were recognised with mementoes for their 100% attendance during the previous academic session, 2022-23.

The College management extended heartfelt appreciation to the teaching staff, offering tokens of gratitude as a symbol of their appreciation.

Mr Najmul Hasan Rizvi, College Secretary, highlighted the esteemed status that teachers hold within society, underscoring the substantial responsibilities they bear in shaping students and meeting societal expectations. He acknowledged the demanding nature of the teaching profession and appreciated the invaluable sacrifices and dedication made by teachers. Dr M Talha, College Jt Secretary, congratulated all the teachers for their contributions to education.

The day featured lively games tailored to different categories of teachers, fostering an atmosphere of joy and excitement.

The winners and runners-up of each game were as follows:

GAME 1	GAME 2	GAME 3	GAME 4
“Pop the Balloon”	“Hinglish”	“Guess the Song”	“Remember Me”
(Pre-Primary Teachers)	(Primary Teachers)	(Secondary Teachers)	(Senior Secondary Teachers)

Ms Eram Shakeel	Ms Sahifa Rizvi	Ms Fizza Mehdi	Ms Sarah Abbas
Runner-Up	Runner-Up	Runner-Up	Runner-Up
Ms Zebi Rizvi	Ms Narjis Fatima	Mr Irfan Ahmad	Mr Monis Naqvi

Following the games, the management also conveyed their gratitude to the hardworking and dedicated non-teaching staff members, offering them a small token of appreciation.

A special recognition was awarded to the ‘Best Dressed Female and Male Teachers,’ with this honour being bestowed upon Ms Nilofer Jafri and Mr Mohd Mohiuddin, respectively.

Vice Principal Mr Sachindra Bharti delivered the vote of thanks and the celebration concluded with a special lunch for all.

DAAN UTSAV DISTRIBUTION DRIVE

Students from Primary and Senior Secondary Sections engaged with the essence of the Daan Utsav spirit by distributing paper bags crafted from recycled

newspapers to local fruit and vegetable vendors, to promote the reduction of plastic waste and the use of eco-friendly products.

UNITY STUDENT UNLEASHES K-AI: A CHATBOT REVOLUTION

In a dazzling display of ingenuity, Kashan Raza Naqvi, a student of class IX at Unity College, unveiled his ground-breaking creation: K-AI, his own AI chatbot on November 7, 2023, in the distinguished presence of College Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Francis Castelino, Vice-Principal Mr Sachindra Bharti Counsellor Ms Nisar Fatima Rizvi, and fellow students.

K-AI flawlessly fielded a barrage of questions from the audience, earning Kashan well-deserved congratulations and enthusiastic encouragement for his promising efforts.

Kashan got the inspiration for K-AI, when in class VIII, the class was assigned the topic of AI for the soft board. While delving into research, he stumbled upon ChatGPT, launched in November 2022. Inspired by this discovery, he decided to create his own chatbot. During his summer break after the class VIII finals, Kashan, despite facing initial setbacks, persisted in his endeavour, undeterred for three months. This striving paid off on June 13, 2023.

Kashan's journey (concept to creation) stands as evidence that Unity College provides an environment, conducive to nurturing and guiding young minds, enabling them to realise their potential and excel in their respective areas of interest. As K-AI establishes in the tech landscape, Unitians eagerly anticipate the continued evolution of this remarkable student-developed chatbot to make its mark on the world at large.

UNITY OBSERVES FOUNDER'S MEMORIAL DAY

Unity College paid a solemn homage to the late Dr S Kalbe Sadiq on November 24, 2023, commemorating his 3rd death anniversary. The event, themed 'Role of Religion in Promotion of Peace and Unity,' served as a poignant tribute to the extraordinary legacy of Dr S Kalbe Sadiq, often hailed as the second Sir Syed. Dr Sadiq's enduring commitment to fostering harmony among diverse sects, communities, and religions, as well as his dedication to educational excellence, will resonate for generations to come.

Dignitaries from various faiths and academia graced the occasion, including Swami Muktinathananda, Founder of Vivekanand Hospital & Sri Ramkrishna Math Lucknow; Mr Jagdish Gandhi, Founder of City Montessori Schools; Rev Fr Denis Naresh Lobo, Vicar General, Catholic Diocese of Lucknow; Rajyogini Brahma Kumari Radha Behen, Prof Kamaluddin Akbar, Central University of Allahabad and Sardar Rajendra Singh Bagga, Head of

the Gurudwara Prabandhak Committee, Lucknow. The hosts who graced the occasion were Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, and the Managing Committee members.

Principal Mr Francis Castelino fondly recalled Dr Sadiq's noble persona, highlighting his significant contributions to academics and social upliftment.

The dignitaries shared profound insights, emphasising the common essence of peace and harmony inherent in all religions. Swami Muktinathananda beautifully depicted Earth as a vibrant garden, calling for collective participation to enrich its glory. Prof Kamaluddin Akbar underscored the universal pursuit of goodness through diverse religious practices. Rev Fr Denis Naresh Lobo drew parallels between Dr Sadiq's philanthropy and heavenly virtues. Rajyogini Brahma Kumari Radha Behen compared people to varied flowers in a fragrant vase and advocated for giving and preserving peace.

Sardar Rajendra Singh Bagga highlighted Guru Nanak Saheb's companionship with devotees from diverse faiths, equating with it Dr Sadiq's practices of equity, unity, and humanity. Mr Jagdish Gandhi praised his incredible persona, echoing the shared message among all religions of unity and love.

The programme commenced with recitations from the Quran, the Bhagavad Gita, and the Bible, aligning with Janab's vision of inter-faith harmony. Students put up a diverse presentation, showcasing his exemplary life and teachings. A mesmerising action song, 'School Chalo,' performed by Montessori students highlighted his call for eradicating ignorance

and poverty through education.

A captivating skit unfolded, not just as a tale of educational upliftment but as a testament to Dr Sadiq's relentless pursuit of interfaith harmony. The programme concluded with a heart-warming melodious epilogue and a touching tribute through a Nazm composed by Iqbal while a heartfelt Urdu speech reverberated with his invaluable lessons to humanity. Finally, an eloquent Nazm composed by Office Superintendent, Mr Shahid Husain encapsulated the virtuous traits of Janab's personality and his incredible accomplishments.

In conclusion, Mr Najmul Hasan Rizvi underscored the significance of fostering peace and unity, emphasising the key role of education for individual success and societal betterment. The event culminated with the National Anthem.

The programme was followed by a vibrant Green Exhibition showcasing organic farming within the College premises, by the Unity Organic Garden Club, comprising dedicated students and teachers.

The week-long commemoration also included a two-day Donation Drive. Students generously contributed stationery items and lunchboxes for the students of

the Prathmic Vidyalaya, Husainabad, and distributed blankets to attendants of the patients at King George's Medical University. Essential items including vegetables, toiletries, woollen caps, socks, and additional blankets were provided to the Vridh Ashram in Rajajipuram, and donations in a slum in coordination with the NGO, Robin Hood Army.

The tribute to the College founder culminated in the morning assembly of November 25, with students presenting a Ghazal 'La Ilaha Illallah' and the Hamd 'Asma-e-Husna'. Principal Mr Castelino urged students to carry on his legacy of fostering peace and progress for all.

ORGANIC GARDEN EXHIBITION AND WELLNESS PROGRAMME

Unity College hosted an Organic Garden Exhibition and Wellness Programme, showcasing the commitment of students and teachers in promoting healthy living. Ms Sarah Musavi, a Health Guide from Canada, participated in the Green Exhibition organised by the Organic Garden Club. The event highlighted the efforts of students and teachers, including Coordinators Ms Fizza Mehdi, Ms Eva Abbas, and Ms Ila Shahid, along with College Counsellor Ms Nisar Fatima.

Club members passionately spearheaded initiatives in organic vegetable cultivation and compost production. Ms Musavi engaged with students, who explained the process of preparing organic compost, bio enzyme, micronutrients, and waste decomposers. They also shared insights into medicinal, ornamental,

and commercial plants, seeking guidance from Ms Musavi, who promptly addressed their queries. A documentary was screened, emphasising the advantages of organic farming and the risks associated with GMOs for Organic Garden Club members.

Subsequently, Ms Musavi conducted a Wellness Programme for teachers, focusing on promoting a balanced, organic diet, stress management, and preventive measures for common diseases like diabetes.

In conclusion, the session proved immensely valuable for both teachers and students, fostering a keen interest in organic gardening and its myriad benefits.

TEST OF LITERARY QUOTIENT

A Creative Writing Competition unfolded for students from classes VI-IX and XI, seeking to unleash their poetic and storytelling prowess and inspire them to give vent to their expression. The topics explored ranged from personal narratives to contemporary issues and humanitarian concerns.

The enthusiastic participants created a flutter by their creative thinking, imagination and inventiveness. The winners were honoured with certificates for their outstanding contributions by the Principal Mr Castelino.

ORGANIC FARMING AND GARDENING INITIATIVES AT UNITY COLLEGE

In collaboration with our College Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha and Dr Sarah Musavi, Unity College is proud to spearhead both an Organic Farming Programme and a Gardening initiative, aimed at providing students with hands-on learning experiences about plants while fostering environmental stewardship and healthy lifestyle choices among young learners.

Led by the guidance and expertise of Mr Nasir Abbas and our dedicated team of coordinating teachers, the College has established Organic Gardens benefitting both students and educators alike. Approximately 80 enthusiastic students from the Secondary & Sr Secondary sections actively engaged in cultivating a variety of plants, including melons, bottle gourd, ridged gourd, pumpkins, green chillies, brinjal, and cucumbers on a designated plot of land. Under the watchful eyes of experienced gardeners and program coordinators, students are committed to the well-

being of their plants. They have received comprehensive training covering organic farming techniques, best practices, and guidelines, including the creation of bacterial cultures, compost production, manure preparation, micronutrient formulation, and responsible use of organic pesticides. Impressively, students have gained hands-on experience in grafting, 3G cutting, layering, and have produced approximately 250 saplings of medicinal, ornamental, and commercially valuable plants.

Simultaneously, approximately 30 teachers have enthusiastically joined the program, actively learning organic farming techniques while participating in planting spinach and coriander seeds. Mr Nasir has conducted informative sessions on compost production, micronutrient formulation, and pesticide preparation, emphasising the importance of natural environmental conditions in organic farming.

The Primary section also embarked on integrating gardening into its curriculum this year.

Gardening Activities:

Students will participate in various gardening activities throughout the academic year. These activities will include:

Planting Sessions: Planting seeds, seedlings, and bulbs, learning about the requirements of different plant species and the significance of soil, water, and sunlight for plant growth.

Maintenance Tasks: Responsibility for watering, weeding, and pruning, fostering a sense of ownership and accountability for the garden's upkeep.

Harvesting: Students will harvest fruits, vegetables, and herbs, witnessing the culmination of their efforts and gaining appreciation for the food production process.

Observational Studies: Conduct observational studies, documenting plant growth stages, and

recording environmental factors that influence plant development.

Learning Outcomes: Science Education, Environmental Awareness, Nutritional Awareness, Life Skills & Community Engagement.

Programme Coordinators:

Ms Nisar Fatima

Ms Fizza Mehdi

Ms Eva Abbas

Ms Ila Shahid

Unity College is committed to fostering a culture of sustainability and environmental responsibility. The Organic Farming programme serves as a testament to our dedication to these principles. We look forward to continued growth and success in our endeavours, nurturing curiosity, environmental stewardship, and healthy lifestyle choices among our students.

SPORTS DAY EXTRAVAGANZA

'Unity in action, strength in diversity.'

Unity College hosted a remarkable Annual Sports Day on December 2, 2023, exemplifying unity, discipline, and camaraderie. The campus came alive turning into a dynamic arena full of energy, setting the stage for vibrant performances and exceptional sportsmanship.

Distinguished Chief Guest, Mr S M Qasim Abidi, Addl DCP, Police Commissionerate, Lucknow, and esteemed guests Mr Syed Ali and Mr Sujit Kumar, Olympians and Former Captains of the Indian Hockey Team, graced the event. College Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, and other Managing Committee Members added to the dignified presence. Principal Mr Francis Castelino welcomed the guests, paying tribute to the Founder President, Padma Bhushan Late Dr S Kalbe Sadiq Saheb, he emphasised on the College motto: excellence in both education and extracurricular activities. Mr Abidi, in his address, honoured the visionary Founder, Dr S Kalbe Sadiq, underscoring the importance of holistic development. He commended the role of a school as a nurturing ground where future sports icons are shaped.

The opening ceremony, marked by the release of colourful balloons, set the stage for a spectacular show. National Level Sports Stars of the College led the March Past, with Mohd Laraib Zaidi and Aafi Rizvi receiving honours as the Best Sports persons of the year.

The event began with the enchanting performance of Tiny Tots of Pre-Primary, named 'Rise and Shine' conveying a powerful message of determination and perseverance while classes I and II brought infectious energy with their drill 'Waqt ki Kasauti' to celebrate the values of respect for elders. Classes III and IV immersed the audience in the thrilling world of cricket with 'Divided by Teams-United by Cricket,' to showcase the spirit of sportsmanship and class V presented a scintillating 'ISRO Cosmic Adventure' drill with an eloquent commentary on India's space journey. The girls of classes VI-VIII through their dazzling performance, 'Breaking Barriers- Soaring High' highlighted girls' education and results of women empowerment, as a homage to the College Founder. The climax featured visually stunning performances - awe-inspiring pyramids and daring jumps through the rings of fire by classes IX and XI, showcasing not just physical strength but exceptional teamwork and a spirit of celebration.

These class-wise events added a dynamic and inclusive dimension to the overall success of the Annual Sports Day, contributing to the celebration of strength, discipline, and unity in diversity.

The event reached its finale as Secretary Mr Najmul Hasan Rizvi extended heartfelt thanks, acknowledging the dedication of both students and teachers and emphasising the significance of nurturing holistic student development. Annual Sports Day, 2023, concluded with a feeling of pride and euphoria among the participants as well as their parents.

EXCITEMENT AND MERRIMENT AT ANNUAL FÊTE

Unity College buzzed with excitement as it hosted its eagerly awaited Annual Fête on January 20, 2024. The event, joined by sister institutes Unity College II Shift, Unity Veda, and Unity Technical Center, promised a day brimming with joy, laughter, and a strong sense of community.

The festivities welcomed Chief Guest Mr Wafa Abbas, CEO and Founder of the Amber Foundation, adding a touch of grace to the merry occasion. He released a bunch of myriad coloured balloons to kick off the merry event. Secretary Mr Najmul Hasan Rizvi and other College Dignitaries too joined the festivities.

The grounds were adorned with a lively assortment of food stalls, offering everything from traditional delights to international treats. Alongside, there were games stalls providing thrilling fun and lucky chances, as well as a children's corner with

entertaining rides and swings.

Notably, the Organic Gardening Club contributed to the vibrant atmosphere with a sale of various saplings and plants, including both decorative and medicinal varieties.

Principal Mr Castelino emphasised the importance of regularly organising such events, highlighting their role in bringing families, friends, and neighbours together to support the College while enjoying a fantastic day out.

The proceeds from the Fête will contribute to social initiatives, reaffirming the College's commitment to providing enriching experiences for its students.

The day of celebration and camaraderie concluded with memorable experiences for students and their families, creating lasting memories within the Unity College community.

A REPUBLIC DAY SPECTACLE

Unity College embraced the spirit of patriotism as it commemorated Republic Day on January 26 with a fervent celebration. The day commenced with the College Secretary Mr Najmul Hasan Rizvi, and other dignitaries-Principal Mr Francis Castelino, Vice Principal Mr Sachindra Bharti, Headmistress Ms Kainaat Mansoor, Manager II shift Dr S Kalbe Sibtain Noorie, Principal II Shift Ms Shabana Ahmad, Principal Unity Technical Training Centre Mr S R Khan, unfurling the National Tricolour, symbolising reverence for the motherland.

The College Secretary, Mr Najmul Hasan Rizvi, enlightened the young patriots on this grand occasion with his inspiring words. Celebrating the moment, he honoured Indian leaders for their sacrifices and those who crafted the constitution. Urging students and teachers to study and uphold it, he encouraged the emergence of good citizens, fostering unity amid diverse cultures, languages, and religions.

Shagufta Fatima from class XI of the II Shift delivered a speech in English, highlighting the significance of this day. The atmosphere resonated with pride as class XI students passionately sang 'Ae Des Mere,' a song honouring our martyrs. An engaging speech in Hindi was delivered by Sahiha Rizvi from XI-A, shedding light on the significance of Republic Day and unveiling lesser-known facts. A compelling skit by class IX students from the II Shift explored the essence of fundamental rights. Another captivating skit by students of classes VI to XI paid tribute to our valiant soldiers, saluting their unwavering dedication and valour.

Principal, Mr Francis Castelino, concluded the event with a heartfelt vote of thanks. The celebration successfully captured the essence of Republic Day, fostering a profound sense of nationalism among participants.

BIDDING ADIEU TO CLASS XII WITH HEARTFELT MOMENTS

Unity College bid a heartfelt farewell to its Class XII students on February 2, marking a poignant chapter in their academic journey. The event commenced with an inspiring address by Principal Mr Francis Castelino, followed by a soulful musical presentation by students. A captivating comical skit gave a glimpse into the diverse behaviours of students during exams. Fun-filled games like 'Flip the Bottle', 'Guess Who', and 'Musical Chairs' showcased the students' camaraderie and team spirit.

Celebrating the title-giving ceremony is a pivotal moment in any farewell. Various interesting titles such as Perfect Attendance, Wow Machine, Mover of the Mountains, Jolly Good Fellow, Sharp Mind, Motivational Booster, Bright Future, and Star Player of the Department were awarded, creating a joyful atmosphere. The most coveted titles, Miss Unity and Master Unity, were won by Mashiyat Fatima and Syed Azzaman Abbas, impressing the esteemed jury-Headmistress Ms Kainaat Mansoor, Principal II Shift Ms Shabana Ahmad, Vice Principal II Shift

Mr Ammar Rizvi.

The Manager II Shift Dr S Kalbe Sibtain Noorie, bestowed his blessings upon the students for their forthcoming Board exams and the challenges that lie ahead in life.

Students embarked on a nostalgic journey filled with unforgettable moments through a special PowerPoint presentation showcasing the memorable highlights of the 2023–24 batch. The emotional atmosphere was heightened by teachers' video clips, showering blessings. Mementoes were presented to all the outgoing students by the dignitaries as a token of blessings. Hiba Zehra from XI-C added a perfect finishing touch to the occasion with a farewell shayari. The programme concluded with a gracious vote of thanks from Vice Principal Mr Sachindra Bharti.

Emotional reflections from departing seniors added a touching note to the memorable evening. Unity College wishes them a bright and successful future.

URDU ESSAY WRITING COMPETITION

Unity College recently hosted an Inter-House Urdu Essay Writing Competition for the Senior Secondary Section. Students were presented with two thought-provoking topics: 'Agar Aap Ko Kisi Mulk Ki Sair Karne Ka Mauka Faraham Kiya Jaye To Aap Kis Mulk Ki Sair Karna Pasand Kareng Aur Kyun' and 'Mulk Ki Taraqqi Ka Daromadaar Awaam Par Hai Ya Siyasi Leader Par.'

Engaged and enthusiastic, the participants expressed their opinions eloquently. The competition not only showcased the students' literary skills but also nurtured a deep appreciation for Urdu literature. It was a platform where diverse perspectives on nation-building, exploration and progress were explored.

The results of the Competition were:

I Position	II Position	III Position	IV Position

Overall Best Essay: Hal Ata Abbas-XI A

The event successfully promoted a love for Urdu language and literature among the students.

NCC

NCC COMMEMORATES KRANTI MAHOTSAV:1857

Amidst the joyous celebrations of Azadi Ka Amrit Mahotsav, the College's NCC cadets wove a captivating tapestry of sacrifice and freedom with their performance in Kranti Mahotsav:1857. This event wasn't just a remembrance; it was a vibrant echo of the First War of Independence, igniting patriotism and raising awareness about the sacrifices of ordinary Indians who dared to dream of the revolutionary ideals of 'Swaraj' and 'Swadheenta.'

On May 8, 2023, under the astute leadership of ANO Ms Nilofer Jafri, the young cadets of the 19 UP Girls Battalion transformed into spirited storytellers, breathing life into the legend of Rani Lakshmi Bai—one of the eminent figures of the India Rebellion of 1857.

Their electrifying skit resonated with the Queen of Jhansi's indomitable spirit, her every step a testament to her fierce defiance against the British Raj. This powerful performance surpassed history lessons, leaving a deep impression on students and igniting a spark of patriotism within them.

Kranti Mahotsav-1857 transcended mere celebration; it was a powerful reminder of the debt we owe to the countless revolutionaries who paved the way for our freedom. It was a call to action, inspiring students to strive for exemplary citizenship and become the builders of a brighter future.

NCC'S GREEN LEGACY

In commemoration of the National Cadet Corps' 75th anniversary, the College's 19 UP Girls Battalion NCC cadets engaged in a vibrant 'Tree Plantation Activity' on July 13, 2023. Under the able guidance of ANO Ms Nilofer Jafri, 38 enthusiastic cadets planted diverse saplings like Neem, Peepal, and Sada Bahar across the verdant campus. Principal Mr Francis Castelino, joined the cadets in their green endeavour of preserving nature's beauty, restoring ecological

balance, and combatting pollution. During his insightful address, he emphasised not only the act of planting trees but also the crucial role of continuous nurturing for a sustained and lasting environmental impact. The initiative instilled a deep sense of responsibility and passion among the students, contributing to a cleaner, healthier, and more vibrant world for current and future generations.

POSTERS & SLOGANS: NCC'S ARTFUL IMPACT

On July 14, 2023, the NCC cadets transformed into social warriors during a potent poster-making and slogan-writing workshop. Armed with insights from ANO Ms Nilofer Jafri on prevalent social evils, they passionately channelled their creativity into campaigns against drug abuse. This topic was brought to life through impactful posters. However, their fight for a better future extended far beyond that. With pens ablaze, they crafted compelling slogans tackling diverse issues like adult education, girls' empowerment, environmental preservation, and the eradication of child labour.

Deeply impressed by their active participation, Principal Mr Francis Castelino lauded the cadets as agents of positive change. He emphasised the importance of such initiatives in creating a ripple effect of social good, urging them to continue wielding their voices and artistic talents for a brighter tomorrow. Our NCC class, through this workshop, once again demonstrated that true academic excellence lies not only in textbooks but in the hearts and hands that strive to make the world a better place.

MS NILOFER JAFRI'S PROMOTION TO SECOND OFFICER

The College celebrated a momentous occasion as Ms Nilofer Jafri, teacher and ANO of the 19 UP Girls' Battalion of the National Cadet Corps, was promoted to the esteemed rank of Second Officer. The NCC Rank Promotion Ceremony marked this significant milestone, recognising Ms Nilofer's outstanding performance, dynamic leadership, and unwavering dedication to the battalion's core values.

Adorned with the coveted badge by Command Officer Col Deepak Kumar and Administrative Officer Major Divya Sharma, Ms Nilofer received well-deserved recognition for her contributions. Col Kumar expressed heartfelt appreciation for her exceptional leadership skills, resilience in the face of challenges, and remarkable decision-making abilities, setting a high standard for all battalion

members.

Principal Mr Francis Castelino proudly praised Ms Nilofer's achievement, emphasising that the entire College community joins in celebrating this commendable accomplishment. The College eagerly anticipates witnessing her continued success and growth in her elevated role as Second Officer.

NCC BRILLIANCE: COL DEEPAK KUMAR'S VISIT

On October 19, 2023, the College was honoured by the visit of Col Deepak Kumar, Commanding Officer of the 19 UP Girls' Battalion. Principal Mr Francis Castelino warmly greeted him, guiding a detailed tour of the College. Col Kumar expressed deep appreciation for the well-equipped and well-maintained NCC room and the precision in NCC drills and training.

Addressing the NCC cadets, Col Kumar lauded their remarkable performance in the Certificate 'A' examination, with a majority achieving an 'Alfa' grade. ANO Nilofer Jafri received commendation for her exemplary training and session activities. Col Kumar acknowledged the College's steadfast support, emphasising NCC's fundamental principles of hard work, unity, and discipline, particularly crucial in challenging times. He underscored the

academic and vocational advantages for NCC cadets, encouraging them to evolve as future leaders.

The event witnessed graduating cadets receiving their well-deserved Certificate 'A' amid enthusiastic applause. Vice Principal Mr Sachindra Bharti conveyed gratitude in his closing remarks. Concluding the event, the cadets filled the air with patriotism and unity through the stirring notes of the inspiring NCC song.

NCC CADETS' TRIUMPH

In an impressive show of cohesion and discipline, the College distinguished itself at the Annual NCC Training Camp hosted by the 20 Battalion at the G. C. R. G. Memorial Institution, Lucknow, spanning from November 28 to December 7, 2023. The 18 participating cadets, endearingly known as the 'Cute Cadets' for their commendable demeanour, not only made a lasting impression but also received acclaim from all quarters.

Cadets Anayah Siddiqui, Sausan Zehra, and Qudsiya Fatima, lauded for their exceptional prowess, assumed the prestigious mantle of Regimental Police. Their triumphs in diverse competitions elevated the College's prestige:

Anayah Siddiqui: Gold (Essay Writing)

Sausan Zehra: Gold (Best Duty in R.P.)

Fizza Fatima: Gold (Solo Dance) & Silver (Volleyball)

Maryam Jafri: Gold (Obstacle Race) & Silver

(Volleyball)

Qudsiya Fatima: Silver (Debate) & NCC T-shirt for the Best Cadet

Anayah, Sabika, Kisa, Sausan, Mehdi, and Rabab: II (Group Song)

Unity College: Best in Drill Competition

These accomplishments underscored the cadets' resilience, showcasing their adeptness in manoeuvring through diverse situations, be they favourable or challenging. Principal Mr Francis Castelino conveyed his sincere congratulations to the cadets, recognising their exceptional determination, talent, and discipline. Furthermore, he praised ANO II Officer Ms Nilofer Jafri for her steadfast commitment and exceptional service in nurturing and guiding the cadets towards excellence.

The College's tradition of excellence persists through the triumphs of its NCC cadets, establishing a lofty standard for generations to come.

EDUCATIONAL TRIPS

RANGOTSAV 2023 ART EXHIBITION

The College made its debut at the 'Rangotsav 2023' Art Exhibition in Lucknow, hosted by Phoenix Palassio. On April 21, a spectacular display featuring over 800 artists, including fourteen from the College,

showcased diverse themes. Principal Mr Francis Castelino honoured the students during a morning assembly on July 15, acknowledging the guidance of Art Teacher Ms Neha Prajapati.

EDUCATIONAL EXCURSION TO KUKRAIL FOREST RESERVE

Class XII-B students, accompanied by Science Teachers Ms Huma Rizvi and Ms Eva Abbas, explored Kukrail Forest Reserve on August 19, 2023. Around the forest, the bundles of inquisitive minds encountered a diverse array of plant and animal species, guided by knowledgeable experts who illuminated the intricate concept of ecosystems and

their conservation. This experience fostered a deep appreciation for the delicate balance of life within these habitats, emphasising the importance of preserving wildlife and their environments. Through engaging hands-on Environmental Science activities, students expanded their understanding while connecting theory with real-world applications.

EDUCATIONAL TRIP TO UP STATE ARCHIVES

On September 8, 2023, class XII A Humanities (History) visited the UP State Archives in Lucknow, guided by Mr Mohd Mohiuddin. This insightful trip broadened their comprehension of India's historical tapestry. Exploring the library, students encountered a treasure trove of artefacts spanning Ancient, Medieval, and Modern historical epochs. They gained first-hand insight into preservation

techniques, including silica gel and tissue papers. Highlights included the Original Map of Lucknow from 1871 and a telegram detailing Rani Laxmi Bai's news. An exhibition on India's Freedom Struggle Movement immersed students in historical documents, evoking nostalgia. Gratitude was expressed to Mr Amitabh Pandey and his team for imparting comprehensive knowledge.

EXPLORING THE WORLD OF BANKING: VISIT TO SBI MAIN BRANCH

On September 16, 2023, classes XI and XII visited the State Bank of India's Main Branch in Lucknow. Led by Commerce Teachers Ms Ghazala Jafri, Mr S Kazim Imam, and Mr Ishan Derick Singh, the tour aimed to introduce fundamental financial concepts. Mr Ritesh Malviya, the Salary Head, provided valuable insights and guided students through a heritage gallery showcasing the bank's rich history. Gratitude was extended to Ms Kiran

Chaudhary, Manager Personnel. The visit included witnessing a SBI locker sealing and experiencing live bank functions. Dedication from DGM Rajesh Meena and LMB Anurag Asthana made this opportunity possible, evoking heartfelt gratitude from both teachers and students. Overall, the SBI Main Branch visit offered a remarkable glimpse into the workings and intricacies of the banking industry.

THEOLOGY

CELEBRATING EID-E-GHADEER

On July 7, 2023, the College celebrated Eid-e-Ghadeer with vibrant enthusiasm. The morning assembly featured a divine rendition and an engaging quiz curated by Ashar Abidi. The talented girls of class XII added melody with a Qaseeda praising Imam Ali, creating a lively atmosphere. The highlight was a captivating presentation, 'Timeline of Imam Ali's Life,' by

students from classes III and IV, offering insights into significant events of Imam Ali's (AS) life.

Principal Mr Francis Castelino commended the students and teachers for their efforts in promoting unity and inclusivity within the school community.

MUHARRAM SPECIAL ASSEMBLY

The Theology Department organised a six-day Muharram Special Assembly (July 20-25) in the College, highlighting the significance of this sacred month in Islamic culture. The assemblies began with heartfelt recitations of Qur'anic verses and quotes about Imam Hussain, symbolising selfless sacrifice, courage, and compassion. Students'

soul-stirring elegies evoked grief and remembrance for the tragedy of Karbala. Class V's informative presentation showcased the A-Z of commemorating Muharram, from "Ashura" to "Ziarat". Principal Mr Francis Castelino urged students to draw life lessons from Karbala's events.

ARBA'EEN ASSEMBLY

The Primary Section held a special Arba'een assembly on September 6, 2023, to honour the martyrs of Karbala. The assembly began with the recitation of Qur'anic verses and a pledge, followed by a poignant elegy by S Mohd Muntazir Zaidi. Other class V students also eloquently depicted the tragedy of Karbala

through an emotional elegy. The National Anthem was recited at the end, marking the conclusion. Principal Mr Francis Castelino exhorted students to embrace righteousness and values like love, perseverance, and helping others.

EID-E-ZAHRA ASSEMBLY

The College celebrated Eid-e-Zahra and Imam Mehdi's leadership with a vibrant spiritual assembly on September 25, 2023. The assembly began with Masooma Zehra's heartfelt recital of Surah Al A'la, followed by Farwa Fatima's Qaseeda, 'Chalke Duniya ka Dekhe Nazara'. The assembly emphasised

discipline, regularity, and sincerity in studies, inspiring students to embrace positive change daily. The National Anthem concluded the event. Principal Mr Francis Castelino echoed these sentiments, urging all present to strive for excellence as students and virtuous citizens.

HONOURING PROPHET MOHAMMAD (PBUH) AND IMAM JAFAR AS-SADIQ (AS)

On October 3, 2023, the Primary Section held a special assembly to honour the birth anniversary of Prophet Mohammad (PBUH) and Imam Jafar As-Sadiq (AS). The assembly began with a Qur'anic recitation, followed by an experiment dedicated to Imam Sadiq's contributions to Science, Biology, and Astronomy. The assembly unveiled Imam Sadiq's (AS) founding of 4000 global

universities, with scholars like Geber bin Hayan as his esteemed students. The melodious naat, 'Ya Man Salaita Bikulli Anbiya,' added a spiritual dimension, concluding patriotically with the National Anthem. The assembly served as a tribute to these two eminent leaders and scholars, celebrating their invaluable contributions to knowledge and education.

CELEBRATING ALI ASGHAR DAY

The College held a dual celebration on November 20, 2023, blending International Children's Day and Ali Asghar Day. The assembly, led by class IX-A, highlighted Hazrat Ali Asghar's life, his unwavering patience, and his legacy as the youngest martyr of Karbala.

The 'Marsiya' presentation poignantly echoed his incredible bravery.

Principal Mr Francis Castelino urged students to embrace truth, patience, and courage over worldly gains, highlighting the importance of patience in a purposeful life.

COMMEMORATING AYYAM-E-FATIMA

On December 16, 2023, the College commemorated Ayyam-e-Fatima with a poignant assembly honouring the revered Bibi Fatima (SA). Quranic verses and a meaningful quote of Bibi Fatima (SA) on modesty set the tone, followed by Waliya Zehra's (XI-C) enlightening talk on her life and virtues. Hal Ata Abbas delivered a compelling Urdu speech, highlighting Bibi Fatima as a symbol of strength, resilience, and women's empowerment. Classes IV and V took centre stage with a special presentation acknowledging Bibi Fatima (SA), drawing insights from Quranic verses mentioning her name and key aspects of her life. Syeda Iman Butool (VIII-A) concluded the assembly with a soulful 'Marsiya', leaving a profound impact. Principal Mr Francis Castelino encouraged students to adopt Bibi Fatima's (SA) exemplary virtues like honesty, truthfulness, generosity, compassion, and commitment to justice.

CELEBRATING THE LEGACY OF IMAM HUSSAIN (AS): A SPECIAL ASSEMBLY

On February 14, 2024, the Primary Section of the College exhibited great excitement as they gathered for a special assembly celebrating the birth anniversary of Imam Hussain (AS), the grandson of the Holy Prophet (PBUH). The assembly commenced with the serene recitation of the first six verses of Surah Fajr, revered as 'Hussain ibn Ali's Surah', followed by the solemn recitation of the pledge.

The atmosphere was further energised with the vibrant rendition of 'Har Zamana Mere Hussain Ka Hai,' a popular manqabat celebrating the timeless message of Imam Hussain (AS). To further engage the young minds, an interactive quiz tested their knowledge of the legendary figure's life and values. The excitement was palpable as eager hands shot up, revealing a commendable depth of understanding among the students.

Principal Mr Francis Castelino praised the students for their active participation,

highlighting the importance of courage in learning and emphasising that seeking knowledge is valuable regardless of the fear of making mistakes. The assembly concluded with the rendition of the National Anthem, fostering a sense of national pride and unity.

This special assembly offered a meaningful opportunity for the students to connect with the legacy of Imam Hussain (AS). The assembly not only deepened their understanding of his life and values but also instilled in them the importance of courage, knowledge, and unity.

15 SHABAN SPECIAL ASSEMBLY

Unity College commemorated the birth anniversary of the Twelfth Holy Imam, Al-Mahdi (ATFJ), with a special morning assembly led by Iqbal House on February 24. The assembly commenced with the recitation of the Qur'anic verses by Mantasha Rizvi from XI-A, setting a reverent tone. In devotion to the Twelfth Imam, the Primary students—Marzia Fatima IV-B, Ramiza Fatima V-A, Areeba Mehdi V-B, Sakina Rizvi V-B, S M Muntazir Zaidi V-B, Saqib Ahmad V-C, and Mohd Yameen V-A—melodiously presented the Qaseeda 'Salam Farmande'. Zahra Ijaz from VIII-A contributed a spiritually uplifting presentation, 'Call Imam Mahdi.' These performances added a celestial touch to the celebration, honouring Imam-e-Zamana.

Principal Mr Francis Castelino encouraged students to embody the virtues of steadfastness, humility, and brotherhood inspired by this exemplary leader. Let us fervently pray for the swift appearance and well-being of Imam Mahdi (AJTF).

COUNSELLING SESSIONS (WEBINARS AND SEMINARS)

FLIGHTS OF ACADEMIC AVENUES

Era Medical College, Lucknow, hosted an educational counselling session for class XII Science stream students on April 28, 2023. Speakers from the Department of Optomedical, Mr Sunil Gupta and Professor Ajay Deep Singh along with a renowned nursing expert, Ms Anuja Srivastava, provided insights into post-intermediate options and careers in various fields. AROMATIC AND MEDICINAL PLANT QUIZ

On Saturday, October 21, 2023, the College and CIMAP CSIR jointly organised an online quiz on aromatic and medicinal plants. The quiz was a thrilling adventure for students, with 'Team H' emerging as the triumphant group. Following the competition, Mr Salim Khan, a distinguished CSIR drone pilot, addressed the students, shedding light on the pivotal role of drone technology in agriculture.

The online session extended beyond the quiz, treating students to a captivating documentary on CIMAP's groundbreaking work with various plant species. The event, blending education and entertainment, was guided by Principal Mr Francis Castelino. Other members who orchestrated the session were Vice Principal Mr Sachindra Bharti, alongside Ms Nisar Fatima, Ms Huma Rizvi, and Mr Mehboob Alam.

CSIR-CIMAP

SESSION ON LUCKNOW'S HISTORY AND ARCHITECTURE

On November 20, 2023, Ms Rana Safvi, an Indian columnist and historian, conducted an insightful session at Unity College for class X students. The architectural and cultural richness of Lucknow was discussed in detail, highlighting structures like Chota Imambara, Bada Imambara, Jama Masjid, Picture Gallery, Residency, Shahnajaf, and Satkhanda.

She introduced the concept of Ganga-Jamuni

Tehzeeb, symbolising the fusion of Hindu and Muslim cultural elements. The session concluded with a Question and Answer segment, followed by a vote of thanks from the Vice Principal.

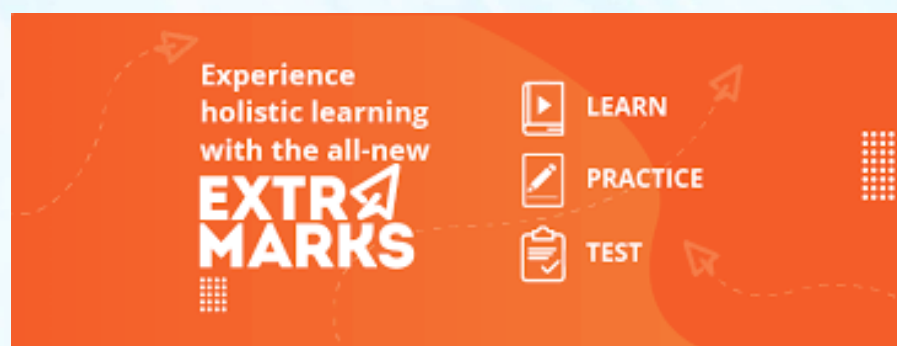

Principal Mr Francis Castelino expressed gratitude to Ms Safvi for fostering a deep appreciation for the city's heritage among the students.

COUNSELLING ON EFFECTIVE COMMUNICATION AND BUILDING RESILIENCE

A two-day counselling session was organised on January 15 and 17 for classes IX and XI, led by Vice Principal Mr Sachindra Bharti and College Counsellor Ms Nisar Fatima. Conducted by Mr Asif Azhar from Extramarks Education, the first day focused on effective communication, covering verbal and non-verbal aspects, active listening, and overcoming communication barriers.

The second day delved into building resilience, addressing emotional recognition and management in stressful situations. Students received guidance on overcoming anxiety, fostering healthy thoughts, and exploring unconventional careers. Principal Mr Francis Castelino expressed gratitude to Mr Azhar for enhancing students' confidence, preparing them for life's challenges.

EXTRAMARKS COUNSELLING AT UNITY

Unity College hosted a two-day interactive Counselling Session titled “Attention Booster and Exam Strategies” for students in classes VI to VIII, facilitated by Mr Asif Azhar and Ms Priyanka from Extramarks Education India Pvt Ltd, on February 6 and 7, 2024.

Ms Priyanka provided insights into maximising academic performance by focusing on essential skills. She delved into techniques for enhancing attention span, improving memory retention, and adopting a disciplined lifestyle. Additionally, she discussed effective exam strategies such as planning, revision methods, practice techniques, and utilising both verbal and visual learning channels for better comprehension. Furthermore, she comprehensively addressed coping mechanisms for exam-related stress.

Mr Azhar emphasised on the importance of emotional intelligence in children. Encouraging a positive outlook, he encouraged students to self-reflect and observe those around them. He highlighted the key factors in fostering healthy peer relationships and reducing team-related stress or conflicts. He concluded with the mantra, “If you want your future better, you need to be better.”

The coordination of the sessions was meticulously handled by Vice Principal Mr Sachindra Bharti and Counsellor Ms Nisar Fatima. Principal Mr Francis Castelino commended the team for initiating counselling efforts even at the Junior Secondary level, contributing significantly to the holistic personality development of young students.

STRESS MANAGEMENT AT UNITY

Unity College organised a stress management workshop for its class XI students on February 8, 2024. The event, facilitated by Times NIE in collaboration with Integral University, Lucknow, aimed to equip students with effective strategies to cope with the pressures of upcoming examinations.

Dr Bushra from Integral University delivered a comprehensive address on the nuances of stress, highlighting its potential physical and mental repercussions. Emphasising the importance of nipping it in the bud, she elaborated on proactive measures to prevent stress from escalating into chronic anxiety. She advocated for maintaining a positive outlook amidst challenges. Furthermore, she encouraged students to adopt disciplined study habits and effective exam preparation techniques from the outset.

Mr Saifuddin Siddiqui, Examination Executive,

stressed on the significance of informed decision-making. He urged the students to thoroughly research their academic pursuits, including factors like fees and placement opportunities. He highlighted the accessibility of Integral University's resources for seeking guidance on educational and career paths worldwide. Drawing inspiration from the remarkable journeys of icons like Dhirubhai Ambani and Sachin Tendulkar, Mr Siddiqui instilled confidence in students, emphasising that setbacks are not synonymous with defeat. He encouraged them to persevere with resilience and patience, trusting that success will eventually manifest at its own pace.

Overall, the workshop provided students with invaluable insights and encouragement, equipping them to navigate academic challenges with confidence and resilience.

TIMES NIE WORKSHOP: MENTAL MATH AND GK

The Times NIE organised a workshop on Mental Math and GK at Unity College for class IX students on February 8, 2024. The objective was to enhance their proficiency in mathematical problem-solving and cultivate quick and accurate calculation skills. Dr Bidyut Saha, the resource person, elucidated various mental calculation techniques and numerology concepts in a straightforward manner. In addition to Mathematics, Dr Saha conducted interactive sessions on stress management and covered current affairs in GK.

The workshop proved beneficial for students grappling with complex mathematical solutions. Principal Mr Francis Castelino expressed gratitude to Dr Saha for simplifying difficult computations and providing the learners with valuable insights.

SPECIAL ASSEMBLIES

MAY DAY GLORY: LT GEN SHAH'S ESTEEMED VISIT

The May Day celebration at the College soared to new heights with the distinguished presence of Lt Gen Zameer Uddin Shah, a retired senior General of the Indian Army, former Vice-Chancellor of Aligarh Muslim University, and former Deputy Chief of the Army Staff (Personnel & Systems). Adorned with prestigious honours like PVSM, SM, and VSM, Lt Gen Shah, a highly respected figure in the Indian Army, delivered an inspiring address to the students.

Commending the college, Lt Gen Shah urged students to explore careers in the armed forces, emphasising the broader benefits. Encouraging a diverse range of

academic interests beyond Mathematics, he advised students to delve into various subjects. He underscored the importance of participating in games and cherishing childhood, extending heartfelt wishes for their future success.

The flawlessly executed assembly by class X students featured a soulful tilawat by Fatima Rizvi, the melodious College Tarana, and an enlightening speech on Labour Day by Fatima Ahmad.

Concluding with an atmosphere of ambition, diligence, and triumph, the inspiring assembly etched an enduring impression on all the attendees.

MOTHER'S DAY

Celebrating Mother's Day on May 15, 2023, the College acknowledged the unparalleled bond shared with mothers. The day unfolded with a special assembly for junior and senior students, featuring an impactful speech by Sajjad Baqri (IX B) on the global significance of this special day. Following this, students from classes IV and V mesmerised the audience with a captivating performance, singing 'If You Love Your Mommy.' Their heartfelt expression

of gratitude resonated profoundly.

Principal Mr Francis Castelino congratulated the students for their exceptional contributions, urging them to embrace virtuous deeds and ethical practices that bring joy to their parents. Despite its brevity, the splendid assembly left an enduring impact, imprinting memories that will last for years to come.

PLASTIC-FREE PLEDGE DAY

The College responded to the global SOS alarm of rising plastic usage and its hazardous effects by organising a special assembly on July 3, 2023, to mark 'Plastic Bags Free Day.' Anticipating the event, the Principal's directive circulated in WhatsApp groups, urging students to refrain from bringing single-use plastic bags.

The assembly featured compelling speeches highlighting the detrimental effects of plastic usage and advocating for the abandonment of plastic items

like straws, spoons, and bags. A unified pledge across the entire College symbolised a collective commitment to reject plastic bags.

In conclusion, Principal Mr Francis Castelino urged the students not to confine this practice to a single day but to embrace biodegradable alternatives in their daily lives. This educational assembly effectively conveyed the importance of environmental responsibility, leaving an indelible imprint on the minds of students and teachers alike.

TMT CHAMPS: RISING STARS

UNITY DEMANDS JUSTICE: UPSA & APS

On August 8, 2023, the Unity Staff assembled on the College grounds in a compelling display of unity and solidarity. Their unequivocal mission was to staunchly support the pursuit of justice following the alleged suicide of a class XI girl within the college premises in Azamgarh, which had already sent shockwaves through the community with the arrests of the Principal and a teacher. The resonating voices of the Unaided Private School Association (UPSA) and the Association of Private Schools (APS), along

with the Unity Staff, merged into a determined collective force. Together, they stood as formidable advocates for a meticulous and unbiased investigation into the incident. The call for justice echoed unwaveringly, and as the meeting concluded, a profound silence enveloped the assembly, with heads bowed in a solemn minute of reflection, marking a poignant conclusion to the impactful gathering.

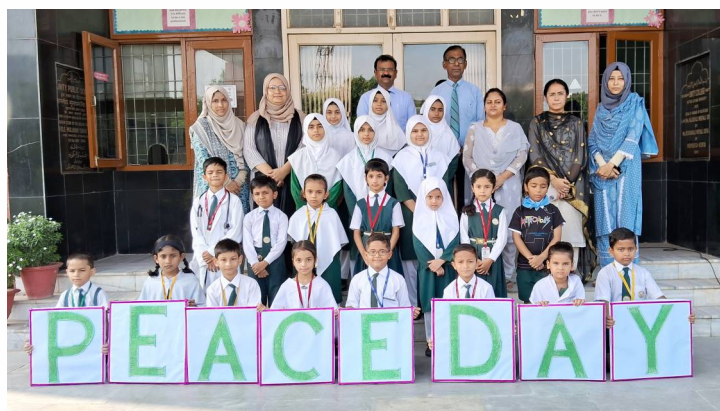

WORLD PEACE DAY ASSEMBLY

The Primary and Pre-Primary Sections of the College orchestrated a special assembly on September 21, 2023, to commemorate World Peace Day, seamlessly blending spirituality and fervour. The ceremony commenced with a soulful recitation of the Holy Quran, followed by the pledge and a prayer for world peace.

Radiant Pre-Primary students captivated the audience with their articulate reflections on the profound essence of peace. The Primary Section students impeccably executed a touching skit titled 'Gift of Peace,' marking the zenith of the event. This enchanting performance artfully underscored the

indispensable roles of kindness and serenity in our existence.

Commending the children's stellar presentation, Principal Mr Francis Castelino emphasised the crucial need for fostering peace within ourselves, our families, and our communities, deeming it a necessity for our times. Vice Principal Mr Sachindra Bharti praised the students, accentuating the paramount importance of politeness in interpersonal dealings. The assembly served as a poignant reminder of the profound significance of peace, kindness, and unity, urging collective endeavours for a more harmonious world.

HONOURING BAPU AND SHASTRI

A special assembly unfolded on October 3, 2023, honouring Mahatma Gandhi's exemplary leadership. Echoing his esteemed quote, 'Be the Change You Wish to See in the World,' the event commenced with soul-stirring renditions followed by a compelling speech by Aliya Zaidi (VI-A). Aliya emphasised Gandhi's unwavering commitment to non-violence and shared insights into how India's Swachh Bharat Abhiyaan drew inspiration from his principles. She stressed Gandhi's belief in cleanliness and his profound respect for nature.

Zainab (VI-A), shared intriguing facts about Bapu.

Additionally, on the birth anniversary of former Prime Minister Lal Bahadur Shastri, Shuja Haider delivered the slogan 'Jai Jawan, Jai Kisan,' shedding light on Shastri's visionary life.

Principal Mr Francis Castelino motivated students to embrace cleanliness in personal spaces, homes, schools, and surroundings. He urged them to be catalysts of positive change, aligning with the principles of Mahatma Gandhi and Lal Bahadur Shastri for a path to success and happiness. He further encouraged environmental conservation through reduced plastic usage and waste management.

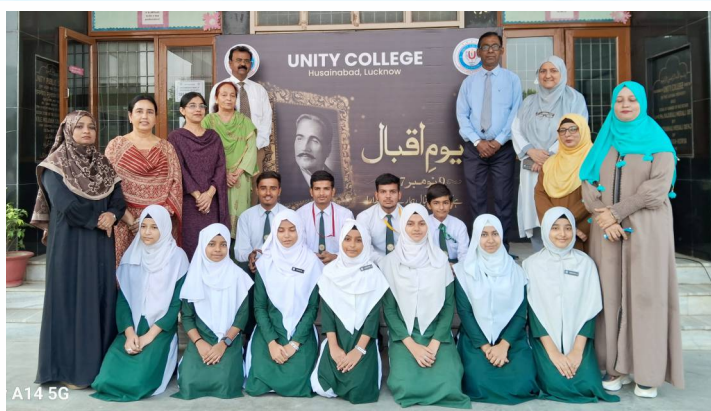

ALLAMA IQBAL DAY

On November 9, 2023, the College celebrated Iqbal Day, paying homage to the birth anniversary of Allama Iqbal, an eminent figure in Urdu Literature. Masooma Zaidi (V-A) initiated the assembly with a divine rendition, and Qaseem Abbas (XI-D) led the pledge. The event acquired depth with Shazan's (VII-A) insightful quote from Iqbal's renowned poetry, 'Yaqeen Mohkam, Amal Paiham, Mohabbat Fatehe-e-Alam, Jihade Zindagani Mein Hain Ye Mardon Ki Shamsheerein.' Innama Abbas (VI-C) stirred the audience with a compelling Urdu speech, while Bushra Mirza (VII-B), Aqueela Zainab (XI-A),

and Syed Mohd. Sajjad Rizvi (XII-B) sang soulful ghazals, complementing the atmosphere.

The patriotic spirit soared as students from classes IV and V united in song with 'Sare Jahan Se Accha Hindustan Hamara.' Vice Principal Mr Sachindra Bharti added zest, quoting inspiring Urdu lines, and Principal Mr Francis Castelino applauded the performances, encouraging an enthusiastic approach to language learning. The event stood as a distinguished tribute to Allama Iqbal's significant contributions to Urdu Literature and his enduring legacy.

CHRISTMAS CELEBRATIONS

On December 22, 2023, the College embraced the festive spirit of Christmas with a heartwarming assembly uniting students and teachers. The gathering delved into the true essence of Christmas, emphasising the values of sharing and caring. A captivating parody traced the life journey of Jesus Christ, highlighting the profound truth that although we may make plans and hold aspirations, it is ultimately God's purpose that prevails, guiding humanity towards the best. The programme resonated with timeless carols like 'We Wish You a Merry

Christmas' and 'Prince of Peace,' beautifully rendered by choirs from both Primary and Secondary Sections. Warm Christmas wishes and lovely cards were extended to Principal Mr Francis Castelino and the Christian teachers, acknowledging their guidance and contributions. Mr Castelino underscored the transformative power of love, urging students to cherish and nurture relationships. Santa Claus sprinkled gleeful joy by distributing Christmas candies and love, casting an enchanting spell that made the celebration truly unforgettable.

TEACHERS' COUNSELLING AND TRAININGS (WEBINARS AND SEMINARS)

TEACHERS' ORIENTATIONS AND WORKSHOPS

The different orientation programmes, staff meetings, and workshops held for the teachers to continually enhance their teaching skills and align with evolving strategies and teaching methodologies were as follows:

- A Fitzroy Reader Teachers Training Session for Primary Section teachers, led by Ms Prashansa Jain, on June 27 2023, focused on modern phonics techniques and interactive activities. The session, held after the summer break, aimed to enhance students' phonological and phonemic awareness, which form the foundation of effective reading programmes.
- Principal Mr Francis Castelino and Vice Principal Mr Sachindra Bharti conducted a staff meeting on June 27, to outline key points such as effective syllabus completion, student counselling, and communication skills.
- On June 28, an Oxford University Press workshop explored the National Education Policy (NEP) and National Curriculum Framework (NCF). Resource persons Ms Swagata Chakraborty and Mr Nitish

Agarwal highlighted NCF's vision and transformative changes, urging teachers to adopt 21st-century learning skills.

- In a staff meeting on July 1, College Secretary Mr Najmul Hasan Rizvi along with Principal and Vice Principal emphasised professional conduct, classroom management, and effective teaching practices. The meeting addressed concerns such as low attendance in remedial classes, concluding with a focus on creating a progressive learning environment aligned with ethical education.
- In October, the Council for the Indian School Certificate Examination (CISCE) organised a Capacity-Building Webinar, drawing enthusiastic participation from subject teachers, receiving guidance on crafting impactful multiple-choice questions and free-response questions relevant to their respective subjects.

These interactive sessions provided staff with the opportunity to upgrade their skills, enhancing their ability to provide quality education and foster lifelong learning.

THE URGE FOR READING

On August 1, 2023, in observance of World Wide Web Day, the Early Childhood Association for Primary Education and Research (ECA-APER) organised a webinar titled 'Reading in the Time of the Internet.' The session, attended by English teachers from the Primary Section, discussed the benefits of reading and strategies for instilling good habits in children. Ms Reeta Ramamurthy Gupta, a Network

18-affiliated critic and biographer, highlighted the enjoyable nature of reading and recommended granting children the freedom to choose reading material. The webinar concluded with an interactive Question and Answer session for valuable insights into making reading an engaging experience for children.

EXPLORING ROBOTICS AND ARTIFICIAL INTELLIGENCE

The Council for the Indian School Certificate Examination (CISCE) held an enlightening webinar for Primary and Secondary Section teachers on August 2, 2023, highlighting the growing importance of Robotics and Artificial Intelligence (AI) and Coding. The webinar, aligned with NEP 2020, announced the formal introduction of these subjects in classes IX and X in 2025, with future plans to

integrate them at the ISC level alongside coding. Renowned experts underscored the widespread career opportunities in Robotics, urging teachers to familiarise themselves with the curriculum before incorporation. The webinar provided teachers with an enhanced educational experience in this dynamic field.

ENHANCING FINANCIAL LITERACY

The National Centre for Financial Literacy (NCFL) conducted a webinar on August 8, 2023, emphasising the importance of financial literacy in shaping responsible citizens.

The webinar discussed the integration of financial literacy into the curriculum, particularly in Commerce and Accounts subjects, and the importance of understanding financial investments and elucidating their risks and potential gains.

Experts recommended the inclusion of 'A Handbook of Financial Literacy,' a CISCE publication, in every library to provide practical tools to educational institutions for imparting essential financial literacy. The webinar was attended by Principal, Mr Francis Castelino and Vice Principal, Mr Sachindra Bharti. It left a lasting impression, empowering students with practical financial knowledge.

ART INTEGRATED WORKSHOP

On September 9, 2023, Unity Teachers Ms Seema Kazmi and Ms Neha Prajapati attended an Art Integrated Workshop organised by Oxford University Press and Faber Castle at Hotel ITC Fortune, focusing on integrating Art with subjects like EVS, Mathematics and English. The workshop explored foundational elements of Art and incorporated

practical Art techniques. Participants engaged in activities like crafting puppets and notebooks, highlighting the potential of transforming waste materials into productive art forms.

The workshop facilitated the teaching of complex concepts in various subjects, emphasising Art as a medium for teaching and learning.

ASEEMA MONTESSORI TRAINING SESSION

A five-day intensive training session on Montessori Education unfolded at the College from December 4 to 8, 2023, under the guidance of Ma'am Casilda and Ma'am Jeanne from ASEEMA, Mumbai. Teachers from Pre-Primary and the II Shift, along with UEP teachers, participated in the informative and inspiring programme.

Through diverse teaching aids and mechanisms, the training aimed to make learning easier, more interesting, and ultimately more effective for students. Practical life activities, such as washing hands and clothes, were explored, connecting Montessori principles with real-life situations. The decimal number system, including addition and subtraction, was covered, laying a strong foundation for mathematical understanding. Activities like sound variations, team building, and colour experiments nurtured not only intellectual growth but also social and emotional development. Confidence, positivity, and patience were emphasised as crucial qualities for teachers to possess while guiding and unlocking

students' potential.

The key highlights of the session included the introduction of senses beyond the primary five, like Kinesthetic and Thematic, enriching the learning experience. Engaging activities like 'I Spy' and 'Mystery Bag' kept participants actively involved and stimulated their learning. Examples of practical life activities, such as buttoning, dressing frame activities, and self-care practices, were incorporated, emphasising independence and life skills development. Phonics sounds were explained through flash cards, while tracing was encouraged using salt or sand trays. The training went beyond academics, touching on the spiritual aspects of education and fostering a sense of connection and mindfulness.

Overall, the ASEEMA training session provided a valuable learning experience for educators, equipping them with effective tools and a holistic approach to Montessori Education.

VIRTUAL MEETING BY CISCE FOR CONDUCT OF 2024-25 EXAMINATIONS

The recent virtual meeting organised on January 25 by the Council for the Indian School Certificate Examinations (CISCE) served as a crucial platform for the Chief/Supervising Examiners to deliberate on the meticulous planning and execution of the ISC Year 2024 Examination. Discussions centred on pre, during, and post-exam responsibilities, covering aspects such as the procurement of examination stationery, handling of answer booklets, attendance

recording, 2D barcode utilisation, dispatch procedures, and post-exam reporting. The comprehensive dialogue successfully dispelled any uncertainties among examiners, offering precise directives for ensuring the seamless conduct of the impending board exams. This meeting proved invaluable in fostering clarity and confidence among those entrusted with the vital task of overseeing the examination process.

MONTESSORI TRAINING AT ASEEMA CHARITABLE TRUST, MUMBAI

From March 18 to March 21, 2024, educators from our College participated in a transformative Montessori Training Program hosted by the Aseema Charitable Trust in Mumbai. The program aimed to enrich their professional development and was attended by both morning and II shift teachers with great enthusiasm. Notable participants included Ms Saleha Khatoon, Ms Rida Mirza, Ms Zehra Fatima, and Ms Samreen Fatima.

Under the guidance of experienced trainers Ms Geeta Subedar, Education Director – Std. VI to X, Delnaz Master, Education Director – Pre-Primary to Std V, and Ms Jienne Marrie, the training delved deeply into Maria Montessori's educational approach, providing invaluable insights into child development. The sessions emphasised the importance of observation, creating a prepared environment, and utilising appropriate materials, which strongly resonated with the participating teachers.

A significant takeaway from the training was the encouragement to tailor teaching to each individual

child, fostering independence and self-exploration. The teachers found great satisfaction in witnessing students evolve into joyful, independent learners.

The practical skills and knowledge gained during the training have significantly enhanced the teachers' abilities and instilled them with confidence to excel in their roles. They are eager to implement the acquired knowledge, committed to making meaningful contributions to their teaching practices. The meticulous attention to detail demonstrated by the instructors was particularly commendable, with every insight valued and appreciated.

Led by Ms Dilbur Parakh, Chairperson, and Trustee, the Montessori training at Aseema Charitable Trust has empowered teachers with a deeper understanding of child development and effective teaching methodologies, fostering a conducive environment for student learning and growth. The coordination of the overall programme was efficiently handled by Ms Bushranaz Shaikh, Director – School Operations and Services.

PRE-PRIMARY ACTIVITIES

We are delighted to unveil the captivating fusion of fun and learning at our College. This edition showcases the imaginative classroom endeavours of our young learners, a testament to the vibrant atmosphere where exploration and growth flourish.

RAMADAN FESTIVITIES

On April 19, 2023, the Pre-Primary Section brimmed with vibrant energy as they engaged in a meaningful Ramadan celebration themed 'Feel Ramadan.' This meticulously orchestrated event by the teachers aimed to sow the seeds of virtue and spiritual awareness in the young hearts through enjoyable and educational activities.

The Lower Nursery students embarked on a journey of crafting 'Tasbeehs,' their tiny fingers weaving magic in the form of beads and whispering tales of driving away negativity and seeking Allah's pleasure. Meanwhile, the Upper Nursery students joyously engaged in purse-making, echoing the spirit of generosity and giving that Ramadan embodies. Prep students, with eyes sparkling bright, created a 'Salah

These endeavours, aligned with our holistic development approach, fuel their well-rounded growth, fostering intellectual curiosity and a lifelong love of learning.

Garden,' nurturing their faith and fostering a passion to perform good deeds.

This celebration wasn't just about festivity; it was a tapestry woven with collaboration, understanding, and inclusivity. In this vibrant atmosphere, essential values blossomed alongside laughter and joy, leaving an indelible mark on the young minds.

EID EUPHORIA

On April 24, 2023, the little munchkins of the College joyfully celebrated Eid, a festival that symbolises brotherhood, love, and secularism. The day commenced with an enlightening session for

children, unravelling the significance of Eid ul Fitr. Students, adorned in their finest attire, participated in entertaining activities centred on the festive theme, creating lasting memories.

In Lower Nursery, children expressed their love by making heartfelt cards for their mothers. Upper Nursery students showcased their creativity by crafting the iconic symbols of Islam-the star and the moon, in their scrapbooks. Meanwhile, Prep students crafted Eid envelopes, acquainting themselves with the delightful tradition of giving money during celebrations.

This celebration promoted cooperation, collaboration, and teamwork among students, fostering enjoyment and pleasure in a relaxed environment. The exchange of handmade crafts and the sight of children dressed in traditional costumes further enriched the festive atmosphere, reflecting the values of Eid and the joy it brings to hearts.

MOTHER'S DAY TRIBUTE

Mother's Day was celebrated on May 5, 2023, recognising the invaluable role of mothers in nurturing their children. The teachers instilled the importance of the mother-child bond through engaging stories that conveyed a mother's selfless love and care. The young ones made heartfelt cards for their mothers, with Lower Nursery students crafting 'Mom Holds the Key' cards, symbolising the pivotal role mothers play in unlocking life's mysteries for their children. Upper Nursery students designed purse-shaped cards, and Prep students created

personalised 'Mom, You Light Up My Life' cards.

This celebration allowed students to express their gratitude and affection while honouring the universal theme of maternal love. The Pre-Primary Section successfully created a touching tribute to the heart of every home, honouring mothers for their immeasurable contributions and unwavering dedication to their children's lives. The event brought joy and smiles and served as a meaningful platform to express love, respect, and appreciation for mothers.

EID-E-GHADEER

The College buzzed with the spirit of Eid-e-Ghadeer on July 7, 2023, as students and educators celebrated the momentous event with an enlightening assembly that transported everyone to the heart of this historic occasion. Teachers expertly illuminated the importance of Al-Ghadeer, its historical backdrop, and the pivotal role of Imam Ali's (AS) Wilayat in Islam. They skillfully instilled in the students the responsibility of carrying this knowledge forward, highlighting the value of learning history's crucial chapters.

The celebration resonated even in the youngest hearts of the Pre-Primary Section. Lower Nursery students crafted vibrant badges, connecting with the day's essence, while Upper Nursery students crafted

symbolic lamps, representing illumination and enlightenment. In Lower Nursery, a unique activity unfolded, outlining the scene of the appointment of Ali Ibn Abi Talib as the Prophet's (PBUH) successor, allowing the young minds to vividly experience this historical moment.

Warm Eid-e-Ghadeer greetings echoed among colleagues and well-wishers, acknowledging the historical declaration of the Wilayah of Imam Ali (AS). Prayers for the reappearance of Imam Mahdi (ATFS) lent a spiritual depth to the event, transforming it into a journey of knowledge, faith, and profound respect for the historical richness of Eid-e-Ghadeer.

HYGIENE DAY

The tiny explorers celebrated Hygiene Day on July 13, 2023, fostering awareness and knowledge about dental, food, and personal hygiene through engaging activities tailored to each age group.

In Lower Nursery, students mastered proper tooth brushing techniques, documenting their experiences in scrapbooks. Upper Nursery students explored personal hygiene, learning about nail cutting, dental hygiene, and earbud usage through interactive activities. Prep students delved into the significance

of bathing, hand washing, hair cutting, and overall cleanliness through engaging activities in their scrapbooks. These hands-on experiences, complemented by informative clips, fortified their understanding and empowered the children to seamlessly incorporate good hygiene practices into their daily lives.

Hygiene Day successfully promoted essential hygiene practices, ensuring the well-being of our youngest learners.

KARGIL VIJAY DIWAS

On July 25, 2023, the tiny patriots held a series of meaningful activities commemorating Kargil Vijay Diwas aiming to instill a strong sense of patriotism and national pride in its young students.

The students enthusiastically participated in engaging activities like Soldier Making and Soldiers Caps, using cups exploring the valour of our soldiers and the significance of uniforms and discipline in the armed forces. They further expressed their gratitude for the brave martyrs of the Indian Armed Forces who

sacrificed their lives and emerged victorious in the Kargil War on July 26, 1999, through brush-painted 'Fabric Posters.'

Guided by dedicated teachers, the students grasped the relevance of Kargil Vijay Diwas and its heroes. Headmistress Ms Kainaat Mansoor, commended their enthusiasm and creativity, emphasising the impact of such commemorations on fostering admiration and respect for India's military in the hearts of young children.

FIRST AID AWARENESS DAY

A vibrant First Aid Day was celebrated on August 9, 2023. Through a kaleidoscope of interactive activities and creative expression, young minds dove deep into the world of first aid, unravelling its vital role in saving lives.

Exploring a comprehensive first aid kit ignited curiosity among the students and sparked lively discussions about wound care, bandaging techniques, and emergency protocols. A rapid-fire quiz solidified learning, expounding the meaning, objectives, and significance of the kit. Additionally, students gained insights into handling diverse emergency scenarios, ranging from managing shock and bleeding to responding to snake bites, equipping themselves with practical knowledge and appropriate actions.

Creativity blossomed in Lower Nursery as students inspired by the rhythmic thump of a healthy heart, crafted their own stethoscopes using headbands, ribbons, and bandages. Upper Nursery students showcased their artistry by transforming bandages and sterile gauze into fluttering butterflies, a poignant metaphor for the swift and transformative power of timely first aid. Meanwhile, Prep students, recognising the invaluable contributions of medical professionals, proudly donned doctors' aprons

fashioned from white chart paper and vibrant red ribbons, symbolising their budding understanding of this noble profession.

The celebration culminated with students pledging to share their newfound knowledge, fostering a proactive approach to tackling minor injuries. First Aid Day underscored the importance of integrating practical experiences into education, empowering future generations to navigate life with confidence and care.

INDEPENDENCE DAY

Patriotic fervour pulsated on August 16, 2023, celebrating Independence Day through a tapestry of creative activities. Lower Nursery students proudly painted their palms in vibrant tricolour, showcasing a spirit of profound patriotism. Upper Nursery students' imaginations soared as they crafted hot air balloons, with aspirations as lofty as their creations. Prep students showcased their imaginative brilliance by transforming paper plates into exquisite butterflies, each colour mirroring the diversity of India's social fabric.

Delectable treats capped the celebration, a sweet reminder of our collective commitment to our nation. But beyond the festivity, the day nurtured budding hearts with the spirit of patriotism and the legacy of freedom. Knowledge of historical milestones and civic responsibility resonated throughout the event, leaving an indelible mark on every participant.

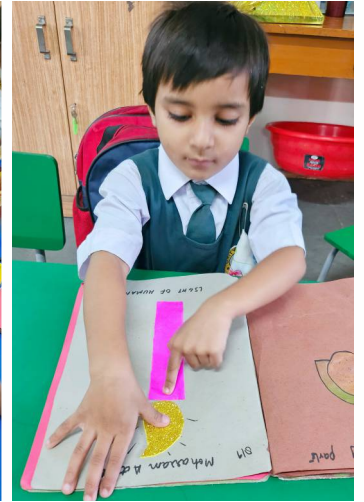

RAKSHA BANDHAN

The sacred bond of siblings was honoured by celebrating Raksha Bandhan on August 30, 2023, with great joy and deep reverence. Pre-Primary children eagerly participated in the heartwarming tradition of crafting and tying rakhis, their unique creations crafted from silken threads and ribbons, infused with childish pride and heartfelt affection. This hands-on activity not only showcased the artistic prowess of the students but also beautifully embodied the essence of the festival: protection ('Raksha') woven into the very fabric of sibling love ('Bandhan').

Beyond the artistic beauty of these delicately crafted rakhis, the day served as a platform for understanding the festival's broader significance. Through discussions and activities, students grasped the essence of this sacred bond, recognising Raksha Bandhan as a celebration of love, unity, and unwavering trust. Raksha Bandhan festivities not only solidified the emotional ties within the school community but also served as a powerful reminder of the enduring values that bind siblings together.

MUHARRAM

Muharram, a time for reflection and learning, resonated within the walls of our Pre-Primary classrooms on September 8, 2023. Guided by the spirit of Imam Hussain (AS), young minds embarked on a journey of understanding, compassion, justice, and equality.

In a creative collage titled 'No Junk Food in Tabarruk,' Prep students used empty packets to raise awareness about healthy eating choices; their artwork silently rebelled against harmful foods. This activity, a testament to their artistic flair, also sowed the seeds of responsible dietary habits.

Upper Nursery children engaged in a symbolic activity called 'Mashq,' emphasising the importance of giving water to the deprived, a reminder of how Imam Hussain (AS) and his companions were denied

water. This simple gesture resonated with the immense courage and sacrifice of Imam Hussain (AS), reminding them of the importance of kindness, especially towards those facing injustice.

Finally, Lower Nursery students illuminated the path of humanity by crafting paper candles. These flames of goodwill served as a beacon of love, compassion, and the enduring legacy of Imam Hussain.

Dedicated teachers guided young minds on a creative journey through Muharram, where they actively learned the timeless values of dignity, compassion, and social responsibility. Grasping the importance of cleanliness, they echoed Hussain's unwavering faith and kindled the flames of love and justice, laying the groundwork for a future generation guided by kindness and bravery.

RECITATION COMPETITION

The Pre-Primary Recitation Competition was held on October 21, 2023. It Secretary Dr M Talha, Principal Mr Francis Castelino, and Headmistress Ms Kainaat Mansoor graced the competition, which commenced

with a soulful rendition of the Holy Quran. Principal Mr Francis Castelino extended a warm welcome, praising the young participants' exuberant spirit.

Judged by English teachers from the Primary Section, Ms Mehnaz Mehdi and Ms Farheen Fatima Naqvi, the event witnessed young participants reciting an array of poems with extraordinary expressions, body language, and voice articulation, creatively incorporating the use of props, adding an enchanting allure to their performances. Upper Nursery and Prep children delivered breathtaking poems, ranging from 'Weather Song' to 'Life Doesn't Frighten Me', while the Lower Nursery pupils fascinated the audience with recitals like 'A Phonics Song' and 'The Colour

Song.'

The event concluded with Headmistress Ms Kainaat Mansoor lauding the students and announcing the winners, emphasising that every child was a winner, confidently taking the stage without any fear. Dr M Talha praised the students for their exceptional performances. The oratory event, brimming with laughter, lessons, and cherished memories, proved that at the College, even the smallest stars shine the brightest!

The results of the Recitation Competition were as follows:

DIWALI CELEBRATIONS

Diwali's radiant spirit illuminated the Section on November 10, 2023, transforming the day into a tapestry of cultural immersion and engaging activities. Teachers expertly intertwined Diwali's profound symbolism of enlightenment and hope into the festivities, creating an educational journey for young minds.

Tiny hands in Lower Nursery sculpted clay into diyas, each creation imbued with cultural pride. Upper Nursery students embarked on a vibrant exploration of shapes, fostering cognitive skills amid playful creativity. Lower Nursery students blossomed into a

canvas of artistry, adorning the corridors with handcrafted diya wall hangings.

Beyond festive joy, Diwali pulsed with an important message: environmental consciousness. Activities were thoughtfully designed to sensitise young minds to the impact of firecrackers, gently advocating for responsible celebrations. This unique blend of cultural understanding, creative expression, and mindful action left students and teachers with cherished memories and a deeper appreciation for Diwali's true spirit, illuminating the College with the warmth of learning and cultural harmony.

CHILDREN'S DAY

Children's Day was commemorated on November 14, 2023, with a vibrant celebration marking the 130th birth anniversary of Pandit Jawaharlal Nehru. The day commenced with a specially curated assembly by the teachers, setting the stage for a joyful and lively atmosphere.

A range of engaging activities catered to students of all age groups ensued. Quizzes, tongue-twisters, and riddles provided intellectual amusement, while classrooms buzzed with excitement of 'Blow the Balloon' and 'Balloon Race' challenges, alongside the captivating 'Hula Hoop' activity. Students expressed their artistic talents through heartfelt Children's Day cards, brimming with creativity and love.

The air vibrated with laughter and music as students grooved to upbeat tunes, infusing the classrooms with a spirited ambience. Sharing and camaraderie flourished as children exchanged delicious treats, fostering a heartwarming sense of fellowship.

The Pre-Primary Section transformed into a haven of unbridled joy, pulsating with excitement and merriment. Anticipation filled the air as the little ones departed school, their backpacks overflowing with cherished memories of their special day. As a closing gesture, mini chocolate cakes were distributed across the classes as a sweet token of love and appreciation from the school.

CHRISTMAS CELEBRATION

On December 22, 2023, the Section held a heartwarming Christmas celebration. The tiny tots embraced a festive wonderland, adorned with eye-catching decorations including cheerful bells, Santa Claus figures, and a beautifully adorned Christmas tree. The young learners were immersed in the tales of Lord Jesus' birth and the legend of Santa Claus, igniting a spirit of giving and sharing.

Engaging activities enriched the celebration, with Lower Nursery students handcrafting creative masks from paper plates, Upper Nursery students customising glittering bells, and Lower Nursery

students showcasing their creativity with paper plate Santa masks. The jubilant tunes of 'Jingle Bells' and 'We Wish You a Merry Christmas' filled the air as the children danced with infectious enthusiasm.

Santa Claus arrived in grand style, bringing a wave of excitement to the already merry atmosphere. The delightful event concluded with the children relishing their favourite cakes, adding sweetness to the festive spirit. The boundless joy was evident on every child's face, making it a memorable and joyous Christmas celebration.

REPUBLIC DAY JOY

Republic Day was celebrated with much patriotic fervour. Teachers and students actively participated in the festivities with vibrant enthusiasm. A short video was presented to educate the children about the significance of Republic Day.

To instill a sense of patriotism, an engaging activity was organised where students crafted tricolour kites, boats, and flags, showcasing their talents. The joyous expressions on the children's faces reflected their happiness during the activity.

Adding sweetness to the celebration, our tiny tots indulged in relishing their favourite cakes. This delightful touch added an extra layer of joy to the day.

Overall, the day brimmed with enthusiasm, kindling a profound love for our country among the students. The unity and spirited participation demonstrated by the College community made Republic Day a memorable and meaningful occasion for our young learners.

PREP GRADUATION CEREMONY 2024

On March 21, 2024, the Preparatory Section of the College hosted a memorable Graduation Ceremony, attended by esteemed guests including Chief Guest Dr Bina Rai, Principal of Awadh Girls' Degree College, Lucknow, Jt Secretary Dr M Talha, Principal Mr Francis Castelino, Incoming New Principal Mr Deepak Mathews, Vice Principal Mr Sachindra Bharti, Headmistress Ms Kainaat Mansoor, and Manager II Shift Dr Kalbe Sibtain Noorie.

The ceremony opened with a solemn recitation from the Holy Quran, followed by a Shlok recitation and a reading from the Bible, setting a respectful and inclusive atmosphere for the occasion.

Chief Guest Dr Bina Rai was welcomed with a bouquet and memento, followed by a warm

introduction by Principal Mr Francis Castelino. The highlight of the event was the recognition of the young graduates of the Prep Classes, symbolising the culmination of their early education journey.

The graduates then showcased their talents through a captivating performance focused on road safety rules. Titled 'Ye Chote Chote Rule, Inko Na Jana Bhool,' the performance included a song and dance routine accompanied by a skit emphasising the importance of road safety practices such as using zebra crossings, wearing helmets, and staying with caregivers while walking. The skit also highlighted the significance of yielding to ambulances and avoiding distractions while driving, delivering a powerful message about the value of safety.

Expressing her appreciation, Dr Bina Rai commended the graduates for their growth and dedication, and praised the teachers for their nurturing guidance. She emphasised the importance of seizing opportunities and lifelong learning, applauding the College for its commitment to holistic education.

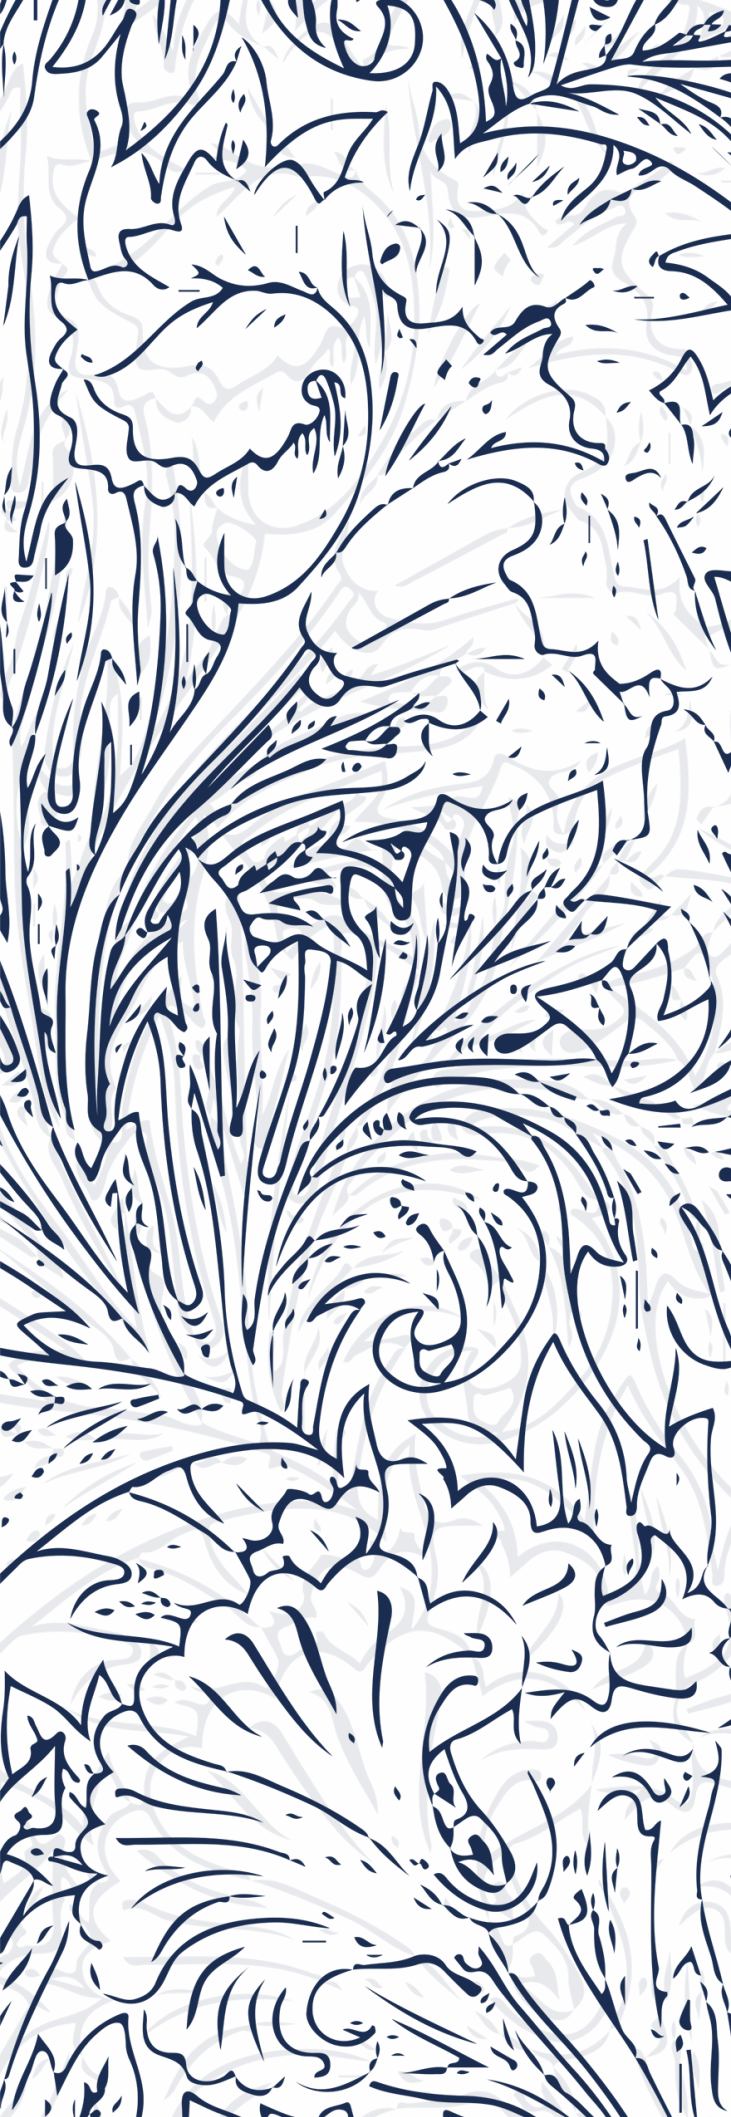

New Principal Mr Deepak Mathews addressed the audience, emphasising the vital role of parental support in children's educational journeys. He praised the College's dedication to excellence and invited everyone to participate in the students' future successes.

In her vote of thanks, Headmistress Ms Kainaat Mansoor expressed gratitude to the guests, parents, teaching staff, and support staff for their contributions. She affectionately referred to the students as her 'Shining Superstars', highlighting their potential for a bright future.

Ms Kainaat Mansoor concluded by reminding parents of their ongoing role in supporting their children's educational endeavours. The Graduation Ceremony celebrated the achievements and potential of the students as they transition to the next phase of their academic journey.

TREES: NATURE'S GIFT

Trees bear many types of fruits, like mango, banana, apple, etc. Their trunks are very hard but their leaves are very soft. Trees give us paper and gum. They give us medicine. Trees give us a clean environment. We should not cut down trees, as they are very useful.

IRAN: MY DREAM DESTINATION

My dream is to visit Iran, the land of the shrine of Imam Reza (A.S.) I want to go there to pray for my family's good health and wealth. Apart from its religious importance, Iran is also a very beautiful country with beautiful monuments. Ghormeh Sabzi is Iran's national dish. It is a fragrant stew that is deeply rooted in Iranian tradition. The Iranian women keep their heads and legs covered; they wear loose tunics or coats that cover their lower waist, and have full sleeves. Iran is my dream destination because of its natural beauty, palaces, mosques, shrines and other specialities.

A COLOURFUL JOURNEY TO RAJASTHAN

The capital of Rajasthan is Jaipur, known as the Pink City. Rajasthan is the land of colour and unique traditions and cultures. It is full of historical monuments and sculptures. The people cook yummy and delicious food. They wear different types of clothes. I wanted to go to Rajasthan because one day, I visited a Rajasthani restaurant in Lucknow with my parents for dinner. When we entered, the staff welcomed us with flowers. They sang folk songs. I was surprised when I saw that the waiters were wearing colourful Rajasthani dresses! The food was also delicious. The man who brought the bill also came in Rajput style. He requested us to visit Rajasthan. That was why I was very curious to visit Rajasthan. I requested my father, 'Please, let us go to Rajasthan.' Finally, my father agreed. My sister and I were thrilled! Hurray!

The biggest restaurant in the world is in Jaipur, which is the capital of Rajasthan. Rajasthan's camel riding is famous around the world. We did camel riding there. We went to see the Hawa Mahal and many more forts and learned about the history of Rajasthan. We visited some ancient monuments. The people there celebrate a number of festivals, such as Gangaur, the Kajli Teej festival, the Mewar Festival, and many more. The women wear ghagra cholis and odhni. They also wear silver and brass jewellery, and the men wear angarkha and a headgear called pagri.

CINDERELLA BARBIE: MY HAPPY PLAYMATE

Barbie is my favourite toy doll, and I named her Cinderella because I find her as beautiful as Cinderella. She has blue eyes, fair skin, and long golden hair. I got her for my ninth birthday. I even have a beautiful home for her with many rooms, and she sleeps in a room with beautiful flowers. Cinderella has many dresses and shoes for every occasion. During summers, she wears shorts and t-shirts, and during winters, she wears jeans with a jacket. But her favourite dress is a cute pink-coloured gown, which she wears for special occasions, like parties. I style her hair in different hairstyles. My parents gifted me Skipper and Ken on my last birthday. I play with Cinderella, Skipper and Ken. I imagine different stories, and make them act in them. Sometimes I suppose they are all students, and I am their teacher. At times, my friends also come home with their dolls, and we play with all our dolls. But I enjoy playing alone with Cinderella the most; she is my most precious toy.

LIFE 50 YEARS AGO

Life today is very different from life 50 years ago. Some people think the changes in our lives have been positive, while others think they have been more negative. What do you think? Fifty years ago, life was simpler, and some people think things were better back then. While it is true that life today has some negative aspects, I think modern lifestyle is better than the way people lived in the past. Some people, such as my grandparents, believe that there were a lot of positive things about life when they were growing up. Firstly, they say the pace of life was slower, so families could spend more time together. Everyone in the family came together for special occasions like festivals and weddings. In addition, my grandparents say that the cost of living was lower when they were young. You could easily live on just a few rupees a day. Lastly, my grandparents believe that people were healthier in the past because they ate better food than they do today and got more exercise. They say that people rarely got sick in the past. However, I feel that modern living has a lot of benefits. First of all, the standard of living is much higher today than it was 50 years ago, so people can afford to live well. Secondly, we have much better facilities now, such as good hospitals, schools, water parks, and malls. Another benefit of life today is that we have access to modern technology. This has improved the way we work and communicate. While it is true that life today is more stressful, and we often have less time to relax, I would not want to be living the same life as my grandparents did. I am a modern girl, and I want to live a modern life.

MY FURRY COMPANION

My favourite companion is a teddy bear. I like it because it is soft, furry and cuddly. It can keep me company in bed at night or when I am scared. The teddy bear also likes to hug me back, which makes it even more special. It has brown fur, blue eyes, a red nose, and a black mouth. This bear was given to me by my grandma on my 3rd birthday. I love it more than anything else in this world because it has always been with me for so many years. I cannot even imagine that I would ever forget about it because it was with me when I went for the first time to playgroup. I love my teddy very much. It is my favourite toy.

MARKET MEMORIES

I love going to the market, so yesterday, when my mother told me to get some eggs and other groceries for her, I obeyed gladly. With a bag in hand and some money, I cycled down to the nearest market. It wasn't huge in size but catered to the daily needs of the people living nearby.

As usual, there was a lot of activity going on in the shops, and the fruit vendors seemed to be doing good business too. I bought some chilli powder and a tin of cooking oil from the grocery store, then went to the chemist's shop to buy my aunt's medicine.

Thinking that I would leave the purchase of the eggs for the end, I walked into the sweet shop, where a wonderful, rich aroma entered my nostrils. I could not resist buying some hot jalebis, which I devoured greedily. After wiping my sticky hands with my Iron Man napkin, I went to the dairy shop for a packet of milk and a dozen eggs. Putting them carefully in my bag, I came out to find that a man had settled down on the ground, with his wares displayed on a sheet. He urged me to buy something from his colourful assortment of handkerchiefs, ribbons, soap dishes and a packet of safety pins. I admired his goods and said I would come another day. Picking up my bicycle from the end of the road, where I had parked it along with a whole lot of others, I hung my shopping bag over the handle and cycled back home. I returned the left-over change to my mother and went to take some rest. I closed my eyes and recalled this trip with pleasure.

MY THRILLING DREAM

It was evening and the weather was pleasant. So, I decided to go cycling to a park near my house. When I was cycling, I suddenly fell down because of a stone. I saw something shining behind the bush. I was curious to see what it was. I stepped forward and to my surprise, I saw a UFO ! It was a big and shiny UFO. I had never seen it before. I was very excited but also a bit scared, wondering, 'Where did it come from? Suddenly, some dogs started barking. I was scared, so I ran into the UFO. By mistake, I pressed the start button; a red light blinked and the UFO began flying. I was frightened, and started crying, but it was useless. After some time, I could see many stars and asteroids. Suddenly, I landed on an unknown planet. I stepped forward and came out of the UFO. When I came out, I started floating because there was no gravity in space. I flew and flew. After some time, I saw a big cave-like thing. I flew and reached that cave. It was very mysterious! I saw aliens standing at the entrance of that cave. They were purple in colour. They had four hands and three eyes, but no nose! Shocking! Unfortunately, they saw me, and started chasing me. I ran, but they caught me. They took me to their king. The king spoke to me in a language that I didn't understand. They took me to a prison, and locked the door. I was crying, but no one came to help. I tried to bang at the door repeatedly. Suddenly, I heard someone calling my name. As I listened closely, I realised it was my father's voice! He was waking me up. Then I realised that I was sleeping, and it was just a dream!

ISRO'S PERSEVERANCE

'ISRO' stands for Indian Space Research Organisation, which is the national space agency of India. The scientists at ISRO work hard day and night. Their research and discoveries are fascinating! The launch of 'CHANDRAYAAN-3' has truly amazed the whole world.

ISRO has launched many spaceships and rockets such as 'Mangalyaan', 'Chandrayaan' and many more. They did a lot of hard work to launch 'Chandrayaan', which was successfully built, but at the time of landing, it disappeared from space and a few people say it exploded in space. The 'ISRO' scientists broke down for a while, but they didn't give up and continued to work hard and launched another spaceship that was named 'Chandrayaan-2'. But it lost its connection before entering space. 'ISRO' scientists were disappointed again, but they didn't give up. They planned to launch 'Chandrayaan-3' and started working on it, and they made sure that they did not make mistakes again. Their hard work finally paid off! They launched Chandrayaan-3, which landed successfully on the 'Moon' on August 23, 2024.

To conclude, I would like to say that we have learnt a few lessons from our ISRO heroes: 'Don't give up until you win'. 'Work hard in silence and let your success make noise'.

THE STOLEN KITTEN

Sara was an eight year old girl. She was very pretty. She loved her kitten named Suzy. Suzy was a white, furry kitten with brown, golden eyes. One day, her friend Rahul came to her house to borrow her copy. Sara went to her room to get her copy. She took quite some time searching for it. Rahul saw Suzy sleeping in her little cat house. Rahul also wanted a pet cat but his parents did not agree to let him buy one. So, he quietly hid Suzy in his shopping bag. As soon as Sara came back, Rahul took her copy and returned home. His parents asked him, "From where have you bought this kitten?" He lied and said, "It was lying on the roadside". On the other side, Sara was searching for Suzy. She checked her whole house and her garden, but Suzy was not to be found. Sara started screaming, "My Suzy is missing". Even after a week, there was no trace of Suzy. Sara fell into depression. Her parents bought her another kitten, but she didn't like it. A few days later, Rahul came to know that Sara was seriously ill. Now he felt shameful. He told his parents the truth. His parents scolded him, but they also gave him the courage to say sorry and return Suzy to Sara. He went to Sara's house and apologised to her parents. Sara was very happy to get Suzy back. Her health also started improving. The new cat that her parents bought also became Suzy's friend, and Sara named her Lily. They all lived happily ever after.

THE TRUE FRIEND

Once there were two friends - a squirrel and a puppy. They used to live and play together. The squirrel was very sporty and always won the games that they played. The puppy used to feel bad and think that he was good for nothing and useless.

One day, the two friends were playing happily beside a lake, when it started raining heavily. The squirrel was in high spirits. It started doing antics, but suddenly he lost his balance and fell into the lake. It did not know how to swim and was going to drown.

The squirrel called out to his friend, the puppy, for help. The puppy promptly jumped into the lake and came to its rescue. The squirrel climbed on its back, and the puppy took it to a safe place. The squirrel was grateful to his friend for saving his life. The puppy was very happy and realised that he was not as useless as he had thought.

WORLD WITH ROBOTS AROUND US

My friends think that if there were robots around us, it would be really good and exciting, but my opinion is different. I believe that if there are robots, then no one will want to do any work because we will become lazier. Too much technology will be harmful for us if all the work is done by robots, because the question is, then what will humans do? People will lose their jobs as drivers, peons, floor managers and even surgeons. So, what will happen to us if we do not do any work and keep lying on the bed and surfing the internet all the day? If robots take up all the work, then our bodies will get no exercise, and we will start falling ill.

The children of today fall sick easily and more often - why? This is because we have become too dependent on our mobiles and machines, because of the junk food we get from machines, and because of lack of physical activities. In villages, people do their work on their own, which is why they are healthier than us. So, a world with robots and gadgets is not a good idea.

YOU ARE BEAUTIFUL WITH YOUR SCARS

Physical appearance has always been of great importance for human beings. So, from ancient times to now men and women have been concerned about their looks. It is also human nature to mock others for their outward appearance - for having dark skin tone, short height, weird nose, too little or too much weight. This is absolutely wrong and unbecoming of us if we judge people by their appearance. We should know that 'All that glitters is not gold'. Cosmetics do not make anyone pretty. Outer appearances are often deceptive. Each and every creature is unique and beautiful because God has made them so. Hence, we should accept ourselves as we are. A person is truly beautiful if he has a kind heart, love for humanity, courtesy and respect for others, tolerance, and patience. Having a scar on the body is not a curse or something bad. In fact, it is a blessing or an opportunity to inspire us to show our real selves, our talent and our creativity. So, instead of cursing yourself for your scars, work hard to achieve your goals, become successful, and prove to everyone that "Hard work can change everything." Scars don't matter. Inspire the world with your brilliant story. So, the first step is to promise yourself to build upon your strength, love yourself, believe in yourself, and prepare yourself mentally and physically. **"Never give up."**

BUYING SOMETHING WITH MY OWN MONEY

Buying something with my own money can be quite an experience. We often find it easy to spend our parents' money, but using our own money makes us feel weird, especially since we don't usually earn it ourselves. Instead, we collect or save money from various sources. I've managed to collect a good amount over time.

I've been saving money for a while now. Sometimes, I receive money as "Eidi" on special occasions, and my parents give me pocket money weekly. I always try not to spend it on unnecessary things. Birthday gifts also contribute to my savings. I received a lot of money on my last birthday, and I made sure to save it for future use. All these little savings added up over time.

Recently, I decided to spend some of my saved money on something I truly enjoy—books. I love reading, so I bought some story books like 'Black Beauty,' 'Matilda,' and 'The Magic of the Lost Temple.' Buying books is a good habit that everyone should develop. Additionally, I spend a part of it on items related to my studies, like notebooks, highlighters, pens, and pencils.

In conclusion, saving money is a valuable habit to cultivate. It can be incredibly helpful during difficult times. While it's tempting to spend money quickly on trivial things, it's more important to learn the value of saving for the future.

GAME-CHANGERS FOR A FULFILLING LIFE: HABITS

Life is all about changes. We change, the people around us change, and the cycle goes on. If we look around, nothing in particular really changes, but when we look back, even weeks feel totally different.

We all have a personality based on our demeanour and habits. They say habits, once formed, cannot be changed. Habits can be good as well as bad. Most people don't like to change their bad habits for they don't accept the reality. However, a simple game of TRUTH VERSUS DARE with my siblings one day led me to take up a challenge. I have been often criticised at home for not being kind and patient in my dealings. SO, I MADE A PROMISE TO MYSELF.

What I have decided for a change is that I want to be a little kinder each day. I want to help the people around me so that they can help others, and the chain gets longer and longer. A little act of kindness can make a big difference in someone's life. I read a book a few years ago. I don't clearly remember the content of the book, but this one quote, - "Never step back from helping people, maybe the universe is answering their prayers through you." After all, what goes around you comes around. We don't ever realise how much our good deeds can help us.

I now firmly believe that if I become kind and patient, it will bring a huge change in my life. If I can do that, I will be better than what I was yesterday and even a better person tomorrow.

Last year, I promised myself I would be a better person by the end of 2024. And well, this is my plan. I just won't quit. I know that I am capable of it, so I am trying to change myself. I will try to be patient and kind so that people don't hesitate to ask me for my help. I sincerely want this; you can't call it a dream because I have a plan. So, this is rather more of a goal than a dream.

A BAGLESS DAY AT THE SCHOOL

It was Monday, and I was in a rush as I was already late for school. Holding my sandwich in one hand and a water bottle in the other I hopped on my school bus and asked the driver to start moving because we were already late. Every day, an old family servant keeps my bag in the bus. In my hurry, I didn't check where my bag was. Only when I reached the school did I notice something missing from my shoulders. I realised that I did not have my school bag with me. It was time for the assembly, so we went to the ground. Now it was time to begin the classes, and I was sitting without my bag. During attendance, this news spread in the class, and my classmates began to laugh at me. One of them even told the teacher about it. And he asked me where my bag was. I told him that I forgot to bring my school bag as I was already late for school and I rushed madly towards my school bus. He angrily remarked, "How could you be so careless?" He punished me by telling me to stand in the last row in his period. I was red with shame and tears rolled down my eyes. When the bell rang and first period got over, the second teacher asked me why I was crying. Other children told her what the matter was. She didn't make any comment and continued to teach. In the next period, the teacher asked me about my bag. And I was just standing and telling the truth. She told me to be careful next time and asked other children to share some stationery and a rough copy with me so I could complete my work. I felt so relieved and thankful. But I was angry with those classmates who made fun of me that day.

So, have you also spent a bagless day at your school?

SECOND CHANCES

Some questions may always remain unanswered,
 Some words may always remain unspoken,
 Some paths may always remain untravelled,
 Some mistakes may always remain unforgiven,
 Some beauty may always remain unfelt,
 Some ideas may always remain underrated,
 Some stories may always remain untold,
 Some riddles may always remain unsolved,
 Some promises may always remain unkept,
 Some wounds may always remain unhealed,
 Some dreams may always remain unfollowed,
 Some lives may always remain un-lived.
 Embrace that second chance. You deserve it.
 A second chance at anything you have a fear of.
 All you have to do is put your trust in God
 And the heart will let go of the numbness.
 Second chances are always worth it.

A NARROW ESCAPE FROM TROUBLE

A narrow escape from trouble,
 Almost trapped me in a bubble,
 My mischief has come so far,
 That each time it is double.

Once my football went flying to my
 neighbour's house,
 Where lives a grumpy lady with her mouse,
 I had no chance – it was my belief,
 Except to get into her house like a thief.

Sneaking in quietly, till I got the ball,
 As soon as I ran back to the boundary wall,
 I climbed it fast, so I could quickly hide,
 That tricky little mouse saw me fall.

Well! I suppose it was luck and God's grace,
 That I made it safely, without leaving any trace.
 It was a narrow escape from troubles of many
 kinds,
 That the lady saw my back and not my face.

Nature, a masterpiece, so pretty and true,
 Mountains, rivers, and skies blue.
 In its beauty, we find calmness and peace,
 A place where all worries cease.

So, let's cherish the moon, stars and nature,
 For they remind us of life's endless adventure.
 In their presence, we find sheer delight,
 A reminder of the beauty that surrounds us, day
 and night.

In the night, stars twinkle bright,
 The moon's glow shows a magical light.
 On mountains, springs and waterfalls stand,
 Nature's beauty! Oh so grand!

WHO IS OUR ENEMY?

“Imagination leads to creativity, Creativity blossoms thinking, Thinking provides knowledge, Knowledge results in innovation, Innovation makes the nation great!”

–APJ Abdul Kalam

The ancient Indian society was a realm of prosperity, spirituality, and transcendence. Its people were educated, knowledgeable, and disciplined, forming an advanced knowledge society. However, invasions and colonial rule eroded its core competence, leading to the systematic degradation of its people to lower levels of existence. By the time the British left, our youth had lowered their aspirations and become content with their earnings.

India is the land of knowledge and it must rediscover itself. Once this discovery is done, it doesn't require much time to achieve the quality of life, strength and sovereignty of the developed nation.

While India is considered a developing country, we lack a clear understanding of the transformation required to shift from developing to developed status. Our unawareness stems from our failure to recognise our shortcomings, which hinder our national progress. We are oblivious to the true adversary that hampers our country's growth.

Our media often engages in unproductive debates, constantly arguing over controversial topics in a disruptive manner. In such a polluted environment, how can the youth become aware of what's right and wrong, identify our country's virtues and vices, and understand the obstacles to its growth?

It's crucial to recognise that our main challenge doesn't come from neighbouring countries; instead, it resides within our own borders. Our true adversary is illiteracy. Illiteracy leads to poverty, which in turn affects our economy negatively. It's also responsible for religious conflicts, riots, and terrorism. Overcoming illiteracy is essential for our country's progress towards becoming a superpower.

To eliminate illiteracy, we need to focus on our children and students. Our nation's greatest strength is its 800 million youth. We should invest in them, encourage them to have a clear vision for the future, as having a strong vision is what makes a nation truly great.

INDIA'S JOURNEY TO SPACE AND THE MOON

India embarked on its space exploration journey many years ago, achieving notable milestones such as Rakesh Sharma's historic space mission in 1984. In 2024, India made global headlines by becoming the first country to successfully land on the South Pole of the moon with Chandrayaan-3, a significant achievement accomplished by ISRO. This mission explored unexplored lunar terrain, offering valuable insights due to its unique environmental challenges. Chandrayaan-3, equipped with a six-wheeled lander and rover module, carried payloads, providing crucial data to scientists. Notably, the mission's success surpassed earlier attempts by various nations like Russia and Japan, highlighting India's expertise in space exploration. As an Indian, I take pride and find inspiration in our space agency's remarkable achievement, hoping that Chandrayaan-3 paves the way for future discoveries and innovations.

CRAFTING SUCCESS: THE POWER OF LEARNING PRACTICAL SKILLS

In our ever-evolving world, the discourse surrounding education has undergone a transformative shift. While the merits of traditional education remain, there is a growing recognition that the mastery of practical skills is increasingly becoming the linchpin for genuine success.

The age-old prevailing narrative emphasised academic knowledge as the primary conduit to success. However, contemporary wisdom challenges this notion, asserting that hands-on, practical skills—such as technological proficiency or artisanal expertise—are equally, if not more, essential.

The rapid evolution of our society, driven by technological leaps like smartphones and computers, has marginalised certain conventional educational approaches. This is where the significance of cultivating practical skills through targeted training becomes indispensable.

Skill training offers a dynamic learning experience that transcends mere theoretical understanding. It entails immersive, hands-on practice, enabling individuals to actively engage with the subject matter and cultivate a high level of proficiency.

In today's job market, specificity is highly coveted. Employers actively seek candidates who not only possess theoretical knowledge but also showcase practical acumen pertinent to the job's demands. This is where skill training emerges as a valuable asset, providing a competitive edge to individuals.

It's crucial to note that championing the significance of practical skills does not diminish the value of formal education. Instead, it complements it, fostering well-rounded individuals with a broad understanding and the ability to apply knowledge effectively.

In conclusion, as we navigate the intricacies of the modern world, the acquisition of practical skills is emerging as a pivotal facet of personal and professional development. Skill training equips individuals to meet the demands of a rapidly evolving landscape, rendering them valuable contributors in an ever-changing environment. When people underscore the importance of skills, they are accentuating the transformative capabilities and real-world applications that can significantly impact one's journey to success.

FRIENDSHIP: ONLINE OR OFFLINE

In recent years, the landscape of social media, encompassing platforms like Instagram, WhatsApp, Telegram, and others, has undergone a profound transformation. What once was primarily driven by niche communities has now become an indispensable part of our daily lives, with a prevailing sentiment- 'If you do not exist online, you simply do not exist.'

In the digital era, social media has evolved into a fundamental necessity, akin to oxygen for everyone. Many individuals find themselves actively engaged in creating online connections, forming friendships, and yet harbouring reservations about establishing relationships in the real world. The allure of social media lies in the ability to craft a curated identity, where individuals can selectively present aspects of themselves to others. On one hand, individuals find solace in the controlled nature of their online presence. On the other hand, the richness of genuine relationships, developed through face-to-face interactions, is often sacrificed.

Various factors contribute to the reluctance or fear of establishing real-world connections. Some individuals suffer from social anxiety, a profound fear of scrutiny and judgement by others, impacting their ability to form connections in workplaces, schools, or social settings. Additionally, a lack of confidence may hinder some from pursuing real relationships, pushing them toward the perceived safety of online interactions.

In exploring this dichotomy between online and offline connections, it's essential to reflect on personal inclinations. Are we authentic individuals navigating the complexities of real-life relationships, or are we unwittingly succumbing to the allure of a curated online existence?

PAST, PRESENT AND FUTURE

Throughout our lives, we encounter numerous challenges. Sometimes, these problems are very difficult to deal with and make our lives very hard. It may seem as if these challenging days will never pass, but they always do. Stormy nights are always followed by morning sunshine. Having a positive mindset is very important. If we maintain a positive mindset, we can deal with our problems much more easily because it reduces stress and helps us to think properly.

A negative mindset often leads to an unhappy life because we only focus on the negative aspects of life and often overlook all the good things that happen to us. We must learn to be grateful for the good events that occur in our lives, even if they may seem unimportant.

Living in the present and enjoying what we have is very important. Dwelling on the past and regretting or feeling ashamed of our past mistakes will only bring sorrow into our lives, and constantly worrying about the future will cause stress. It is beneficial to reflect on the past and learn from the mistakes we made or make plans for the future, but there should be a limit to it. If we do not live in the present, we will have something else to regret.

Lastly, it is very important to have proper time management and be able to make a proper plan. We must avoid procrastination at all costs.

"The cost of procrastination is the life you could have lived."

Mohd Jawwad, IX B

BILLION DOLLARS OR BILLION HUMANS

Billions of dollars are spent each year by world space agencies in the pursuit of exploring realms beyond our immediate reach. This expenditure, while substantial, may not always result in immediate, tangible benefits. Some argue that reallocating these funds towards more pressing issues is imperative.

The primary global issue that needs immediate attention is pollution. India ranks among the most polluted countries worldwide. However, little effort is made to address pollution as significant resources are allocated to endeavours like Chandrayaan 3, seemingly prioritising space exploration over pressing environmental concerns.

Poverty persists, with millions worldwide lacking adequate food and shelter. Education remains a critical concern, particularly in rural and backward communities. However, space exploration garners attention and resources, the plight of those struggling for education and basic necessities often goes unaddressed.

While space missions of NASA and other organisations undoubtedly advance technology, some argue that investing in technology that directly benefits humanity should take precedence. The stark reality of starvation amidst burgeoning space budgets raises ethical questions about resource allocation and societal priorities.

Furthermore, critics question the wisdom of dedicating vast sums to exploring distant planets like Mars when so much about our own planet remains unknown. With environmental degradation threatening Earth's ecosystems, some advocate for a greater focus on studying and preserving our home planet before venturing into the depths of space.

The pressing need is to balance the pursuit of scientific discovery with addressing immediate human needs to foster a more equitable and sustainable future.

EXPECTING THE UNEXPECTED

My legs were trembling as I entered the exam hall. All I could think was about all the bad decisions I had made that brought me to this situation. I looked for my seat and took my place. I tried to calm myself down by taking occasional deep breaths, but nothing seemed to work. That's when the bell rang, and the teachers started distributing question papers. It was soon my turn to receive my question paper. As I glanced at the question paper, hoping to know at least the first question for a confidence boost, my mind went blank. I didn't have any clue about what the question was talking about. I felt tears trickling down my face. This was the first time in my entire life that I was going to fail for sure.

Now, a little rewind. I heard my mother's voice calling for me from downstairs. It was evident in her voice that she was not happy with my actions. It was the last week of my summer break, and I was still on my laptop binge-watching web series. I had plans for my summer break, but I ended up choosing to be lazy and not reaching any of my goals. I turned off my laptop with an annoying expression. I could hear my mother's lecture from metres away, "For God's sake, Insha, go study for your Math Olympiad, you barely have a week!" she exclaimed. "Mom! I can finish it in a day, chill out, please." I replied with a shrug. "You don't know what the future brings, prepare for it when you have time, don't leave it for tomorrow," she said. I just replied with a nod while stuffing my mouth with ice cream. It was surely an odd hour to be eating ice cream as it was almost time for dinner. I cared less and went on to eat ice cream despite my mother's warning. I woke up in the middle of the night with a sharp pain in my throat and head. I could feel my body burning.

Unfortunately, I had caught a fever, a high fever. The doctor even said I had typhoid after looking at my reports. Everyone in my family was worried about me. Days passed, and I was getting better slowly and gradually. Soon it was time for me to go to school. I was feeling a lot healthier, but I was completely unaware of what awaited me at school.

As soon as I entered my classroom, I could see most of the students studying. I thought nothing of it, but when my friend asked me if I was prepared for the Math Olympiad, the realisation hit me like a truck. I had completely forgotten to study for my test.

Seated at my examination desk, I struggled to comprehend the questions before me, but all I could think was how stupid I was for not studying. But I couldn't do anything about it now. I tried keeping my composure, but my state was quite evident to my Math Teacher, Ms Loyola. She looks intimidating at first glance, but she is very kind and caring for her students. She asked me why I was crying, and I told her everything. She noticed my distress for not studying beforehand, and asked me to write an application for my retest within the week.

For once, I could sigh in relief. The following week, I studied diligently and took the test. I scored admirably, yet most importantly, I learned the valuable lesson of expecting the unexpected and preparing for everything beforehand. Now, above all, I heed my mother's counsel: "You don't know what the future brings."

THE POWER OF MOTIVATION AND REWARDS

Each and every human being needs motivation in his or her life. Prizes give pupils the incentive to improve their grades. The youth are going to play a crucial role in the economic growth and development of a country; so for a better future, they need to be better.

Each and every person seeks some kind of reward that not only enhances their mental and physical health but also boosts their motivation, making them more confident and allowing them to perform at their best.

Winning and losing are part of our lives, but when we get rewards, we are highly motivated and feel a sense of appreciation. This appreciation enhances our goodwill in society and gives birth to the quality of being consistent. Consistency is the key to success. Rewarding someone for a deed can not only enhance productivity but also boost positive mental health.

THE FINEST FRIENDSHIP

Like the gentle dewdrops sitting on the leaves,
exposing us to ourselves,
and adorning us for the world,
It ought to be a mirror.
Like the river twisting and turning endlessly,
guiding us through adventures,
and making us learn,
It should be a teacher.
Like the flowers growing on bare plants,
hiding our flaws,
and beautifying our existence,
It should be a cherry on top.
Like the soil holding the plant firmly,
shielding us from distress,
and reforming us with love and acceptance,
It should be a home.
The finest friendship,
Despite its fights and tears,
Knows no ends,
It stays with us at every bend.

A PEEP INTO THE FUTURE CLASSROOM

In the future, classrooms will change greatly, reflecting social and technological changes penetrating our society. They will be magical places filled with exciting possibilities. The Internet will be used as the core of education and learning. The walls will come alive with animated characters teaching us about the wonders of Science, Mathematics and History. Our desks will transform into touch-screen tablets, allowing us to explore the universe with just a tap. There won't be any heavy textbooks because we will have virtual reality headsets transporting us to ancient civilisations and distant planets. There will be multiple levels of possible collaboration—e-books, re-writing books, and e-tests—and students will be graded automatically according to their participation and learning progress. Teachers will be more like guides, helping us navigate this digital adventure. The future classroom will be a place where curiosity knows no bounds, and every day will be a new and exciting journey of discovery.

HUMAN RIGHTS VIOLATION: A GLOBAL PERSPECTIVE

Human rights issues cast a formidable shadow globally, affecting individuals in various ways, from leaders suppressing freedom to unfair treatment based on race or gender. Addressing these challenges comprehensively is crucial. In some places, leaders restrict people's freedom of speech and assembly, weakening the democratic ideals. At other places there are social and economic disparities, denying access to education, healthcare, and decent jobs to a large section of people, thus promoting poverty. During wars, bombings and shelling displace a big population; necessitating a strong global response to ensure accountability.

Authoritarian rule in certain regions further curtails citizens' freedom of expression, assembly, and association, silencing their voices and posing questions on democratic principles. Collective efforts globally, involving organisations, governments, and individuals, are essential to tackle these human rights issues. Supporting what is right, resolving problems through dialogue, and enforcing laws for justice are key to protecting everyone's rights.

In conclusion, prioritising human rights is crucial. Understanding and collectively addressing these issues can create a world where everyone's rights are respected. ***Let's unite to ensure fair treatment for all, making human rights a global priority.*** Our shared journey on this planet requires global solutions, emphasising that we are all part of a team striving to make the world better for everyone.

FINALLY, A HOME

I messed up in the evening today.
 What is it?
 I observe that it's something new that would happen.
 Pretty unusual, yet beautiful.
 I am made of the scars that are irreparable.
 The sun can never reach my deep insides,
 which are broken.
 But it's weird.
 There's some brightness in my rusted but
 'LIVING' room.
 I do not know who let the windows open.
 And suddenly, I can breathe.
 And can hear the murmuring of the sun.
 It comforts me that the nights won't prove
 despairing anymore.
 I won't lose myself in the darkness.
 It says that the pain will alleviate.
 I was not sure, so I looked for it.
 I can see my strewn parts coming together
 again.
 The essence of the greens in the lobby again
 came up.
 The settled dirt, the stinking vibes, and the
 stained curtains won't choke me anymore.
 The scorched trees and the dried grasses will
 now come to life.
 Spreading humanness, they'll now dance in
 the breeze.
 And this is it; this is what I survived for.
 I survived for my life.
 And now that my fenced estate is not actually
 fenced anymore,
 the happiness signals, that my loyal being is
 free now.
 I am no longer just a house. I am finally a
 home.

GENERATIVE AI IS A THREAT TO THE CURRENT JOB MARKET

Imagine a world where innovation knows no bounds, where technology evolves at a breathtaking pace, and where machines can think, learn, and create. Now, compare that world with the one we've known—a world built on the sweat and dedication of human labour. It's a clash of ages, a collision of progress and tradition. The question arises: Is generative AI a threat to the current job market? Yes, it is a THREAT!

With each passing day, algorithms grow smarter, machines more capable, and tasks that once required a human touch are now executed flawlessly by lines of code.

A World Economic Forum report says that by 2025, more than half of tasks that follow routine at work will be done by machines.

Companies like Google, Amazon, and Flipkart are implementing AI-powered chatbots, reducing the need for human representatives. Generative AI can also autonomously create content, art, and music, such as "The World is Mine" by Supercell. In banking, generative AI streamlines processes, expediting loan sanctioning and data processing. AI is also encroaching into the culinary realm, with Bengaluru-based Mukunda Foods using AI-assistive cooking technology to prepare diverse cuisines. AI software like "Midjourney" generates paintings in mere clicks, surpassing the time humans would dedicate to similar tasks.

In the face of an accelerating wave of artificial intelligence, the traditional job market stands at a crossroads, posing a profound challenge to the current employment landscape.

नारी शिक्षा

नारी शिक्षा इतनी आवश्यक किस लिए है? नारी शिक्षा इस देश, नारी के भविष्य और आने वाली पीढ़ियों के लिए बहुत ज़रूरी है और वह इसलिए भी ज़रूरी है कि अब नारी हर क्षेत्र में सफलता की सीढ़ियाँ चढ़ती जा रही है और इसका सीधा संबंध उनकी अच्छी शिक्षा से है। शिक्षा अब हर मोड़ पर है, उसकी महत्वता किसी से छुपी नहीं है और इसी का लाभ नारी को और बलशाली बनाता है। जिस तरह से दहेज का चाल-चलन खत्म हुआ है, उसी तरह हर अंधविश्वास को अच्छी शिक्षा द्वारा मिटाने का भी प्रयास किया जा रहा है। आज नारी समाज के विकास को आसमान की ऊँचाइयों तक ले जा रही है क्योंकि अब बेटियों को शिक्षा से दूर नहीं किया जाता। एक शिक्षित नारी समाज का मुख्य स्तंभ होती है, अपने परिवार का बल होती है।

नारी की शिक्षा एक ऐसा माध्यम है जो कि महिलाओं को विभिन्न क्षेत्रों में स्वतंत्र रूप से आगे बढ़ने और स्वाभिमान का जीवन जीने की प्रेरणा देता है। पुरुषों पर निर्भर होने के स्थान पर उन्हें स्वतंत्रता के साथ सिर उठाकर चलना सिखाता है।

वे महिलाएँ जो अभी तक शिक्षा की कमी के कारण अपने अधिकारों से दूर हैं, वह नहीं जानती हैं, कि वह शिक्षित होकर इन सभी अधिकारों को प्राप्त कर सकती हैं।

महिला इस शिक्षा के जादुई लाभों को प्रभावशाली तरह से प्रयोग कर समाज पर अपना प्रभाव डाल सकती है और शिक्षा महिलाओं में आत्मविश्वास जगाकर उन्हें ज़मीन से आसमान तक की ऊँचाइयों तक ले जा सकती है।

हर नारी जो ऊँचे सपने देखती है और उन्हें पाने की इच्छा रखती है, वह शिक्षा के माध्यम से हर सपना सच कर सकती है।

नारी शिक्षा को प्राथमिकता देनी चाहिए और सभी नारियों को शिक्षा प्राप्त करने का अवसर प्रदान करना चाहिए। नारी शिक्षा महत्वपूर्ण है।

प्रकृति का नियम

एक जीव विज्ञान का शिक्षक यह प्रदर्शित कर रहा था कि कैसे एक कैटरपिलर तितली में बदल जाता है। उसने अपने छात्रों से कहा कि थोड़ी देर में तितली कोकून से बाहर आने के लिए कड़ी मेहनत करेगी लेकिन किसी को भी इस प्रक्रिया में हस्तक्षेप नहीं करना चाहिए। जैसा कि अपेक्षित था, तितली ने कोकून से बाहर निकलने के लिए बहुत संघर्ष किया, लेकिन सफल नहीं हो सकी। एक छात्र को उस पर दया आ गई। उसने तितली को बाहर आने में मदद करने के लिए कोकून को तोड़ दिया। लेकिन कुछ ही देर बाद तितली मर गई।

जब शिक्षक वापस लौटे तो उन्होंने देखा कि क्या हुआ था। उन्होंने छात्रों को बताया कि तितली की मदद करके उन्होंने उसे मार डाला क्योंकि यह प्रकृति का नियम है कि कोकून से बाहर आने का संघर्ष वास्तव में तितली के पंखों को विकसित और मज़बूत करने में मदद करता है। वास्तव में, जीवन में सफलता संघर्ष के बिना नहीं मिलती।

विकास की ओर भारत के बढ़ते कदम

भारत देश एक विकासशील राष्ट्र है, जो तेज़ी से विकास के पथ पर आगे बढ़ रहा है। राष्ट्र के सर्वांगीण विकास की राह में अनेक समस्याएँ आती हैं, परंतु इन समस्याओं को सावधानी से सुलझाया जाता है। भारत के विकास का अंदाज़ा इसी बात से लगाया जा सकता है कि विश्व के कई राष्ट्र हमारे देश में निवेश करने व हमसे व्यापारिक समझौते करने को इच्छुक हैं।

भारत में 18,000 गाँवों में बिजली पहुँचाने का महत्वाकांक्षी मिशन तय किया गया है। ये गाँव आज़ादी के 7 दशक बाद आज भी अंधेरे में डूबे हुए थे। प्रधानमंत्री ने अपने स्वतंत्रता दिवस भाषण में घोषणा की थी कि 1000 दिनों के भीतर सभी शेष गाँवों में बिजली पहुँचा दी जाएगी।

स्वच्छ भारत मिशन वास्तव में जन आंदोलन का साकार रूप ले चुका है। सरकार के इस महत्वपूर्ण कार्यक्रम को लेकर सभी लोगों ने अपनी-अपनी प्रतिक्रियाएँ भी दी हैं।

2 अक्टूबर 2014 से अब तक 7.1 करोड़ घरों में शौचालयों का निर्माण हो चुका है। अक्टूबर 2014 में जहाँ गाँवों में साफ-सफाई की पहुँच का आंकड़ा 39 प्रतिशत था, वहीं अब यह दोगुने से भी ज़्यादा बढ़कर 83 प्रतिशत पहुँच चुका है।

चंद्रयान-3 भारत का तीसरा चंद्र मिशन और चंद्रमा की सतह पर सॉफ्ट लैंडिंग का दूसरा प्रयास है। 14 जुलाई 2023 को चंद्रयान-3 ने श्रीहरिकोटा में सतीश धवन अंतरिक्ष केंद्र से उड़ान भरी थी। अंतरिक्ष यान ने 5 अगस्त 2023 को चंद्र कक्षा में निर्बाध रूप से प्रवेश किया।

विकास कभी संयोगवश नहीं होता। यह लोगों के साथ मिलकर काम करने का परिणाम होता है। भारत में लोग देश को नई ऊँचाइयों तक पहुँचाने के लिए सही दिशा में आगे बढ़ रहे हैं।

आने वाले समय में भारत देश कई ऐसे आविष्कार करेगा जो देश के लिए बहुत महत्वपूर्ण होंगे। वास्तव में भारत दिन-प्रतिदिन तेज़ी से प्रगति कर रहा है।

अति शांतिप्रिय, गंभीर विचारक, चिंतक, बेहद सरल डॉ० ए.पी.जे. अब्दुल कलाम को भारत ही नहीं संपूर्ण विश्व याद करता है। आज़ादी के 75 वें वर्ष में संपूर्ण भारत जब अमृत महोत्सव की खुशियाँ मना रहा है, ऐसे में विज्ञान व तकनीक के क्षेत्र को नई दिशा देकर स्वावलम्बन की राह पर आगे बढ़ाने में महत्वपूर्ण भूमिका निभाने वाले डॉ० कलाम ने अपने काल में एक इतिहास रचा है। उनके नेतृत्व में भारत देश अग्नि और पृथ्वी जैसी उन्नत मिसाइलों को स्वदेशी तकनीक से बनाने में सक्षम हो सका। आज भारत के आंतरिक कोष में अग्नि-5 जैसी मिसाइलें भी हैं, जिसकी मारक क्षमता 5000 किलोमीटर से भी अधिक है। अंतरिक्ष विज्ञान के क्षेत्र में देश को अग्रिम पंक्ति में ला खड़ा करने वाले महान वैज्ञानिक भारत रत्न डॉ० ए.पी.जे. अब्दुल कलाम का जन्म 15 अक्टूबर 1931 को तमिलनाडु के रामेश्वरम् में हुआ था।

किया उन्होंने देशहित, सच्चा अपना कर्म। चले एकला संदेश दे, पावन हैं सब धर्म।।

प्रख्यात शिक्षक, वैज्ञानिक, गंभीर चिंतक, मिसाइल मैन भारत देश के राष्ट्रपति एवं भारत के 'रत्न' डॉ० ए.पी.जे. अब्दुल कलाम कहा करते थे कि — 'सपने देखो, सपने देखोगे, तभी वे सच्चे होंगे।' वह स्वयं को भी एक शिक्षक के रूप में रहना और याद किया जाना पसंद करते थे। युवाओं से साक्षात्कार करने में उन्हें बहुत अच्छा लगता था। युवाओं से उन्हें विशेष अपेक्षाएँ थीं कि वे कुछ अलग सोचें, नया करने, खोजने व आविष्कार करने का साहस रखें, अनजान राहों को परखें, यात्राएँ करें, समस्याओं का समाधान निकालें। वे भारत के अंतरिक्ष और मिसाइल विकास प्रोग्राम के नेतृत्वकर्ता थे। इसीलिए उन्हें 'मिसाइल मैन' भी कहा जाता है।

आजकल पढ़ाई से ज्यादा जरूरी है 'हुनर'

शिक्षा ज्ञान प्राप्त करने का साधन है जबकि कौशल एक ऐसी चीज़ है जिसके माध्यम से हम उस ज्ञान का उपयोग कर सकते हैं। जब कोई व्यक्ति शिक्षा प्राप्त करता है तो उसमें कौशल विकसित होने लगता है। जिस प्रकार एक व्यक्ति को अपनी जरूरतों को पूरा करने के लिए बाएँ और दाएँ हाथ, दोनों की आवश्यकता होती है, उसी प्रकार किसी व्यक्ति के जीवन में अपने लक्ष्यों को प्राप्त करने के लिए शिक्षा और कौशल दोनों की आवश्यकता होती है। हालांकि दोनों में अंतर यह है कि एक बच्चे को शुरूआती उम्र से ही बुनियादी शिक्षा मिलनी शुरू हो जाती है, लेकिन कौशल एक ऐसी चीज़ है जिसे उसे खुद ही समृद्ध करना होता है और अगर वह इसमें सफल हो जाता है तो उसे अपने सभी सपनों को पूरा करने से कोई नहीं रोक सकता है। शिक्षा उस नींव के आधार के रूप में कार्य करती है जिस पर कौशल खड़ा होता है। जितना मज़बूत आपका आधार, उतना ही मज़बूत आपकी नींव। आज की दुनिया में हुनर की जरूरत हर किसी को है, परंतु हुनर को हर किसी की जरूरत नहीं। परंतु जिसे यह प्राप्त हो जाए वह अपने सारे सुनहरे मौके खोल सकता है जिससे वह खुद को साबित कर सके। व्यक्ति चाहे जिस भी क्षेत्र में जाए, कौशल ही एक ऐसी चीज़ है जो सफलता के द्वार खोलती है। हुनर के बिना मनुष्य का जीवन अधूरा है और जब यह कौशल ज्ञान के साथ जुड़ जाता है तो मनुष्य को 'अद्वितीय' बना देता है। हालांकि ज्ञान प्राप्त करने से व्यक्ति के जीवन में इसका निर्माण पहले से ही शुरू हो जाता है, लेकिन इसका सही ढंग से उपयोग करना कठिन होता है। जिस प्रकार एक अद्भुत पेंटिंग अंतिम स्पर्श के बिना अधूरी है, उसी प्रकार एक व्यक्ति का सफल जीवन भी उचित कौशल के बिना पूरा नहीं होता है और अब अंत में मैं यह कहना चाहूंगा कि शिक्षा किसी के जीवन का एक अनिवार्य हिस्सा है परंतु एक सफल व्यक्ति के बाधाओं से भरे कठिन जीवन के पीछे कौशल का हाथ भी होता है और जब, इन कौशलों को उचित ज्ञान के साथ जोड़ दिया जाता है तो एक व्यक्ति परिपूर्ण हो जाता है और तब किसी व्यक्ति का भाग्य भी उसकी सफलता के बीच नहीं आ सकता।

गाँव भला या शहर

एक कहावत है गाँव ईश्वर ने बनाए हैं और शहर इंसानों ने। भारत एक कृषि प्रधान देश है। भारत की अधिकांश जनसंख्या गाँवों में रहती है। गाँव का जीवन बहुत ही स्वास्थ्यवर्धक होता है। जबकि शहर का जीवन प्रदूषित होता है। गाँव के लोग कड़ी मेहनत करते हैं। वहीं शहर के लोग सारा दिन ऑफिस में कुर्सियों पर बैठकर मेहनत करते हैं। गाँव के लोग सुबह जल्दी उठकर हल और बैल लेकर खेतों पर जाते हैं। शहर के लोग सुबह थोड़ी देर तक सोते हैं। फिर वे भी अपने कार्य पर जाते हैं। शहर और गाँव में बहुत अंतर है। गाँव में लोग एक दूसरे के सुख-दुःख आपस में बाँट लेते हैं। वे एक-दूसरे का हमेशा साथ देते हैं। वहीं शहर के लोग आपस में सुख-दुःख नहीं बाँटते हैं। शाम को गाँव के लोग चारपाई पर बैठ कर बातें करते हैं और शहर के लोग शाम को कहीं घूमने जाते हैं या पूरे परिवार के साथ बाग में बैठकर बातें करते हैं। गाँव के लोग अशिक्षित होने के साथ-साथ धार्मिक भी होते हैं। वे अपने बच्चों को स्कूल भेजने की बजाय अपनी सहायता के लिए खेत ले जाते हैं जबकि शहर के लोग अधिक शिक्षित होते हैं और उनके बच्चे स्कूल जाते हैं।

यह सच है कि गाँवों में ताज़ी शुद्ध हवा और पौष्टिक भोजन के साथ-साथ बहुत ही हरियाली होती है और शहरों में मिलावटी भोजन होता है। ज्यादा पेड़ कटने से यहाँ हरियाली कम होती है। गाँव में बहुत ही ज्यादा ऑक्सीजन होती है। वहीं शहरों में पेड़ कटने से ऑक्सीजन की भी कमी होती है। गाँव में बिजली, पानी, शिक्षा, चिकित्सा, मनोरंजन आदि की सुविधायें शहर जैसी नहीं होती।

शहरों में लोग अधिक व्यस्त रहते हैं। शहरी जीवन भागदौड़ से भरा रहता है और यहाँ ऊँची-ऊँची इमारतों का जाल और छोटे-बड़े अनगिनत वाहन होते हैं। वहीं गाँव में ऊँची-ऊँची इमारतें नहीं होती हैं। वहाँ कच्चे घर होते हैं और वहाँ वाहन भी नहीं होते। वहाँ कहीं जाने के लिए उन्हें बैलगाड़ी या टांगे आदि का प्रयोग करना पड़ता है।

कविता बदलाव

खामोशी के पन्नों पर, बचपन की याद लिख दें,
इन अनसुनी राहों पर आज कोई बात लिख दें।
वो कोमल सी निष्पाप हँसी, वो खिलखिलाता सा मन,

ना जाने इन यादों में, कैसे खो गया बचपन।
पलट कर देख, वही महकती हुई बहार है,
यादों के झरोखे में झूमता हुआ संसार है।
बचपन की डोर ने न जाने कितने रिश्ते है बाँधे,
प्यार से, मासूम गाँठें हैं बाँधी।

आज़ाद था मन आज़ाद थे हम,
दुख, पीड़ा, ईर्ष्या, द्वेष, कहाँ जानें थे हम।
दोस्तों की बातें दिल की नज़दीकियाँ बन जाती थीं,

आपसी झगड़े जीवन की नवनिधि बन जाती थीं।

क्या थे मोहक दिन बस यूँ ही गुज़र गए,
अनबुझी सी इन राहों में, जाने हम कब बदल गए।

यादों का संसार है,
जिन पर हमें अभिमान है।
इन यादों को आज मेरा नमन है,
जिन यादों में डूबता ये संसार है।

विद्यार्थी जीवन में अनुशासन

किसी भी व्यक्ति के जीवन का प्रारम्भ सबसे पहले विद्यार्थी बनकर होता है। हम बचपन से ही तीन साल की उम्र से विद्यालय जाना शुरू कर देते हैं और यही बच्चे आगे चलकर देश के नागरिक बनते हैं। तो जो कुछ भी हम इन बच्चों को सिखाते हैं और पढ़ाते हैं, वह हमारे देश के भविष्य निर्माण में योगदान देता है। इसलिए बहुत ज़रूरी होता है कि हम विद्यार्थियों को अनुशासन का महत्व अच्छी तरह से सिखायें जिससे कि वह आगे चलकर देश के आदर्श नागरिक बनें। अनुशासित व्यक्ति सही पद पर पहुँचकर उसका सही उपयोग करते हैं। अनुशासित व्यक्ति कभी भी समय का दुरुपयोग नहीं करते हैं। उन्हें जो भी कार्य दिया जाए, वह उसे समय पर पूरा करने की कोशिश करते हैं। वह अपने अनुशासन की कला का प्रयोग करके समाज और देश को लाभ पहुँचाते हैं। वास्तव में जो व्यक्ति अनुशासन में रहता है, वही देश के विकास में योगदान कर सकता है। वह व्यक्ति जिसे अनुशासन का महत्व ही ना मालूम हो, वह देश के लिए ज़्यादा कारगर सिद्ध नहीं होता। यह कहना गलत नहीं होगा कि वास्तव में एक अनुशासनशील व्यक्ति ही देश को प्रगति की ओर अग्रसर करता है। अनुशासित युवक, विद्यार्थी देश को आगे बढ़ाता है। अनुशासन के बिना विद्यार्थी जीवन की कल्पना करना काफी कठिन है।

धन से सब कुछ प्राप्त नहीं किया जा सकता।

आजकल के युग में सब सोचते हैं कि धन ही सब कुछ है मगर ऐसा नहीं है। धन के बिना भी हम लोग बहुत स्वस्थ और खुशहाल जीवन जी सकते हैं। आप लोग भले ही धन से सामान, गाड़ी आदि खरीद सकते हैं पर आप धन से खुशी नहीं खरीद सकते। आप ज़्यादातर देखते हैं कि जिसके पास अधिक धन होता है, वह भले ही बाहर से खुश लगे पर अन्दर से वह बड़े परेशान होते हैं। धन की वजह से अक्सर परिवार में क्लेश हो जाते हैं। फिर वह चाहे उसका सगा भाई और बहन ही क्यों न हो। लेकिन जिन लोगों के पास सम्मान होता है, वह हर चीज़ तो नहीं खरीद सकते पर जीवन आनंद से बिता सकते हैं। वह अपने परिवार के साथ खुशी से रह सकते हैं। वह अपने बच्चों के साथ हँसी-मज़ाक कर सकते हैं, उनको समय दे सकते हैं परंतु जिनके पास धन अधिक होता है वे और धन कमाने की कोशिश में लगे रहते हैं। वे अपने परिवार को समय नहीं दे पाते। अपने बच्चों के साथ समय नहीं बिता पाते। इसी कारण से उनके बीच झगड़े होने लगते हैं। वे बस अपने आप को ही महत्व देते हैं। पहले के लोग ज़्यादा पैसे कमाने की कोशिश में नहीं लगे रहते थे, बल्कि उतना ही कमाते थे जितने में वे खुशी से जीवन काट सकें। वास्तव में अधिक धन की लालसा व्यक्ति को पतन की ओर ले जाती है।

समस्या की जड़-आलस

आलस्य ही हर समस्या की जड़ है। आलस्य कमज़ोरी की निशानी है, ऐसा कई कारणों से हो सकता है जैसे खराब स्वास्थ्य, काम का बोझ महसूस करना या सिर्फ इसलिए कि आप परेशान हैं तो आइए जानें कि हम इससे कैसे छुटकारा पा सकते हैं—

आलस्य दूर करने के उपाय

1. अपने दिन की योजना बनाएँ— अगर आप ऐसा करते हैं तो आपको अपनी गतिविधियाँ समय पर करनी होंगी।
2. अपने आलस्य का कारण जानने का प्रयास करें और वास्तविक समस्या पर ध्यान केंद्रित करें।
3. प्रतिदिन व्यायाम और ध्यान करें।
4. प्रेरक भाषण देखें।
5. खुद से परफेक्ट होने की उम्मीद न करें।
6. उचित भोजन खाएँ, खूब पानी पिएँ और जंक फूड से बचें।
7. प्रतिदिन अच्छी नींद लें और पर्याप्त आराम करें।

मित्रता

मित्र हमारे जीवन का एक महत्वपूर्ण भाग है। अच्छे मित्र हर समय में हमें सहायता, मार्गदर्शन एवं समर्थन देते हैं। मित्रता की भावना एक पवित्र भावना है, सगा न होते हुए भी सगे जैसा संबंध है। मित्रता किसी भी उम्र के व्यक्ति के साथ किसी को भी हो सकती है। पुस्तक ज्ञान की कुंजी है, तो एक सच्चा और अच्छा मित्र पूरा पुस्तकालय है। मित्रता अनमोल रत्न के समान है। एक सच्चे मित्र की पहचान विपरीत समय आने पर ही होती है। कठिन समय में काम आने वाले मित्र ही हमारे सच्चे मित्र होते हैं।

आगरा का सफ़र

मैंने अपनी जिन्दगी में कभी भी रेल यात्रा नहीं करी थी। छुट्टी का महीना था, एक दिन मेरे घर मेरे पिता के कुछ दोस्त आए। उन्होंने अपनी रेल यात्रा के बारे में बताया। उनकी बातें सुनने के बाद मेरा भी घूमने का मन किया। मेरे पिताजी ने कहा कि वह कुछ दिन तक खाली रहेंगे। इसके बाद मेरे पिताजी ने आगरा जाने का टिकट लिया। हम आगरा ट्रेन से गए, वह यात्रा अब तक की मेरी सबसे अच्छी यात्रा है। आगरा पहुँचकर हमने एक दिन के लिये विश्राम किया और उसके बाद ताजमहल देखने गए और इसके अतिरिक्त कई अन्य स्थानों पर भी गए। वहाँ का मशहूर पेठा खाया जो स्वाद में बहुत अच्छा था। मेरी माँ ने कुछ सामान लिया और उसके बाद हम वहाँ दस दिनों तक रुके। फिर हम वहाँ से वापस आ गए। आगरा का सफ़र एक सुहाना सफ़र था।

हमारा आचरण

हमारा आचरण ऐसा हो, जिसे लोग पसंद करें। आचरण का मतलब व्यवहार होता है। हमें अपने आचरण को अच्छा बनाने का प्रयास करना चाहिए। माता—पिता और अन्य बड़े लोगों का सम्मान करना चाहिए। इससे हम अपने आचरण को अच्छा कर सकते हैं। आजकल के समय में कोई भी अपने आचरण पर ध्यान नहीं दे रहा है, जिससे उन्हें बहुत हानि होती है। इस सामाजिक जीवन में अच्छे आचरण की बहुत आवश्यकता है।

मानव के सभ्य व्यवहार और अच्छे कामों से आचरण बनता है। आज के समय में मानव को आचरण और बुद्धिमता के कारण ही नौकरी मिलती है। एक सुंदर व्यक्तित्व का स्वामी वह होता है जिसका आचरण अच्छा होता है। अच्छे आचरण के लिए भाषा का मधुर होना आवश्यक होता है। जितना हो सके उतना विनम्र स्वभाव रखें। अच्छा और संस्कारी मनुष्य बनने के लिए उत्तम आचरण अपनाएँ। अंत में, मैं यह कहना चाहती हूँ कि “हमारा आचरण हमारे व्यक्तित्व का प्रतिबिंब होता है।”

सीख

एक दिन मैं अपने घर में बैठे-बैठे एक घटना सोच रही थी। यह घटना मेरे साथ कुछ दिनों पहले हुई। उस दिन मैं अपनी गाड़ी से कहीं जा रही थी। रास्ते में मैंने देखा कि एक आदमी सड़क पार करना चाह रहा था लेकिन गाड़ियों के आने-जाने से वह डर रहा था। उसने बहुत कोशिश की लेकिन सफल न हो सका। एक बार तो वह गिर गया। वह बीच सड़क पर गिरा था और उठ नहीं पा रहा था और लोग उसे उठाकर सँभालने के बजाए उसे डाँटने लगे। वह मन ही मन दुखी लग रहा था। मैंने उसकी मदद करने की सोची। जैसे ही मैं अपनी गाड़ी से उतरी मैंने वहाँ एक लड़की को देखा। उसने उस भले इंसान की मदद की और उसे यह उम्मीद दिलाई कि वह अकेला नहीं है। उसके बाद उस लड़की ने उन लोगों को यह एहसास दिलाया कि वे कितना गलत कर रहे थे। ऐसी घटना उनके साथ भी हो सकती है। फिर उसने उस आदमी को कुछ पैसे देकर उसको उसके घर पहुँचा दिया। मुझे उस दिन यह एहसास हुआ कि मुझे भी उस लड़की की तरह बनना चाहिए और मैंने यह ठान लिया कि मैं यह घटना सबसे बताऊँगी ताकि दूसरों को भी मेरी तरह शिक्षा मिले।

کھلاڑی تو کھلاڑی ہے

ایک روزہ عالمی کرکٹ ٹورنامنٹ میں ہم لگاتار دس مقابلے جیتنے کے بعد گیارواں مقابلہ ہار گئے تو کھلاڑیوں میں عیب نکالا جانے لگا۔ یہ ہم لوگوں کی ذہنیت ہے کہ جیتنے پر ہماری نظر میں کھلاڑی بھگوان بن جاتے ہیں تو ہارنے پر ہم ان کو شیطان اور نکمّا سمجھنے لگتے ہیں۔ ہر ٹیم ہر روز بہترین مظاہرہ نہیں کر سکتی۔ ہر ٹورنامنٹ میں ہر ٹیم چاہے وہ کتنی ہی اعلیٰ درجے کی کیوں نہ ہو ایک یا دو بار شکست کا سامنا ضرور کرتی ہے۔ میرا نظریہ یہ ہے کہ ہماری ٹیم مجموعی طور پر ہار کر بھی فتحیاب ہے۔ اس کا سبب یہ ہے کہ اس ٹورنامنٹ میں دوسری ٹیموں کے مقابلے میں ہماری ٹیم نے سب سے زیادہ بار میچ جیتے ہیں اور سارے دس مقابلوں میں ہماری ٹیم نے مختلف ٹیموں کو بڑے فرق سے ہرایا۔ اس کے علاوہ ہماری ہی ٹیم کے کھلاڑیوں نے سب سے زیادہ چھکے مارے، سب سے زیادہ رن بنائے اور سب سے زیادہ وکٹ لئے ہیں۔ میں سمجھتا ہوں کہ ٹورنامنٹ کے فائنل نتیجہ سے متعلق ضابطہ میں ترمیم کی ضرورت ہے۔ یہ کیا بات ہوئی کہ جس ٹیم کی مجموعی کارکردگی سب سے بہتر ہے پورے ٹورنامنٹ میں صرف ایک میچ ہارنے سے اس کو ٹرافی سے محروم کر دیا جائے بہر حال کھلاڑی تو کھلاڑی ہیں، کوئی فرشتہ یا بھگوان تو ہیں نہیں کہ سب کچھ ان کی مرضی سے ہو۔

اس قدر اسراف

کچھ دن پہلے میں نے اخبار میں ایک دولہا کے ہیلی کاپٹر پر دھن لانے کی خبر پڑھی۔ تو سوچا کہ ایک جانب جہاں کچھ لوگ دو وقت کی روٹی کے لئے محتاج ہیں وہاں کیسے دوسرے لوگوں کو اس طرح کی مستی سونگھتی ہے۔ شادی بیاہ کی تقریبات سے لے کر سالگرہ کی اور دیگر چھوٹی موٹی تقاریب کا اگر جائزہ لیا جائے تو ایسا لگتا ہے کہ غربت کوئی کہانی ہے اور ملک کی معاشی صورتحال کوئی افسانہ ہے۔ شادیوں میں اتنا بناؤ سنگار، اس قدر آرائش، قیمتی سے قیمتی فرنیچر، شاندار شادی ہال، قسم قسم کے کھانے اور تکلفات پر پانی کی طرح پیسہ بہایا جاتا ہے۔ دوسری طرف ایک عام آدمی کی زندگی کس قدر دشوار ہو چکی ہے۔ کس طرح پیٹ کاٹ کر وہ علاج کے لئے رقم نکالتے ہیں اور بچوں کی فیسیں بھرنے کے لئے کیا کیا جتن کرتے ہیں۔ مگر یہ ان امیروں کے سوچنے کی باتیں نہیں ہیں۔ امیر طبقے کے لوگ تو بس اپنی دنیا میں مگن ایک دوسرے سے بڑھ کر شان و شوکت کا مظاہرہ کرنے کی دوڑ میں لگے ہوئے ہیں۔

لیکن مجھے تو شادی بیاہ، نکاح اور اس طرح کی تقریبات میں استطاعت نہ رکھنے کے باوجود دوسروں کی نقالی کرنے والوں کی مذمت کرنی ہے کہ وہ دکھاوے کی ناک اونچی رکھنے کے لئے اپنی پوری زندگی بلکہ آنے والی نسل تک کو گروی رکھ دیتے ہیں۔ گروی اس طرح کہ جو روپیہ پیسہ ان کی تعلیم پر خرچ ہونا چاہئے اس رقم سے ان کے والدین اپنی جھوٹی شان کے لئے لی ہوئی قرض کی رقم چکاتے ہیں۔ وہ اگر ایسا نہ کرتے تو خود بھی آرام سے ہوتے اور اپنے بچوں کی تعلیم و صحت پر خرچ کرنے کے لئے بھی ان کے پاس کچھ ہوتا۔

حضور ﷺ نے سادگی سے نکاح کو بابرکت نکاح کہا ہے اور ہم بابرکت نکاح کو توہین سمجھنے لگے ہیں اور خود اپنے ہی ہاتھوں اپنے کو مشکلات میں ڈالتے ہیں۔ اور پھر اُمید کرتے ہیں کہ ہمارے حالات بہتر ہوں اور ہمارے حالات میں تبدیلی آئے۔ پہلے خود کو تبدیل کریں پھر بہتری کی توقع رکھیں۔

برائی / اچھائی

جب انسان برائی کرتا ہے تو برائی کے راستے پر آسانی سے آگے بڑھتا چلا جاتا ہے لیکن اسکے برعکس اگر انسان اچھائی کرتا ہے تو ہر قدم پچھلے قدم سے زیادہ مشکل ہوتا ہے۔ جو کہ ہمارا امتحان ہے لیکن اللہ ہر قدم پر بلندی دیتا ہے سکون دیتا ہے۔ اللہ ہم سب کو برائی سے بچائے اور نیک راستے پر چلنے کی توفیق دے۔

ایک مثالی طالب علم

باب علم حضرت علیؑ نے فرمایا ہے کہ علم بھوک میں ہے۔ ایک مثالی طالب علم وہی ہو سکتا ہے جس کے پاس علم کی بھوک و پیاس اتنی شدت سے ہو کہ دنیا کی کوئی بھی بھوک و پیاس اس کے حصول علم کی راہ میں رکاوٹ نہ بن سکے اور یہ تمہی ممکن ہے جب کوئی طالب علم پابندی وقت کے ساتھ اپنی زندگی گزار رہا ہو۔ وقت بھی اسی انسان کی قدر کرتا ہے جو انسان وقت کی قدر کرتا ہے۔ ایک اچھے طالب علم کے لئے ایک صحت مند جسم اور ذہن کے ساتھ ساتھ ایک صحت مند دل بھی ہونا ضروری ہے۔ جب وہ دل کا لپٹھا ہوگا تو وہ خدا اور رسول سے لیکر والدین اور استاد سب کے فرائض کا خیال رکھے گا، دین کا پابند ہوگا اور دین کی پابندی گناہوں سے دور رکھتی ہے اور خدا کی معرفت میں اضافہ کرتی ہے۔

ایک اچھے طالب علم کی پہچان یہ بھی ہے کہ وہ صرف نصاب کا طالب علم نہ رہے بلکہ غیر نصابی زندگی میں بھی اس کے اندر طالب علم والی پیاس برقرار رہے۔ وہ اپنے کارناموں کے ذریعہ اپنے ماں باپ، گھر اور خاندان کا نام روشن کرنے کا سبب بنے اور اپنے عمل سے اچھے معاشرے کی تشکیل میں مددگار ثابت ہو اور اپنے علم و عمل کے ذریعہ آنے والی نسلوں کے لئے مثال بن سکے۔

نیکی کا بدلہ

ناصر ایک دن صبح جب اسکول جا رہا تھا تھی سڑک پار کرنے کے دوران اس نے دیکھا کہ کتے کے دو بچے سڑک کے بیچ میں ادھر ادھر منڈرا رہے ہیں اور اس کی ماں دور سے انھیں دیکھ رہی تھی کہ اپنے بچوں کو سڑک پار کیسے کرائے کیونکہ سڑک پر برابر گاڑیاں آ جا رہی تھیں۔ ان بچوں کو دیکھ کر ناصر کو یہ خیال آیا کہ اگر ان بچوں کو ماں کے پاس نہ پہنچایا تو یہ کسی چلتی گاڑی کے نیچے دب کر مر جائیں گے۔ اس نے جھٹ سے اپنے بیگ کو گردن میں پھنسایا اور دونوں ہاتھوں سے ان بچوں کو سنبھال کر ان کی ماں کے حوالے کر دیا۔ بچوں کو اپنے پاس دیکھ کر کُتیا اپنے بچوں کو پیار کرنے لگی اور ناصر کو گھور کر دیکھتی رہی۔ شاید وہ اس کا شکریہ ادا کر رہی تھی۔

ناصر روز کی طرح اپنے اسکول چلا گیا۔ یہ واقعہ اس نے اپنے دوستوں اور اساتذہ کو بتایا۔ سب نے اس کے اس عمل کی تعریف کی۔ وہ کُتیا اسے اچھی طرح پہچان گئی تھی وہ جب بھی اس کے پاس سے گزرتا تو وہ اسے دیکھتی اور دم ہلا کر اس کا شکریہ ادا کرتی۔ ایک دن جب وہ اسکول جا رہا تھا تو وہی کُتیا اچانک اس کے راستے پر آ کر کھڑی ہو گئی اور بھونک بھونک کر اسے آگے جانے سے روکنے لگی۔ ناصر کو سمجھ میں نہیں آیا کہ آج اس کُتیا کو کیا ہو گیا جو اسے اسکول کی طرف جانے سے روک رہی ہے۔ جیسے ہی وہ قدم آگے بڑھتا کُتیا لپک کر اس کی پیٹ کو منہ سے پکڑ لیتی۔ اسی وقت ناصر نے دیکھا کہ سڑک کے کنارے ایک پتھر کی آڑ میں ایک بڑا سانپ کھڑی مارے بیٹھا تھا، جو اسے دیکھ کر نالی میں چلا گیا۔ تب ناصر کو سمجھ میں آیا کہ کُتیا اسے آگے جانے سے کیوں روک رہی تھی۔ اسے احساس ہوا کہ جانور بھی بڑے حساس ہوتے ہیں جو اپنے محسن کو پہچان لیتے ہیں اور وقت آنے پر ان کی مدد بھی کرتے ہیں۔

UNITY COLLEGE MOURNS THE LOSS OF ITS PRESIDENT

Unity College expresses its deep condolences on the passing of Raja Muhammad Amir Muhammad Khan, the College President. Khan was a distinguished scholar, holding degrees in Mathematical Tripos from Cambridge and a DIC in Mathematical Physics from Imperial College, London. His remarkable contributions in the field of Astrophysics will always be remembered. Beyond his academic achievements, Raja Saheb was admired for his noble character, honesty, and approachable nature. He was known for his willingness to assist others at any time, exemplifying the qualities of a great leader. Unity College pays tribute to the dynamic services of its College President, who also served as the Vice President of the Taaheuddin Muslim Trust, a non-government organization for education and charity. College Secretary Najmul Hasan Rizvi mourned that his passing away is an irreplaceable loss, describing him as the visionary leader of the College. The condolence gathering brought together both Morning and Evening shift staff and students for the Prayer Service. Surah Fateha was recited, seeking eternal peace for the departed soul, and wishing strength and solace for his family and friends at this hour of profound loss.

CHAIRING G20 SUMMIT

Congratulations Team India. With great pride and happiness I would like to mention India's achievements. Implementation of NEP 2020 - A step forward to revolutionize the Indian Education System. Successfully Chairing G20 Summit's Soft Landing of Chandrayaan on the South Pole of the Lunar Surface; Fastest Growing Economy of the world and became the Fifth Largest Economy in the world and the Indian Team played the Cricket World Cup final and Virat Kohli broke the record of Sachin Tendulkar's 49 centuries in the ODI's. SACHINDRA BHARTI, Vice Principal, Unity College

PINNACLE ACHIEVEMENTS

In 2023, India achieved significant milestones in both space exploration and sports. Undoubtedly one of the crowning glories of India's scientific endeavours in 2023 was the launch of Chandrayaan-3 by ISRO, bolstering India's position in the global space community. The implementation of the National Education Policy (NEP) 2020 marked a significant stride towards revolutionizing the Indian education system. On the sports front, Indian boxers secured Bronze at the IBMA Men's World Boxing Championship in Tashkent, while India's stellar performance at the Asian Games resulted in the Country's best-ever medal haul, including 28 Gold, 38 Silver, and 41 Bronze. Notably, Virat Kohli made history by becoming the first Indian to hit 50 centuries in one-day international cricket, surpassing Sachin Tendulkar's record for most runs in a single edition of the ODI World Cup. The year 2023 marked India's pursuit of excellence, blending cosmic exploration and sporting triumphs on both terrestrial and celestial fronts. KAINAT MANSOOR, Headmistress, Unity College

SESSION BY AMET UNIVERSITY AT UNITY COLLEGE

On October 19, 2023, an enlightening session took place at the College, hosted by AMET University. Aimed at the Science Stream students, the session was conducted by Syed Ali Husain and his team, showcasing the excellence of the Academy of Maritime Education and Training (AMET University), a prestigious private Deemed University based in Chennai, Tamil Nadu, India. Focused on maritime education and training, AMET stands as a unique, technology-driven institution in India. During the session, students received detailed insights into the university's offerings, including Undergraduate and Postgraduate programs approved by regulatory bodies like the Directorate General of Shipping (DGS), All India Council for Technical Education (AICTE), and University Grants Commission (UGC). Additionally, students learned about the eligibility criteria for the Common Entrance Exam and explored International Collaborative Programs. An exciting highlight was the revelation of special scholarships, including those tailored for female cadets. Principal Francis Castellino proposed a vote of thanks and expressed his gratitude. The session not only informed but also inspired students, opening new pathways to rewarding careers in Maritime studies, thus broadening their perspective on future opportunities.

CHARTING A BRIGHTER FUTURE FOR UNITY STUDENTS AT EXTRA MARKS EDUCATION

Unity College embarked on a transformative journey of self-discovery and academic growth, guided by the dedicated team of experts from Extra Marks Education. Led by Asif Azhar, these counselors provided invaluable support to help students navigate the challenges and opportunities of their academic and career paths, empowering them to thrive and achieve their goals. This enlightening journey commenced with a fortnight-long session, targeting students in classes X and XII. Asif Azhar commenced with an inspiring counselling session, urging students to plan their academic and career ventures, just as one plans a journey. Stressing the importance of proper planning, commitment, time management, and perseverance, he emphasised that these qualities are paramount for success in life's journey. Furthermore, Azhar delved into a multitude of career options available across different streams, shedding light on crucial factors of career choice while choosing a career and outlining the essential steps in career planning. To conclude, he generously shared a plethora of tips for overall personal development. The counselling journey continued with precision as the Career Counselling and Online Psychometric tests were meticulously conducted. Individual reports were generated comprehensively, leading to personalised counselling sessions involving both students and their parents. These sessions thoroughly explored career avenues aligned with students' aptitudes and the market demand, ensuring that they make informed choices for their future. During the final phase of the counselling session, Nishi Sharma focused on nurturing the students in the Junior section, spanning from classes VI to VIII. She enlightened them on the holistic development of their personalities, emphasising the crucial role of effective communication. Furthermore, she instilled a clear understanding of the significance of having a well-defined future, guiding these young minds towards a purposeful and successful journey ahead. In his vote of thanks, College Secretary Najamul Haq Rizvi expressed heartfelt gratitude for the seamless and well-executed series of counselling sessions. He commended Vice Principal Sachindra Bhatti, Counselor Nisar Fatima, and Teacher Monis Naqvi for their expert orchestration of these sessions, emphasising their invaluable contribution to Unity College's mission of fostering well-rounded and accomplished individuals.

UNITY COLLEGE CELEBRATES RAKSHA BANDHAN

ARTISTRY UNLEASHED AT UNITY

On a vibrant day, Unity College witnessed an enchanting spectacle of creativity during the Inter-House Collage Making Contest. This unique event, meticulously curated, not only celebrated artistic prowess but also kindled the flames of collaboration among the student body. A harmonious blend of imaginative fervour and social consciousness lay at the heart of this captivating affair. With four representatives from each House, the Contest embraced diversity of thought and perspective in two categories - Junior and Senior. The Junior category unravelled the grail of 'Single Use Plastic' with sheer aesthetic finesse, while the Senior participants embarked on an imaginative journey to paint a vivid canvas of 'India in 2047'. The entries breathed life into thought-provoking messages, using an array of mediums including magazines, newspapers, colored paper, fabric, and an assortment of craft supplies. Gandhi House in Seniors and Iqbal House in Juniors performed exceptionally well and earned recognition for meeting the judging criteria. The event was evaluated by Nisha Rajapal and Bushra Shadab, and the winning collages were displayed in the Central Hall as a beacon of inspiration for all. Principal Francis Castellino complimented the triumphant students for orchestrating the visual symphony of creativity, innovation, and burning blues.

EXPLORING ROBOTICS AND ARTIFICIAL INTELLIGENCE IN EDUCATION AT UNITY

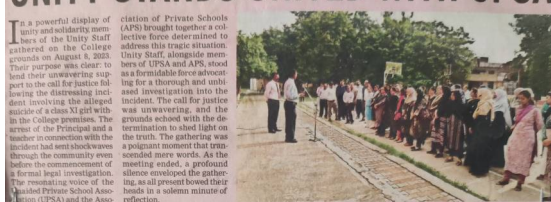

On August 2, 2023, an informative webinar titled 'Robotics and Artificial Intelligence' was conducted by the Council for the Indian School Certificate Examination (CISCE) at the ICSE level, which was attended by Primary and Secondary Section teachers of the College. The webinar highlighted the global significance and increasing popularity of Robotics, Artificial Intelligence (AI), and Coding. The Council announced that as a first step in this direction, aligned with NEP 2020, Robotics and AI will be formally introduced as subjects for classes IX and X in 2025, with future plans to integrate these subjects at the ISC level, along with Coding. The distinguished experts highlighted the ubiquitous future of Robotics with wide career prospects, encouraging the teachers to be familiar with the curriculum and actively engage in practical experimentation before integrating these subjects into their teaching. It was informed that various national-level Robotics Meets have showcased the enthusiasm of students and the potential of Robotics and AI. The need for recognition of India's technological accomplishments was stressed. The enriching webinar culminated with a presentation on 'Robotics and AI Syllabus' for classes IX and X, empowering the teachers for an enhanced educational experience.

NURTURING YOUNG MINDS AT UNITY

On November 1, 2023, Unity College Lucknow conducted a Math Quiz for students of classes IV and V, which was hosted by the esteemed presence of the Principal, Francis Castellino, and the Headmistress, Kanait Manjori. The event commenced with a vibrant introduction by the Vice Principal, Sachindra Bhatti, who extended a warm welcome to the participants and the audience. Following the Vice Principal's motivational address to the participants, the quiz began. The quiz was a blend of general knowledge and mathematics, testing the students' understanding and problem-solving skills. The quiz was divided into two rounds: the Preliminary Round and the Final Round. The Preliminary Round was a multiple-choice quiz, while the Final Round was a more challenging one, requiring the students to apply their knowledge in a practical manner. The quiz was a great success, with many students showing exceptional talent and knowledge. The Vice Principal, Sachindra Bhatti, announced the winners and presented them with trophies and certificates. He also encouraged the students to continue their learning and exploration of mathematics and general knowledge.

UNITY STANDS UNITED WITH UPSA

In a powerful display of unity and solidarity, members of the Unity Staff gathered on August 3, 2023, for a protest against the Union Public Service Commission (UPSC) exam. The purpose was to voice their concerns and demand a thorough and unbiased investigation into the alleged malpractice in the exam. The call for justice was unwavering, and the staff members, along with the students, stood in solidarity, holding banners and flags. The protest was a testament to the staff's commitment to justice and their belief in a fair and transparent examination process. The staff members expressed their disappointment and frustration over the alleged malpractice, which they believed had compromised the integrity of the exam. They demanded a thorough and unbiased investigation into the matter, and they vowed to continue their protest until justice was served. The protest was a powerful statement of the staff's unity and their commitment to justice.

A special assembly commemorating World Peace Day was conducted by the Primary and Pre-Primary sections of Unity College, Lucknow. The event commenced with a solemn recitation of the Holy Quran, followed by the pledge and a prayer for world peace. The Pre-Primary students chanted the audience with their innocent words, shedding light on the profound meaning and significance of peace. The highlight of the assembly was a touching skit titled 'Gift of Peace', flawlessly presented by the students of the Primary Section. The enchanting skit eloquently emphasised the pivotal role of kindness and peace in our lives. The Principal, Francis Castellino, lauded the children for their exceptional performance and underscored the paramount importance of upholding peace in all aspects of life. He emphasised that peace is not only a global necessity but must also prevail within ourselves, our families, our neighbourhood, and beyond, deeming it a necessity for our times. The Vice Principal, Sachindra Bhatti, commended the students for their exemplary performance, reiterating the value of politeness in all interpersonal interactions. He stressed the notion that charity indeed begins at home, urging all to cultivate peace within themselves and their families. The World Peace Day Assembly served as a heartwarming reminder of the profound significance of peace, kindness, and unity in our lives, inspiring us to work collectively toward a more peaceful world.

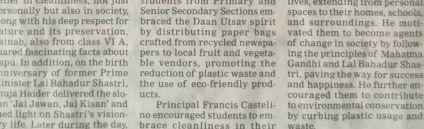

SPECIAL ASSEMBLY AT UNITY COLLEGE

The renowned quote 'Be the Change You Wish to see in the World' serves as a reminder of the exemplary leadership of Mahatma Gandhi. In honour of this great leader, a special assembly took place on October 3, 2023. The event commenced with soul-stirring recitations, followed by a speech by Aliya Zaidi from class VI A, focusing on Gandhi's life and his advocacy for non-violence. Aliya also highlighted how India's national cleanliness campaign, Swachh Bharat Abhiyan, drew inspiration from Gandhi's principles. She emphasised Gandhi's belief in cleanliness, not just personally but also in society, along with his deep respect for nature and its preservation. Zaidi, also from class VI A, shared fascinating facts about Mahatma. In addition, on the birth anniversary of former Prime Minister Lal Bahadur Shastri, Shrija Mishra from class VI A, shared light on Shastri's visionary life. Later during the day, students from Primary and Senior Secondary Sections embraced the Daan Utsav spirit by distributing paper bags crafted from re-cycled newspapers to local fruit and vegetable vendors, promoting the reduction of plastic waste and the use of eco-friendly products. Principal Francis Castellino encouraged students to embrace cleanliness in their lives, extending from personal spaces to their homes, schools, and surroundings. He motivated them to become agents of change in society by following the principles of Mahatma Gandhi and Lal Bahadur Shastri, paving the way for success and happiness. He further encouraged them to contribute to environmental conservation by curbing plastic usage and waste.

light of the assembly was a captivating experiment dedicated to Imam Jafar As-Sadiq (A.S) conducted by students of class V, emphasising Imam Sadiq's remarkable legacy as a fountain of knowledge. The festive assembly highlighted Imam Jafar As-Sadiq's contributions to various fields, including Science, Biology, and Astronomy. It was revealed that Imam Sadiq (A.S) founded an impressive 4000 global universities, with numerous renowned scholars, including the Father of Chemistry, Geber bin Hayan, being his esteemed student. The recitation of a melodious and divine naat, 'Ya Man Salata Bikhuli Ambiya', added a spiritual dimension to the assembly. The assembly concluded on a patriotic note with the recitation of the National Anthem.

Unity College made its mark on the grand stage of the CISCE Zonal Taekwondo Championship, a highly esteemed event hosted with great zeal by Christ Church College. The echoes of determination and raw talent reverberated throughout the venue as the participants showcased their martial prowess. In a standout performance that left spectators in awe, Husain Mehndi, a formidable competitor from XI-B, etched his name in the annals of victory by securing the coveted Gold medal in the fiercely contested Under-17 Boys category, specifically in the over 75 kgs weight class. Husain's triumph was nothing short of awe-inspiring. A testament to his relentless dedication and remarkable skill in the art of Taekwondo, Recognising this remarkable feat, Principal Francis Castellino extended his heartfelt congratulations and also commended the Sports Teacher Amir Ali for his guidance and mentorship. The Principal's words not only acknowledged the victory itself but also highlighted the values of discipline, hard work, and sportsmanship that this accomplishment represents.
